PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS
to be held on May 23, 2006

INFORMATION ABOUT VOTING

General

This Proxy Statement and the accompanying Notice of Annual Meeting of Stockholders are being furnished in connection with the solicitation by the Board of Directors of TAL International Group, Inc. ("TAL International Group" or "us" or "we") of proxies for use at the Annual Meeting of Stockholders to be held at the Hilton Rye Town, 699 Westchester Avenue, Rye Brook, New York, at 10:00 a.m., Eastern Daylight Time, on May 23, 2006, and at any adjournments thereof (the "Annual Meeting"), for the purposes set forth in the preceding Notice of Annual Meeting of Stockholders. This Proxy Statement and accompanying proxy card are first being distributed to all stockholders entitled to vote on or about April 24, 2006.

The cost of soliciting proxies will be borne by TAL International Group, and will consist primarily of preparing and mailing the proxies and this Proxy Statement. Copies of the proxy materials may be furnished to brokers, custodians,

nominees and other fiduciaries for forwarding to beneficial owners of shares of TAL International Group Common Stock, and normal handling charges may be paid for such forwarding service.

Who can vote?

Only holders of record as of the close of business April 19, 2006 (the ‘Record Date’) of TAL International Group’s Common Stock, par value \$0.001 per share (the ‘Common Stock’), are entitled to vote at the Annual Meeting. On the Record Date, there were 32,882,208 shares of Common Stock outstanding.

How proposals will be voted on at the Annual Meeting?

Stockholders will vote on two proposals at the Annual Meeting:

- the election of eight directors to serve on our Board of Directors (Proposal No. 1); and
- the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2006 (Proposal No. 2).

We will also consider other business that properly comes before the annual meeting.

How many votes can I cast?

You will be entitled to one vote per share of Common Stock owned by you on the Record Date.

How do I vote by proxy?

Follow the instructions on the enclosed proxy card to vote on the proposals to be considered at the Annual Meeting. Sign and date the proxy card and mail it back to us in the enclosed prepaid envelope. The proxyholders named on the proxy card will vote your shares as you instruct. If you sign and return the proxy card but do not vote on the proposals, the proxyholders will vote for you on the proposals. Unless you instruct otherwise, the proxyholders will vote ‘FOR’ the nominees proposed by our Board of Directors and ‘**FOR**’ the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2006.

What if other matters come up at the Annual Meeting?

The matters described in this proxy statement are the only matters we know will be voted on at the Annual Meeting. If other matters are properly presented at the Annual Meeting, the proxyholders will vote your shares as they see fit.

1

What can I do if I change my mind after I vote my shares?

At any time before the vote at the meeting, you can revoke your proxy either by (i) giving our Secretary a written notice revoking your proxy card, (ii) signing, dating and returning to our Secretary a new proxy card bearing a later date, or (iii) attending the Annual Meeting and voting in person. Your presence at the Annual Meeting will not revoke your proxy unless you vote in person. All written notices or new proxies should be sent to our Secretary at our principal executive offices.

Can I vote in person at the Annual Meeting rather than by completing the proxy card?

Although we encourage you to complete and return the proxy card to ensure that your vote is counted, you can attend the Annual Meeting and vote your shares in person.

What do I do if my shares are held in “street name”?

If your shares are held in the name of your broker, a bank, or other nominee, that party should give you instructions for voting your shares.

What are broker non-votes?

Broker non-votes are shares held in street name by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote those shares as to a particular matter. Broker non-votes are not counted for purposes of determining whether a proposal has been approved.

What is a quorum?

We will hold the Annual Meeting if a quorum is present. A quorum will be present if the holders of a majority of the shares of Common Stock entitled to vote on the Record Date either sign and return their proxy cards or attend the Annual Meeting. Without a quorum, we cannot hold the meeting or transact business. If you sign and return your proxy card, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote on the proposals listed on the proxy card. Abstentions and broker non-votes will also be counted as present for purposes of determining if a quorum exists.

What vote is necessary for action?

Passage of Proposal 1 (election of directors) requires, for each director, the affirmative vote of a plurality of the votes cast by the holders of the shares of our Common Stock voting in person or by proxy at the Annual Meeting. You will not be able to cumulate your votes in the election of directors. Approval of Proposal 2 (ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2006) will require the affirmative vote of the holders of a majority of the shares of our Common Stock present in person or by proxy of the Annual Meeting and entitled to vote. Abstentions and broker non-votes will be counted for purposes of determining whether a quorum is present, but will not be counted as votes cast in the tabulation of any voting results and will not affect the outcome of the vote.

Who pays for the proxy solicitation?

We do. In addition to sending you these materials, some of our employees may contact you by telephone, by mail, or in person. None of these employees will receive any extra compensation for doing this.

2

At the Annual Meeting, the stockholders will elect eight directors to serve until the 2007 annual meeting of stockholders or until their respective successors are elected and qualified. The authorized number of directors is currently ten. TAL International Group believes leaving vacancies on the board will provide the directors with flexibility during the year to appoint additional members to the board when and if an individual or individuals whose services would be beneficial to TAL International Group and its stockholders is identified. In the absence of instructions to the contrary, a properly signed and dated proxy will vote the shares represented by that proxy, “**FOR**” the election of the eight nominees named below.

Assuming a quorum is present, the eight nominees receiving the highest number of affirmative votes of shares entitled to be voted for them will be elected as directors of TAL International Group. Stockholders are not entitled to cumulate votes in the election of directors. All nominees have consented to serve as directors, if elected. If any nominee is unable or unwilling to serve as a director at the time of the Annual Meeting, the persons who are designated as proxies intend to vote, in their discretion, for such other persons, if any, as may be designated by our Board of Directors. As of the date of this proxy statement, our Board of Directors has no reason to believe that any of the persons named below will be unable or unwilling to serve as a nominee or as a director if elected.

The names of the nominees, their ages as of December 31, 2005, and certain other information about them are set forth below:

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE ‘‘FOR’’ THE ELECTION OF THE NOMINEES LISTED ABOVE TO THE BOARD OF DIRECTORS.

Corporate Governance and Related Matters

We currently avail ourselves of the ‘‘controlled company’’ exception under the New York Stock Exchange corporate governance standards, pursuant to which a company of which more than 50% of the voting power is held by a group may elect not to comply with certain New York Stock Exchange corporate governance requirements, including: (i) the requirement that a majority of our Board of Directors consist of independent directors; (ii) the requirement that the Nominating and Corporate Governance Committee be composed entirely of independent directors; and (iii) the requirement that the Compensation Committee be composed entirely of independent directors. Certain of our stockholders, which collectively beneficially own approximately 60.3% of our Common Stock, have entered in a shareholders agreement setting forth certain rights and restrictions relating to ownership of our securities. As a result of the provisions of this shareholders agreement, our stockholders party thereto, as a group, control a majority of our outstanding Common Stock. Accordingly, we have elected not to comply with the requirements that we have a majority of independent directors on our Board of Directors and that our Compensation Committee and our Nominating and Corporate Governance Committee

4

be composed entirely of independent directors. We believe, however, that the current composition of our Board of Directors and the committees of our Board of Directors ensures a significant role for our independent directors. In the event that we are no longer a ‘‘controlled company,’’ we will be required to have a majority of independent directors on our Board of Directors and to have our Compensation Committee and our Nominating and Corporate Governance Committee be composed entirely of independent directors within one year of the date that we lose our ‘‘controlled company’’ status.

The Board of Directors has adopted a formal policy to assist it in determining whether a director is independent in accordance with the applicable rules of the New York Stock Exchange. The Director Independence Standards are attached to this proxy statement as Appendix B hereto, and are also available on our corporate website at www.talinternational.com. The Directors Independence Standards may be found on our website as follows: From our main web page, first click on ‘‘Investors’’ at the top of the page. Next, click on ‘‘Corporate Governance’’ on the left side of the page, then on ‘‘Directors Independence Standards’’ on the right side of the page. Applying these standards, our Board of Directors has determined that Messrs. Berkowitz and Lindeberg qualify as independent. The Board of Directors has adopted formal Corporate Governance Principles and Guidelines which are available on our website at www.talinternational.com. From our main web page, first click on ‘‘Investors’’ at the top of the page. Next click on ‘‘Corporate Governance’’ on the left side of the page, then on ‘‘Corporate Governance Principles and Guidelines’’ on the right side of the page.

Compensation of Directors

Each of our non-executive directors receives a \$35,000 annual cash retainer. In addition, the Chairman of the Audit Committee receives an additional \$10,000 annual cash retainer. Additionally, in consideration for serving as a director, Mr. Lindeberg received a grant of options in October 2005 to purchase 10,000 shares of Common Stock

which were fully vested as of December 30, 2005. All directors are reimbursed for reasonable out-of-pocket expenses incurred in connection with their attendance at Board of Directors and committee meetings.

Meetings and Committees of our Board of Directors

During fiscal 2005, our Board of Directors held two meetings and took action by unanimous written consent on four occasions. Each of the directors attended 75% or more of the aggregate of the total number of meetings of our Board of Directors held during the period in which he was a director and 75% of the total number of meetings held by all of the committees of our Board of Directors on which he served. The Board of Directors has an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee.

Audit Committee. The Audit Committee is currently comprised of three of TAL International Group's non-employee directors: Messrs. Lindeberg (Chairman), Berkowitz and Caputo. The Audit Committee met once during fiscal 2005. Our Board of Directors has determined that Mr. Lindeberg qualifies as an independent "audit committee financial expert" as such term has been defined by the Securities and Exchange Commission in Item 401(h)(2) of Regulation S-K. Our Audit Committee was established in October 2005 in connection with our initial public offering, and initially consisted of Messrs. Lindeberg (Chairman), Caputo, and Zych. Effective January 6, 2006, to comply with the requirements of the Sarbanes-Oxley Act of 2002 and the New York Stock Exchange rules, which required that the Audit Committee be comprised of a majority of independent directors within 90 days following the consummation of our initial public offering, Mr. Zych resigned from the audit committee and was replaced by Mr. Berkowitz, an independent director. We will add a third independent director on or before October 17, 2006 to comply with the requirements of the Sarbanes-Oxley Act of 2002 and the New York Stock Exchange rules, which require that the Audit Committee be comprised entirely of independent directors within one year following the consummation of our initial public offering. We are currently exempt from having all independent members on our Audit Committee under Securities Exchange Act Rule 10A-3(b)(1)(iv)(A).

The Audit Committee is responsible for (1) selecting the independent auditor and reviewing the fees proposed by the independent auditor for the coming year and approving in advance, all audit, audit-related and tax permissible non-audit services to be performed by the independent auditors, (2) approving the overall scope of the audit, (3) discussing the annual audited financial statements, quarterly financial statements, and Forms 10-K and 10-Q, including matters required to be reviewed under applicable legal, regulatory or New York Stock

5

Exchange requirements, with management and the independent auditor, (4) discussing earnings press releases, guidance provided to analysts and other financial information provided to the public, with management and the independent auditor, as appropriate, (5) discussing our risk assessment and risk management policies, (6) reviewing our internal system of audit, financial and disclosure controls and the results of internal audits, (7) setting hiring policies for employees or former employees of the independent auditors, (8) establishing procedures concerning the treatment of complaints and concerns regarding accounting, internal accounting controls or audit matters, (9) handling such other matters that are specifically delegated to the Audit Committee by our Board of Directors from time to time, (10) reporting regularly to the full Board of Directors, and (11) performing the other related responsibilities that are set forth in its formal charter adopted by our Board of Directors, which is attached to this proxy statement as Appendix A hereto, and is also available on our corporate website at www.talinternational.com. The charter may be found on our website as follows: From our main web page, first click on "Investors" at the top of the page. Next, click on "Corporate Governance" on the left side of the page, then on "Audit Committee" on the right side of the page.

Compensation Committee. The Compensation Committee is comprised of three of TAL International Group's non-employee directors: Messrs. Caputo (Chairman), Lindeberg and Zalaznick. The Compensation Committee was established in October 2005 in connection with our initial public offering, and met once during fiscal 2005, and took action by unanimous written consent on one occasion. The Compensation Committee is responsible for (1) reviewing and approving corporate goals and objectives relevant to the compensation of our chief executive officer and annually evaluating the chief executive officer's performance in light of these goals, (2) reviewing and approving the compensation and incentive opportunities of our executive officers, (3) reviewing and approving employment contracts, severance arrangements, incentive arrangements, change-in-control arrangements and other similar arrangements between us and our executive officers, (4) receiving periodic reports on our compensation programs as they affect all employees, (5) reviewing executive succession plans for business and staff organizations and (6) such other matters that are specifically delegated to the compensation committee by our Board of Directors from time to time.

The Compensation Committee acts pursuant to a formal charter, which is available on our corporate website at www.talinternational.com. The charter may be found on our website as follows: From our main web page, first click on "Investors" at the top of the page. Next, click on "Corporate Governance" on the left side of the page, then on "Compensation Committee" on the right side of the page.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee is comprised of three of TAL International Group's non-employee directors: Messrs. Jordan (Chairman), Caputo and Berkowitz. The Nominating and Corporate Governance Committee was established in October 2005 in connection with our initial public offering, and met once during fiscal 2005. The Nominating and Corporate Governance Committee's purpose is to assist our board in identifying individuals qualified to become members of our Board of Directors, assess the effectiveness of the board and develop our corporate governance principles. The Nominating and Corporate Governance Committee is responsible for (1) identifying and recommending for election individuals who meet the criteria the board has established for board membership, (2) recommending nominees to be presented at the annual meeting of stockholders, (3) reviewing the board's committee structure and recommending to the board the composition of each committee, (4) annually reviewing director compensation and benefits, (5) establishing a policy for considering stockholder nominees for election to our board, (6) developing and recommending a set of corporate governance guidelines and reviewing them on an annual basis and (7) developing and recommending an annual self-evaluation process of the board and its committees and overseeing such self-evaluations.

The Nominating and Corporate Governance Committee acts pursuant to a formal charter, which is available on our corporate website at www.talinternational.com. The charter may be found on our website as follows: From our main web page, first click on "Investors" at the top of the page. Next, click on "Corporate Governance" on the left side of the page, then on "Nominating and Corporate Governance Committee" on the right side of the page.

Executive Sessions

To promote open discussion among the non-management directors, our non-management directors will meet regularly in executive session without management participation. For purposes of such executive sessions, our

independent, our independent directors will also meet at least once per year in an executive session including only independent directors.

Interested parties, including stockholders, may communicate directly with our non-management directors by writing to the non-management directors in care of TAL International Group's Vice President, General Counsel and Secretary at 100 Manhattanville Road, Purchase New York 10577. Director Nomination Process

The Nominating and Corporate Governance Committee makes recommendations to our Board of Directors regarding the size and composition of our Board of Directors. The Nominating and Corporate Governance Committee reviews annually with our Board of Directors the composition of our Board of Directors as a whole and recommends, if necessary, measures to be taken so that our Board of Directors reflects the appropriate balance of knowledge, experience, skills, expertise and diversity required for our Board of Directors as a whole and contains at least the minimum number of independent directors required by the New York Stock Exchange and other applicable laws and regulations. The Nominating and Corporate Governance Committee is responsible for ensuring that the composition of our Board of Directors accurately reflects the needs of TAL International Group's business and, in accordance with the foregoing, proposing the addition of members and the necessary resignation of members for purposes of obtaining the appropriate members and skills. In evaluating a director candidate, the Nominating and Corporate Governance Committee considers factors that are in the best interests of TAL International Group and its stockholders, including the knowledge, experience, integrity and judgment of each candidate; the potential contribution of each candidate to the diversity of backgrounds, experience and competencies which our Board of Directors desires to have represented; each candidate's ability to devote sufficient time and effort to his or her duties as a director; and any other criteria established by our Board of Directors and any core competencies or technical expertise necessary to staff committees. The Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates, including the minimum qualifications set forth above, based on whether or not the candidate was recommended by a stockholder. Stockholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to our Board of Directors may do so by delivering a written recommendation to the Nominating and Corporate Governance Committee at 100 Manhattanville Road, Purchase New York 10577 not later than December 25, 2006 for the 2007 Annual Meeting and otherwise in compliance with our bylaws. REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee is comprised of three of TAL International Group's non-employee directors: A. Richard Caputo, Jr. (Chairman), Frederic H. Lindeberg and David W. Zalaznick. The Board of Directors of TAL International Group has determined that Mr. Lindeberg qualifies as an independent director in accordance with the applicable rules of the New York Stock Exchange and TAL International Group's Director Independence Standards. In accordance with its written charter, the Compensation Committee is responsible for overseeing the Company's compensation and benefit plans and practices, including its executive compensation plans and its incentive compensation and equity-based plans. For more detail on the Compensation Committee's responsibilities, see its charter, which is available on our corporate website at www.talinternational.com as follows: From the main web page,

first click on "Investors" at the top of the page. Next, click on "Corporate Governance" on the left side of the page, then on "Compensation Committee" on the right side of the page.

The Company's Human Resources Department and Legal Department support the Compensation Committee in its work and the Human Resources Department assists in the administration of the Company's compensation plans. In addition, the Compensation Committee has the authority in its discretion to engage the services of outside consultants, experts and others to assist it.

TAL International Group's compensation program objectives for executive officers and for employees are to attract and retain talented executive officers and employees, motivate executive officers and employees to achieve superior performance and long-range goals and to provide incentive compensation opportunities to eligible participants. Compensation must be competitive, as well as based on individuals contribution, teamwork, and delivery of financial results.

Compensation for the majority of the Company's employees, including executive officers, consists of base salary and a cash bonus plan. The bonus plan, for executive officers and employees, sets individual target bonuses for each executive officer and participating employees that are dependent on the Company's earnings per share ("EPS") and the Company meeting corporate goals and objectives, as well as the employee meeting individual performance goals and objectives. For U.S. employees, the company also provides health and welfare benefits and an employee funded tax-qualified 401(k) plan with the Company matching employee contributions up to 3% of the employee's salary, subject to IRS regulations. For employees outside of the United States, the Company offers similar health and welfare and retirement benefits consistent with local market practices. Executives, and some employees, receive a car allowance or use of a company car. Some of the Company's executives, directors, employees and consultants also participate in the Company's 2005 Management Omnibus Incentive Plan, a long-term equity incentive compensation plan which provides for a variety of stock-based compensation awards.

Annual base salaries, target bonuses, and long-term equity compensation of TAL International Group's Chief Executive Officer and the four most highly compensated executive officers and other key executives were reviewed by the Compensation Committee and set at levels considered to be competitive with amounts paid to executive officers with comparable qualifications, experience and responsibilities. The Compensation Committee evaluated the Chief Executive Officer and the four most highly compensated executive officers and other key executives against their goals for 2005, taking into account the recommendations and assessment of the Chief Executive Officer of each executive officer's success in achieving these goals, as well as the overall performance of each executive officer.

Except for certain non-U.S. employees where it is the local market practice or there is a legal requirement to have an employment agreement, only TAL International Group's Chief Executive Officer, Brian M. Sondey, has an employment agreement. The Compensation Committee has reviewed Mr. Sondey's employment agreement and compensation package as part of its assessment of the performance of the Company and its subsidiaries in terms of profitability, the Company's initial public offering, the Company's restructuring of its debt obligations, and other initiatives and concluded that his compensation was appropriate. These factors were considered as a whole. No specific weighting was attached to any one factor. To further align Mr. Sondey's interests with those of TAL International Group's stockholders, and as an incentive for future performance goals, the Compensation Committee approved the grant to Mr. Sondey on October 11, 2005 of options to purchase 27,000 shares of common stock pursuant to the 2005 Management Omnibus Incentive Plan. In connection with the Company's initial public offering, Mr. Sondey also received an additional grant on October 11, 2005 of options to purchase 307,693 shares of common stock pursuant to the 2005 Management Omnibus Incentive Plan.

The Compensation Committee is pleased to submit this report to the Company's stockholders.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee reviews TAL International Group's financial reporting process on behalf of the Board of Directors. The Audit Committee is currently composed of three directors, two of which are independent directors. The Audit Committee operates under a written charter adopted by the Board of Directors. The Audit Committee met once during 2005. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls.

In fulfilling its responsibilities, the Audit Committee meets with management and the independent registered public accounting firm to review and discuss TAL International Group's annual and quarterly financial statements, including the disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations" in TAL International Group's annual report on Form 10-K, any material changes in accounting principles or practices used in preparing the financial statements prior to the filing of a report on Form 10-K or Form 10-Q with the Securities and Exchange Commission, and the items required to be discussed by Statement of Auditing Standards 61 for annual statements and Statement of Auditing Standards 100 for quarterly statements.

The Audit Committee has met and held discussions with management and the independent registered public accounting firm regarding the fair and complete presentation of TAL International Group's results and the assessment of TAL International Group's internal control over financial reporting. The Audit Committee has discussed significant accounting policies applied by TAL International Group in its financial statements, as well as alternative treatments. Management represented to the Audit Committee that TAL International Group's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent registered public accounting firm. The Audit Committee discussed with the independent registered public accounting firm matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

In addition, the Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," and has discussed with the independent registered public accounting firm its independence from TAL International Group and its management. The Audit Committee also has considered whether the independent registered public accounting firm's provision of permitted non-audit services to TAL International Group is compatible with its independence. The Audit Committee has concluded that the independent registered public accounting firm is independent from TAL International Group and its management.

The Audit Committee discussed with the independent registered public accounting firm the overall scope and plans for its audit. The Audit Committee met with the independent registered public accounting firm, with and without management present, to discuss the results of its examinations, the evaluation of TAL International Group's internal controls, the overall quality of TAL International Group's financial reporting, and other matters required to be discussed by Statement of Auditing Standards 61.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board of Directors has approved, that the audited financial statements be included in TAL International Group's Annual Report on Form 10-K for the year ended December 31, 2005, for filing with the Securities and Exchange Commission. The Audit Committee has also selected Ernst & Young LLP as TAL International Group's independent registered public accounting firm for the fiscal year ending December 31, 2006.

**PROPOSAL 2
 RATIFICATION OF APPOINTMENT OF INDEPENDENT
 REGISTERED PUBLIC ACCOUNTING FIRM**

The Board of Directors has reappointed the firm of Ernst & Young LLP, an independent registered public accounting firm, as independent accountants of TAL International Group for the fiscal year ending December 31, 2006. In the event that ratification of this selection is not approved by a majority of the shares of Common Stock represented at the Annual Meeting in person or by proxy and entitled to vote on the matter, the Audit Committee and our Board of Directors will review the Audit Committee's future selection of an independent registered public accounting firm.

Representatives of Ernst & Young LLP will be present at the Annual Meeting. Such representatives will have an opportunity to make a statement and will be available to respond to appropriate questions.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE 'FOR' THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS TAL INTERNATIONAL GROUP'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2006.

Audit Fees

The following table sets forth the fees billed to or incurred by TAL International Group for professional services rendered by Ernst & Young LLP, the TAL International Group's independent registered public accounting firm, for the years ended December 31, 2005 and 2004:

Type of Fees	2005	2004
Audit Fees	\$ 2,489,000	\$ 758,000
Tax Fees	132,000	25,000

All Other Fees	—	—
Total Fees	\$ 2,621,000	\$ 783,000

In accordance with the SEC’s definitions and rules, “audit fees” are fees TAL International Group incurred for professional services in connection with the audit of TAL International Group’s consolidated financial statements included in Form 10-K and the review of financial statements included in Forms 10-Q, and for services that are normally provided in connection with statutory and regulatory filings or engagements, including fees related to our initial public offering in October 2005; “tax fees” are fees for tax compliance and tax advice; and “all other fees” are fees for any services not included in the first two categories.

The Audit Committee’s policy is to pre-approve all audit and permissible non-audit services provided by Ernst & Young. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. Ernst & Young and management are required to periodically report to the Audit Committee regarding the extent of services provided by Ernst & Young in accordance with this pre-approval, and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case-by-case basis. All of the services relating to the fees set forth on the above table were pre-approved by the Audit Committee.

The independent auditors did not provide any financial information systems design and implementation services during the year ended December 31, 2005. The Audit Committee did consider whether the provision of such services, tax services and all other services is compatible with the independent auditor’s independence.

OTHER BUSINESS

The Board of Directors does not intend to present any business at the Annual Meeting other than as set forth in the accompanying Notice of Annual Meeting of Stockholders, and has no present knowledge that any others intend to present business at the Annual Meeting. If, however, other matters requiring the vote of the stockholders properly come before the Annual Meeting or any adjournment or postponement thereof, the persons named in the accompanying proxy will have discretionary authority to vote the proxies held by them in accordance with their judgment as to such matters.

INFORMATION REGARDING BENEFICIAL OWNERSHIP OF PRINCIPAL STOCKHOLDERS AND MANAGEMENT

The following table shows the beneficial ownership of our Common Stock on December 31, 2005:

- each person who we know beneficially owns more than 5% of our Common Stock;
- our directors and named executive officers; and
- all of our directors and executive officers as a group.

Beneficial ownership, which is determined in accordance with the rules and regulations of the Securities and Exchange Commission, means the sole or shared power to vote or direct the voting or to dispose or direct the disposition of our Common Stock. The number of shares of our Common Stock beneficially owned by a person includes shares of Common Stock issuable with respect to options and convertible securities held by the person which are exercisable or convertible within 60 days. The percentage of our Common Stock beneficially owned by a person assumes that the person has exercised all options, and converted all convertible securities, the person holds which are exercisable or convertible within 60 days, and that no other persons exercised any of their options or converted any of their convertible securities. Except as otherwise indicated, the business address for each of the following persons is 100 Manhattanville Road, Purchase, New York 10577-2135. Except as otherwise indicated in the footnotes to the table or in cases where community property laws apply, we believe that each person identified in the table possesses sole voting and investment power over all shares of Common Stock shown as beneficially owned by the person. Employee Agreements

Employment Agreement with Brian M. Sondey. In November 2004, we entered into an employment agreement with Brian M. Sondey, whereby he agreed to serve as our Chief Executive Officer. The agreement provides for an initial term ending November 3, 2007 and automatically renewing successive one-year terms thereafter, subject to at least 90 days' advance notice by either party of a decision not to renew the employment agreement. Under the employment agreement, Mr. Sondey is entitled to receive a minimum annual base salary of \$400,000, as increased on an annual basis starting in 2006 to reflect increases in the consumer price index specified therein. Mr. Sondey's annual base salary may also be increased by mutual agreement with our Board of Directors following a performance evaluation performed by our Board of Directors. Mr. Sondey is also entitled to an annual bonus award that is determined and paid in accordance with our bonus plan. Mr. Sondey is also entitled to certain perquisites, including reimbursement of expenses, health and disability insurance and paid vacations. Mr. Sondey is entitled to severance pay if his employment is terminated by us without cause (as defined by the employment agreement), if he terminates his employment for good reason (as defined by the employment agreement) or if he dies or becomes disabled. Upon a termination without cause or for good reason, Mr. Sondey is entitled to severance pay equal to his base salary and bonus for the remainder of the term of his employment agreement, but in any event for at least eighteen months. Upon termination of Mr. Sondey's employment for any reason or no reason, subject to our election to continue to pay to Mr. Sondey his base salary for a one year period following such termination, unless such termination is for cause, Mr. Sondey will be restricted from competing with us for a period of one year following such termination. Mr. Sondey is also prohibited from disclosing any of our confidential information.

2005 Management Omnibus Incentive Plan. We established our 2005 Management Omnibus Incentive Plan so that we and our subsidiaries could attract and retain certain employees, motivate eligible participants to achieve long-range goals and to provide incentive compensation opportunities to eligible participants that are competitive with those of similar companies. The omnibus incentive plan is administered by the compensation committee of our Board of Directors, which has the power to determine the ability of an eligible individual to receive awards, the types and number of shares of stock subject to the awards, the price and timing of awards and to establish the terms, conditions, performance criteria and restrictions on the awards.

Participants. Any of our employees, consultants, directors or any other person providing services to us or our subsidiaries, as determined by the committee, may be selected to participate in the omnibus incentive plan. We may award these individuals with one or more of the following:

- Stock options
- Stock appreciation rights
- Restricted stock awards

Stock options. Stock options may be granted under our 2005 Management Omnibus Incentive Plan, including incentive stock options, as defined under Section 422 of the Internal Revenue Code of

1986, as amended (the "Code"), and nonqualified stock options. The exercise price of all stock options granted under the omnibus incentive plan will be determined by the committee, except that the exercise price cannot be less than 100% of the fair market value on the date of the grant (or not less than 110% of fair market value in the case of incentive stock options granted to a participant who, immediately after such grant, owns more than 5% of the total combined voting power or value of all classes of our capital stock).

Upon the exercise of a stock option, the purchase price must be paid in full in either cash or its equivalent by tendering previously acquired shares of our Common Stock with a fair market value at the time of exercise equal to the exercise price, provided such shares have been held for at least six months prior to tender. The committee may also allow a broker-assisted cashless exercise, exercise by the delivery of a promissory note containing terms established by the committee or exercise by any other means that it determines to be consistent with the purpose of the omnibus incentive plan and as permitted under applicable law.

Stock Appreciation Rights (SAR). A SAR entitles a participant to receive a payment equal in value to the difference between the fair market value of a share of stock on the date of exercise of the SAR over the exercise price of the SAR, which shall be payable in shares of our Common Stock. The grant price in respect of a SAR shall equal the fair market value of the stock on the date of grant. The terms and conditions of any SAR will be determined by the committee at the time of the grant of award and will be reflected in the award agreement.

Restricted stock. A restricted stock award is the grant of shares of our Common Stock at a price determined by the committee, and is subject to substantial risk of forfeiture until specific conditions or goals are met. Restricted stock awards are subject to such conditions, restrictions and contingencies as the committee shall determine.

Shares reserved for issuance. The maximum number of shares of Common Stock with respect to which awards may be granted under this omnibus incentive plan is 2,500,000.

Our Board of Directors approved the grant of options to purchase an aggregate of 612,195 shares of our Common Stock upon the consummation of our initial public offering in October 2005 with an exercise price equal to the initial public offering price of our Common Stock (\$18.00). These grants were made to various members of our management and one director.

These options have a term of ten years and were scheduled to vest in four equal annual installments beginning on the first anniversary of the date of grant. On December 30, 2005, our Board of Directors approved the immediate vesting of 100% of these options.

Vesting upon a change of control. If, while any award granted under the omnibus incentive plan remains outstanding, a change of control occurs, then all of the stock options and SARs outstanding at the time of such change of control will become immediately exercisable in full and all restrictions with respect to restricted stock awards shall lapse.

Lockup period. Under the stock option agreements with each of the current participants in our omnibus incentive plan, in connection with our initial public offering in October 2005, the underwriters of such offering required the existing participants in our omnibus incentive plan to hold their shares for a period of 180 days following the effective date of the registration statement.

Amendment and termination. The Board of Directors may terminate, amend or modify the omnibus incentive plan at any time; however, the approval of any affected participant must be obtained to amend or terminate the stock option plan to the extent the proposed amendment or termination would adversely affect the rights of any participant or any beneficiary of any award granted under the plan.

2004 Management Stock Plan. We established our 2004 Management Stock Plan so that we and our subsidiaries could attract and retain certain employees, motivate eligible participants to achieve long-range goals and to provide incentive compensation opportunities to eligible participants that are competitive with those of similar companies. The stock plan is administered by the compensation committee of our Board of Directors. The committee has the power to determine the ability of an

eligible individual to receive awards, the types and number of shares of stock subject to the awards, the price and timing of awards and to establish the terms, conditions, performance criteria and restrictions on the awards.

Stock options. Stock options granted under our 2004 Management Stock Plan, included incentive stock options, as defined under Section 422 of the Internal Revenue Code of 1986, as amended (the “Code”), and nonqualified stock options. The exercise price of all stock options granted under the incentive plan was determined by the committee, except that for nonqualified options, the exercise price cannot be less than 85% of the fair market value of the stock on the date of the grant. For incentive stock options, the exercise price cannot be less than 100% of the fair market value on the date of the grant.

Upon the exercise of a stock option, the purchase price must be paid in full in either cash or its equivalent by tendering previously acquired shares of our Common Stock with a fair market value at the time of exercise equal to the exercise price, provided such shares have been held for at least six months prior to tender. The committee may also allow a broker-assisted cashless exercise, exercise by the delivery of a promissory note containing terms established by the committee or exercise by any other means that it determines to be consistent with the purpose of the stock plan and as permitted under applicable law.

Participants and shares reserved for issuance. Options were granted only to our employees. As of December 31, 2005, 454,612 shares of our Common Stock are issuable pursuant to options granted under this incentive plan, at a weighted average exercise price of \$0.00985. All of the remaining shares available for issuance under this plan ceased to be so issuable pursuant to an amendment to this plan that was effective at the closing of our initial public offering in October 2005. Accordingly, no additional options may be issued pursuant to this plan.

Vesting. Under the stock option agreements with each of the current participants in our stock plan, all existing options granted under the stock plan became fully exercisable upon the consummation of our initial public offering in October 2005.

Lockup period. Under the stock option agreements with each of the current participants in our stock plan, in connection with our initial public offering in October 2005, the underwriters of such offering required the existing participants in our stock plan to hold their shares for a period of 180 days following the effective date of the registration statement.

options if exercised at the end of the option term. The 5% and 10% assumed annual rates of compounded stock price appreciation are mandated by rules of the Securities and Exchange Commission and do not represent our estimate or projection of our future Common Stock prices. These amounts represent certain assumed rates of appreciation in the value of the Common Stock from the fair market value on the date of grant, which fair market value, for the purposes above, was calculated to equal \$18.00 per share at the date of grant, which was the amount paid by outside investors per share of Common Stock on such date. Actual gains, if any, on stock option exercises are dependent on the future performance of the Common Stock and overall stock market conditions. The amounts reflected in the table may not necessarily be achieved.

(2) Based on options to purchase an aggregate of 665,856 shares of Common Stock granted by us during the year ended December 31, 2005.

APPENDIX B

Director Independence Standards

As adopted by the Board of Directors of TAL International Group, Inc. on October 11, 2005.

The Board of Directors (the “Board”) of TAL International Group, Inc. (the “Company”) has adopted the following standards to assist it in determining whether a director is independent in accordance with the applicable rules of the New York Stock Exchange. The Board will, on an annual basis, affirmatively determine that a director has no material relationship with the Company (directly or as a partner, shareholder or officer of an organization that has a relationship with the Company). In making a determination regarding a director’s independence, the Board will consider all relevant facts and circumstances. The Board will specifically explain any determination of independence for a director who does not meet these standards, and will evaluate on an individual basis any relationships not covered by these standards.

The Board may affirmatively determine that a director of the Board is independent if such director meets the following criteria:

- 1) The director is not currently employed nor has been employed by the Company during the past three years.
- 2) No immediate family member of the director is currently employed or has been employed as an executive officer of the Company during the past three years.
- 3) The director is not a significant shareholder of the Company’s Common Stock. For purposes of this standard, a shareholder shall be considered significant if the ownership of shares of Common Stock is greater than ten percent (10%) of the outstanding Common Stock.
- 4) The director has not received, during the past three years, more than \$100,000 per year in direct compensation from the Company, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service).
