**PROXY STATEMENT  
for the 2004 Annual Meeting of Stockholders  
to be held on May 25, 2004**

---

This proxy statement and the enclosed proxy card are being furnished in connection with the solicitation of proxies by the board of directors of Open Solutions Inc. for use at the Annual Meeting of Stockholders to be held on Tuesday, May 25, 2004 at 9:30 a.m., local time, at the Hilton Garden Inn, 85 Glastonbury Boulevard, Glastonbury, Connecticut 06033, and at any adjournment thereof.

All proxies will be voted in accordance with the instructions contained in those proxies. If no choice is specified, the proxies will be voted in favor of the matters set forth in the accompanying Notice of Meeting. Any proxy may be revoked by a stockholder at any time before it is exercised by delivery of written revocation to our Secretary or by appearing at the meeting and voting in person.

Our Annual Report to Stockholders for the fiscal year ended December 31, 2003 is being mailed to stockholders with the mailing of these proxy materials on or about April 26, 2004.

**A copy of our Annual Report on Form 10-K for the fiscal year ended December 31, 2003 as filed with the Securities and Exchange Commission, except for exhibits, will be furnished without charge to any stockholder upon written or oral request to David M. Henderson, Investor Relations Department, Open Solutions Inc., 300 Winding Brook Drive, Glastonbury, Connecticut 06033, telephone: (860) 652-3155.**

**Voting Securities and Votes Required**

Stockholders of record at the close of business on April 13, 2004 will be entitled to notice of and to vote at the annual meeting. On that date, 17,089,782 shares of our common stock were issued and outstanding. Each share of common stock entitles the holder to one vote with respect to all matters submitted to stockholders at the meeting. We have no other securities entitled to vote at the meeting.

The representation in person or by proxy of at least a majority of the shares of common stock issued, outstanding and entitled to vote at the annual meeting is necessary to establish a quorum for the transaction of business. If a quorum is not present, the meeting will be adjourned until a quorum is obtained.

Directors are elected by a plurality of votes cast by stockholders entitled to vote at the meeting. To be approved, any other matters submitted to our stockholders, including the ratification of PricewaterhouseCoopers LLP as our independent auditors, require the affirmative vote of the majority of shares present in person or represented by proxy at the annual meeting. The votes will be counted, tabulated and certified by a representative of EquiServe Trust Company, N.A., our transfer agent and registrar. One of our employees will serve as the inspector of elections at the annual meeting.

Shares which abstain from voting as to a particular matter, and shares held in street name by banks or brokerage firms who indicate on their proxy cards that they do not have discretionary authority to vote those shares as to a particular matter, which we refer to as broker non-votes, will not be considered as present and entitled to vote with respect to a particular matter. Accordingly, neither abstentions nor broker non-votes will have any effect upon the outcome of voting with respect to any matters voted on at the annual meeting, but will be counted for the purpose of determining whether a quorum exists.

Stockholders may vote in person or by proxy. Execution of a proxy will not in any way affect a stockholder's right to attend the meeting and vote in person. Any stockholder voting by proxy has the right to

revoke the proxy at any time before the polls close at the annual meeting by giving our Secretary a duly executed proxy card bearing a later date than the proxy being revoked at any time before that proxy is voted or by appearing at the meeting and voting in person. The shares represented by all properly executed proxies received in time for the meeting will be voted as specified in those proxies. If the shares you own are held in your name and you do not specify in the proxy card how your shares are to be voted, they will be voted in favor of the election as directors of those persons named in this proxy statement, in favor of the ratification of PricewaterhouseCoopers LLP as our independent auditors and in favor of any other items that may properly come before the meeting.

If the shares you own are held in street name, the bank or brokerage firm, as the record holder of your shares, is required to vote your shares in accordance with your instructions. In order to vote your shares held in street name, you will need to follow the directions your bank or brokerage firm provides you.

## **Householding of Annual Meeting Materials**

Some banks, brokers and other nominee record holders may be participating in the practice of householding proxy statements and annual reports. This means that only one copy of our proxy statement and Annual Report to Stockholders may have been sent to multiple stockholders in your household. We will promptly deliver a separate copy of either document to you upon written or oral request to our Investor Relations Department, Open Solutions Inc., 300 Winding Brook Drive, Glastonbury, Connecticut 06033, telephone: (860) 652-3155. If you want to receive separate copies of the proxy statement or Annual Report to Stockholders in the future, or if you are receiving multiple copies and would like to receive only one copy per household, you should contact your bank, broker or other nominee record holder, or you may contact us at the above address and phone number.

**CORPORATE GOVERNANCE**

**General**

We believe that good corporate governance is important to ensure that Open Solutions is managed for the long-term benefit of its stockholders. We regularly review our corporate governance policies and the practices of other public companies, as well as those suggested by various authorities in corporate governance. We have also considered the provisions of the Sarbanes-Oxley Act of 2002, the new rules of the Securities and Exchange Commission and the new listing standards of the Nasdaq Stock Market.

Based on our review, we have taken steps to implement many of the new and proposed rules and new listing standards. In particular, we have adopted new charters for our Audit Committee, Compensation Committee and Nominations Committee and adopted a code of business conduct and ethics applicable to all of our directors, officers and employees.

**Board of Directors Meetings**

The board of directors has responsibility for establishing broad corporate policies and reviewing our overall performance rather than day-to-day operations. Our board of directors primary responsibility is to oversee the management of the company and, in doing so, serve the best interests of Open Solutions and its stockholders. The board of directors selects, evaluates and provides for the succession of executive officers and, subject to stockholder election, directors. It reviews and approves corporate objectives and strategies, and evaluates significant policies and proposed major commitments of corporate resources. Our board of directors also participates in decisions that have a potential major economic impact on Open Solutions. Management

Resolutions adopted by the board of directors provide that directors are encouraged to attend our annual meetings of stockholders.

### **Board Determination of Independence**

Under rules of the Nasdaq Stock Market that become applicable to us on the date of the annual meeting of stockholders, a director will only qualify as an independent director if, in the opinion of our board of directors, that person does not have a relationship which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Our board of directors has determined that none of Messrs. Anderson, Carlisle, Dame, McKay, Naudon or Yanak has a relationship which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is an independent director as defined under Rule 4200(a)(15) of the Nasdaq Stock Market, Inc. Marketplace Rules.

### **Board Committees**

Our board of directors has established three standing committees—audit, compensation and nominations—each of which operates under a charter that has been approved by the board. Current copies of each committee's charter are posted on the Investor Relations section of our website, [www.opensolutions.com](http://www.opensolutions.com). A copy of the audit committee charter, as in effect on the date of this proxy statement, is attached as *Appendix A* to this proxy statement.

The board of directors has determined that all of the members of each of the board's three standing committees are independent as defined under the new rules of the Nasdaq Stock Market that become applicable to us on the date of the annual meeting, including, in the case of all members of the audit committee, the independence requirements contemplated by Rule 10A-3 under the Securities Exchange Act of 1934. In addition, all of the members of the audit committee are independent as defined by the rules of the Nasdaq Stock Market that apply to us until the date of the annual meeting.

#### ***Audit Committee***

The audit committee's responsibilities include:

appointing, approving the compensation of, and assessing the independence of our independent auditors,

overseeing the work of our independent auditors, including through the receipt and consideration of certain reports from our independent auditors,

pre-approving audit and non-audit services to be provided by our independent auditors,

reviewing and discussing with our management and independent auditors our annual and quarterly financial statements and related disclosures,

monitoring our internal control over financial reporting, disclosure controls and procedures and code of business conduct and ethics,

establishing policies regarding procedures for the receipt, retention and treatment of complaints and concerns regarding accounting, internal accounting controls or auditing matters,

meeting independently with our independent auditors and management,

reviewing all related party transactions, and

preparing the audit committee report required by SEC rules (which is included in this proxy statement).

The board of directors has determined that Douglas K. Anderson is an audit committee financial expert as defined in Item 401(h) of Regulation S-K. The members of the audit committee are Messrs. Anderson (chairman), Dame and McKay. The audit committee met seven times during 2003.

### ***Compensation Committee***

The compensation committee's responsibilities include:

annually reviewing and approving corporate goals and objectives relevant to CEO compensation,

determining our CEO's compensation,

reviewing and approving, or making recommendations to the board of directors with respect to the compensation of our other executive officers,

overseeing an evaluation of our senior executives,

overseeing and administering our cash and equity incentive plans, and

reviewing and making recommendations to the board of directors with respect to director compensation.

The members of the compensation committee are Messrs. Carlisle, McKay (chairman) and Yanak. The compensation committee met three times during 2003.

### ***Nominations Committee***

The nominations committee's responsibilities include:

identifying individuals qualified to become members of our board of directors, and

recommending to the board of directors the persons to be nominated for election as directors and to each of the board's committees.

We established our nominations committee in August 2003. The members of the nominations committee are Messrs. Carlisle, Dame and Yanak (chairman). The nominations committee did not hold any formal meetings during 2003.

## **Director Candidates**

The process followed by the nominations committee to identify and evaluate director candidates includes requests to current directors and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates and interviews of selected candidates by members of the nominations committee and the board of directors.

In considering whether to recommend any particular candidate for inclusion in the board of directors' slate of recommended director nominees, the nominations committee will apply the criteria attached to its charter. These criteria include the candidate's integrity, business acumen, knowledge of our business and industry, age, experience, diligence, conflicts of interest and the ability to act in the interests of all stockholders. The nominations committee does not assign specific weights to particular criteria and no particular criterion is a prerequisite for each prospective nominee. We believe that the backgrounds and qualifications of our directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow the board of directors to fulfill its responsibilities.

Stockholders may recommend individuals to the nominations committee for consideration as potential director candidates by submitting their names, together with appropriate biographical information and background materials and a statement as to whether the stockholder or group of stockholders making the recommendation has beneficially owned more than 5% of our common stock for at least a year as of the date

## **Table of Contents**

such recommendation is made, to Nominations Committee, c/o Secretary, Open Solutions Inc., 300 Winding Brook Drive, Glastonbury, Connecticut 06033. Assuming that appropriate biographical and background material has been provided on a timely basis, the nominations committee will evaluate stockholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others. If our board of directors determines to nominate a stockholder-recommended candidate and recommends his or her election, then his or her name will be included in the proxy card for the next annual meeting of stockholders.

Stockholders also have the right under our by-laws to directly nominate director candidates, without any action or recommendation on the part of the nominations committee or the board of directors, by following the procedures set forth in the second paragraph under "Stockholder Proposals" below. Candidates nominated by stockholders in accordance with the procedures set forth in our by-laws will not be included in the proxy card for the next annual meeting of stockholders.

## **Communicating with the Independent Directors**

The board of directors will give appropriate attention to written communications that are submitted by stockholders, and will respond if and as appropriate. The chairman of the nominations committee, with the assistance of our general counsel, is primarily responsible for monitoring communications from stockholders and for providing copies or summaries to the other directors as he considers appropriate.

Communications are forwarded to all directors if they relate to important substantive matters and include suggestions or comments that the chairman of the nominations committee considers to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which we tend to receive repetitive or duplicative communications.

Stockholders who wish to send communications on any topic to our board of directors should address such communications to Board of Directors, c/o Secretary, Open Solutions Inc., 300 Winding Brook Drive, Glastonbury, Connecticut 06033.

## **Report of the Audit Committee**

Our management is responsible for the preparation of our financial statements and for maintaining an adequate system of disclosure controls and procedures and internal control over financial reporting for that purpose. Our independent auditors are responsible for conducting an independent audit of our annual financial statements in accordance with generally accepted accounting principles and issuing a report on the results of their audit. The audit committee is responsible for providing independent, objective oversight of these processes.

The audit committee has reviewed our audited financial statements for the fiscal year ended December 31, 2003 and has discussed these financial statements with management and our independent auditors.

The audit committee has also received from, and discussed with, our independent auditors various communications that our independent auditors are required to provide to the audit committee, including the matters required to be discussed by Statement on Auditing Standards 61 (Communication with Audit Committees). SAS 61 (as codified in AU Section 380 of the Codification of Statements on Auditing Standards) requires our independent auditors to discuss with the audit committee, among other things, the following:

significant accounting policies selected by management, including critical accounting policies and alternative treatments under generally accepted accounting principles, and our independent auditors' judgment about the quality of accounting principles used by management,

material uncertainties related to events and conditions,

difficulties encountered in performing the audit,

**Table of Contents**

potential impact on the financial statements of any significant risks and exposures,

the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditors' conclusions regarding the reasonableness of those estimates,

disagreements with management over the application of accounting principles, and

the basis for management's accounting estimates and the disclosures in our financial statements.

Our independent auditors also provided the audit committee with the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). Independence Standards Board Standard No. 1 requires auditors annually to disclose in writing all relationships that, in the auditor's professional opinion, may reasonably be thought to bear on their independence, confirm their perceived independence and engage in a discussion of independence. The audit committee has discussed with the independent auditors their independence from Open Solutions.

Based on its discussions with management and the independent auditors, and its review of the representations and information provided by management and the independent auditors, the audit committee recommended to the board of directors that our audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2003.

### ***Pre-Approval Policy and Procedures***

The audit committee has adopted policies and procedures relating to the approval of all audit and non-audit services that are to be performed by our independent auditors. This policy generally provides that we will not engage our independent auditors to render audit or non-audit services unless the service is specifically approved in advance by the audit committee or the engagement is entered into pursuant to one of the pre-approval procedures described below.

From time to time, the audit committee may pre-approve specified types of services that are expected to be provided by our independent auditors during the next twelve months. Any such pre-approval is detailed as to the particular service or type of services to be provided and is also generally subject to a maximum dollar amount.

The audit committee has also delegated to the chairman of the audit committee the authority to approve any audit or non-audit services to be provided by our independent auditors. Any approval of services by a member of the audit committee pursuant to this delegated authority is reported on at the next meeting of the audit committee.

## **Compensation of Directors**

We reimburse our non-employee directors for reasonable out-of-pocket expenses incurred in attending meetings of the board of directors or any committee of the board of directors. During the fiscal year ended December 31, 2003, our non-employee directors did not receive separate compensation for services rendered as directors. Beginning in the fiscal year ending December 31, 2004, each of our non-employee directors will receive an annual retainer fee of \$4,000, and an additional \$2,000 for each committee on which the non-employee director serves. No director who also serves as an employee receives separate compensation for services rendered as a director. We currently have six non-employee directors on our board of directors: Messrs. Anderson, Carlisle, Dame, McKay, Naudon and Yanak.

During the fiscal year ended December 31, 2003, we did not grant any stock options to the non-employee members of our board of directors. Beginning in the fiscal year ending December 31, 2004, each of our non-employee directors will be granted, on the date of the annual meeting of stockholders for such year, a stock option to purchase 5,000 shares of our common stock at an exercise price equal to the closing price of our common stock on the Nasdaq National Market on the date of grant. One-third of the shares of common stock underlying the stock options will be exercisable one year after the date of grant, and the stock options for the remaining shares vest monthly thereafter over a two-year period.

Mr. Hernandez did not receive any compensation during the fiscal year ended December 31, 2003 for services rendered as a director. Mr. Hernandez's compensation for service as our chief executive officer is discussed under the heading Information About Executive Compensation.

## **Certain Relationships and Related Transactions**

On March 29, 2002, we acquired certain assets and intellectual property rights of HNC Financial Solutions, Inc., a division of HNC Software Inc. (now known as Fair Isaac Corporation), which is an investor in Open Solutions, and assumed certain future software maintenance and support obligations in exchange for a \$500,000 promissory note. The promissory note accrued interest at an annual rate of 6%, and the principal balance was due in full on March 29, 2004. Concurrent with the acquisition, we entered into a license and service agreement under which HNC Financial Solutions, Inc. licensed to us additional software in exchange for \$564,000 in cash.

On October 31, 2002, we purchased from HNC Software Inc. the underlying intellectual property rights to the additional software that had been licensed in the March 2002 transaction, accounts receivable and related future software maintenance and support obligations in exchange for a \$950,000 promissory note. The

promissory note accrued interest at an annual rate of 4.5%, and the principal balance was due in full on October 31, 2005. A portion of the promissory note was subject to acceleration in the event that a specific former customer of HNC Software Inc. paid us \$750,000 or any portion thereof on or before April 30, 2003, in which case, the original principal amount of the promissory note was to be reduced on a dollar-for-dollar basis and any remaining receivable would be assigned back to HNC Software Inc. We received the full \$750,000 that was owed to us, and as a result, owed \$950,000 to HNC Software Inc. under the promissory note.

These notes were paid in full in December 2003 with the proceeds from our initial public offering.

Mr. Thompson, a former director of Open Solutions, is the Vice President of Corporate Development of Fair Isaac Corporation, the successor-in-interest to HNC Software Inc. Mr. Thompson resigned from the board of directors on December 2, 2003 upon the closing of our initial public offering.

We have adopted a policy providing that all material transactions between us and our officers, directors and other affiliates must be:

approved by a majority of the members of our board of directors,

approved by a majority of the disinterested members of our board of directors, and

on terms no less favorable to us than could be obtained from unaffiliated third parties.

Annual rates of stock price appreciation of 5% and 10% from the initial public offering price is assumed pursuant to the rules of the Securities and Exchange Commission. Actual gains, if any, on stock option exercises and common stock holdings are dependent on the timing of the exercise and the future performance of our common stock.

**Table of Contents****Employment Agreements**

We are party to an employment agreement, dated May 6, 2002, with Louis Hernandez, Jr., our chairman of the board and chief executive officer. Under this agreement, which has a three-year term, we agreed to pay Mr. Hernandez an annual base salary of \$321,200 subject to increase at the discretion of our board of directors, and an annual cash bonus of up to 50% of his base salary, based on the achievement of certain performance targets. Our compensation committee determines Mr. Hernandez's annual cash bonus. The compensation committee bases this determination on a number of factors, including the commercial introduction of new products and services, Mr. Hernandez's efforts in identifying appropriate product and business acquisition candidates, and our performance compared to our corporate objectives for a given year, specifically with respect to revenues and earnings. In addition, Mr. Hernandez was granted a stock option to purchase 103,448 shares of common stock at an exercise price of \$7.25 per share in connection with the execution of the agreement. The agreement also includes a covenant by Mr. Hernandez not to compete with our business or to solicit any of our employees or clients during the 12-month period following his employment termination. The agreement provides for severance pay if his employment terminates without cause or good reason, or following a change of control (as defined in the employment agreement), equal to Mr. Hernandez's base salary and the full amount of his target bonus for that year. If Mr. Hernandez's employment terminates following a change of control, in addition to receiving the severance pay described above, any outstanding stock options held by him will become fully vested.

**Report of the Compensation Committee**

Our executive compensation program is administered by the compensation committee which is currently composed of three non-employee directors.

Our executive compensation program is designed to attract, retain and reward executives who can help us achieve our business objectives in this competitive and rapidly changing industry and thereby maximize stockholder returns. The compensation committee establishes compensation policies for Mr. Hernandez, the chairman of the board and chief executive officer. In addition, Mr. Hernandez recommends compensation

packages for the remaining executive officers which the compensation committee reviews and approves or denies.

This report is submitted by the compensation committee and addresses the compensation policies for the fiscal year ended December 31, 2003 as they affected Mr. Hernandez and our other executive officers.

***Compensation Philosophy***

The objectives of the executive compensation program are to align the interests of management with the interests of stockholders through a system that relates compensation to business objectives and individual performance. Our executive compensation philosophy is based on the following principles:

*Competitive and Fair Compensation*

We are committed to providing an executive compensation program that helps us to attract, motivate and retain highly qualified and industrious executives. Our policy is to provide total compensation that is competitive for comparable work and comparable corporate performance. To this end, we regularly compare our compensation packages with those of other companies in the industry and set our compensation guidelines based on this review. We also seek to achieve a balance of the compensation paid to a particular individual and the compensation paid to our other executives and employees.

*Sustained Performance*

Executive officers are rewarded based upon an assessment of corporate, business group and individual performance. Corporate performance and business group performance are evaluated by reviewing the extent to which strategic and business plan goals are met, including such factors as achievement of operating budgets, timely development and introduction of new products, and performance relative to competitors. Individual performance is evaluated by reviewing attainment of specified individual objectives and the degree to which teamwork and our other values are fostered.

In evaluating each executive officer's performance, we generally conform to the following process:

business and individual goals and objectives are set for each performance cycle,

at the end of the performance cycle, the accomplishment of the executive's goals and objectives and his contributions to Open Solutions are evaluated,

the executive's performance is then compared with peers within Open Solutions and the results are communicated to the executive, and

the comparative results, combined with comparative compensation practices of other companies in the industry, are then used to determine salary and stock compensation levels.

Annual compensation for our executives generally consists of three elements: salary, bonus and stock options. Bonuses totaling \$708,820 were paid to our executive officers for the fiscal year ended December 31, 2003.

Salary for our executives is generally set by reviewing compensation for comparable positions in the market and the historical compensation levels of our executives. Increases in annual salaries are based on actual corporate and individual performance vis-à-vis targeted performance criteria and various subjective performance criteria. Targeted performance criteria vary for each executive based on his business group or area of responsibility, and may include:

achievement of the operating budget for Open Solutions as a whole or of a business group of Open Solutions,

continued innovation in development and commercialization of our technology,

timely development and introduction of new products or processes,

**Table of Contents**

development and implementation of successful marketing and commercialization strategies, and

implementation of financing strategies and establishment of strategic development alliances with third parties.

Subjective performance criteria include an executive's ability to motivate others, develop the skills necessary to grow as we mature, recognize and pursue new business opportunities and initiate programs to enhance our growth and success. The compensation committee does not rely on a formula that assigns a pre-determined value to each of the criteria, but instead evaluates an executive officer's contribution in light of all criteria. Base salaries for our executive officers increased approximately 3% for the fiscal year ended December 31, 2003 as compared to the fiscal year ended December 31, 2002.

Compensation for executive officers also includes the long-term incentives afforded by stock options. Our stock option program is designed to align the long-term interests of our employees and our stockholders and assist in the retention of executives. The size of option grants is generally intended to reflect the executive's position with us and his contributions to us, including his success in achieving the individual performance criteria described above. We generally grant options with monthly vesting schedules over a four-year period (however, the options may not be exercised during the first year after they are granted) to encourage key employees to continue their employment with us. During the fiscal year ended December 31, 2003, we granted stock options to purchase an aggregate of 358,617 shares of our common stock to executive officers, 275,859 of which were at an exercise price of \$2.8855 per share and the remaining 82,758 of which were at an exercise price of \$13.05. All stock options granted to executive officers during the fiscal year ended December 31, 2003 were granted at fair market value as determined by our board of directors on the date of grant.

Executive officers are also eligible to participate in our employee stock purchase plan. The purchase plan is available to virtually all of our employees and generally permits participants to purchase shares of our common stock at a discount of 15% from the fair market value at the beginning or end of the applicable purchase periods permitted under the purchase plan.

***Compliance with Internal Revenue Code Section 162(m)***

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation over \$1 million paid to a corporation's chief executive officer and four other most highly compensated executive officers. Qualified performance-based compensation will not be subject to the deduction limit if certain requirements are met. In general, we intend to structure the performance-based portion of the compensation of our executive officers, which currently consists solely of stock option grants, in a manner that complies with Section 162(m) so as to mitigate any disallowance of deductions. Nevertheless, there can be no assurance that compensation attributable to stock options granted under our stock incentive plans will be exempt from Section 162(m) as qualified performance-based compensation. In addition, the compensation committee has the authority to authorize compensation payments that may be subject to the limit where the compensation committee believes that such payments are appropriate and in the best interests of Open Solutions and our stockholders, after taking into consideration changing business conditions and the performance of our officers.

***Mr. Hernandez's 2003 Compensation***

Mr. Hernandez is eligible to participate in the same executive compensation plans available to the other executive officers. The compensation committee believes that Mr. Hernandez's annual compensation, including the portion of his compensation based upon our stock option program, has been set at a level competitive with other companies in the industry.

Mr. Hernandez's salary was \$321,200 for the fiscal year ended December 31, 2003 and \$311,467 for the fiscal year ended December 31, 2002, a 3.1% increase. Mr. Hernandez received a bonus of \$260,000 in January 2004 for his performance during the fiscal year ended December 31, 2003. In determining Mr. Hernandez's compensation, the compensation committee considered a number of factors, including the commercial introduction of new products and services, Mr. Hernandez's efforts in identifying appropriate

product and business acquisition candidates, and Open Solutions performance compared to our corporate objectives for the fiscal year ended December 31, 2003, specifically with respect to revenues and earnings.

**Compensation Committee Interlocks and Insider Participation**

All decisions regarding the compensation of our executive officers for the fiscal year ended December 31, 2003 were made by our compensation committee, consisting of Messrs. Carlisle, McKay, Thompson and Yanak. Mr. Thompson was replaced as a member of the compensation committee by Mr. Yanak when Mr. Thompson resigned from the board of directors on December 2, 2003 in connection with the closing of our initial public offering. None of the current members of our compensation committee has been employed by us. None of our executive officers participated in deliberations of our board of directors or compensation committee concerning executive officer compensation for the fiscal year ended December 31, 2003. None of our executive officers have served as a director or member of the compensation committee, or other committee serving an equivalent function, of any other entity.

***HNC Software Inc.***

Mr. Thompson is the Vice President of Corporate Development of Fair Isaac Corporation, the successor-in-interest to HNC Software Inc.

On March 29, 2002, we acquired certain assets and intellectual property rights of HNC Financial Solutions, Inc., a division of HNC Software Inc. (now known as Fair Isaac Corporation), which is an investor in Open Solutions, and assumed certain future software maintenance and support obligations in exchange for a \$500,000 promissory note. The promissory note accrued interest at an annual rate of 6%, and the principal balance was due in full on March 29, 2004. Concurrent with the acquisition, we entered into a license and service agreement under which HNC Financial Solutions, Inc. licensed to us additional software in exchange for \$564,000 in cash.

On October 31, 2002, we purchased from HNC Software Inc. the underlying intellectual property rights to the additional software that had been licensed in the March 2002 transaction, accounts receivable and related future software maintenance and support obligations in exchange for a \$950,000 promissory note. The promissory note accrued interest at an annual rate of 4.5%, and the principal balance was due in full on October 31, 2005. A portion of the promissory note was subject to acceleration in the event that a specific former customer of HNC Software Inc. paid us \$750,000 or any portion thereof on or before April 30, 2003, in which case, the original principal amount of the promissory note was to be reduced on a dollar-for-dollar basis and any remaining receivable would be assigned back to HNC Software Inc. We received the full \$750,000 that was owed to us, and as a result, owed \$950,000 to HNC Software Inc. under the promissory note.

These notes were paid in full in December 2003 with the proceeds from our initial public offering.

**PROPOSAL TWO RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS**

The audit committee of our board of directors has selected the firm of PricewaterhouseCoopers LLP as independent auditors for the fiscal year ending December 31, 2004. Although stockholder approval of the audit committee's selection of PricewaterhouseCoopers LLP is not required by law, our board of directors believes that it is advisable to give stockholders an opportunity to ratify this selection. If this proposal is not approved at the annual meeting, our audit committee will reconsider its selection of PricewaterhouseCoopers LLP. Representatives of PricewaterhouseCoopers LLP are expected to be present at the annual meeting and will have the opportunity to make a statement, if they desire to do so, and will be available to respond to appropriate questions from our stockholders.

**Board Recommendation**

**The board of directors recommends a vote FOR the ratification of the selection of PricewaterhouseCoopers LLP as our independent auditors for the fiscal year ending December 31, 2004.**

**OTHER MATTERS**

Our board of directors does not know of any other matters which may come before the annual meeting. However, if any other matters are properly presented to the meeting, it is the intention of the persons named in the accompanying proxy card to vote, or otherwise act, in accordance with their judgment on those matters.

**SOLICITATION OF PROXIES**

The cost of solicitation of proxies will be borne by us. In addition to the solicitation of proxies by mail, our officers and employees may solicit proxies in person or by telephone. We may reimburse brokers or persons holding stock in their names, or in the names of their nominees, for their expenses in sending proxies and proxy material to beneficial owners.

**REVOCAION OF PROXY**

Subject to the terms and conditions set forth in this proxy statement, all proxies received by us will be effective, notwithstanding any transfer of the shares to which those proxies relate, unless prior to the closing of the polls at the annual meeting of stockholders, we receive a written notice of revocation signed by the person who, as of the record date, was the registered holder of those shares. The notice of revocation must indicate the certificate number and numbers of shares to which the revocation relates and the aggregate number of shares represented by the certificate(s).

**STOCKHOLDER PROPOSALS**

In order to be included in proxy material for the 2005 Annual Meeting of Stockholders, stockholders' proposed resolutions must be received by us at our principal executive offices, 300 Winding Brook Drive, Glastonbury, Connecticut 06033 no later than December 28, 2004. We suggest that proponents submit their proposals by certified mail, return receipt requested, addressed to our Secretary.

If a stockholder wishes to present a proposal before the 2005 Annual Meeting of Stockholders, but does not wish to have the proposal considered for inclusion in the proxy statement and proxy card, the stockholder must also give written notice to our Secretary at the address noted above. The required notice must be given within a prescribed time frame, which is generally calculated by reference to the date of the most recent annual meeting of stockholders. Assuming that our 2005 Annual Meeting of Stockholders is held on or after May 5, 2005 and on or before July 23, 2005 (as we currently anticipate), our By-Laws would require notice to be provided to our Secretary at our principal executive offices no earlier than February 24, 2005 and no later than March 26, 2005. If a stockholder fails to provide timely notice of a proposal to be presented at the 2005

Unless otherwise determined by the Board of Directors (in which case disclosure of such determination shall be made in the Company's annual report filed with the SEC), at least one member of the Audit Committee shall be an audit committee financial expert (as defined by applicable SEC rules).

4. *Chair.* Unless the Board of Directors elects a Chair of the Audit Committee, the Audit Committee shall elect a Chair by majority vote.

5. *Compensation.* The compensation of Audit Committee members shall be as determined by the Board of Directors. 6. *Selection and Removal.* Members of the Audit Committee shall be appointed by the Board of Directors, upon the recommendation of the Nominations Committee. Unless otherwise determined by the Board of Directors (in which case disclosure of such determination shall be made in the Company's annual proxy statement), no member of the Audit Committee shall serve on the audit committee of more than two other public companies. The Board of Directors may remove members of the Audit Committee from such committee, with or without cause.

**C. Authority and Responsibilities**

***General***

The Audit Committee shall discharge its responsibilities, and shall assess the information provided by the Company's management and the independent auditor, in accordance with its business judgment. Management is responsible for the preparation, presentation, and integrity of the Company's financial statements and for the appropriateness of the accounting principles and reporting policies that are used by the Company. The independent auditors are responsible for auditing the Company's financial statements and for reviewing the Company's unaudited interim financial statements. The authority and responsibilities set forth in this Charter do not reflect or create any duty or obligation of the Audit Committee to plan or conduct any audit, to

determine or certify that the Company's financial statements are complete, accurate, fairly presented, or in accordance with generally accepted accounting principles or applicable law, or to guarantee the independent auditor's report.

***Oversight of Independent Auditors***

1. *Selection.* The Audit Committee shall be solely and directly responsible for appointing, evaluating, retaining and, when necessary, terminating the engagement of the independent auditor. In its evaluation of the independent auditor, the Audit Committee shall present its conclusions with respect to the independent auditor to the full Board of Directors. The Audit Committee shall also, with respect to its review of the independent auditor, review and evaluate the lead partner and other senior members of the independent auditor. The Audit Committee shall take into account the opinions of management and the Company's internal auditors. The Audit Committee may, in its discretion, seek stockholder ratification of the independent auditor it appoints.

2. *Independence.* The Audit Committee shall take, or recommend that the full Board of Directors take, appropriate action to oversee the independence of the independent auditor. In connection with this responsibility, the Audit Committee shall obtain and review a formal written statement from the independent auditor describing all relationships between the auditor and the Company, including the disclosures required by Independence Standards Board Standard No. 1. The Audit Committee shall actively engage in dialogue with the auditor concerning any disclosed relationships or services that might impact the objectivity and independence of the auditor.

3. *Additional Independence Procedures.* The Audit Committee shall:

confirm the regular rotation of the lead audit partner and reviewing partner as required by Section 203 of the Sarbanes-Oxley Act of 2002;

confirm that the CEO, controller, CFO, and CAO (or other persons serving in similar capacities) were not employed by the independent auditor, or if employed, did not participate in any capacity in the audit of the Company, in each case, during the one-audit-year period preceding the date of initiation of the audit, as required by Section 206 of the Sarbanes-Oxley Act of 2002; and

annually consider whether, in order to assure continuing auditor independence, there should be regular rotation of the independent audit firm.

4. *Compensation.* The Audit Committee shall have sole and direct responsibility for setting the compensation of the independent auditor. The Audit Committee is empowered, without further action by the Board of Directors, to cause the Company to pay the compensation of the independent auditor established by the Audit Committee. As part of its evaluation of compensation for the independent auditor, the Audit Committee shall compare the fees paid for audit services to those paid by peer companies as a means of assessing whether the scope of audit work is sufficient.

5. *Preapproval of Services.* The Audit Committee shall preapprove all audit services to be provided to the Company, whether provided by the principal auditor or other firms, and all other services (review, attest and non-audit) to be provided to the Company by the independent auditor; provided, however, that de minimis non-audit services may instead be approved in accordance with applicable SEC rules.

6. *Oversight.* The independent auditor shall report directly to the Audit Committee, and the Audit Committee shall have sole and direct responsibility for overseeing the work of the independent auditor, including resolution of disagreements between Company management and the independent auditor regarding financial reporting. In connection with its oversight role, the Audit Committee shall, from time to time as appropriate, receive and consider the reports required to be made by the independent auditor regarding:

critical accounting policies and practices;

alternative treatments within generally accepted accounting principles for policies and practices related to material items that have been discussed with Company management, including ramifications of the

***Review of Other Financial Disclosures***

10. *Independent Auditor Review of Interim Financial Statements.* The Audit Committee shall direct the independent auditor to use its best efforts to perform all reviews of interim financial information prior to disclosure by the Company of such information and to discuss promptly with the Audit Committee and the Chief Financial Officer any matters identified in connection with the auditor's review of interim financial information which are required to be discussed by applicable auditing standards. The Audit Committee shall direct management to advise the Audit Committee in the event that the Company proposes to disclose interim financial information prior to completion of the independent auditor's review of interim financial information.

11. *Earnings Release and Other Financial Information.* The Audit Committee shall discuss generally the types of information to be disclosed in the Company's earnings press releases, as well as in financial information and earnings guidance provided to analysts, rating agencies and others.

12. *Quarterly Financial Statements.* The Audit Committee shall discuss with the Company's management and independent auditor the Company's quarterly financial statements, including the Company's disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations.

15. *Related-Party Transactions.* The Audit Committee shall review all related party transactions on an ongoing basis, and all such transactions must be approved by the Audit Committee.

16. *Additional Powers.* The Audit Committee shall have such other duties as may be delegated from time to time by the Board of Directors.

The Audit Committee may also act by unanimous written consent in lieu of a meeting. The Audit Committee may also periodically meet separately with: (i) the independent auditor; (ii) Company management and (iii) the Company's internal auditors. The Audit Committee shall keep such records of its meetings as it shall deem appropriate.

2. *Subcommittees.* The Audit Committee may form and delegate authority to one or more subcommittees (including a subcommittee consisting of a single member), as it deems appropriate from time to time under the circumstances. Any decision of a subcommittee to preapprove audit, review, attest or non-audit services shall be presented to the full Audit Committee at its next scheduled meeting.
