TO BE HELD ON THURSDAY, MAY 12, 2005

This proxy statement (the "Proxy Statement") is furnished in connection with the solicitation of proxies by the Board of Directors of Brightpoint, Inc. (the "Company") for use at the Annual Meeting of Shareholders (the "Annual Meeting") to be held on Thursday, May 12, 2005, at 9:00 a.m. local time, at the Company's offices located at 501 Airtech Parkway, Plainfield, Indiana 46168, including any adjournment or adjournments thereof, for the purposes set forth in the accompanying Notice of Meeting.

Management intends to mail this Proxy Statement and the accompanying form of proxy to shareholders on or about April 12, 2005

GENERAL INFORMATION

Proxies in the accompanying form, duly executed and returned to the management of the Company and not revoked, will be voted at the Annual Meeting. Any proxy given pursuant to such solicitation may be revoked by the shareholder at any time prior to the voting of the proxy by a subsequently dated proxy, by written notification to the Secretary of the Company, or by personally withdrawing the proxy at the Annual Meeting and voting in person.

It is anticipated that all of the Company's Board of Directors and Executive Officers will be present at the Annual Meeting and that a presentation will be made after the conclusion of the business to be conducted at the Annual Meeting.

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

The address and telephone number of the principal executive offices of the Company are: 501 Airtech Parkway, Plainfield, Indiana 46168, telephone number: (317) 707-2355.

The following questions and answers provide important information about the Annual Meeting and this Proxy Statement:

Q. What am I voting on?

A. (i) The election of three Class II directors (Robert J. Laikin, Robert F. Wagner and Richard W. Roedel), and (ii) ratifying the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2005.

Q. Who is entitled to vote?

A. Shareholders of record as of the close of business on April 6, 2005 (the "Record Date"), are entitled to vote at the Annual Meeting. Each shareholder is entitled to one vote for each share of the Company's common stock held on the Record Date.

Q. How do I vote?

A. You may sign and date each paper proxy card you receive and return it in the prepaid envelope. If you return your signed proxy but do not indicate your voting preferences, we will vote on your behalf FOR all nominees for directors and all proposals as specified in the Proxy Statement.

-1-

You may also vote by telephone or via the Internet. See Voting by Telephone or via the Internet below for further details. Please note that there are separate telephone and Internet voting arrangements depending upon whether shares are registered in your name or in the name of a bank or broker.

Q. How may I revoke or change my vote?

A. You have the right to revoke your proxy any time before the meeting by (i) notifying the Company's Secretary, or (ii) returning a later-dated proxy. You may also revoke your proxy by voting in person at the Annual Meeting.

Q. What does it mean if I receive more than one proxy card?

A. It may mean that you are the registered holder of shares in more than one account. Sign and return all proxy cards to ensure that all your shares are voted. You may call American Stock Transfer & Trust Company at 1-800-937-5449 if you have any questions regarding the share information or your address appearing on the paper proxy card.

Q. Who will count the votes?

A. A Senior Vice President of the Company will tabulate the votes and act as the independent inspector of election.

Q. What constitutes a quorum?

A. A majority of the outstanding shares, present or represented by proxy, of the Company's common stock constitutes a quorum for the Annual Meeting. As of the Record Date 17,752,281 shares of the Company's common stock \$.01 par value per

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

share (the "Common Stock") were issued and outstanding.

Q. How many votes are needed for the election of the directors?

A. The directors will be elected by a plurality of the votes cast at the Annual Meeting, meaning the three nominees receiving the highest number of votes will be elected as directors. Only votes cast for a nominee will be counted, except that a properly executed proxy that does not specify a vote with respect to the nominees will be voted for the three nominees whose names are printed on the proxy card (Robert J. Laikin, Robert F. Wagner and Richard W. Roedel). Abstentions and broker non-votes (as described below) will have no effect on the election of directors.

Q. How many votes are needed for the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2005?

A. The affirmative vote of the holders of a majority of the shares of Common Stock represented at the Annual Meeting in person or by proxy and entitled to vote at the Annual Meeting is required for the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2005. Broker non-votes will not be treated as entitled to vote on this matter and will therefore have no effect on the proposal to ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm.

-2-

Q. What is a "broker non-vote"?

A. A "broker non-vote" occurs when a broker submits a proxy that does not indicate a vote for some of the proposals because the broker has not received instructions from the beneficial owners of how to vote on such proposals and does not have discretionary authority to vote in the absence of instructions.

Q. Where will the Annual Meeting be held?

A. The Annual Meeting will be held at the Company's offices located at 501 Airtech Parkway, Plainfield Indiana 46168 on Thursday, May 12, 2005, at 9:00 a.m. local time.

Q: How may I communicate with the Board of Directors?

A: The Board of Directors, through its Corporate Governance and Nominating Committee, has established a process for shareholders to send communications to the Board of Directors. You may communicate with the Board of Directors individually or as a group by writing to: The Board of Directors of Brightpoint, Inc. c/o Corporate Secretary, 501 Airtech Parkway, Plainfield, Indiana 46168 or via e-mail: board.directors@brightpoint.com. You should identify your communication as being from a Brightpoint shareholder. The Corporate Secretary may require reasonable evidence that your communication or other submission is made by a Brightpoint shareholder before transmitting your communication to the Board of Directors.

OUTSTANDING STOCK AND VOTING RIGHTS

Only shareholders of record at the close of business on the Record Date are entitled to notice of and to vote at the Annual Meeting. As of the Record Date, there were issued and outstanding 17,752,281 shares of Common Stock, the Company's only class of voting securities. Each share entitles the holder to one

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

vote on each matter submitted to a vote at the Annual Meeting.

VOTING PROCEDURES AND PROXY INFORMATION

The proxies will be voted in accordance with the instructions thereon. Unless otherwise stated, all shares represented by such proxy will be voted as instructed. Proxies may be revoked as noted above.

The entire cost of soliciting proxies, including the costs of preparing, assembling, printing and mailing this Proxy Statement, the proxy and any additional soliciting material furnished to shareholders, will be borne by the Company. In addition, arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy materials to the beneficial owners of stock, and the Company may reimburse such persons for their expenses.

VOTING BY TELEPHONE OR VIA THE INTERNET

For Shares Registered in the Name of a Brokerage Firm or Bank. A number of brokerage firms and banks are participating in a program provided through ADP Investor Communication Services that offers telephone and Internet voting options. This program is different from the program provided by American Stock Transfer & Trust Company for shares registered in the name of the shareholder. If your shares are held in an account at a brokerage firm or bank participating in the ADP program, you may vote those shares telephonically by calling the telephone number referenced on your voting form. If your shares are held in an account at a brokerage firm or bank participating in the ADP program, you already have been offered the opportunity to elect to vote via the Internet. Votes submitted via the Internet through the ADP program must be received by 11:59 p.m. (EDT) on May

-3-

11, 2005. The giving of such proxy will not affect your right to vote in person should you decide to attend the Annual Meeting.

The telephone and Internet voting procedures are designed to authenticate shareholders identities, to allow shareholders to give their voting instructions and to confirm that shareholders' instructions have been recorded properly. Shareholders voting via the Internet through either American Stock Transfer & Trust Company or ADP Investor Communication Services should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, that must be borne by the shareholder.

The Committee fulfills its responsibilities through periodic meetings with the Company's independent registered public accounting firm, internal auditors and members of management.

Throughout the year the Audit Committee monitors matters related to the independence of Ernst & Young LLP, the Company's independent registered public accounting firm. As part of its monitoring activities, the Committee obtained a letter from Ernst & Young LLP, containing a description of all relationships between the independent registered public accounting firm and the Company. After reviewing the letter and discussing it with management, the Committee discussed with Ernst & Young LLP its overall relationship with the Company and any of those relationships described in the letter that could impact Ernst & Young LLP's objectivity and independence. Based on its continued monitoring activities and year-end review, the Committee has satisfied itself as to Ernst & Young LLP's independence. Ernst & Young LLP also has confirmed in its letter that, in its professional judgment, it is independent of the Company within the meaning of the Federal securities laws and within the requirements of Independence Standard Board (ISB) Standard No. 1, Independence Discussion with Audit Committees.

The Committee also discussed with management, the Company's internal auditors and its independent registered public accounting firm, the quality and adequacy of the Company's internal controls and the internal audit function's management, organization, responsibilities, budget and staffing. The Committee discussed and reviewed with the independent registered public accounting firm all matters required by auditing standards generally accepted in the United States of America, including those described in SAS 61, "Communication with Audit Committees." With and without management present, the Committee discussed and reviewed the results of the independent registered public accounting firm's examination of the financial statements. (1) The options were granted under our 1994 Stock Option Plan. The options are exercisable as to one-third of the shares covered thereby on the first, second and third anniversaries of the date of grant. Does not include a grant of 12,000 Restricted Stock Units ("RSUs") awarded to Ms. Kelley as Other Stock Based Awards under the Company's 2004 Long-Term Incentive Plan. See footnote (7) to the Summary Compensation Table for a description of the RSUs.

(2) The potential realizable value columns of the table illustrate values that might be realized upon exercise of the options immediately prior to their expiration, assuming our Common Stock appreciates at the compounded rates specified over the term of the options. These numbers do not take into account provisions of options providing for termination of the option following termination of employment or nontransferability of the options and do not make any provision for taxes associated with exercise. Because actual gains will depend upon, among other things, future performance of the Common Stock, there can be no assurance that the amounts reflected in this table will be achieved.

DIRECTOR COMPENSATION

- 2004 Board of Directors Compensation

For the fiscal year ended December 31, 2004, our non-employee directors ("Independent Directors") received annual cash compensation of \$50,000 for services rendered in their capacity as Board members. In addition, the Lead Independent Director, the Corporate Governance and Nominating Committee Chairperson, the Compensation and Human Resources Committee Chairperson and the Audit Committee chairperson were entitled to receive \$100,000, \$20,000, \$20,000 and \$35,000 for services rendered in those roles. Our Lead Independent Director declined the receipt of \$50,000 of annual compensation for the fiscal year ended December 31, 2004. Members of the Audit Committee received annual payments of \$10,000, for services rendered in their capacity as committee members.

In 2004 we adopted, and shareholders approved, an Amended and Restated Independent Director Stock Compensation Plan (the "Director Stock Compensation Plan") pursuant to which 900,000 shares of Common Stock are reserved for issuance to non-employee directors. Pursuant to the Director Stock Compensation Plan, subject to certain exceptions and the satisfaction of certain conditions, a minimum of 30% of our Independent Director's annual board compensation (but not committee compensation) for 2004 was paid in the form of shares of our restricted Common Stock (this percentage has been increased to 50% in 2005). In 2004 an aggregate of 29,126 restricted shares of Common Stock were granted to Independent Directors under the Director Compensation Plan.

We have adopted a Non-Employee Director Stock Option Plan (the "Director Plan") pursuant to which 301,338 shares of Common Stock are reserved for issuance to non-employee directors. The Director Plan terminated on April 7, 2004 and no additional option grants will be issued thereunder. Effective as of December 31, 2002, the Board determined to suspend all future grants of options under the Director Plan. All of the options that were granted under the Director Plan were granted at fair market value on the date of grant and are exercisable as to all of the shares covered thereby commencing one year from the date of grant.

- 2005 Board of Directors Compensation

The Board of Directors, based upon the recommendation of the Corporate Governance and Nominating Committee of the Board, approved the following compensation payable to those persons who serve as Independent Directors of the Company (determined in accordance with the Company's Corporate Governance

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

Principles), other than the Lead Independent Director, for 2005: (1) a \$50,000 cash retainer; (2) 2,000 restricted shares of the Company's common stock which shall constitute "Annual Awards" under the Director Stock Compensation Plan; and (3) additional equity compensation equal to the difference resulting from subtracting the value of the 2,000 Annual Awards referred to in (2) above from \$50,000, provided that such compensation is taken in the form of restricted stock as "Elective Awards" under the Plan. The 2005 board compensation for Independent Directors, other than the Lead Independent Director, is the same as in 2004, except for the additional equity compensation described in (3) above.

The Board of Directors, upon recommendation of the Corporate Governance and Nominating Committee, approved the following compensation to be received by the Company's Lead Independent Director for 2005; (1) a \$100,000 cash retainer; (2) 2,000 restricted shares of the Company's common stock which shall constitute Annual Awards under the Director Stock Compensation Plan; and (3) additional equity compensation equal to the difference obtained by subtracting the value of the 2,000 Annual Awards referred to in (2) above from \$100,000, provided that such compensation is taken in the form of restricted stock as Elective Awards under the Director Stock Compensation Plan. The 2005 compensation that the Lead Independent Director is entitled to receive is the same as in 2004, except for the additional equity compensation described in (3) above.

-15-

In 2005 the additional compensation to be received by the Corporate Governance and Nominating Committee chairperson, the Compensation and Human Resources Committee chairperson and Audit Committee chairperson for services to be rendered by them in those capacities will remain the same as in 2004. In addition, the annual payments to be made to members of the Audit Committee for services rendered in their capacity as Audit Committee members will remain the same.

The Board of Directors of the Company, upon the recommendation the Corporate Governance and Nominating Committee, also amended the "Required Share Condition" under the Company's Corporate Governance Principles, and thereby the Director Stock Compensation Plan, to increase the percentage of annual board compensation an Independent Director must receive in restricted stock, subject to the exceptions set forth below, from 30% to 50%. Under the Director Stock Compensation Plan, Elective Awards are required to be received in the form of restricted shares of the Company's common stock unless the director to receive the Elective Award has holdings of Company common stock that meet the "Threshold Amount" as defined in the Director Stock Compensation Plan, in which case the director can elect to receive the additional compensation in cash or a combination of cash and restricted shares of the Company's common stock.

EXECUTIVE OFFICER EMPLOYMENT AND SEVERANCE AGREEMENTS

- AMENDMENTS TO EMPLOYMENT AND SEVERANCE AGREEMENTS

The employment agreements in effect as of December 31, 2004 for Messrs. Laikin Howell and Fivel are described below in the section entitled "Employment and Severance Agreements". These agreements were amended on April 7, 2005 in connection with changes to the employment and compensation arrangements for these executives; these changes establish retention incentives and limit the amount of severance pay the individuals may receive.

On April 7, 2005, we entered into amendments to the employment agreements for Messrs. Laikin, Howell and Fivel. Pursuant to these amendments we codified the previously agreed annual base compensation for Mr. Laikin (\$705,000), Mr. Howell (\$405,000) and Mr. Fivel (\$350,000). In addition, severance and change of control caps ("Severance Caps") were implemented with respect to the total value

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

of the severance payments due if (i) in breach of the applicable employment agreement, we terminate the employee's employment other than for disability or Cause, or (ii) the employee terminates his employment for Good Reason. Any accelerated vesting of annual equity awards upon a Change in Control will also count toward, and be subject to, the Severance Cap (the total of the severance payments and accelerated vesting the "Severance Total"). Pursuant to the Severance Caps, the Severance Total may not exceed \$9 million for Mr. Laikin, \$4.5 million for Mr. Howell and \$2.25 million for Mr. Fivel. Any gross-up payment designed to cover extra income or excise taxes owed by the employee if the severance payments or benefits paid are deemed to constitute "parachute payments" as defined in Section 280G(b)(2) of the Internal Revenue Code of 1986, and any acceleration of the restricted stock granted to the employees on April 7, 2005, will not count toward or be subject to the Severance Cap. Other than as set forth above, the employment agreements for Messrs. Laikin, Howell and Fivel, remain the same as they were as of December 31, 2004, and are described below in the section entitled "Employment and Severance Agreements".

In addition, on April 7, 2005, we entered into Supplemental Retirement Benefit Agreements ("Retirement Agreements") with each of Messrs. Laikin, Howell and Fivel. The Retirement Agreements provide that we will implement a supplemental retirement benefit providing each executive with a single-life annuity. The benefit is expressed as the annual payment per a single-life annuity commencing at age 62, with such annual payment equal to a certain percentage of average base salary and bonus based on the Executive's final five years of work, with such percentage not to be greater than 50%. If the executive's employment is terminated other than for Cause, a discounted annual single-life annuity benefit would commence being paid to Mr. Laikin at age 50, to Mr. Howell

-16-

at age 53 and to Mr. Fivel at age 55, or upon termination if that event occurs after the respective age. If the executive is terminated for Cause, then the benefit would not commence until age 62.

Assuming annual salary increases of 5% per year, the anticipated payments pursuant to the Retirement Agreements would be approximately \$500,000 per year to Mr. Laikin commencing at age 50, \$344,000 per year to Mr. Howell commencing upon age 53 and \$229,000 per year to Mr. Fivel commencing upon age 55. Payment under the Retirement Agreements is contingent upon termination of service.

- EMPLOYMENT AND SEVERANCE AGREEMENTS

We have entered into five-year "evergreen" employment agreements with each of Messrs. Laikin and Howell, which are automatically renewable for successive one-year periods and provide for an annual base compensation of \$705,000 and \$420,000 respectively, and such bonuses as the Board of Directors may from time to time determine. If we provide the employee with notice that we desire to terminate the agreement or terminate the agreement without cause, there is a final five-year term commencing on the date of such notice. The employment agreements provide for employment on a full-time basis and contain a provision that the employee will not compete or engage in a business competitive with our business during the term of the employment agreement and for a period of two years thereafter. The employment agreements also provide that if the employee's employment is terminated by the employee, without Good Reason, as defined, within 12 months after a "change of control," or if prior to and not as a result of a change of control, the employee's employment is terminated either by the employee for Good Reason or by us other than for disability or Cause, as defined, the employee will be entitled to receive severance pay equal to the highest of (a) \$2,250,000 for Mr. Laikin and \$1,625,000 for Mr. Howell or (b) five times the total compensation (including salary, bonus and the value of all

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

perquisites) received from us during the twelve months prior to the date of termination. If after or as a result of a change of control, the employee's employment is terminated either by the employee for Good Reason or by us other than for disability or Cause, the employee will be entitled to receive severance pay equal to ten times the total compensation (including salary, bonus, the value of all perquisites and the value of all stock options granted to the employee) received from us during the twelve months prior to the date of termination. In addition, (a) upon the occurrence of a change of control, (b) if in breach of the agreement, we terminate the employee's employment other than for disability or Cause, or (c) if the employee terminates his employment for Good Reason at any time, the vesting of all options granted to the employee will be accelerated so that the options become immediately exercisable. For purposes of such agreements, a "change of control" shall be deemed to occur, unless previously consented to in writing by the respective employee, upon (i) individuals who constituted our then current Board of Directors ceasing to constitute a majority of the Board of Directors, (ii) subject to certain specified exceptions, the acquisition of beneficial ownership of 15% or more of our voting securities by any person or entity not affiliated with the respective employee or us, (iii) the commencement of a proxy contest against management for the election of a majority of our Board of Directors if the group conducting the proxy contest owns, has or gains the power to vote at least 15% of our voting securities, (iv) the consummation under certain conditions by us of a reorganization, merger or consolidation or sale of all or substantially all of our assets to any person or entity not affiliated with the respective employee or us, or (v) our complete liquidation or dissolution.

In addition, we have entered into a three-year "evergreen" employment agreement with Mr. Fivel, which is automatically renewable for successive one-year periods and provides for an annual base compensation of \$350,000, and such bonuses as the Board of Directors may from time to time determine. If we provide the employee with notice that we desire to terminate the agreement without Cause, there is a final three-year term commencing on the date of such notice. The employment agreement provides otherwise for substantially the same terms as the employment agreements described above, except that if the employee's employment is terminated by the employee, without Good Reason, as defined, within 12 months after a "change of control," or if prior to and not as a result

-17-

of a change of control, the employee's employment is terminated either by the employee for Good Reason or by us other than for disability or Cause, as defined, the employee will be entitled to receive the highest of (a) \$825,000 or (b) three times the total compensation (including salary, bonus and the value of all perquisites) received from us during the twelve months prior to the date of termination. If after or as a result of a change of control, the employee's employment is terminated either by the employee for Good Reason or by us other than for disability or Cause, the employee will be entitled to receive severance pay equal to six times the compensation (including, salary, bonus, and the value of all perquisites and the value of all stock options granted to the employee) received or earned from us during the twelve months prior to the date of termination. In addition, (a) upon the occurrence of a change of control, (b) if in breach of the agreement, we terminate the employee's employment other than for disability or Cause, or (c) if the employee terminates his employment for Good Reason at any time, the vesting of all options granted to the employee will be accelerated so that the options become immediately exercisable. We have also entered into a three-year "evergreen" employment agreement with Mr. Terence on April 22, 2002, which is automatically renewable for successive one-year periods and provides for an annual base compensation of \$410,000 and such bonuses as the Board of Directors may from time to time determine. The employment agreement provides for employment on a full-time basis and contains a provision that the employee will not compete or engage in a business competitive with our business

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

during the term of the employment agreement and for a period of two years thereafter. The employment agreement also provides that if the employee's employment is terminated by the employee, without Good Reason, as defined, within 12 months after a "change of control," or if prior to and not as a result of a change of control, the employee's employment is terminated either by the employee for Good Reason or by us other than for disability or Cause, as defined, the employee will be entitled to receive severance pay equal to three times the total compensation (including salary, bonus and the value of all perquisites) received from us during the twelve months prior to the date of termination. For purposes of such agreement, a "change of control" shall be deemed to occur, unless previously consented to in writing by the employee, upon (i) individuals who constituted our then current Board of Directors ceasing to constitute a majority of the Board of Directors, (ii) subject to certain specified exceptions, the acquisition of beneficial ownership of 15% or more of our voting securities by any person or entity not affiliated with the respective employee or us, (iii) the commencement of a proxy contest against management for the election of a majority of our Board of Directors if the group conducting the proxy contest owns, has or gains the power to vote at least 15% of our voting securities, (iv) the consummation under certain conditions by us of a reorganization, merger or consolidation or sale of all or substantially all of our assets to any person or entity not affiliated with the respective employee or us, or (v) our complete liquidation or dissolution. In addition, (a) upon the occurrence of a change of control, (b) if in breach of the agreement, we terminate the employee's employment other than for disability or Cause, or (c) if the employee terminates his employment for Good Reason at any time, the vesting of all options granted to the employee will be accelerated so that the options become immediately exercisable.

We have also entered into a one-year "evergreen" employment agreement with Ms. Kelley on June 9, 2003, which is automatically renewable for successive one-year periods and provides for an annual base compensation of \$225,000, subject to any increase at the Company's discretion. She is also entitled to such other discretionary cash bonuses and other compensation as the Company may from time to time determine, provided that any discretionary bonus cannot exceed 50% of her base compensation. The employment agreement provides for employment on a full-time basis and contains a provision that the employee will not compete or engage in a business competitive with our business during the term of the employment agreement and for a period of one year thereafter. The employment agreement also allows the employee to terminate the agreement upon at least thirty (30) days prior written notice and provides that if the employee's employment is terminated by the employer other than due to death, disability or Cause, as defined, the employee shall be entitled to receive severance pay equal to 12 months of her annual base salary, any earned but unpaid bonus and reimbursement of certain business expenses. Moreover, upon a "change of control," if the employee's

-18-

employment is terminated by us other than for death, disability or Cause, as defined, the employee will be entitled to an acceleration of the vesting of any unvested stock options held by her, which shall then remain exercisable for not less than 180 days. For purposes of such agreement, a "change of control" shall be deemed to occur, unless previously consented to in writing by the employee, upon (i) individuals who constituted our then current Board of Directors ceasing to constitute a majority of the Board of Directors, (ii) subject to certain specified exceptions, the acquisition of beneficial ownership of 15% or more of our voting securities by any person or entity not affiliated with the respective employee or us, (iii) the commencement of a proxy contest against management for the election of a majority of our Board of Directors if the group conducting the proxy contest owns, has or gains the power to vote at least 15% of our voting securities, (iv) the consummation under certain conditions by us of a reorganization, merger or consolidation or sale of all or substantially all of

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

our assets to any person or entity not affiliated with the employee or us, or (v) our complete liquidation or dissolution.

2005 BONUS PLAN

The Compensation and Human Resources Committee also established a 2005 bonus program for the Company's executive officers, including its Chief Executive Officer, which is based upon certain pre-established targets for: (i) income from continuing operations (up to 50%), (ii) return on invested capital (up to 20%), and (iii) certain strategic objectives approved by the Committee (up to 30%). If all of these targets are reached, Mr. Laikin, the Company's Chief Executive Officer, will receive a cash bonus equal to 100% of his base salary and each of the other executive officers will receive a cash bonus equal to 50% of their respective base salaries as a bonus. If only certain of the targets are reached then the executive officers, including the Chief Executive Officer, would be entitled to receive the corresponding percentage of their potential bonus under the program. The Compensation and Human Resources Committee retains discretion to increase an award based on individual and Company performance.

REPORT OF THE COMPENSATION AND HUMAN RESOURCES COMMITTEE OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

The Compensation and Human Resources Committee (the "Committee"), subject to the approval of the Board of Directors, determines the compensation of the Company's executive officers, including the Chief Executive Officer, and oversees the administration of all executive compensation programs. As noted above, the compensation policy of the Company is determined by the Compensation and Human Resources Committee, which periodically reviews trends in compensation practices. The executive compensation policy for the Company was reviewed and approved during 2004 as follows:

Brightpoint offers executive compensation programs that align individuals' financial incentives with our strategic direction and corporate values. Our programs are designed to attract and retain key talent needed to manage our business and enhance shareholder value. Our executive compensation program includes cash (base pay and short term incentive) and non-cash (equity based long term incentive) components. These programs aim to provide our executives with:

- Base pay in the aggregate at the median of the relevant external market comparator group,
- An opportunity for total cash to significantly exceed the market median when exceptional individual and business performance is achieved, and
- Equity to ensure alignment of individual performance with the Company's long-term business objectives.

-19-

To put this policy into practice, the Committee reviews total compensation survey data provided by independent consultants. In 2004 the Committee updated the external comparator data in order to focus on those companies which either participate in the Company's industry, or operate in a related industry and are of a comparable size and scope of operations. The Committee has reviewed all components of compensation of the Company's executives, including that of the Chief Executive Officer, and conducted all of its deliberations and made its determinations directly in keeping with both our stated compensation policy as above and with this external comparator data.

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

Base Salary. The base salaries of the Company's executives, including the Chief Executive Officer, are determined taking into account the median of the comparator data set which reflects the external labor market for comparable positions, and by relative individual job performance. An executive's salary will also vary within this framework based on responsibilities, experience, and leadership behaviors. A relatively greater emphasis is placed on the variable (short and long term incentive) components of compensation so as to put a greater portion of total pay "at risk" based on Company and individual performance. Fiscal 2004 and previous base salary data for the Company's Named Executives is shown in the "Summary Compensation Table" on page 13.

Short Term Incentives - Bonuses. Bonuses for the Company's executive officers, including the Chief Executive Officer, in 2004 were awarded based on predetermined targets and metrics related to the Company's income from continuing operations, return on invested capital, and key strategic objectives. In addition, the Committee awarded to the executive officers, including the Chief Executive Officer, additional ("Discretionary") bonuses based on the Company's performance. The total bonuses awarded to the Company's executive officers with respect to fiscal 2004 are set forth in the "Summary Compensation Table" on page 13.

Long Term Incentives - Equity (Stock Options and Restricted Stock). These equity awards under the Company's Long-Term Incentive Plan or other stock option plans are intended to align the interests of the executives with those of the Company's shareholders. The size and grant of actual awards during 2004 was determined by the Compensation and Human Resources Committee, taking into account Company performance and total compensation comparator data using the data set referred to above. The current share ownership for all executive officers is shown in "Voting Security Ownership of Certain Beneficial Owners and Management" on page 23.

STOCK PERFORMANCE GRAPH

The following line graph compares, from December 31, 1999 through December 31, 2004, the cumulative total shareholder return on the Company's Common Stock with the cumulative total return on the stocks comprising the NASDAQ Market Value Index and the CoreData Group Index (previously known as the Media General

Financial Services Electronics Wholesale Industry Group Index) ("Coredata Group Index"). The comparison assumes \$100 was invested on December 31, 1999 in the Company's Common Stock and in each of the foregoing indices and assumes reinvestment of all cash dividends, if any, paid on such securities. The Company has not paid any cash dividends and, therefore, the cumulative total return calculation for the Company is based solely upon share price appreciation and not upon reinvestment of cash dividends. Historical share price is not necessarily indicative of future stock price performance.

CERTAIN TRANSACTIONS

We utilize the services of a third party for the purchase of corporate gifts, promotional items and standard personalized stationery. Mrs. Judy Laikin, the mother of Robert J. Laikin, our Chief Executive Officer, was the owner of this third party until June 1, 2000 and is an independent consultant to this third party. We purchased approximately \$86,052 and \$63,321 of services and products from this third party during 2004 and 2003. We believe that these purchases were made on terms no less favorable to us than we could have obtained from an unrelated party.

During the fiscal years ended December 31, 2004 and 2003, we paid to an insurance brokerage firm, for which the father of Robert J. Laikin acts as an independent insurance broker, \$205,000 and \$225,415, respectively, in service fees. In addition, we pay certain insurance premiums to the insurance brokerage firms, which premiums were forwarded to our respective insurance carriers. We believe these services were purchased on terms no less favorable to us than we could have obtained from an unrelated party.

Our Articles of Incorporation and By-laws provide that we indemnify our officers and directors to the extent permitted by law. In connection therewith, we entered into indemnification agreements with our executive officers and directors. In accordance with the terms of these agreements we have reimbursed certain of our former executive officers and intends to reimburse our officers and directors for their legal fees and expenses incurred in connection with certain pending litigation and regulatory matters. We did not make any such reimbursement payments during 2004.

Although shareholder approval of the appointment of E&Y is not required by law, the Board of Directors believes that it is advisable to give shareholders an opportunity to ratify this appointment. Furthermore, although the appointment of E&Y is being submitted for shareholder ratification, the Audit Committee reserves the right, even after ratification by shareholders, to change the appointment of E&Y as auditors, at any time during the 2005 fiscal year, if it deems such change to be in the best interests of the Company. Representatives of E&Y will be present at the Annual Meeting.

The aggregate fees for professional services rendered by E&Y for the audit of the Company's annual financial statements for the years ended December 31, 2004 and 2003, the review of the financial statements included in the Company's Forms 10-Q for 2004 and 2003, audit of internal control over financial reporting and statutory audits of foreign subsidiaries totaled \$1,543,853 and \$1,041,515, respectively.

The Audit Committee has established its pre-approval policies and procedures, pursuant to which the Audit Committee approved the foregoing audit and permissible non-audit services provided by E&Y in 2004. The Audit Committee's pre-approval policy is as follows: Consistent with the Audit Committee's responsibility for engaging our independent auditors, all audit and permitted non-audit services require pre-approval by the Audit Committee. All requests or applications for services to be provided by the independent registered public accounting firm that do not require specific approval by the Audit Committee will be submitted to the Chief Financial Officer and must include a detailed description of the services to be rendered. The Chief Financial Officer will determine whether such

-27-

services are included within the list of services that have received the general pre-approval of the Audit Committee. The Audit Committee will be informed on a timely basis of any such services rendered by the independent auditor. Request or applications to provide services that require specific approval by the Audit Committee will be submitted to the Audit Committee by both the independent auditor and the Chief Financial Officer, and must include a joint statement as to whether, in their view, the request or application is consistent with the Securities and Exchange Commission's rules on auditor independence. The Audit Committee has designated the Vice President of Internal Audit to monitor the performance of all services provided by the independent auditor and to determine whether such services are in compliance with this policy. The Vice President of Internal Audit will report to the Audit Committee on a periodic basis on the results of its monitoring. The Vice President of Internal Audit and management will immediately report to the chairman of the Audit Committee any breach of this policy that comes to the attention of the Vice President of Internal Audit or any member of management. The Audit Committee will also review the internal auditor's annual internal audit plan to determine that the plan provides for the monitoring of the independent auditor's services. Pursuant to these procedures the Audit Committee approved the foregoing audit and permissible non-audit services provided by E&Y in 2004.

APPENDIX A

CORPORATE GOVERNANCE PRINCIPLES

The Board of Directors ("Board") of Brightpoint, Inc. ("Company" or "Brightpoint") believes that effective corporate governance is built on adherence to a number of "best practices." These practices are consistent with the Board's responsibilities to effectively oversee the Company's strategy, evaluate and compensate Company executives, and plan for management succession. Most importantly, these practices are believed to strengthen the Company and protect shareholders' interests. As such, the Board has developed and follows a program of corporate governance that includes the following elements:

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

- Board Independence
 - The Board shall be comprised of a majority of independent directors. Director independence, at a minimum, is consistent with applicable rules and regulations for Nasdaq-traded issuers. The Board believes that independence is best achieved when independent directors, their family members, or their primary employers receive no consulting, legal, or other fees from Brightpoint other than in their service as Board members.
 - An Independent Director is specifically defined as a director who:
 - Is not an affiliate of the Company, the Company's affiliates, any member of the Company's senior management, or the Company's suppliers or customers;
 - Has not been employed by the Company or its affiliates within the past five years;
 - Has no personal services contract, such as a consulting or advising relationship, with the Company, its affiliates, or the Company's executives;
 - Has no business relationship with the Company or its affiliates (other than in his or her service as a Board member) that requires Brightpoint to make disclosure under Nasdaq or Securities and Exchange Commission rules and regulations;
 - Is not affiliated with a not-for-profit organization that receives substantial contributions from the Company or its affiliates, as specified by Nasdaq rules or regulations;
 - Is not employed by an organization at which an executive of Brightpoint serves as a Board member;
 - Is not a family member of any individuals with the aforementioned relationships;
 - Has not been affiliated with or employed by a present or former auditor of the Company or its affiliates until five years after the end of either the affiliation or auditing relationship.
 - The Board is committed to Board Committee independence. Each Board Committee will be chaired by an Independent Director of the Board. Committee chairs, their family members, or their primary employers shall receive no consulting, legal, or other fees from Brightpoint other than in their service as Board members. In compliance with Sarbanes-Oxley and Nasdaq rules and regulations, the Audit Committee is comprised of three Independent Directors. In addition, the Audit Committee chair shall be deemed a "financial expert", as specified by Nasdaq rules and Section 407(b) of the Sarbanes-Oxley Act of 2002 and any rules implemented by the Securities and Exchange

Commission. Committee chairs and members serve one year renewable terms. Any director that is no longer considered an Independent Director will be required to resign from any Committee on which he or she serves.

- The Board presently believes that it is in the best interests of the Company for the positions of Chief Executive Officer and Board Chairperson to be combined, as this structure provides for unified vision and leadership within the Company. This combined leadership structure will be periodically evaluated. Should the Board determine that such separation is appropriate, these positions will be formally separated. The CEO/Chairperson serves a critical role in establishing and maintaining effective communications with the Company's shareholders, customers, suppliers, employees, creditors, communities, governments, and other stakeholders. Communications between the Company and stakeholders will be primarily through the CEO/Chairperson of the Board.
- When the Chief Executive Officer and Board Chairperson positions are combined, the Board will maintain a Lead Independent Director. This director will be selected by the Independent Directors of the Board from among the Independent Directors of the Board. The Lead Independent Director serves as an important liaison between the Board and Management. A key role of the Lead Independent Director is to work closely with the Corporate Secretary so that Board members receive meeting agendas and related materials with sufficient time to effectively prepare for discussion at Board and/or Committee meetings. The Lead Independent Director is also responsible for scheduling meetings whereby the Independent Directors meet in executive session. Executive sessions include only Independent Directors, with guests invited at the discretion of the Independent Directors. Management Board members and other Management representatives will not, as a rule, be present in these sessions. The Lead Independent Director sets the executive session meeting agendas and presides over these meetings. The Lead Independent Director also serves a central role as liaison between the Board and external advisors retained by the Board. The Lead Independent Director serves for a one year renewable term. The Lead Independent Director is evaluated by the full Board on an annual basis.
- As a matter of policy, and to ensure Board independence, Independent Directors or directors who are not employed by the Company or its affiliates, their family members, and their primary employers will refrain from conducting any business with the Company outside of directors' service as Board members. This is consistent with the definition of an Independent Director contained herein. Board member independence will be assessed and affirmed annually. Consideration will be given to replacing non-management directors no longer considered independent.
- Board Budget
 - In recognition of the Board's commitment to maintaining independence, the Board maintains an operating budget separate from Company funds. These funds are provided by the Company. This enables the Board to engage in activities such as determining Director compensation and hiring external experts such as the external auditors and compensation consultants without having to request such operating funds from Management.

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

The Board's budget is overseen by the Lead Independent Director and Audit Committee Chairperson.

-32-

- Committee Charter
 - The Board will maintain and make publicly available Board Committee Charters for the three standing Board committees. These Charters, the Company's Corporate Governance Guidelines, and the Company's Code of Business Conduct and Ethics, which may be modified as appropriate, are made available to the public via the Company's website (www.brightpoint.com).
- Board Size
 - The Board shall be comprised of between eight to 12 members. Board size will be a function of the current needs of the Company and the ability to effectively staff standing Board committees. Board size will be, in part, a function of a purposeful desire to enhance Board member diversity. Diversity is accomplished through the inclusion of directors with varying background characteristics and knowledge bases. Directors are selected for their ability to provide unique diverse perspectives and skills in their service as Board members. Directors are re-evaluated as to their ability to meet Board member diversity goals and effectively contribute to the Board in the event their primary occupation or employment status changes during their term. Consideration will be given to replacing directors not fulfilling these goals due to their occupational or employment status change.
- Director Compensation
 - The Board believes that it is important to rely on director compensation practices that promote director independence. Directors' compensation is therefore in the form of a Board retainer. No special fees are granted for Board or Committee meeting attendance. The Lead Independent Director, Board Committee chairs, and Audit Committee members receive additional compensation in recognition of their additional service responsibilities. The Board also believes that its Independent Directors should make a meaningful investment in Company stock. Consistent with this guideline, 50 percent of an Independent Director's annual compensation will be, subject to receipt of necessary approvals, in the form of restricted stock grants until the fair market value of the Director's stock holdings in the Company reach a level two times that of the Director's annual Board retainer. Once a Director's stock holdings reach this level, the Director generally may elect to receive the annual retainer in the form of cash or a combination of cash and restricted stock grants. Directors may also choose to have the annual Board retainer paid entirely in restricted shares. Unless the fair market value of the shares of Common Stock held by a Director reaches a level of two times that of the annual Board retainer the Director may not sell any restricted shares issued as part of the Director's annual Board compensation until six months after the Director's retirement/resignation from the Board. Once a Director's stock holdings reach the two times annual retainer level (which holdings shall be measured in

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

December of each year) all restricted shares previously issued to the Director as part of the Director's annual Board retainer and all restricted shares to be issued to the Director in the ensuing year may be sold in the ensuing year without the need to comply with the restrictions set forth above. Any director stock transactions will be posted on the Company's website (www.brightpoint.com).

- Board Meetings and Attendance

- The Board is committed to open communication among Board members and between the Board and Management. Consistent with this, the Board and Board Committees shall meet on a quarterly basis. Board meeting dates are established on an annual basis and approved by Board vote. Additional Board and/or Committee meetings are scheduled on an "as needed" basis. The Board believes that it is important for directors

-33-

to participate in scheduled Board and/or Committee meetings. Directors who participate in less than 75 percent of scheduled Board and Committee meetings are subject to being terminated as a Board member or not receiving re-nomination to the Board.

- Director Access to Management

- Consistent with the need for open communication channels between the Board and Management, non-management directors have direct access to Company Management outside of formal Board and/or Committee meetings.

- Board Education and Evaluation

- The Board is committed to ensuring that directors receive ongoing educational opportunities that enhance their abilities to effectively serve the Company. To this end, the Board engages in continuing education experiences. Each director is required to attend one director training seminar per calendar year. Also, the Board as a whole engages in a joint professional development experience each year. Additionally, new Board members are provided with a comprehensive manual that assists in their orientation to the Board and the Company. The Board is also committed to evaluating the overall effectiveness of the Board and individual directors. Board and Board Committee evaluation occurs annually. Directors are formally evaluated at the conclusion of their Board term and prior to their consideration for re-nomination to the Board.

- Change in Director Employment Status

- All Independent Directors shall notify the Company's Lead Independent Director in writing upon the occurrence of any change in status of principal occupation, any change or additional responsibility and any new directorship, or change in directorships. The Lead Independent Director will notify the Committee of any such changes and the Committee shall determine the communication provided to the Board of Directors.
