QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

- 1. Q: Who is entitled to vote?**
A: Stockholders of record at the close of business on Friday, March 21, 2008, the record date, are entitled to vote at the annual meeting.
 - 2. Q: What may I vote on?**
A: You may vote on:
(1) the election of one nominee to serve on the board of directors for three years; and
(2) any other matter properly presented at the meeting.
 - 3. Q: How do I vote?**
A: Sign and date each proxy card you receive and return it in the prepaid envelope. If you return your signed proxy card but do not mark the boxes showing how you wish to vote, your shares will be voted **FOR** the election of the nominee for director, and in the proxies' discretion with respect to any other matter properly presented at the meeting. Abstentions, broker non-votes and proxies directing that the shares are not to be voted will not be counted as a vote in favor of the nominee.
 - 4. Q: How can I revoke my proxy?**
A: You have the right to revoke your proxy at any time by:
(1) notifying our corporate secretary in writing before the meeting;
(2) voting in person; or
(3) returning a later-dated proxy card before the meeting.

7. Q: What is a quorum?

A: A quorum is a majority of the outstanding shares. A quorum may be present at the meeting or represented by proxy. There must be a quorum for the meeting to be valid. If you submit a properly executed proxy card, even if you abstain from voting, you will be considered part of the quorum. In addition, broker non-votes will be counted toward determining the presence of a quorum.

8. Q: What vote is required to elect the director?

A: A plurality of the votes of the shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors is necessary to elect the nominee for director. Abstentions and shares held by brokers that have been designated as not voted will be counted for purposes of determining a quorum, but will not be counted as votes cast in favor of the election of the director. Mr. Gumbiner, the chairman of the board of directors, beneficially owns approximately 65.7% of the outstanding shares and, therefore, will determine the outcome of the election. He has indicated that he intends to vote his shares in favor of the nominee.

SOLICITATION OF PROXIES

The cost of preparing, assembling, printing and mailing this proxy statement and the enclosed proxy form and the cost of soliciting proxies related to the annual meeting will be borne by the Company. The Company will request banks and brokers to solicit their customers who are beneficial owners of shares of common stock listed of record in names of nominees, and will reimburse those banks and brokers for the reasonable out-of-pocket expenses of the solicitation. The original solicitation of proxies by mail may be supplemented by telephone, telegram and personal solicitation by officers and other regular employees of the Company and its subsidiaries, but no additional compensation will be paid to those individuals on account of their activities. In addition, the Company has retained Morrow & Co., LLC to assist in the solicitation of proxies, for which it will be paid a fee of \$2,500 plus reimbursement of reasonable out-of-pocket expenses. We estimate that Morrow & Co.'s total fees and expenses will be approximately \$5,000.

ELECTION OF DIRECTORS

The Company's board of directors is divided into three classes serving staggered three-year terms. At the annual meeting, you will elect one director to serve for three years.

The individuals named on the enclosed proxy card intend to vote for the election of the nominee listed below, unless you direct them to withhold your vote. The nominee has indicated that he is able and willing to serve as a director. However, if for some reason the nominee is unable to stand for election or becomes unwilling to serve for good cause, the individuals named as proxies may vote for a substitute nominee. The nominee for director must be elected by a plurality of the votes of the shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors.

Below is the name and age of the nominee and of the directors whose terms of office will continue after the annual meeting, the year in which each director was first elected as a director of the Company, their principal occupations or employment for at least the past five years and other directorships they hold.

Except as indicated above, neither the nominee nor the continuing directors hold a directorship in any company with a class of securities registered under Section 12 of the Securities Exchange Act of 1934, as amended, or subject to the requirements of Section 15(d) of the Securities Exchange Act or any company registered as an investment company under the Investment Company Act of 1940, as amended. Each of Messrs. Crocco, Landolfo, Smith and Talbot are independent directors under the standards of the American Stock Exchange, upon which the Company's Common Stock is listed for trading. In determining the independence of Messrs. Crocco and Talbot, the Board considered that each of them have invested in Hallwood Energy on the same terms as other investors.

No family relationships exist between the nominee, the directors and the executive officers.

The board of directors unanimously recommends a vote FOR the election of the nominated individual.

Committees and Meetings of the Board of Directors

Messrs. Crocco (Chairman), Landolfo and Smith served as members of the Company's audit committee during the year ended December 31, 2007. The audit committee met five times during 2007 and was charged with the responsibility of reviewing the annual audit report and the Company's accounting practices and procedures, and recommending to the board of directors the independent registered public accounting firm to be engaged for the following year.

The board of directors does not have a standing nominating or compensation committee. Because Mr. Gumbiner owns more than 50% of the Company's voting power, it is a controlled company under the rules of the American Stock Exchange and is not required, nor does the Board believe it is necessary, to have separate nominating and compensation committees.

During the year ended December 31, 2007, the board of directors held six meetings. Each director attended at least 75% of (1) the total number of meetings held by the board of directors, and (2) the total number of meetings held by all committees of the board of directors on which he served.

Table of Contents

The Company does not have a policy with respect to attendance by the directors at the annual meeting of stockholders. Last year all members of the board of directors attended the annual meeting. Each member of the board of directors has indicated his intent to attend the 2008 Annual Meeting.

Communication With Directors

The board of directors does not provide a formal process by which stockholders may send communications to the board of directors. The Company is a controlled company under the rules of the American Stock Exchange and 65.7% of its voting securities are owned by a single stockholder. Consequently, the board of directors does not believe it is necessary to formalize such a communication process. However, stockholders may communicate with the Company or request information at any time by contacting Mr. Melvin J. Melle, Vice President, Chief Financial Officer and Secretary at 800.225.0135.

Code of Business Conduct and Ethics

The board of directors has adopted a Code of Business Conduct and Ethics that applies to all employees, including those officers responsible for financial matters. The Code of Business Conduct and Ethics may be accessed through the Company's website at www.hallwood.com. Any amendments to or waivers of the Code of Business Conduct and Ethics will be promptly disclosed on the Company's website. Any stockholder may request a printed copy of the Code of Business Conduct and Ethics by contacting Mr. Melvin J. Melle, Vice President, Chief Financial Officer and Secretary at 800.225.0135.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE-IN-CONTROL

Ms. Brookman participates in The Hallwood Group Incorporated 2005 Long-Term Incentive Plan For Brookwood Companies Incorporated. Under the plan, upon a change of control transaction, each participant is entitled to receive a cash payment equal to the sum calculated by (i) dividing the number of units held by that participant by the 10,000 total units authorized under the plan, and (ii) multiplying the result by 15% of the amount by which (a) the net fair market value of all consideration received by the Company or its stockholders as a result of the transaction exceeds (b) the sum of the liquidation preference plus accrued but unpaid dividends on the Series A Preferred Stock of Brookwood at the time of the transaction. At December 31, 2007, the sum of the liquidation preference plus accrued but unpaid dividends on the Series A Preferred Stock of Brookwood was approximately \$19,553,000. If the Board determines that certain specified officers, or other persons performing similar functions do not have, prior to the change of control transaction, in the aggregate an equity or debt interest of at least two percent in the entity with whom the change of control transaction is completed, then the minimum amount to be awarded under the plan shall be \$2,000,000. In addition, the Company agreed that, if members of Brookwood's senior management do not have, prior to a change of control transaction, in the aggregate an equity or debt interest of at least two percent in the entity with whom the change of control transaction is completed (exclusive of any such interest any such individual receives with respect to his or her employment following the change of control transaction), then the Company will pay Ms. Brookman an additional \$2,600,000.

The Company is a party to a financial consulting agreement with HIL under which Mr. Gumbiner provides international consulting and advisory services to the Company and its affiliates. If the agreement is terminated for

certain acts of dishonesty, fraud, willful misconduct, willful breach or repeated, habitual neglect, the agreement will terminate immediately. If the agreement is terminated by the Company for any other reason, then it must continue to pay the consulting fee to Mr. Gumbiner in effect at the time for the remainder of the term of the agreement. The agreement does not provide for any other severance or termination benefits.

The Company has an employment agreement with Mr. Melle. The board of directors may terminate the agreement at any time for cause (defined as persistent incompetence or insubordination, willful misconduct, dishonesty or conviction of a felony), in which event the agreement and all rights to compensation will terminate immediately. If the Company terminates the agreement for any other reason, then it must continue to pay the aggregate base salary in effect at the time for the remainder of the term of the agreement.

Mr. Smith was paid \$4,500 under this *per diem* arrangement in 2007. Each director is also reimbursed for expenses reasonably incurred in connection with the performance of his duties.

EMPLOYMENT AGREEMENTS

During the year ended December 31, 2007, the Company had an employment agreement with Mr. Melle. The employment agreement provided for payment of a minimum salary of \$200,000 per year plus an annual bonus in an amount as may be determined by the board of directors. In addition, the employment agreement provided that the Company will maintain \$500,000 of life insurance benefits and, for the year ended December 31, 2007, the Company paid a life insurance premium in the amount of \$5,716. Mr. Melle's employment agreement continued under the same terms and conditions until December 31, 2007 at which time it was automatically extended for one year, and is automatically extended annually unless terminated by either party. The Letter does not provide for severance or termination benefits. On March 14, 2007, the Board of Directors of the Company authorized a change in Ms. Brookman's bonus, providing that the minimum bonus Ms. Brookman will receive for any year, beginning with the year 2007, will be \$300,000.

Report of the Audit Committee

The audit committee is composed of three directors and operates under an Amended and Restated Audit Committee Charter, adopted by the board of directors according to the rules and regulations of the American Stock Exchange, a copy of which is attached to this Proxy Statement as Annex A. The board of directors has determined that each of the members is independent, as defined by the American Stock Exchange's Listed Company Guide. The board of directors has determined that Mr. Smith is an audit committee financial expert, as defined by the Securities and Exchange Commission (SEC).

Management is responsible for the Company's internal controls and the financial reporting process. Deloitte & Touche LLP (D&T), the Company's independent registered public accounting firm, is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board generally accepted in the United States of America. The audit committee's responsibility is to monitor and oversee these processes. The audit committee also recommends to the board of directors the selection of the Company's independent registered public accounting firm.

In this context, the audit committee reviewed and discussed the audited consolidated financial statements with both management and D&T. Specifically, the audit committee has discussed with D&T matters required to be discussed by Statement on Auditing Standards No. 61.

The audit committee received from D&T the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence - Discussions with Audit Committee), and has discussed with D&T the issue of its independence from the Company.

It is not the audit committee's duty or responsibility to conduct auditing or accounting reviews or procedures. Therefore, the audit committee has relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in accordance with the standards of the Public Company Accounting Oversight Board generally accepted in the United States of America, and on the representations of the independent registered public accounting firm included in its report on the Company's consolidated financial statements. The audit committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the audit committee's considerations and discussions with management and the independent registered public accounting firm do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles, that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards or that the Company's independent registered public accounting firm is in fact independent.

Based on the audit committee's review of the audited financial statements and its discussions with management and D&T noted above and the report of the independent registered public accounting firm to the audit committee, the audit committee recommended to the board of directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2007.

PROCEDURES FOR DIRECTOR NOMINATIONS

As discussed above, as a controlled company under the rules of the American Stock Exchange, the Company is not required to have a standing nominating committee or a written charter governing the nomination process. As a result, the full board of directors, of which each of the members other than Mr. Gumbiner are independent, serves that function.

The Company's bylaws provide that a stockholder may nominate a person for election as a director at an annual meeting if written notice of the stockholder's intent to make the nomination has been given to the Secretary of the Company at least 90 days in advance of the meeting or, if later, the tenth day following the first public announcement of the date of the meeting. Such notices must comply with the provisions of the bylaws.

In the event that a stockholder meeting the requirements and following the procedures of the bylaws was to propose a nominee, or if a vacancy occurs as a result of an increase in the number of directors, the board of directors will identify candidates with superior qualifications and personally interview them and, if appropriate, arrange to have members of management interview such candidates. Preferred candidates would display the highest personal and professional character and integrity and have outstanding records of accomplishment in diverse fields of endeavor. Candidates should have demonstrated exceptional ability and judgment and have substantial expertise in their particular fields. Candidates with experience relevant to the Company's business would be preferred. The board of directors, upon evaluation and review of the candidates, would determine who to recommend to the stockholders for approval or to fill any vacancy. The board of directors would use the same criteria for evaluating nominees recommended by stockholders as for those referred by management or any director. The Company does not pay and does not anticipate paying any fees to third parties for identifying or evaluating candidates for director.

During 2007, Ms. Brookman's daughter, Amber Brookman, Jr., and son-in-law, Steven Lerman, were employees of Brookwood and received total compensation of \$140,700 and \$196,800, respectively.

D&T served as the Company's independent registered public accounting firm for the years ended December 31, 2007, 2006 and 2005 and has been selected to serve in that capacity again for the year ending December 31, 2008. A representative of D&T will be available at the annual meeting to respond to appropriate questions and will be given an opportunity to make a statement if desired.

Pre-Approval Policy

The audit committee's pre-approval guidelines with respect to pre-approval of audit and non-audit services are summarized below.

General

The audit committee is required to pre-approve the audit and non-audit services performed by the independent registered public accounting firm in order to assure that the provision of such services does not impair the registered public accounting firm's independence. Unless a type of service to be provided by the independent registered public accounting firm has received general pre-approval, it will require specific pre-approval by the audit committee. Any proposed services exceeding pre-approved cost levels requires specific pre-approval by the audit committee.

The audit committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated must report any pre-approval decisions to the audit committee at its next scheduled meeting. The audit committee may delegate its responsibilities to pre-approve services performed by the independent registered public accounting firm to management.

Audit Services

The annual audit services engagement terms and fees are subject to the specific pre-approval of the audit committee. The audit committee approves, if necessary, any changes in terms, conditions and fees resulting from changes in audit scope, company structure or other matters. In addition to the annual audit services engagement specifically approved by the audit committee, the audit committee may grant general pre-approval for other audit services, which are those services that only the independent registered public accounting firm reasonably can provide.

Audit-related Services

Audit-related services are assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements and that are traditionally performed by the independent registered public accounting firm. The audit committee believes that the provision of audit-related services does not impair the independence of the registered public accounting firm.

Tax Services

The audit committee believes that the independent registered public accounting firm can provide tax services to the Company, such as tax compliance, tax planning and tax advice without impairing the registered public accounting firm's independence. However, the audit committee will not permit the retention of the independent registered public

accounting firm in connection with a transaction initially recommended by the independent registered public accounting firm, the purpose of which may be tax avoidance and the tax treatment of which may not be supported in the Internal Revenue Code and related regulations.

Table of Contents

All Other Services

The audit committee may grant pre-approval to those permissible non-audit services classified as all other services that it believes are routine and recurring services, and would not impair the independence of the registered public accounting firm.

Pre-Approval Fee Levels

Pre-approval fee levels for all services to be provided by the independent registered public accounting firm are established periodically by the audit committee. Any proposed services exceeding these levels requires specific pre-approval by the audit committee.

STOCKHOLDER PROPOSALS

If a stockholder intends to present a proposal for action at the 2009 annual meeting and wishes to have the proposal considered for inclusion in the Company's proxy materials in reliance on Rule 14a-8 under the Securities Exchange Act, the proposal must be submitted in writing to the Secretary of The Hallwood Group Incorporated, at 3710 Rawlins, Suite 1500, Dallas, Texas 75219 by December 15, 2008. Such proposals must also meet the other requirements of the rules of the SEC relating to stockholder proposals.

The Company's bylaws establish an advance notice procedure with regard to certain matters, including stockholder proposals and nominations of individuals for election to the board of directors. In general, notice of a stockholder proposal or a director nomination for an annual meeting must be received by the Company 90 days or more before the date of the annual meeting and must contain specified information and conform to certain requirements, as set forth in the bylaws.

If you wish to submit a proposal at the 2009 annual meeting, other than through inclusion in the proxy statement, you must notify the Company no later than January 14, 2009. If you do not notify the Company of your proposal by that date, the Company will exercise its discretionary voting power on that proposal.

In addition, if you submit a proposal outside of Rule 14a-8 of the Securities Exchange Act for the 2009 annual meeting, and the proposal fails to comply with the advance notice procedure prescribed by the bylaws, then the Company's proxy or proxies may confer discretionary authority on the persons being appointed as proxies on behalf of management to vote on the proposal.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act requires the Company's officers and directors, and persons who own more than 10% of a registered class of the Company's securities, to file reports of ownership and changes of ownership with the SEC and the American Stock Exchange. Officers, directors and 10% stockholders of the Company are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms filed by them.

Based solely on review of copies of the forms received, the Company believes that, during the last fiscal year, all filings under Section 16(a) applicable to its officers, directors and 10% stockholders were timely.

OTHER MATTERS

The Company is not aware of any other matters to be presented at the annual meeting. All shares represented by proxies will be voted in favor of the nominees for director set forth in this proxy statement, unless otherwise indicated on the form of proxy. If any other matters properly come before the meeting, the Company's proxy holders will vote on those matters according to their best judgment.

Please note, however, that if your shares of common stock are voted against the nominees for director, the proxy holders will not use their discretion to vote your shares in favor of any adjournment or postponement of the annual meeting.
