(Inverness) to purchase all of the issued and outstanding shares of common stock, par value \$0.01 per share, including the associated right to purchase series A participating preferred stock, par value \$0.01 per share, (collectively, the Shares), of Biosite Incorporated, a Delaware corporation (Biosite), at a purchase price of \$92.50 per share, plus, if the first time the Shares are accepted for payment (the Acceptance Time) shall not have occurred on or prior to July 2, 2007, an additional \$0.015205 per Share for each day during the period commencing on July 3, 2007, through the Acceptance Time, less any applicable withholding taxes (the Offer Price), upon the terms and subject to the conditions set forth in the Offer to Purchase, dated May 29, 2007 (the Offer to Purchase), and in the related Letter of Transmittal (the Letter of Transmittal). This Amendment is being filed on behalf of Inverness and the Purchaser.

Alternative Debt Financing Commitment Letter

On June 5, 2007, Inverness entered into an alternative debt financing commitment letter with the same lenders as those that were party to the debt commitment letters entered into as of May 14, 2007 (the Alternative Debt Commitment Letter) as permitted by Section 5.16(a) of the Merger Agreement. As required by Section 5.16(a) of the Merger Agreement, the Alternative Debt Commitment Letter is subject to financing conditions that are at least as favorable to Inverness and Purchaser as the financing conditions set forth in the previously executed debt commitment letters. The full text of the Alternative Debt Commitment Letter is attached hereto as Exhibit (b)(3) and incorporated herein by reference.

The Schedule TO, as amended prior to the date hereof, is hereby amended to reflect the terms of the Alternative Debt Commitment Letter as follows:

1. Items 1, 4, 5, 6, 7, 8, 9, and 11 of the Schedule TO, to the extent such Items incorporate by reference the information contained in the Offer, are amended as follows:

The Summary Term Sheet of the Offer to Purchase is amended and revised by replacing the paragraph under the subsection captioned "Do you have the financial resources to make payment?" with the following:

Yes. Inverness will have sufficient funds to pay for all Shares tendered and accepted for payment in the Offer and to provide funding for the Merger, which is expected to follow completion of the Offer. The Offer is not subject to any financing condition. Inverness entered into a commitment letter on June 5, 2007 (the **New Commitment Letter**) to provide \$1.25 billion of financing for the Offer and the Merger (the **New Loans**). Under the New Commitment Letter, General Electric Capital Corporation and UBS Loan Finance LLC committed to provide financing not in excess of \$1.05 billion in the form of a first lien senior secured credit facility consisting of a \$900 million term loan and a \$150 million revolving credit facility (the **Senior Revolving Facility**) and General Electric Capital Corporation and UBS Loan Finance LLC committed to provide financing not in excess of \$200 million in the form of a second lien senior secured term loan facility. The New Loans also include an incremental facility of an aggregate amount of up to \$200 million that may be available in certain circumstances. The New Commitment Letter replaces in their entirety those certain debt commitment letters dated as of May 14, 2007. See Section 10 Source and Amount of Funds.

2. Items 4, 5, 6, 7, 8, 9, and 11 of the Schedule TO, to the extent such Items incorporates by reference the information contained in the Offer, are amended and supplemented as follows:

Section 10 Source and Amount of Funds of the Offer to Purchase is amended and supplemented by replacing such section in its entirety with the following:

Source and Amount of Funds

The following summary of certain provisions of the commitment letter dated June 5, 2007 is qualified in its entirety by reference to the commitment letter itself, which the Purchaser has filed as an exhibit to the Schedule TO and is incorporated herein by reference. Stockholders and other interested parties should read the commitment letter in its entirety for a more complete description of the provisions summarized below.

The Purchaser believes the financial condition of the Purchaser and Inverness is not material to a decision by a holder of Shares whether to sell, hold or tender Shares in the Offer because (i) the only consideration to be paid in the Offer and the Merger is cash, (ii) the Offer is to purchase all issued and outstanding Shares and (iii) there is no financing condition applicable to completion of the Offer.

Inverness and the Purchaser estimate that the total funds required to complete the Offer and the Merger will be approximately \$1.64 billion plus any related transaction fees and expenses. The Purchaser will acquire these funds from Inverness. Inverness entered into a commitment letter on June 5, 2007 (the **New Commitment Letter**) to provide \$1.25 billion of financing (the **Financing**) for the Offer and the Merger (the **New Loans**). Under the New Commitment Letter, General Electric Capital Corporation and UBS Loan Finance LLC committed to provide financing not in excess of \$1.05 billion in the form of a first lien senior secured credit facility consisting of a \$900 million term loan (the **Senior Term Facility**) and a \$150 million revolving credit facility (the **Senior Revolving Facility**) and General Electric Capital Corporation and UBS Loan Finance LLC committed to provide financing not in excess of \$200 million in the form of a second lien senior secured term loan facility (the **Second Lien Term Facility**). The New Loans also include an incremental facility of an aggregate amount of up to \$200 million that may be available in certain circumstances. The New Commitment Letter replaces in their entirety those certain debt commitment letters dated as of May 14, 2007.

Amounts drawn under the Senior Term Facility and Senior Revolving Facility to fund the Closing are expected to bear interest on the Closing Date and for thirty (30) days thereafter at a floating rate equal to the Index Rate plus 1.25%, where the Index Rate will equal the higher of the prime rate as reported by The Wall Street Journal or the overnight Federal funds rate plus 0.50%. Thereafter, at Inverness' option, all these loans will bear interest at either (a) a floating rate equal to the Index Rate plus 1.25% or (b) absent a default, a fixed rate for periods of one, two or three months equal to the reserve adjusted London Interbank Offered Rate (LIBOR) plus 2.25%.

Amounts drawn under the Second Lien Term Facility to fund the Closing are expected to bear interest on the Closing Date and for thirty (30) days thereafter at a floating rate equal to the Index Rate plus 4.0%. Thereafter, at Inverness' option, all these loans will bear interest at either (a) a floating rate

equal to the Index Rate plus 4.0% or (b) absent a default, a fixed rate for periods of one, two or three months equal to LIBOR plus 5.0%.

The availability of the loan facilities provided for under the New Commitment Letter is subject to certain material conditions, including:

the acceptance for purchase of a number of Shares in the Offer that satisfies the Minimum Condition;

the absence of any events that have a material adverse effect on Biosite;

the material accuracy of certain representations made by Inverness to the lenders under the New Commitment Letter;

the Merger Agreement shall not be materially changed and no condition in the Merger Agreement waived without the prior written consent of the lenders adversely affected thereby;

After giving effect to the Merger, Inverness and Biosite and their respective subsidiaries shall have no outstanding indebtedness or preferred stock other than (i) the New Loans, (ii) preferred stock outstanding on June 5, 2007 or any right, warrant or other agreement to issue preferred stock outstanding under agreements in effect as of June 5, 2007, (iii) certain purchase money indebtedness and capital leases, (iv) the Senior Subordinated Convertible Notes, and (v) other limited indebtedness; and

certain other conditions generally consistent with the conditions to completion of the Offer and completion of the Merger that are contained in the Merger Agreement.

3. Item 4, 5, 9, and 11 of the Schedule TO, to the extent such Items incorporate by reference the information contained in the Offer, are hereby amended and supplemented as follows:

Section 11 Background of the Offer; Past Contacts, Negotiations and Transactions of the Offer to Purchase is amended and supplemented by adding the following paragraph at the end of the subsection captioned Background of the Offer :

On June 5, 2007, pursuant to Section 5.16(a) of the Merger Agreement, Inverness entered into a new commitment letter with the same lenders as those that were party to the debt commitment letters entered into as of May 14, 2007.

4. Items 1, 4, 5, 6, 7, 8, 9, and 11 of the Schedule TO, to the extent such Items incorporate by reference the information contained in the Offer, are amended as follows:

Any and all references to the Commitment Letters contained in the Offer to Purchase, is amended to read New Commitment Letter.

Item 12 of the Statement is hereby amended and supplemented to include the following:

- (b)(3) Commitment Letter dated June 5, 2007, by and among UBS Loan Finance LLC and General Electric Capital Corporation and Inverness Medical Innovations, Inc.
