Item 2. ACQUISITION OR DISPOSITION OF ASSETS.

On July 1, 2004, Hillenbrand Industries, Inc. announced that it had completed its previously announced sale of Forethought Financial Services, Inc. and its subsidiaries (Forethought), a specialty insurance holding company serving the pre-need financial services market, to FFS Holdings, Inc., an acquisition vehicle formed by Devlin Group, LLC. In addition, Hillenbrand sold its interests in several real estate partnerships that it had planned to retain as part of its agreement to sell Forethought. This announcement is described in the press release filed as Exhibit 99.1 to this Current Report on Form 8-K. The contents of such Exhibit are incorporated herein by reference.

The terms of the transaction provided that FFS Holdings, Inc. would acquire all the common stock of Forethought and its subsidiaries for a combination of cash, seller financing, certain retained assets of Forethought and stock warrants. Hillenbrand received cash proceeds of approximately \$105 million, provided seller financing in various forms with an estimated face value of \$136 million, retained specific investments in limited partnership assets of Forethought with a book value of approximately \$31 million and received warrants to acquire up to 5 percent of the common stock of FFS Holdings, Inc. This resulted in total nominal consideration of approximately \$274 million, subject to final adjustments. In accordance with the original transaction plan, Hillenbrand will receive an additional \$6 million of cash proceeds upon final closing of the sale of Forethought Federal Savings Bank to FFS Holdings, Inc., which is currently anticipated during the first quarter of fiscal 2005. The seller financing will be subject to an estimated discount of between \$25 and \$30 million to reflect a market rate of return on the financing, which is expected to be recognized in future periods as accretion on the underlying financial instruments.

Item 7. FINANCIAL STATEMENTS AND EXHIBITS.

(b) Pro Forma Financial Information.

The required pro forma statements of income for the fiscal year ended December 1, 2001, the ten months ended September 30, 2002 and the fiscal year ended September 30, 2003 were included on pages S-18 to S-21 of Hillenbrand's Prospectus Supplement (Registration No. 333-107016) dated June 2, 2004 and filed with the Securities and Exchange Commission pursuant to Rule 424(b)(5) on June 4, 2004. These statements are incorporated herein by reference.

Because Forethought was treated as a discontinued operation in Hillenbrand's interim condensed consolidated financial statements as of and for the six months ended March 31, 2004 included in Hillenbrand's Quarterly Report on Form 10-Q for the quarter ended March 31, 2004, Hillenbrand is not presenting a pro forma consolidated balance sheet as of March 31, 2004 or a pro forma consolidated statement of income for the six months ended March 31, 2004.
