**PROXY STATEMENT  
ANNUAL MEETING OF SHAREHOLDERS  
To Be Held July 27, 2005**

This Proxy Statement is furnished in connection with the solicitation, on behalf of the Board of Directors of ITLA Capital Corporation ( we, our, us or ITLA Capital ), of proxies to be used at the Annual Meeting of Shareholders of ITLA Capital (the Meeting ), and all adjournments or postponements of the Meeting. The Meeting will be held at the Estancia La Jolla, 9700 North Torrey Pines Road, La Jolla, California, on July 27, 2005 at 2:00 p.m., California time. The accompanying Notice of Annual Meeting of Shareholders and form of proxy and this Proxy Statement are first being mailed to shareholders on or about June 27, 2005. Certain of the information provided herein relates to Imperial Capital Bank, a wholly owned subsidiary of ITLA Capital (sometimes referred to below as the Bank ).

At the Meeting, our shareholders are being asked to consider and vote upon: (i) the election of two directors of ITLA Capital; (ii) the approval of the ITLA Capital Corporation 2005 Re-Designated, Amended and Restated Employee Stock Incentive Plan (the Employee Stock Incentive Plan Proposal ); (iii) the ITLA Capital Corporation 2005 Re-Designated, Amended and Restated Stock Option Plan for Non-Employee Directors (the Non-Employee Director Plan Proposal and together with the Employee Stock Incentive Plan Proposal, the Plan Proposals ); and (iv) the ratification of the appointment of Ernst & Young LLP as our independent auditors for the fiscal year ending December 31, 2005.

**VOTING RIGHTS AND PROXY INFORMATION**

All shares of our common stock, par value \$.01 per share ( Common Stock ), represented at the Meeting by properly executed proxies received prior to or at the Meeting and not revoked will be voted at the Meeting in accordance with the instructions thereon. If no instructions are indicated, properly executed proxies will be voted FOR the election of both nominees named in this Proxy Statement, FOR the approval of the Employee Stock Incentive Plan Proposal, FOR the approval of the Non-Employee Director Plan Proposal and FOR the ratification of the appointment of Ernst & Young LLP. We do not know of any matters, other than as described in the Notice of Annual Meeting of Shareholders, that are to come before the Meeting. If any other matters are properly presented at the Meeting for action, our Board of Directors, as proxy for the shareholder, will have the discretion to vote on such matters in accordance with its best judgment.

Directors will be elected by a plurality of the votes cast. The approval of the Plan Proposals and the ratification of the appointment of Ernst & Young LLP as our independent auditors each requires the affirmative vote of a majority of the votes cast on the matter. In the election of directors, shareholders may either vote FOR both nominees for election or withhold their votes from either nominee for election. Votes that are withheld and shares held by a broker, as nominee, that are not voted (so-called broker non-votes ) in the election of directors will not be included in determining the number of votes cast. For the Plan Proposals and the proposal to ratify the appointment of the independent auditors, shareholders may vote FOR, AGAINST or ABSTAIN with respect to each of these proposals. Proxies marked to abstain will have the same effect as votes against these proposals, and broker non-votes will have no effect on these proposals. The holders of at least one-third of the outstanding shares of our Common Stock, present in person or represented by proxy, will constitute a quorum for purposes of the Meeting. Proxies marked to abstain and broker non-votes will be counted for purposes of determining a quorum.

---

**Table of Contents**

A proxy given pursuant to this solicitation may be revoked at any time before it is voted. Proxies may be revoked by: (i) duly executing and delivering to the Secretary of ITLA Capital a subsequent proxy relating to the same shares prior to the exercise of such proxy; (ii) filing with the Secretary of ITLA Capital at or before the Meeting a written notice of revocation bearing a later date than the proxy; or (iii) attending the Meeting and voting in person (although attendance at the Meeting will not in and of itself constitute revocation of a proxy). Any written notice revoking a proxy should be delivered to Anthony A. Rusnak, Esq., Secretary of ITLA Capital, at ITLA Capital Corporation, 888 Prospect Street, Suite 110, La Jolla, California 92037.

The Audit Committee met six times during fiscal year 2004. The Audit Committee assists our Board in its oversight responsibility relating to the integrity of our financial statements and the financial reporting process, the systems of internal accounting and financial controls and compliance with legal and regulatory requirements. The Audit Committee, among other things:

considering the recommendations of the independent directors. In May 2005, the Board of Directors appointed a separate Nominating Committee, comprised of Directors Mayuga (Chairman), Reed, Oribe and Lipscomb, each of whom is an independent director. The Nominating Committee is responsible for identifying and recommending director candidates to serve on the Board of Directors. Final approval of director nominees is determined by the full Board, based on the recommendations of the Nominating Committee. The nominees for election at the Meeting identified in this Proxy Statement were recommended to the Board by the newly appointed Nominating Committee.

The Nominating Committee operates under a formal written charter adopted by the Board, a copy of which is attached to this Proxy Statement as Appendix A, under which the Nominating Committee has the following responsibilities:

- (i) recommend to the Board the appropriate size of the Board and assist in identifying, interviewing and recruiting candidates for the Board;
- (ii) recommend candidates (including incumbents) for election and appointment to the Board of Directors, subject to the provisions set forth in our certificate of incorporation and bylaws relating to the nomination or appointment of directors, based on the following criteria: business experience, education, integrity and reputation, independence, conflicts of interest, diversity, age, number of other directorships and commitments (including charitable organizations), tenure on the Board, attendance at Board and committee meetings, stock ownership, specialized knowledge (such as an understanding of banking, accounting, marketing, finance, regulation and public policy) and a commitment to ITLA Capital's communities and shared values, as well as overall experience in the context of the needs of the Board as a whole;
- (iii) review nominations submitted by shareholders, which have been addressed to the Corporate Secretary, and which comply with the requirements of our certificate of incorporation and bylaws. Nominations from shareholders will be considered and evaluated using the same criteria as all other nominations;
- (iv) annually recommend to the Board committee assignments and committee chairs on all committees of the Board, and recommend committee members to fill vacancies on committees as necessary; and
- (v) perform any other duties or responsibilities expressly delegated to the Committee by the Board.

Nominations must be made pursuant to timely notice in writing to the Corporate Secretary as set forth in Article II, Section 6(c) of our bylaws. Shareholders may recommend candidates for consideration by the Nominating Committee by following the procedures set forth in Article II, Section 6(c). As noted above, shareholder recommended candidates will be considered and evaluated using the same criteria set forth above.

Article II, Section 6(c) of our bylaws provides that nominations for election as directors by shareholders must be made in writing and delivered to the Secretary of ITLA Capital at least 90 days prior to the annual meeting date. If, however, the date of the meeting is first publicly disclosed less than 100 days prior to the date of the meeting, nominations must be received by ITLA Capital not later than the close of business on the tenth day following the earlier of the day on which notice of the date of the meeting was mailed to shareholders or the day on which public disclosure of the date of the meeting was first made. In addition to meeting the applicable deadline, nominations must be accompanied by certain information specified in Article II, Section 6(c) of our bylaws. This information includes the following:

- (i) as to each person whom a shareholder proposes to nominate for election as a director, all information relating to the proposed nominee that is required to be disclosed in the solicitation of proxies for election as directors or is otherwise required pursuant to Regulation 14A under the Securities Exchange Act of 1934, including the proposed nominee's written consent to serve as a director, if elected; and

The foregoing description is a summary of our nominating process. Any shareholder wishing to nominate a candidate or recommend a nominee to our Nominating Committee for its consideration should review and must comply in full with the procedures set forth in our certificate of incorporation and bylaws, and Delaware law.

*Executive Committee.* The primary responsibilities of the Executive Committee are to advise our management on matters when the full Board of Directors is unavailable or to conduct business as specifically designated by the full Board. The current members of the Executive Committee are Messrs. Haligowski, Oribe and Bruce. The Executive Committee held twelve meetings in fiscal 2004.

**AUDIT COMMITTEE REPORT**

The following Report of the Audit Committee of our Board of Directors shall not be deemed to be soliciting material or to be incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent ITLA Capital specifically incorporates this Report therein, and shall not otherwise be deemed filed under such Acts.

Management is responsible for ITLA Capital's internal controls, financial reporting process and compliance with laws and regulations. The independent accountants are responsible for performing an independent audit of ITLA Capital's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon and annually attesting to management's assessment of the effectiveness of our internal control over financial reporting. The Audit Committee's responsibility is to monitor and oversee these processes.

As required by its charter, the Audit Committee received and reviewed the report of Ernst & Young LLP regarding the results of their audit, as well as the written disclosures and the letter from Ernst & Young LLP required by Independence Standards Board Standard No. 1 (Independence Discussion with Audit Committees). The Audit Committee reviewed and discussed the audited financial statements with ITLA Capital's management. A representative of Ernst & Young LLP also discussed with the Audit Committee the independence of Ernst & Young LLP from ITLA Capital, as well as the matters required to be discussed by Statement of Auditing Standards No. 61 (Communication with Audit Committees).

In fulfilling its oversight responsibility of reviewing the services performed by ITLA Capital's independent auditors, the Audit Committee carefully reviews the policies and procedures for the engagement of the independent auditors. The Audit Committee met with the independent auditors to discuss the results of their examinations, the evaluation of ITLA Capital's internal controls and the overall quality of ITLA Capital's financial reporting. The Audit Committee also reviewed and discussed with the independent auditors the fees paid to the independent auditors; these fees are described under Relationship with Independent Auditors below.

ITLA Capital's Chief Executive Officer and Principal Financial Officer also reviewed with the Audit Committee the certifications that each such officer will file with the SEC pursuant to the requirements of Sections 302 and 906 of the Sarbanes-Oxley Act of 2002 (Sarbanes). Management also reviewed with the Audit Committee the policies and procedures it has adopted to ensure the accuracy of such certifications.

Based on the Audit Committee's review and discussions noted above, it recommended to the Board of Directors that the audited financial statements be included in ITLA Capital's Annual Report on Form 10-K for the year ended December 31, 2004, for filing with the SEC.

**RELATIONSHIP WITH INDEPENDENT AUDITORS**

**General**

The Audit Committee has reappointed Ernst & Young LLP as the independent public accounting firm to audit our consolidated financial statements for the year ending December 31, 2005, subject to the ratification of the appointment by ITLA Capital's shareholders. See Proposal IV Ratification of the Appointment of Independent Auditors below.

**Independent Auditing Firm Fees**

(b) Audit Related Fees: Aggregate fees billed for professional services rendered related to audits of employee benefit plans, consultations related to the implementation of the Sarbanes-Oxley Act and consultations on accounting matters: \$57,000 2004; \$70,000 2003.

(d) All other fees: None 2004; None 2003.

The audit committee pre-approves all audit and permissible non-audit services to be provided by Ernst & Young LLP and the estimated fees for these services. None of the services provided by Ernst & Young LLP described in items (a)-(c) above was approved by the audit committee pursuant to a waiver of the pre-approved requirements of the SEC's rules and regulations.

**DIRECTOR COMPENSATION**

*Directors Fees.* During 2004, each non-employee director was paid a monthly fee of \$2,250 for serving on our Board of Directors and \$750 for each Board or Committee meeting attended for service on such committee. In addition, Director Reed received an honorarium of \$5,000 for his active assistance in legislative matters during 2004, Director Lipscomb received an honorarium of \$5,000 for his time and assistance with compensation matters, and Director Oribe received an honorarium of \$15,000 for his time and assistance with Japanese business matters and his extensive work with the Executive Committee. In 2004, Director Martin received an annual retainer fee of \$15,000 for his service as Chairman of the Audit Committee and an honorarium of \$15,000 for his time and assistance with matters concerning our agreement with Fannie Mae executed in February 2005.

*Voluntary Retainer Stock and Deferred Compensation Plan.* In 1996, we adopted the Voluntary Retainer Stock and Deferred Compensation Plan for Outside Directors (the Outside Director Plan). The Outside Director Plan provides for the deferral of compensation earned by non-employee directors in the form of Stock Units (Stock Units) in a Stock Unit account (Stock Unit Account). Directors may elect to have up to 100% of their fees converted into stock units.

**Table of Contents**

For dividends paid with respect to our Common Stock, each non-employee director has credited to his Stock Unit Account an additional number of Stock Units in an amount determined under the Outside Director Plan. Each non-employee director's Stock Unit Account will be settled by delivering to the non-employee director (or his beneficiary) the number of shares of our Common Stock equal to the number of whole Stock Units then credited to the non-employee director's Stock Unit Account, in either (i) a lump sum or (ii) substantially equal annual installments over a period not to exceed ten years.

To date, no amounts have been deferred under the Outside Director Plan.

*Stock Options.* Under our Stock Option Plan for Non-Employee Directors, each person who was a non-employee director on the plan effective date automatically received on that date, and each person who becomes a non-employee director after that date automatically receives on the date he becomes a non-employee director, an option to purchase 5,000 shares of Common Stock. On the first, second, third, fourth and fifth anniversaries of such 5,000 share grant, each non-employee director automatically receives an option to purchase 1,000 shares of Common Stock. Each option granted under the Stock Option Plan for Non-Employee Directors has a ten-year term, vests in full on the first anniversary of the grant and has an exercise price equal to 100% of the fair market value of our Common Stock on the date of grant. On October 30, 2004, pursuant to the Stock Option Plan for Non-Employee Directors, Preston Martin was granted an option to purchase 1,000 shares of Common Stock with an exercise price of \$48.26 per share. The option vests in full on October 30, 2005 and will expire on October 30, 2014. No other options were granted to directors during 2004. Directors who are also employees (Messrs. Haligowski and Bruce) may receive option grants under our Employee Stock Incentive Plan. As described under *Proposal II Approval of the ITLA Capital Corporation 2005 Re-Designated, Amended and Restated Employee Stock Incentive Plan* and *Proposal III Approval of the ITLA Capital Corporation 2005 Re-Designated, Amended and Restated Stock Option Plan for Non-Employee Directors*, shareholders are being asked to vote on an amendment and restatement of the Employee Stock Incentive Plan and an amendment and restatement of the Non-Employee Directors Stock Option Plan at the Meeting.

**Agreements With Mr. Haligowski**

We have entered into an employment agreement with Mr. Haligowski. The employment agreement provides for an initial employment term of five years, with the agreement automatically annually extending for an additional one-year period each year unless either party provides the other with at least 90 days notice of the non-extension or termination, provided that if a change in control, as defined in the agreement, occurs, the term of the agreement will be automatically extended so that it expires 60 months after the change in control. The employment agreement provides that we may terminate Mr. Haligowski for cause, as defined in the employment agreement. In the event Mr. Haligowski is involuntarily terminated, as defined in the employment agreement, including following a change of control, as defined in the employment agreement, Mr. Haligowski will be entitled to receive: (i) a lump sum cash payment determined by multiplying the amount of the cash bonus or cash incentive compensation paid to him for the most recently completed fiscal year by a fraction, the numerator of which is the number of days in the year elapsed through the date of termination and the denominator of which is 365; (ii) during the remaining term of the agreement (or for five years, if longer, if a change in control has occurred) his base salary calculated at the highest annual rate during the three years prior to his involuntary termination and the average amount of cash bonus and incentive compensation paid for the two years prior to his involuntary termination, if any; (iii) the continuation of all employment related benefits for the 60 months following the date of termination; (iv) the immediate vesting of any

stock options and restricted stock awards previously granted and outstanding; and (v) the transfer to him of title to the company-owned vehicle currently used by him. If his employment is involuntarily terminated following a change of control, Mr. Haligowski will also be retained as a consultant for an eighteen month period at a monthly consulting fee equal to 75% of his base salary. If a change in control occurs, regardless of whether his employment is involuntarily terminated, Mr. Haligowski will receive an additional contribution to his account in our Supplemental Executive Retirement Plan equal to 3.95 times his base salary. In addition, stock options and restricted stock awards previously granted and outstanding, salary continuation plans, equity club memberships and other fringe benefits shall immediately vest following a change of control. The annual base salary for Mr. Haligowski under the employment agreement is currently \$590,000 (which may be increased from time to time by the Board of Directors). The employment agreement also provides for, among other things, annual incentive compensation, disability pay, participation in stock benefit and salary continuation plans, and other fringe benefits, including a supplemental housing payment of not less than \$2,500 per month, an automobile allowance of not less than \$1,950 per month, and life insurance

**Table of Contents**

coverage in an amount not less than four times Mr. Haligowski's annual salary. In March 2000, we adopted a Salary Continuation Plan for the benefit of Mr. Haligowski. Under the terms of this plan, Mr. Haligowski will be entitled to receive monthly payments, based on 75% of his average monthly base salary for the three years preceding the year in which the plan benefits become payable, for a 15 year period. The benefits under the plan become payable on the earlier of Mr. Haligowski's retirement upon reaching age 65, or his death, disability, or involuntary termination (other than a termination for cause, as defined in the agreement). If Mr. Haligowski voluntarily terminates his employment prior to reaching age 65, the benefit payable to him under the plan will be prorated based on the ratio of the actual period that he worked while the plan is in effect to the scheduled period of time that he would have worked if he had continued to work until reaching age 65. If we undergo a change of control, the vesting of plan benefits accelerates and become payable monthly over a ten-year period, with an increased monthly payment to reflect the shorter payment period.

**Change of Control Agreements**

We have entered into change of control agreements with Messrs. Bruce, Doyle, Nickbarg and Wallace. The change in control agreements have initial terms of one year and shall automatically extend for additional one-year periods upon a change of control, as defined in the agreement, or upon their anniversary date, unless either party provides the other with at least 90 days notice of termination. These agreements provide that in the event the officer is involuntarily terminated within 24 months following a change of control, as defined in the agreement, the officer shall be entitled to receive upon such termination an amount equal to the greater of the annualized salary as in effect on the date of the change of control or the date of termination for a period of up to 18 months and a pro rata portion of his bonus from the previous year. In addition we will maintain health, dental and life insurance benefits for up to the next 18 months for each officer and transfer title to our owned vehicle currently used by the officer or, in the event the officer receives a monthly cash car allowance in lieu of the use of our vehicle, we shall pay an amount equal to up to 18 times the monthly allowance. Stock options and restricted stock awards previously granted and outstanding will also immediately vest. The annual base salaries for Messrs. Bruce, Doyle, Nickbarg and Wallace are currently \$241,500, \$225,000, \$185,000 and \$162,000, respectively.

Both Mr. Haligowski's employment agreement and the change of control agreements also provide that to the extent any payments made may be considered excess parachute payments under Section 280G of the Internal Revenue Code that are subject to excise tax, we will pay an additional amount needed to insure that the amount of payments and value of benefits received equals the same amount in the absence of any excise tax.

**Supplemental Executive Retirement Plan (SERP)**

The SERP provides that the compensation committee may make restricted stock awards under ITLA Capital's Recognition and Retention Plan (RRP) on a tax deferred basis through the SERP. The SERP further provides that Mr. Haligowski shall receive an allocation annually, subject to the performance terms of the RRP, of a restricted stock award equal to one-third of his base salary and all other participants shall receive an award equal to one-fifth of base salary subject to the approval of the compensation committee, which may also allocate a greater or lesser award or no award in its discretion. For this purpose, each share of Common Stock has been valued at \$9.00 per share, the fair market value of the Common Stock on the date of issuance to the SERP. A participant shall only have a vested right to amounts allocated to his or her account if the participant is employed on the last day of a three year vesting cycle or earlier at the discretion of the compensation committee. Upon a change in control (as defined in the SERP), the participant shall have an accelerated vesting of all shares allocated to his or her account. The participant shall only have a right to vested shares in his or her account upon normal retirement, death, disability or termination. The last day of the next vesting cycle for shares allocated to the SERP accounts for the benefit of the participants for the years 2003, 2004 and 2005 is December 31, 2005.

**Nonqualified Deferred Compensation Plans**

The ITLA Capital Corporation Supplemental Salary Savings Plan (the Supplemental Plan ) and Nonqualified Deferred Compensation Plan (the Deferral Plan ) are designed to provide additional retirement benefits for certain officers and highly compensated employees. The Supplemental Plan provides participating employees with an opportunity to make up benefits not available under the 401(k) Plan due to any application of limitations on compensation and maximum benefits under the 401(k) Plan. Benefits under the Supplemental Plan are provided at the same time and in the same form as benefits under the 401(k) Plan, and become taxable to the participant at that point. The Deferral Plan allows a participant to defer receipt of, and current taxation upon, designated portions of the participant's direct cash compensation until a future date specified by the participant. Both of these plans are unfunded plans, meaning that all benefits payable there under are payable from our general assets, and funds available to pay benefits are subject to the claims of our general creditors. We have established a Rabbi Trust with a third party FDIC insured financial institution which holds the contributions to the Supplemental Plan and Deferral Plan, for the purpose of providing the benefits set forth under the terms of the plans. Participants only have the rights of unsecured creditors with respect to the Rabbi Trust assets.

**COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION**

During 2004, the Compensation Committee was comprised of Directors Lipscomb and Oribe.

**COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION**

The Compensation Committee of the Board of Directors has furnished the following report on executive compensation:

*Compensation Policies.* Under the supervision of the Board of Directors, ITLA Capital has developed and implemented compensation policies, plans and programs which seek to enhance the profitability of ITLA Capital, and thus shareholder value, by closely aligning the financial interests of ITLA Capital's employees, including its Chief Executive Officer and ITLA Capital's other senior management, with those of its shareholders.

The executive compensation program of ITLA Capital is designed to:

Support a pay-for-performance policy that differentiates compensation based on corporate and individual performance;

Motivate employees to assume increased responsibility and reward them for their achievements;

Provide compensation opportunities that are comparable to those offered by other leading companies, allowing ITLA Capital to compete for and retain talented executives who are critical to ITLA Capital's long-term success; and

Align the interests of executives with the long-term interests of shareholders through award opportunities that can result in ownership of Common Stock.

At present, the executive compensation program is comprised of salary, annual cash bonus incentive opportunities, long-term incentive opportunities in the form of stock options and restricted stock awards, and miscellaneous benefits typically offered to executives by major corporations. The Committee considers the total compensation (earned or potentially available) in establishing each element of compensation so that total compensation paid is competitive with the marketplace.

For Mr. Haligowski and the other executive officers, as an executive's level of responsibility increases, a greater portion of his or her potential total compensation opportunity is based on ITLA Capital's performance rather than on salary. Reliance on ITLA Capital performance causes greater variability in the individual's total compensation from year to year. By varying annual and long-term incentives and basing both on corporate

**Table of Contents**

performance, ITLA Capital believes executive officers are encouraged to continue focusing on building profitability and shareholder value.

*Salary and Bonus.* After taking into account a comparison of salaries of chief executive officers of financial institutions statewide performed by an independent compensation consultant, the Committee decided not to change Mr. Haligowski's salary for 2004, keeping it at the 2003 level of \$498,750. Likewise, each other executive officer's base salary for 2004 was kept at the 2003 level. Mr. Haligowski's cash bonus for 2004 was determined by the Committee after considering Mr. Haligowski's individual performance and the performance of ITLA Capital during 2004. The 2004 cash bonuses for the other executive officers were also determined by the Committee based on the individual performance of each officer and the performance of ITLA Capital during 2004, as well as the recommendations of Mr. Haligowski.

*Stock Option Awards.* The Employee Stock Incentive Plan is designed to align a significant portion of the executive compensation program with shareholder interests. The Employee Stock Incentive Plan provides for the granting of stock-based awards. To date, stock options are the only awards granted under the Employee Stock Incentive Plan to executive officers and other key employees. As noted under Proposal II. Approval of the ITLA Capital Corporation 2005 Re-Designated, Amended and Restated Employee Stock Incentive Plan, the Employee Stock Incentive Plan is set to expire in October 2005 and shareholders are being asked to approve an amendment and restatement of the Employee Stock Incentive Plan at the Meeting.

*Restricted Stock Awards.* In 1996, the Committee adopted a policy relating to the granting of restricted stock awards to executive officers and certain key employees under the RRP to be carried out by the Committee. Under this policy, awards may be granted to plan participants by the Committee utilizing objective criteria adopted by the Committee and approved by the Board of Directors, after taking into account the proposed allocations under ITLA Capital's SERP, the practices of other publicly traded financial institutions and such other factors as deemed appropriate. In addition, under the formula, no awards under the RRP may be granted in any year in which Imperial Capital Bank does not achieve a return on average assets of at least .50% and remain adequately capitalized under FDIC rules.

**TRANSACTIONS WITH CERTAIN RELATED PERSONS**

During 2004, we utilized the services of Tisdale & Nicholson. Director Mayuga was a partner in that law firm for a portion of 2004. During that period, this law firm received \$4,100 in legal fees from ITLA Capital and the Bank.

During 2004, we also utilized the services of Keesal, Young & Logan. Director Mayuga became of counsel to that law firm after leaving Tisdale & Nicholson. During 2004, this law firm received \$2,400 in legal fees from ITLA Capital and the Bank.

ITLA Capital has entered into a lending agreement with Mr. Haligowski as of January 20, 2000 for a seven hundred thousand dollar (\$700,000) line of credit. To date, no funds have been drawn down from this line.

**COMPLIANCE WITH SECTION 16(a) OF THE EXCHANGE ACT**

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who own more than 10% of a registered class of our equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of our Common Stock and other equity securities. Officers, directors and greater than 10% shareholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required, during the year ended December 31, 2004, all Section 16(a) filing requirements applicable to our officers, directors and greater than 10% beneficial owners were complied with, except for the inadvertent failure by Director Martin to timely file a Form 4 to report one transaction.

**PROPOSAL II APPROVAL OF THE ITLA CAPITAL CORPORATION 2005 RE-DESIGNATED, AMENDED AND RESTATED EMPLOYEE STOCK INCENTIVE PLAN**

On June 22, 2005, our Board of Directors approved an amendment and restatement (the Employee Stock Incentive Plan Amendment ) of our Employee Stock Incentive Plan (the Employee Stock Incentive Plan ). The primary purposes of the Employee Stock Incentive Plan Amendment are to:

increase the number of shares of common stock available for awards under the Employee Stock Incentive Plan by an additional 300,000 shares;

add a share counting formula to the Employee Stock Incentive Plan pursuant to which each share issued under awards other than stock options counts against the number of total shares available under the Employee Stock Incentive Plan as two shares, and each share issued under stock options counts against the total shares available under the Employee Stock Incentive Plan as one share;

add a provision prohibiting the repricing of outstanding stock options or stock appreciation rights without shareholder approval;

add restricted stock units as an award type and eliminate discounted stock options as an award type; and

extend the term of the Employee Stock Incentive Plan to July 27, 2015.

The other material features of the Employee Stock Incentive Plan generally remain the same as under the terms of the Employee Stock Incentive Plan previously approved by the shareholders. However, the Employee Stock Incentive Plan Amendment makes certain additional changes to the terms of the Employee Stock Incentive Plan in order to clarify specified matters and to ensure our continued compliance with the Internal Revenue Code of 1986, as amended (the Code ). Approval of the Employee Stock Incentive Plan Amendment requires the affirmative vote of a majority of the votes cast on the proposal.

**Table of Contents**

If shareholders approve the Employee Stock Incentive Plan Amendment, the total number of shares of Common Stock reserved for issuance under the plan will increase from 1,261,000 to 1,561,000, and the maximum number of shares that may be issued under the Employee Stock Incentive Plan on or after July 27, 2005 will increase to 803,956 shares. The 803,956 shares are comprised of shares subject to outstanding awards as of June 7, 2005 (382,189 shares), shares available for, but not yet subject to, a grant or award as of June 7, 2005 (121,767 shares), plus the additional 300,000 shares authorized by the Employee Stock Incentive Plan Amendment. On June 21, 2005 the closing price of a share of our Common Stock on the Nasdaq Stock Market was \$53.67.

The Board believes that the Employee Stock Incentive Plan is an important way to attract, retain, and motivate key employees (including officers and directors who are employed by ITLA Capital and consultants) to produce continued growth in shareholder value. Participation in the Employee Stock Incentive Plan rewards these persons for superior performance by giving them an opportunity to participate in this growth. The Board believes that the stock options that may be granted, and other stock-based compensation awards that may be made, under the Employee Stock Incentive Plan will be consistent with grants and awards made by companies with which ITLA Capital competes for key talent.

If the Employee Stock Incentive Plan Amendment is not approved by shareholders, the Employee Stock Incentive Plan will expire on October 18, 2005 and no awards may be made under the Employee Stock Incentive Plan after that date. The Board believes that ITLA Capital would be at a significant disadvantage with its competitors if it were unable to grant equity-based incentive awards under the Employee Stock Incentive Plan after October 18, 2005. Based on its review of prior grants and awards made under the Employee Stock Incentive Plan and the Board's expectation that any future grants and awards would be comparable to past practices, the Board anticipates that the increase in the number of shares available for grants and awards pursuant to the Employee Stock Incentive Plan Amendment will be sufficient to achieve the Employee Stock Incentive Plan's purposes for the reasonably foreseeable future.

The principal features of the Employee Stock Incentive Plan are discussed below. The discussion is only a summary and is qualified in its entirety by reference to the Employee Stock Incentive Plan, a copy of which, as it is proposed to be amended and restated, is attached to this Proxy Statement as Appendix B.

**General**

The Employee Stock Incentive Plan provides for the grant to employees of (including officers and directors who are employed by ITLA Capital) and consultants to ITLA Capital and its subsidiaries (collectively "Participants") of awards consisting of any type of arrangement, security or benefit that, by its terms, involves the issuance of Common Stock or provides a benefit that derives its value from Common Stock, including, without limitation, stock options, stock appreciation rights, restricted stock, restricted stock units, performance units and performance shares ("Awards") generally as follows:

Options to purchase shares of Common Stock, which may be either "Incentive Stock Options" within the meaning of Section 422 of the Code ("Incentive Stock Options") or non-statutory options which do not satisfy the provisions of Section 422 of the Code ("Non-Qualified Stock Options") (Incentive Stock Options and Non-Qualified Stock Options, together, are referred to as "Stock Options");

Stock Appreciation Rights ("SARs");

Restricted Stock and Restricted Stock Units; and

Performance Units and Performance Shares.

Subject to adjustments described below under "Changes in Capitalization; Change in Control," the Employee Stock Incentive Plan had, as of June 7, 2005, only 121,767 shares of Common Stock remaining available for future Awards. If the Employee Stock Incentive Plan Amendment is approved, the number of shares of Common Stock authorized for future Awards will increase to 421,767 shares. Under the existing Employee Stock Incentive Plan, whenever an Award is granted, the number of shares available for future Awards is reduced by one. Under the Employee Stock Incentive Plan Amendment, the number of shares

**Table of Contents**

available for future Awards will be reduced by one share for each share that is subject to a Stock Option that is granted and by two shares that is subject to any other type of Award that is granted. For example, if we issue 100 shares of Stock Options, we will reduce the number of shares available by 100. If we issue 100 shares of Restricted Stock, we will reduce the number of shares available by 200. The Employee Stock Incentive Plan Amendment also provides that with respect to SARs, only the net number of shares issued to settle the SARs upon their exercise (multiplied by two) will be counted against the number of shares available for future Awards. Any shares subject to an Award which expires or is terminated unexercised will again be available for issuance under the Employee Stock Incentive Plan. The Employee Stock Incentive Plan Amendment provides that shares used to pay the exercise price of a Stock Option and shares used to satisfy tax withholding obligations are not available for future Awards. The shares with respect to which Awards may be granted may be either authorized and unissued shares or issued shares reacquired and held by ITLA Capital as treasury shares.

**Administration of the Employee Stock Incentive Plan**

The Employee Stock Incentive Plan is administered by a committee (the Employee Stock Incentive Plan Committee ) of two or more members of the Board of Directors of ITLA Capital, each of whom qualifies as (i) a Non-Employee Director within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934, as amended, and (ii) an outside director within the meaning of Section 162(m) of the Code and the regulations thereunder. Members of the Employee Stock Incentive Plan Committee serve at the discretion of the Board of Directors and may be removed by the Board at any time. The Compensation Committee of the Board of Directors, comprised of Directors Lipscomb and Oribe, presently serves as the Employee Stock Incentive Plan Committee.

The Employee Stock Incentive Plan Committee generally has sole and complete authority and discretion to:

select Participants and grant Awards;

determine the number of shares to be subject to individual Awards granted under the Employee Stock Incentive Plan;

determine the terms and conditions upon which Awards shall be granted under the Employee Stock Incentive Plan;

prescribe the form and terms of instruments evidencing such grants;

establish from time to time regulations for the administration of the Employee Stock Incentive Plan;

interpret the Employee Stock Incentive Plan; and

make all determinations deemed necessary or advisable for the administration of the Employee Stock Incentive Plan.

Awards under the Employee Stock Incentive Plan are to be evidenced by written agreements containing the terms and conditions of the Awards. Award agreements are subject to amendment, including unilateral amendment by ITLA Capital (with the approval of the Employee Stock Incentive Plan Committee) unless the amendments adversely affect the Participant.

**Duration and Modification**

The Employee Stock Incentive Plan will remain in effect, subject to the Board's right to early termination of the Employee Stock Incentive Plan, until all Awards under the Employee Stock Incentive Plan have expired or terminated or have been exercised or fully vested, and all shares of Common Stock subject to Awards have been purchased or acquired pursuant to the provisions of the Awards. The Employee Stock Incentive Plan Amendment provides that no Award may be granted under the Employee Stock Incentive Plan after July 27, 2015.

**Table of Contents**

The Board may amend, alter, or discontinue the Employee Stock Incentive Plan, but no amendment, alteration or discontinuation may be made which would impair the rights of any Participant with respect to an Award granted to him or her without his or her consent, which would cause Section 409A of the Code to apply to the Employee Stock Incentive Plan, unless the benefit affected thereby is subject to Section 409A or is intended to be subject to Section 409A, or which, without the approval of our shareholders would: (a) except as expressly provided in the Employee Stock Incentive Plan in connection with a change in our capitalization, increase the total number of shares of Common Stock reserved for Awards under the Employee Stock Incentive Plan; (b) except as expressly provided in the Employee Stock Incentive Plan in connection with a change in our capitalization, change the exercise price of any Stock Option or SAR; (c) change the Participants eligible to participate in the Employee Stock Incentive Plan; (d) extend the maximum option term; (e) extend the duration of the Employee Stock Incentive Plan; or (f) otherwise amend the Employee Stock Incentive Plan in any manner requiring shareholder approval by law or under the Nasdaq Stock Market listing requirements.

**No Repricing**

Under the Employee Stock Incentive Plan Amendment, without limiting our ability to make adjustments in connection with stock splits and similar changes in capital structure as described below, we may not, without shareholder approval, reprice any previously granted Stock Option or SAR, including canceling a previously awarded Stock Option or SAR and replacing it with a new grant.

**Stock Options**

The Employee Stock Incentive Plan Committee may grant Stock Options, which may be Incentive Stock Options or Non-Qualified Stock Options. The exercise price of a Stock Option must be no less than the fair market value of the underlying shares of Common Stock on the date of grant and may not expire more than ten years after the date of grant. The Employee Stock Incentive Plan Amendment would eliminate discounted stock options as an Award type, which are Stock Options granted at a price at least equal to 85% of the fair market value of the underlying shares of Common Stock on the date the option is granted. We have not previously granted any discounted stock options under the Employee Stock Incentive Plan. Options are exercisable only upon the payment in full of the exercise price in cash, in shares of Common Stock having a fair market value equal to the exercise price or by a combination of cash and stock. The Employee Stock Incentive Plan Committee in its sole discretion may also permit payment of the exercise price by (i) having shares withheld from the total number of shares of Common Stock to be issued upon exercise or (ii) through a broker-assisted cashless exercise.

Incentive Stock Options may be granted only to Participants who are employees. The term of an Incentive Stock Option may not exceed ten years. The exercise price of an Incentive Stock Option may not be less than the fair market value per share of the Common Stock on the date such Incentive Stock Option was granted. No Incentive Stock Option may be granted to any individual who, at the time of the grant, owns shares having more than 10% of the total combined voting power of all classes of our stock unless the exercise price of that Incentive Stock Option is at least 110% of the fair market value per share on the date of the grant and the term of the Incentive Stock Option does not exceed five years from the date of grant. The aggregate market value (determined at the time any Incentive Stock Option is granted) of the shares of Common Stock with respect to which Incentive Stock Options are exercisable for the first time by any Participant during any calendar year may not exceed \$100,000. The Employee Stock Incentive Plan Amendment would increase the maximum number of shares of Common Stock that may be issued in the form of Incentive Stock Options under the Employee Stock Incentive Plan from 950,000 shares to 1,561,000 shares.

No Stock Option awarded under the Employee Stock Incentive Plan may be transferred, except upon the death of the Participant, by will or the laws of descent and distribution, or, in the case of a Non-Qualified Stock Option, during the lifetime of the Participant, pursuant to a qualified domestic relations order. The Employee Stock Incentive Plan Amendment would permit Non-Qualified Stock Options to also be transferred by the Participant by gift to an immediate family member of the Participant (defined as the

**Table of Contents**

Participant's spouse, children and grandchildren), if the Employee Stock Incentive Plan Committee so specifies in the agreement evidencing the Non-Qualified Stock Option. An Incentive Stock Option may be exercisable only by the Participant during his or her lifetime.

In the event a Participant's employment with ITLA Capital or any of its subsidiaries terminates for any reason other than retirement, disability, death and cause, any Stock Option held by the Participant will continue to vest and remain exercisable until the earlier of (i) the expiration of the option term or (ii) the expiration of the three-month period following the termination of employment. If a Participant's employment terminates due to retirement, death or disability, any Stock Option held by the Participant will continue to vest and remain exercisable until the earlier of (i) the expiration of the option term; or (ii) (a) the expiration of the six month period following the termination of employment, if due to retirement, or (b) unless the Employee Stock Incentive Plan Committee provides otherwise in the agreement evidencing the Stock Option, the expiration of the one year period following the termination of employment, if due to death or disability. If a Participant's employment is terminated for cause, any Stock Option held by the Participant will automatically terminate and will no longer be exercisable.

**SARs**

The Employee Stock Incentive Plan Committee has the authority, in its discretion, to grant SARs that are either related or unrelated to Stock Options. The exercise of an SAR will entitle the Participant to receive payment of an amount equal to (i) the amount by which the fair market value per share of the Common Stock on the date the SAR is exercised exceeds the exercise price per share, multiplied by (ii) the number of shares with respect to which the SAR is being exercised. Under the current Employee Stock Incentive Plan, payment for SARs may be made in cash, shares of Common Stock, or a combination of both, at the sole discretion of the Employee Stock Incentive Plan Committee. Under the Employee Stock Incentive Plan Amendment, payment for SARs may only be made in shares of Common Stock, with fractional share interests rounded up to the nearest whole share. The term of an SAR may not exceed ten years and the exercise price of an SAR may not be less than the fair market value per share of the Common Stock on the date of grant. SARs are exercisable following the termination of a Participant's employment to the same extent as Stock Options, as described above.

No SAR awarded under the Employee Stock Incentive Plan may be transferred, except upon the death of the Participant, by will or the laws of descent and distribution, or, during the Participant's lifetime, pursuant to a qualified domestic relations order. The Employee Stock Incentive Plan Amendment would permit SARs not related to Incentive Stock Options to also be transferred by the Participant by gift to an immediate family member of the Participant, if the Employee Stock Incentive Plan Committee so specifies in the agreement evidencing the SAR. An SAR that is related to an Incentive Stock Option may be exercisable only by the Participant during his or her lifetime.

**Restricted Stock and Restricted Stock Units**

The Employee Stock Incentive Plan Committee may grant Restricted Stock, issuing to the Participant a stated number of shares of Common Stock which may not be sold or otherwise transferred for a period of time stipulated by the Employee Stock Incentive Plan Committee (the Restricted Period) at the time of making the Award and subject to such additional restrictions as may be contained in the agreement evidencing the Award. The Employee Stock Incentive Plan Amendment would allow the Employee Stock Incentive Plan Committee to also grant Restricted Stock Units, giving the Participant the right to receive a stated number of shares of Common Stock upon the expiration of a vesting period. An Award of Restricted Stock or Restricted Stock Units may be subject to specified performance measures for the applicable Restricted Period. During the Restricted Period, a Participant holding shares of Restricted Stock may exercise full voting rights with respect to those shares and is entitled to receive all dividends and other distributions paid with respect to those shares while they are so held. A Participant holding Restricted Stock Units has no voting rights with respect to shares of Common Stock underlying Restricted Stock Units unless and until such shares are reflected as issued and outstanding shares on our stock ledger. Shares underlying Restricted Stock Units will be entitled to

**Table of Contents**

dividends or dividend equivalents only to the extent provided by the Employee Stock Incentive Plan Committee.

Shares of Restricted Stock and Restricted Stock Units will be non-transferable and subject to forfeiture if the Participant does not remain continuously in the employment of ITLA Capital during the Restricted Period or, if the shares of Restricted Stock or Restricted Stock Units are subject to performance measures, if the performance measures are not attained during the Restricted Period. If a Participant's employment terminates for any reason other than death, disability or retirement, then any shares of Restricted Stock or Restricted Stock Units still subject to restrictions on the date of termination will automatically be forfeited and returned to ITLA Capital; however, if the Participant's employment is involuntarily terminated, the Employee Stock Incentive Plan Committee in its sole discretion may waive the automatic forfeiture of any of all of the shares of Restricted Stock or Restricted Stock Units and/or add new restrictions. Once a Participant attains normal retirement age under ITLA Capital's 401(k) Plan (age 65), the Restricted Period applicable to any unvested shares of Restricted Stock or Restricted Stock Units held by the Participant will automatically lapse. If a Participant's employment is terminated because of early retirement under ITLA Capital's 401(k) Plan (for which the eligible age is 55 with a minimum of five years of service), any shares of Restricted Stock still subject for restrictions will be forfeited and returned to ITLA Capital; however, the Employee Stock Incentive Plan Committee in its sole discretion may waive the restrictions remaining as to any or all of the shares or add new restrictions. If a Participant's employment is terminated due to death or disability, any remaining restrictions applicable to Restricted Stock or Restricted Stock Units held by the Participant will lapse with respect to the number of shares equal to the number of shares of Restricted Stock or shares underlying Restricted Stock Units granted to the Participant multiplied by the number of months which have elapsed since the date of grant divided by the total number of months in the Restricted Period. All remaining shares still subject to restriction will be forfeited and returned to ITLA Capital; however, the Employee Stock Incentive Plan Committee in its sole discretion may waive the restriction on any or all such remaining shares of Restricted Stock or Restricted Stock Units.

**Performance Shares and Performance Units**

Each Performance Share and each Performance Unit will have a value determined by the Employee Stock Incentive Plan Committee at the time of grant and entitle the Participant to receive shares of Common Stock, based upon the degree of achievement of pre-established performance goals during a specified performance period.

Performance goals are fixed by the Employee Stock Incentive Plan Committee as the Employee Stock Incentive Plan Committee in its sole discretion deems appropriate, and may be based upon one or more of several business criteria, as described in the Employee Stock Incentive Plan. The Employee Stock Incentive Plan Committee, in its sole discretion, may set different performance goals for different Participants, different Awards and different performance periods. In all cases, however, performance goals must include a minimum performance standard below which no part of the relevant Award will be earned.

If the Participant's employment terminates due to death, disability or retirement, the Participant (or his or her beneficiary in the event of death) will receive pro rata payment on any Performance Shares based on the number of months' service during the Performance Period but based on the achievement of performance goals during the entire Performance Period. If a Participant's employment is terminated for any reason other than death, disability or retirement, all Performance Shares will be forfeited; however, if the Participant's employment is involuntarily terminated, the Employee Stock Incentive Plan Committee in its sole discretion may waive the automatic forfeiture provisions and pay out on a pro rata basis in the same manner as in the event of termination of employment due to death, disability or retirement.

No Performance Shares may be transferred, except upon the death of the Participant, by will or the laws of descent and distribution, or, during the lifetime of the Participant, pursuant to a qualified domestic relations order. All rights with respect to Performance Shares may be exercisable only by the Participant during his or her lifetime.

**Table of Contents**

**Changes in Capitalization; Change in Control**

Shares as to which Awards may be granted under the Employee Stock Incentive Plan, and Shares then subject to Awards, will be adjusted by the Employee Stock Incentive Plan Committee in the event of any merger, consolidation, combination or exchange of shares, reorganization, recapitalization, stock dividend, stock split or other change in the corporate structure of ITLA Capital.

Upon a change of control of ITLA Capital, all outstanding Awards will vest 100%. All outstanding unexercised and unvested Stock Options and SARs will be immediately exercisable by their holders. Restrictions on Restricted Stock and Restricted Stock Units will lapse. All Performance Shares and Performance Units will be paid out based on the extent to which performance goals during the Performance Period have been met up to the date of the change in control, or at target, whichever is higher.

A change in control is defined in the Employee Stock Incentive Plan as any of the following events: (i) a Schedule 13D is filed with the Securities and Exchange Commission disclosing that any person is the beneficial owner of 30% or more of the outstanding shares of our Common Stock; (ii) any person purchases shares pursuant to a tender offer or exchange offer to acquire shares of Common Stock if after completion of the offer, the person is the beneficial owner of 30% or more of the outstanding shares of Common Stock; (iii) the shareholders of ITLA Capital approve (a) any consolidation or merger of ITLA Capital in which ITLA Capital is not the surviving company or pursuant to which shares of Common Stock would be converted into cash, securities or other property or (b) any sale or other disposition of all or substantially all of the assets of ITLA Capital; or (iv) there has been a change in a majority of ITLA Capital's board of directors within a 12-month period unless the election or nomination for election of each new director was approved by two-thirds of the directors then still in office who were in office at the beginning of the 12-month period.

**Federal Income Tax Consequences**

Under current federal income tax laws, Awards under the Employee Stock Incentive Plan will have the following federal income tax consequences:

(1) The grant of a Stock Option will not, by itself, result in the recognition of taxable income to the Participant or entitle us to a deduction at the time of grant.

(2) If the Participant exercises an Incentive Stock Option, the exercise of the option will generally not, by itself, result in the recognition of taxable income by the Participant or entitle us to a deduction at the time of exercise. However, the difference between the exercise price and the fair market value of the shares of Common Stock acquired on the date of exercise is an item of adjustment included for purposes of calculating the Participant's alternative minimum tax.

If the Participant does not hold the shares of Common Stock acquired upon exercise of an Incentive Stock Option for at least one year after the exercise of the Stock Option or two years after the grant of the Stock Option, whichever is later, the Participant will recognize ordinary income upon disposition of the shares in an amount equal to the difference between the exercise price and the fair market value of the shares on the date of exercise of the Stock Option. If this happens, we will be entitled to a corresponding deduction in the amount of ordinary income, if any, that the Participant recognizes. The Participant also will recognize a capital gain (loss) to the extent the sale price exceeds (is less than) the fair market value of the shares of Common Stock on the date of exercise of the Stock Option. We will not be entitled to a corresponding deduction for any such capital gain. The capital gain (loss) will be characterized as short-term if the Participant does not hold the shares for more than one year after the exercise of the Stock Option and long-term if the Participant does hold the shares for more than one year after the exercise of the Stock Option.

If the Participant holds the shares of Common Stock acquired upon exercise of an Incentive Stock Option for one year after the Stock Option is exercised and two years after the Option is granted, the Participant will recognize a capital gain (loss) upon disposition of the shares to the extent the sale price exceeds (is less than) the

exercise price. This capital gain (loss) will be characterized as short-term if the Participant does not hold the shares for more than one year after the exercise of the Stock Option and

**Table of Contents**

long-term if the Participant does hold the shares for more than one year after the exercise of the Stock Option. We will not be entitled to a corresponding deduction for any such capital gain.

(3) If the Participant exercises a Non-Qualified Stock Option, the Participant will recognize ordinary income on the date of exercise in an amount equal to the difference between the fair market value on the date of exercise of the shares of Common Stock acquired pursuant to the exercise and the exercise price of the Non-Qualified Stock Option then being exercised. We will be allowed a deduction in the amount of any ordinary income recognized by the Participant upon exercise of the Non-Qualified Stock Option. When the Participant sells the shares acquired upon exercise of a Non-Qualified Stock Option, the Participant will recognize a capital gain (loss) to the extent of any appreciation (depreciation) in value of the shares from the time of exercise to the date of sale. We will not be entitled to a corresponding deduction for any such capital gain. The capital gain (loss) will be short-term if the Participant does not hold the shares for more than one year after the exercise of the Stock Option and long-term if the Participant does hold the shares for more than one year after the exercise of the Stock Option.

(4) The grant of an SAR will not, by itself, result in the recognition of taxable income to the Participant or entitle us to a deduction at the time of grant. If the Participant exercises an SAR, the Participant will recognize ordinary income on the date of exercise in an amount equal to the amount of the fair market value on that date of the shares of our Common Stock acquired pursuant to the exercise. We will be entitled to a corresponding tax deduction. When the Participant sells the shares acquired upon exercise of an SAR, the Participant will recognize a capital gain (loss) to the extent of any appreciation (depreciation) in value of the shares from the time of exercise. We will not be entitled to a corresponding deduction for any such capital gain. The capital gain (loss) will be short-term if the Participant does not hold the shares for more than one year after the exercise of the SAR and long-term if the Participant does hold the shares for more than one year after the exercise of the SAR.

(5) The grant of Restricted Stock or Restricted Stock Units will not, by itself, result in the recognition of taxable income to the Participant or entitle us to a deduction at the time of such grant. Holders of shares of Restricted Stock and Restricted Stock Units will recognize ordinary income on the date that the shares of Restricted Stock or Restricted Stock Units are no longer subject to a substantial risk of forfeiture, in an amount equal to the fair market value of the shares on that date. A holder of Restricted Stock or Restricted Stock Units may generally elect under Section 83(b) of the Code to recognize ordinary income in the amount of the fair market value of the Restricted Stock or shares underlying the Restricted Stock Units on the date of the grant. We will be entitled to a tax deduction equal to the amount of ordinary income recognized by the holder. When the Participant disposes of Restricted Stock or shares issued upon settlement of Restricted Stock Units, the difference between the amount received upon such disposition and the fair market value of such shares on the date the Participant recognizes ordinary income will be treated as a capital gain or loss. We will not be entitled to a corresponding deduction for any such capital gain. Holders of Restricted Stock and Restricted Stock Units will also recognize ordinary income equal to any dividend or dividend-equivalent payments when such payments are received, even if the Restricted Stock or Restricted Stock Units remain subject to a substantial risk of forfeiture.

(6) Generally, upon the grant of a Performance Share or Performance Unit, the Participant will not recognize taxable income. The Participant will realize ordinary income, and we will be entitled to a corresponding deduction, in the year shares of Common Stock are delivered to the Participant in payment of the performance award; and the amount of such ordinary income and deduction will be the fair market value of the shares of Common Stock received on the date of issuance. Upon disposition of shares received by a Participant in payment of a performance award, the Participant will recognize capital gain or loss equal to the difference between the amount received upon such disposition and the fair market value of the shares on the date they were originally received by the Participant. We will not be entitled to a corresponding deduction for any such capital gain.

**Outstanding Awards**

On June 7, 2005, 382,189 shares were covered under outstanding Stock Options granted under the Employee Stock Incentive Plan, at a weighted average exercise price of \$23.29 per share and with a weighted average remaining contractual life of 5.48 years. As of June 7, 2005, no Awards other than Stock Options had been granted under the Employee Stock Incentive Plan.

**Board Recommendation**

Our Board of Directors unanimously recommends that you vote **FOR** the approval of the Employee Stock Incentive Plan Amendment.

**PROPOSAL III APPROVAL OF THE ITLA CAPITAL CORPORATION 2005 RE-DESIGNATED, AMENDED AND RESTATED STOCK OPTION PLAN FOR NON-EMPLOYEE DIRECTORS**

On June 22, 2005, our Board of Directors approved an amendment and restatement (the Director Plan Amendment ) of our Stock Option Plan for Non-Employee Directors (the Director Plan ). The primary purposes of the Director Plan Amendment are to:

increase the number of shares of Common Stock available for awards under the Director Plan by an additional 20,000 shares;

give the committee administering the Director Plan the discretionary authority to grant Non-Qualified Stock Options in addition to the Non-Qualified Stock Options to which Non-Employee Directors are automatically entitled under the Director Plan (the terms of the automatic award would not be changed by the Director Plan Amendment);

add a provision prohibiting the repricing of outstanding Non-Qualified Stock Options granted under the Director Plan without shareholder approval; and

extend the term of the Director Plan to July 27, 2015.

The other material features of the Director Plan generally remain the same as under the terms of the Director Plan previously approved by the shareholders. However, the Director Plan Amendment makes certain additional changes to the terms of the Director Plan in order to clarify specified matters and to conform to certain changes proposed to be made to the Employee Stock Incentive Plan, as described under Proposal II Approval of the ITLA Capital Corporation 2005 Re-Designated, Amended and Restated Employee Stock Incentive Plan. Approval of the Director Plan Amendment requires the affirmative vote of a majority of the votes cast on the proposal.

If shareholders approve the Director Plan Amendment, the total number of shares reserved for issuance under the Director Plan will increase from 50,000 to 70,000, and the maximum number of shares that may be issued under the Director Plan on or after July 27, 2005 will increase to 55,000 shares. The 55,000 shares are comprised of shares subject to outstanding awards as of June 7, 2005 (32,000 shares), shares available for, but not yet subject to, a grant as of June 7, 2005 (3,000 shares), plus the additional 20,000 shares authorized by the Director Plan Amendment. On June 21, 2005 the closing price of a share of our Common Stock on the Nasdaq Stock Market was \$53.67.

The Board believes that the Director Plan is an important way to attract, retain, and motivate outside directors to produce continued growth in shareholder value. If the Director Plan Amendment is not approved by shareholders, the Director Plan will expire on October 18, 2005 and no awards may be made under the Director Plan after that date. The Board believes that ITLA Capital would be at a significant disadvantage with its competitors if it were unable to grant stock options to its outside directors after October 18, 2005. The Board anticipates that the increase in the number of shares available for grants pursuant to the Director Plan Amendment will be sufficient to achieve the Director Plan's purposes for the reasonably foreseeable future.

## **Table of Contents**

The principal features of the Director Plan are discussed below. The discussion is only a summary and is qualified in its entirety by reference to the Director Plan, a copy of which, as it is proposed to be amended and restated, is attached to this Proxy Statement as Appendix C.

### **General**

The Director Plan provides for the grant of Non-Qualified Stock Options to directors of ITLA Capital who are not employees of ITLA Capital or its subsidiaries ( Outside Directors ). Subject to adjustments described below under Changes in Capitalization; Change in Control, the Director Plan had, as of June 7, 2005 only 3,000 shares of Common Stock remaining available for future grants. If the Director Plan Amendment is approved, the number of shares of Common Stock authorized for future awards will increase to 23,000 shares. Any shares subject to an award under the Director Plan which expires or is terminated unexercised will again be available for issuance under the Director Plan. The Director Plan Amendment provides that shares used to pay the exercise price of a Non-Qualified Stock Option and shares used to satisfy any tax withholding obligations are not available for future grants of Non-Qualified Stock Options under the Director Plan. The shares with respect to which Non-Qualified Stock Options may be granted under the Director Plan may be either authorized and unissued shares or issued shares reacquired and held by ITLA Capital as treasury shares.

### **Administration of the Director Plan**

The Director Plan is administered by a committee (the Director Plan Committee ) of two or more members of the Board of Directors of ITLA Capital, each of whom must be a Non-Employee Director within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934, as amended. Members of the Director Plan Committee serve at the discretion of the Board of Directors and may be removed by the Board at any time. The Compensation Committee, comprised of Directors Lipscomb and Oribe, presently serves as the Director Plan Committee.

The Director Plan Committee generally has sole and complete authority and discretion to:

except as described below, select participants and grant Non-Qualified Stock Options;

except as described below, determine the number of shares to be subject to individual Non-Qualified Stock Options granted under the Director Plan;

determine the terms and conditions upon which Non-Qualified Stock Options shall be granted under the Director Plan;

prescribe the form and terms of instruments evidencing such grants;

establish from time to time regulations for the administration of the Director Plan;

interpret the Director Plan; and

make all determinations deemed necessary or advisable for the administration of the Director Plan.

Non-Qualified Stock Options granted under the Director Plan are evidenced by written agreements containing the terms and conditions of the Non-Qualified Stock Options. Option agreements are subject to amendment, including unilateral amendment by ITLA Capital (with the approval of the Director Plan Committee) unless the amendments adversely affect the optionee.

### **Duration and Modification**

The Director Plan will remain in effect, subject to the Board's right to early termination of the Director Plan, until all Non-Qualified Stock Options granted under the Director Plan have expired or terminated or have been exercised or fully vested. Under the Director Plan Amendment, no Non-Qualified Stock Option may be granted under the Director Plan after July 27, 2015.

**Table of Contents**

The Board may amend, alter, or discontinue the Director Plan, but no amendment, alteration or discontinuation may be made which would impair the rights of any option holder with respect to an award granted to him or her without his or her consent or which, without the approval of ITLA Capital's shareholders would: (a) except as expressly provided in the Director Plan in connection with a change in our capitalization, increase the total number of shares of Common Stock reserved for Non-Qualified Stock Options under the Director Plan; (b) except as expressly provided in the Director Plan in connection with a change in our capitalization, change the exercise price of any Non-Qualified Stock Option; (c) change the Participants eligible to participate in the Director Plan; (d) extend the maximum option term; (e) extend the duration of the Director Plan; or (f) otherwise amend the Director Plan in any manner requiring shareholder approval by law or under the Nasdaq Stock Market listing requirements.

**Non-Qualified Stock Options**

Under the current terms of the Director Plan, each person who was an Outside Director on the original effective date of the Director Plan (October 18, 1995) automatically received as of that date, and each person who became or becomes an Outside Director after the original effective date of the Director Plan automatically received or will receive, as of the date such person became or becomes an Outside Director, Non-Qualified Stock Options to acquire 5,000 shares of Stock, subject to adjustment in the event of a change in our capitalization (the Initial Award). On the first, second, third, fourth and fifth anniversaries of the Initial Award, each Outside Director automatically received or will receive Non-Qualified Stock Options to acquire 1,000 shares of Stock, subject to adjustment in the event of a change in our capitalization (together with the Initial Award, the Automatic Award). The Director Plan Amendment would maintain the Automatic Award under its existing terms and give the Director Plan Committee the authority to grant additional Non-Qualified Stock Options to Outside Directors from time to time in the sole discretion of the Director Plan Committee.

Each Non-Qualified Stock Option granted pursuant to the Automatic Award has a ten-year term, vests in full on the first anniversary of the date of grant and has an exercise price equal to 100% of the fair market value of the Common Stock on the grant date. Under the Director Plan Amendment, each Non-Qualified Stock Option granted in the discretion of the Director Plan Committee will have an exercise price equal to 100% of the fair market value of the Common Stock on the date of grant and the term of the option will not exceed ten years.

Non-Qualified Stock Options granted under the Director Plan are exercisable only upon the payment in full of the applicable option exercise price in cash, in shares of Common Stock having a fair market value equal to the exercise price or by a combination of cash and stock. The Director Plan Committee in its sole discretion may also permit payment of the exercise price by (i) having shares withheld from the total number of shares of Common Stock to be issued upon exercise or (ii) through a broker-assisted cashless exercise.

No Non-Qualified Stock Option awarded under the Director Plan may be transferred, except upon the death of the director, by will or the laws of descent and distribution, or pursuant to a qualified domestic relations order. The Director Plan Amendment would permit Non-Qualified Stock Options to also be transferred by the director by gift to an immediate family member (defined as the director's spouse, children and grandchildren), if the Director Plan Committee so specifies in the Agreement evidencing the Non-Qualified Stock Option.

In the event an Outside Director's service with ITLA Capital or any of its subsidiaries terminates for any reason other than retirement, disability, death or cause, any Non-Qualified Stock Option held by the director will continue to vest and remain exercisable until the earlier of (i) the expiration of the option term or (ii) the expiration of the three-month period following the termination of service. If the director's service terminates due to retirement, death or disability, any Non-Qualified Stock Option held by the director will continue to vest and remain exercisable until the earlier of (i) the expiration of the option term; or (ii) (a) the expiration of the six month period following the termination of service, if due to retirement, or (b) unless the agreement evidencing the Non-Qualified Stock Option provides otherwise, the expiration of the one year period following

## **Table of Contents**

the termination of service, if due to death or disability. If the director is removed for cause, any Non-Qualified Stock Option held by the director will automatically terminate and will no longer be exercisable.

### **No Repricing**

Under the Director Plan Amendment, without limiting our ability to make adjustments in connection with stock splits and similar changes in capital structure as described below, we may not, without shareholder approval, reprice any previously granted Non-Qualified Stock Option, including canceling a previously awarded Non-Qualified Stock Option and replacing it with a new grant.

### **Changes in Capitalization; Change in Control**

Shares as to which Non-Qualified Stock Options may be granted under the Director Plan, and shares then subject to Non-Qualified Stock Options, will be adjusted by the Director Plan Committee in the event of any merger, consolidation, combination or exchange of shares, reorganization, recapitalization, stock dividend, stock split or other change in the corporate structure of ITLA Capital.

Upon a change of control of ITLA Capital, all outstanding Non-Qualified Stock Options granted under the Director Plan will vest 100%. A change in control is defined in the Director Plan as any of the following events: (i) a Schedule 13D is filed with the Securities and Exchange Commission disclosing that any person is the beneficial owner of 30% or more of the outstanding shares of our Common Stock; (ii) any person purchases shares pursuant to a tender offer or exchange offer to acquire shares of Common Stock if after completion of the offer, the person is the beneficial owner of 30% or more of the outstanding shares of Common Stock; (iii) the shareholders of ITLA Capital approve (a) any consolidation or merger of ITLA Capital in which ITLA Capital is not the surviving company or pursuant to which shares of Common Stock would be converted into cash, securities or other property or (b) any sale or other disposition of all or substantially all of the assets of ITLA Capital; or (iv) there has been a change in a majority of ITLA Capital's board of directors within a 12-month period unless the election or nomination for election of each new director was approved by two-thirds of the directors then still in office who were in office at the beginning of the 12-month period.

### **Federal Income Tax Consequences**

Under current federal income tax laws, grants of Non-Qualified Stock Options under the Director Plan will have the following federal income tax consequences:

(1) The grant of a Non-Qualified Stock Option will not, by itself, result in the recognition of taxable income to the director or entitle us to a deduction at the time of grant.

(2) If the director exercises a Non-Qualified Stock Option, the director will recognize ordinary income on the date of exercise in an amount equal to the difference between the fair market value on the date of exercise of the shares of Common Stock acquired pursuant to the exercise and the exercise price of the Non-Qualified Stock Option then being exercised. We will be allowed a deduction in the amount of any ordinary income recognized by the director upon exercise of the Non-Qualified Stock Option. When the director sells the shares acquired upon exercise of a Non-Qualified Stock Option, the director will recognize a capital gain (loss) to the extent of any appreciation (depreciation) in value of the shares from the time of exercise to the date of sale. We will not be entitled to a corresponding deduction for any such capital gain. The capital gain (loss) will be short-term if the director does not hold the shares for more than one year after the exercise of the Non-Qualified Stock Option and long-term if the director does hold the shares for more than one year after the exercise of the Non-Qualified Stock Option.

### **Outstanding Options**

On June 7, 2005, 32,000 shares were covered under the Outstanding Non-Qualified Stock Options granted under the Director Plan, at a weighted average exercise price of \$18.66 per share and with a weighted average remaining contractual life of 4.02 years.

**PROPOSAL IV RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS**

The Audit Committee has reappointed Ernst & Young LLP as the independent registered public accounting firm to audit our financial statements for the year ending December 31, 2005. In making its determination to reappoint Ernst & Young LLP as our independent auditors for the 2005 fiscal year, the Audit Committee considered whether the providing of services (and the aggregate fees billed for those services) by Ernst & Young LLP, other than audit services, is compatible with maintaining the independence of the outside accountants. Our shareholders are asked to ratify this appointment at the Meeting. If the appointment of Ernst & Young LLP is not ratified by the shareholders, the Audit Committee may appoint other independent auditors or may decide to maintain its appointment of Ernst & Young LLP.

A representative of Ernst & Young LLP is expected to attend the Meeting to respond to appropriate questions and will have an opportunity to make a statement if he or she so desires.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT AUDITORS FOR THE YEAR ENDING DECEMBER 31, 2005.**

Any such proposal will be subject to the requirements of the proxy rules adopted under the Exchange Act, and as with any shareholder proposal (regardless of whether included in our proxy materials), our certificate of incorporation and bylaws and Delaware law. To be considered for presentation at the next annual meeting, but not for inclusion in our proxy materials for the meeting, a shareholder proposal must be received at our executive office by April 28, 2006; however, if the date of the next annual meeting is held before July 7, 2006 or after September 25, 2006, the proposal must be received by the close of business on the later of the 90th day prior to such annual meeting or the tenth day following the day on which notice of the date of the annual meeting is mailed or public disclosure of the date of such meeting is first made.

The cost of solicitation of proxies will be borne by ITLA Capital. ITLA Capital will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to the beneficial owners of our Common Stock. **EMPLOYEE STOCK INCENTIVE PLAN**

Section 1

Establishment, Purpose, and Effective Date of Plan

1.1 *Purpose.* The purpose of the Employee Stock Incentive Plan ( Plan ) is to advance the interests of the Company, by encouraging and providing for the acquisition of an equity interest in the success of the Company by Participants, by providing additional incentives and motivation toward superior performance of the Company, and by enabling the Company to attract and retain the services of Participants, upon whose judgment, interest, and special effort and successful conduct of its operations is largely dependent.

Eligibility and Participation

All Employees (including Employee-Directors, but excluding Directors who are not Employees) and Consultants are eligible to participate in the Plan and to receive Awards. The Committee shall select and determine, in its sole discretion, those Employees and Consultants who will participate in the Plan and the extent of their participation. Notwithstanding the foregoing, Consultants shall not be eligible to receive Incentive Stock Options.

Section 4

Administration

4.1 **Administration of the Plan.** The Committee shall be responsible for the administration of the Plan. Any power of the Committee may also be exercised by the Board, except to the extent that the grant or exercise of such authority would cause any Award or transaction to become subject to (or lose an exemption under) the short-swing profit recovery provisions of Section 16 of the Exchange Act or cause an Award not to qualify for treatment as performance based compensation under Section 162(m) of the Code. To the extent that any permitted action taken by the Board conflicts with action taken by the Committee, the Board action shall control. The Committee may delegate any or all aspects of the day-to-day administration of the Plan to one or more officers or employees of the Company or any Affiliate, and/or to one or more agents.

4.2 **Powers of the Committee.** The Committee, by majority action thereof, is authorized to interpret the Plan, to prescribe, amend, and rescind rules and regulations relating to the Plan, to provide for conditions

and assurances deemed necessary or advisable to protect the interests of the Company, and to make all other determinations necessary or advisable for the administration of the Plan, but only to the extent not contrary to the express provisions of the Plan. The Committee shall have the authority, in its discretion, to determine the Participants to whom Awards shall be granted, the times when such Awards shall be granted, the number of Awards, the purchase price or exercise price, the period(s) during which such Awards shall be exercisable (whether in whole or in part), the restrictions applicable to Awards, and the other terms and provisions thereof (which need not be identical). The Committee shall have the authority to modify existing Awards, subject to Section 14.1.

4.3 *Determinations by the Committee.* All decisions, determinations and interpretations by the Committee regarding the Plan, any rules and regulations under the Plan, and the terms and conditions of or operation of any Award granted hereunder, shall be final and binding on all Participants, Beneficiaries, heirs, assigns or other persons holding or claiming rights under the Plan or any Award. The Committee shall consider such factors as it deems relevant, in its sole and absolute discretion, to making such decisions, determinations and interpretations including, without limitation, the recommendations or advice of any officer or other employee of the Company and such attorneys, consultants and accountants as it may select.

Section 5  
Stock Subject to Plan

5.1 *Number.* Subject to increases and adjustments as provided in this Section 5, the maximum number of shares of Stock subject to Awards under the Plan may not exceed 1,561,000 (the Limit ), provided that with respect to Awards of SARs, only the net number of shares issued to settle the SARs upon their exercise shall be counted against the Limit, and provided further that each share issued pursuant to Awards of SARs, Restricted Stock, Restricted Stock Units, Performance Shares or Performance Units shall be counted against the Limit as two (2) shares. The shares of Stock to be delivered under the Plan may consist, in whole or in part, of authorized but unissued shares or treasury shares, not reserved for any other purpose.

5.2 *Incentive Stock Options.* The maximum aggregate number of shares of Stock that may be issued pursuant to the exercise of Options that are Incentive Stock Options granted under this Plan is 1,561,000, subject to adjustment as provided in Section 5.4.

5.3 *Lapsed Awards.* Subject to the express provisions of the Plan, if and to the extent any Award granted under the Plan terminates, expires or lapses for any reason, any Stock subject to such Award again shall be Stock available for the grant of an Award. Shares of Stock used to pay the exercise price of an Option and shares of Stock used to satisfy tax withholding obligations are not available for future Awards under the Plan.

5.4 *Adjustment in Capitalization.* In the event of any change in the outstanding shares of the Stock by reason of a stock dividend or split, recapitalization, merger, consolidation, combination, exchange of shares, or other similar corporate change, the aggregate number of shares of Stock available under the Plan and subject to each outstanding Award, as well as the annual share limits for Award types set forth in Section 5 and the stated exercise price of or the basis upon which the Award is measured, shall be adjusted appropriately by the Committee, whose determination shall be conclusive; provided, however, that fractional shares shall be rounded to the nearest whole share. Any adjustment to an Incentive Stock Option shall be made consistent with the requirements of Section 424(b) of the Code. Notice of any adjustment shall be given by the Company to each Participant, and such adjustment (whether or not notice is given) shall be effective and binding for all purposes of the Plan.

**Table of Contents**

Section 6  
Duration of Plan

The Plan shall remain in effect, subject to the Board's right to earlier terminate the Plan pursuant to Section 14.1 hereof, until all Awards hereunder shall have expired or terminated or shall have been exercised or fully vested, and any Stock subject thereto shall have been purchased or acquired pursuant to the provisions thereof. Notwithstanding the foregoing, no Award may be granted under the Plan after the tenth (10th) anniversary of the Effective Date.

Section 7  
Stock Options

7.1 *Grant of Options.* Subject to the provisions of Sections 5 and 6, Options may be granted to Participants at any time and from time to time as shall be determined by the Committee. The Committee shall have complete discretion in determining the number of Options granted to each Participant. The Committee may grant any type of Option to purchase Stock that is permitted by law at the time of grant. To the extent the aggregate Fair Market Value (determined at the time the Option is granted) of the Stock with respect to which Incentive Stock Options are exercisable for the first time by a Participant in any calendar year (under this Plan and any other plans of the Company) exceeds \$100,000, such Options shall not be deemed Incentive Stock Options. In determining which Options may be treated as Non-Qualified Options under the preceding sentence, Options will be taken into account in the order of their dates of grant. Nothing in this Section 7 shall be deemed to prevent the grant of Non-Qualified Stock Options in amounts which exceed the maximum established by Section 422 of the Code.

7.2 *Option Agreement.* Each Option shall be evidenced by an Agreement that shall specify the type of Option granted, the Option exercise price, the duration of the Option, the number of shares of Stock to which the Option pertains, and such other provisions as the Committee shall determine.

7.3 *Exercise Price.* No Option shall be granted pursuant to the Plan at an exercise price that is less than the Fair Market Value of the Stock on the date the Option is granted, and no Option shall be granted to any person who owns Stock possessing more than 10% of the total combined voting power of the Stock at an exercise price which is less than 110% of the Fair Market Value on the date of the grant.

7.4 *Duration of Options.* Each Option shall expire at such time or times as the Committee shall determine at the time it is granted; provided, however, that no Option shall be exercisable later than ten years from the date of its grant.

7.5 *Exercise of Options.* Options granted under the Plan shall be exercisable at such times and be subject to such restrictions and conditions as the Committee shall in each instance approve, which need not be the same for all Participants; provided, however, that Options granted pursuant to the Plan shall not vest at a rate of less than 20% per year.

7.6 *Payment.* The exercise price of any Option shall be paid in full either (i) in cash, (ii) in Stock valued at its Fair Market Value on the date of exercise, or (iii) by a combination of (i) and (ii). The Committee in its sole discretion may also permit payment of the exercise price upon exercise of any Option to be made by (i) having shares withheld from the total number of shares of Stock to be delivered upon exercise or (ii) delivering a properly executed notice together with irrevocable instructions to a broker to promptly deliver to the Company the amount of sale or loan proceeds to pay the exercise price. The proceeds from the exercise of Options shall be added to the general funds of the Company and shall be used for general corporate purposes.

7.7 *Restrictions on Stock Transferability.* The Committee may impose such restrictions on any shares of Stock acquired pursuant to the exercise of an Option under the Plan as it may deem advisable, including, without limitation, restrictions under applicable federal securities law, under the requirements of any stock

exchange upon which such shares of Stock are then listed and under any blue sky or state securities laws applicable to such shares.

7.8 *Early Termination of Options on Termination of Employment Due to Death, Disability, or Retirement.* If a Participant holds any outstanding Option upon a termination of employment due to death, Disability or Retirement, such Option shall remain exercisable and shall continue to vest following such termination of employment in accordance with its terms until the earlier of (i) the expiration date of the term of the Option, or (ii) the last date on which such Option is exercisable as specified below, after which date such Option shall terminate.

7.8.1 *Death or Disability.* Unless the Committee provides otherwise in the terms of the Agreement evidencing the Option, if the termination of employment is due to the Participant's death or Disability, any outstanding Option then held by such Participant shall continue to be exercisable until one (1) year following the Participant's termination of employment.

7.8.2 *Retirement.* If the Participant's termination of employment is due to Retirement, any outstanding Option then held by such Participant shall continue to be exercisable (subject to Section 7.8.3 below) for six (6) months after such Participant's termination of employment.

7.8.3 *Incentive Stock Option Limit.* Notwithstanding the foregoing, in the case of an Incentive Stock Option, the favorable tax treatment described in Section 422 of the Code shall not be available if such Option is exercised after three (3) months following a termination of employment due to Retirement.

7.9 *Early Termination of Options on Termination of Employment Other than for Death, Disability, or Retirement.* If a Participant holds any outstanding Option upon termination of employment due to a reason other than death, Disability or Retirement, such Option shall remain exercisable and shall continue to vest following such termination of employment until the earlier of (i) the expiration of the term of the Option, or (ii) the last date on which such Option is exercisable as specified below, after which date such Option shall terminate.

7.9.1 *Resignation, Layoff and Other Events.* If the Participant's termination of employment is due to any reason other than the Participant's death, Disability, Retirement or the action of the Company for cause, as determined (either before or after such event) by the Committee in its sole discretion, any outstanding Option then held by such Participant shall continue to be exercisable for three (3) months following such Participant's termination of employment.

7.9.2 *Termination by the Company for Cause.* If the Participant's employment is terminated by action of the Company for cause, as determined (either before or after such event) by the Committee in its sole discretion, any outstanding Option held by such Participant shall terminate immediately upon such Participant's termination of employment. Termination for cause is defined as termination for conduct that would be punishable as a felony if such conduct occurred outside the workplace, or conduct that could be damaging to either the Company's reputation or financial status. The Committee has the authority to make the final determination as to whether a termination is for cause for purposes of the Plan.

7.10 *Non-Transferability of Options.* No Option granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, otherwise than by will or by the laws of descent and distribution or pursuant to a qualified domestic relations order as defined by the Code or Title I of the Employee Retirement Income Security Act of 1974, as amended (ERISA), or the rules thereunder, except that a Non-Qualified Stock Option may be transferred by gift to any member of the Participant's immediate family (defined as the Participant's spouse, children and grandchildren) if the Committee so specifies in the Agreement evidencing the Option. Further, all Incentive Stock Options granted to a Participant under the Plan shall be exercisable only by such Participant during his or her lifetime.

**Table of Contents**

7.11 *No Repricing*. Other than in connection with a change in the Company's capitalization (as described in Section 5.4), an Option may not be repriced without stockholder approval (including canceling previously awarded Options and regranting them with a lower exercise price).

Section 8  
Stock Appreciation Rights

8.1 *Grant of Stock Appreciation Rights*. Subject to the provisions of Sections 5 and 6, SARs may be granted to Participants at any time and from time to time as shall be determined by the Committee. An Award of SARs shall be pursuant to an Agreement. An SAR may be Related to an Option or may be granted independently of any Option as the Committee shall from time to time in each case determine. In the case of a Related Option, such Related Option shall cease to be exercisable to the extent of the shares of Stock with respect to which the Related SAR was exercised. Upon the exercise or termination of a Related Option, any Related SAR shall terminate to the extent of the shares of Stock with respect to which the Related Option was exercised or terminated. SARs shall only be granted while the Stock is traded on the Nasdaq Stock Market or an established securities exchange.

8.2 *Payment of SAR Amount*. Upon exercise of the SAR, the holder shall be entitled to receive payment of an amount determined by multiplying:

(a) The difference between the Fair Market Value of a share of Stock at the date of exercise over the price fixed by the Committee at the date of grant (which price shall not be less than the Fair Market Value of the underlying Stock on the date the SAR is granted), by

(b) The number of shares with respect to which the SAR is exercised.

8.3 *Form and Timing of Payment*. Payment for SARs shall be made in Stock, as soon as reasonably practicable after the Participant's exercise of the SAR. Fractional share interests shall be rounded up to the nearest whole share.

8.4 *Term of SAR*. The term of an SAR under the Plan shall not exceed ten years.

8.5 *Termination of Employment*. In the event the employment of a Participant is terminated by reason of death, Disability, Retirement, or any other reason, any SARs outstanding shall terminate in the same manner as specified for Options under Sections 7.8 and 7.9 herein.

8.6 *Non-Transferability of SARs*. No SAR granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, otherwise than by will or by the laws of descent and distribution or pursuant to a qualified domestic relations order as defined by the Code or Title I of ERISA, or the rules thereunder except that an SAR that is not Related to an Incentive Stock Option may be transferred by gift to any member of the Participant's immediate family (defined as the Participant's spouse, children and grandchildren) if the Committee so specifies in the Agreement evidencing the SAR. Further, all SARs Related to Incentive Stock Options granted to a Participant shall be exercisable only by such Participant during his lifetime.

8.7 *No Repricing*. Other than in connection with a change in the Company's capitalization (as described in Section 5.4), a Stock Appreciation Right may not be repriced without stockholder approval (including canceling previously awarded Stock Appreciation Rights and regranting them with a lower exercise price). No repricing shall occur that would cause any SAR (whether currently outstanding or newly granted) to be subject to Section 409A.

Section 9  
Restricted Stock and Restricted Stock Units

9.1 *Grant of Restricted Stock and Restricted Stock Units*. Subject to the provisions of Sections 5 and 6, the Committee, at any time and from time to time, may grant shares of Restricted Stock and Restricted

---

**Table of Contents**

Stock Units under the Plan to such Participants and in such amounts as it shall determine. Each Award of Restricted Stock and Restricted Stock Units shall be pursuant to an Agreement.

9.2 *Restrictions of Transferability.* Except as provided in Sections 9.6 and 9.7 hereof, or pursuant to a qualified domestic relations order as defined by the Code or Title I of ERISA, or the rules thereunder, the shares of Restricted Stock and Restricted Stock Units granted hereunder may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated for such period of time as shall be determined by the Committee and as specified in the Agreement evidencing the Award of Restricted Stock or Restricted Stock Units, or upon earlier satisfaction of other conditions as specified by the Committee in its sole discretion and set forth in the Agreement evidencing the Award of Restricted Stock or Restricted Stock Units.

9.3 *Other Restrictions.* The grant, issuance, retention, vesting and/or settlement of Restricted Stock and Restricted Stock Units shall occur at such time and in such installments as determined by the Committee or under criteria established by the Committee, provided that Restricted Stock Units may not be settled later than the later of (a) the date that is 2<sup>1</sup>/<sub>2</sub> months following the end of the Company's first taxable year in which the Restricted Stock Units have vested or (b) the date that is 2<sup>1</sup>/<sub>2</sub> months following the end of the first taxable year in which the Restricted Stock Units have vested. The Committee shall have the right to make the timing of the grant and/or the issuance, ability to retain and vesting of Restricted Stock and Restricted Stock Units subject to continued employment, passage of time and/or such performance criteria as deemed appropriate by the Committee; the Committee shall impose such other restrictions on any shares of Restricted Stock and Restricted Stock Units granted pursuant to the Plan as it may deem advisable including, without limitation, restrictions under applicable Federal or state securities law, and may legend the certificates representing Restricted Stock to give appropriate notice of such restrictions. For Restricted Stock and Restricted Stock Units granted on or after January 1, 2005, the restrictions placed on the ability to retain, or vest in, such Restricted Stock and Restricted Stock Units shall at least constitute a substantial risk of forfeiture under Section 83 of the Code.

9.4 *Voting Rights.* Participants holding shares of Restricted Stock granted hereunder may exercise full voting rights with respect to those shares during the Period of Restriction. Participants shall have no voting rights with respect to shares of Stock underlying Restricted Stock Units unless and until such shares of Stock are reflected as issued and outstanding shares of Stock on the Company's stock ledger.

9.5 *Dividends and Other Distributions.* During the Period of Restriction, Participants holding shares of Restricted Stock granted hereunder shall be entitled to receive all dividends and other distributions paid with respect to those shares while they are so held. If any such dividends or distributions are paid in shares of Stock, the shares shall be subject to the same restrictions on transferability as the shares of Restricted Stock with respect to which they were paid. Shares underlying Restricted Stock Units shall be entitled to dividends or dividend equivalents only to the extent provided by the Committee.

9.6 *Termination of Employment Due to Retirement.* In the event that a Participant attains normal Retirement age under the Company's 401(k) Plan, the Period of Restriction applicable to the Restricted Stock or Restricted Stock Units pursuant to Subsection 9.2 hereof shall automatically terminate and, except as otherwise provided in Subsection 9.3, the shares of Restricted Stock shall thereby be free of restrictions and freely transferable or the shares underlying the Restricted Stock Units shall be delivered to the Participant, free of restrictions and freely transferable. In the event that a Participant terminates his employment with the Company because of Early Retirement under the Company's 401(k) Plan, any shares of Restricted Stock or Restricted Stock Units still subject to restrictions shall be forfeited and returned to the Company; provided, however, that the Committee in its sole discretion may waive the restrictions remaining on any or all shares of Restricted Stock or Restricted Stock Units or add such new restrictions to those shares of Restricted Stock or Restricted Stock Units as it deems appropriate.

9.7 *Termination of Employment Due to Death or Disability.* In the event a Participant terminates his employment with the Company because of death or Disability during the Period of Restriction, the restrictions applicable to the shares of Restricted Stock or Restricted Stock Units pursuant to Section 9.2 hereof shall terminate automatically with respect to that number of shares (rounded to the nearest whole number) equal to the number of shares of Restricted Stock granted to such Participant or the number of shares underlying

**Table of Contents**

Restricted Stock Units granted to the Participant multiplied by the number of full months which have elapsed since the date of grant divided by the maximum number of full months of the Period of Restriction. All remaining shares of Restricted Stock or Restricted Stock Units still subject to restrictions shall be forfeited and returned to the Company; provided, however, that the Committee in its sole discretion, may waive the restrictions remaining on any or all such remaining shares or Restricted Stock Units.

9.8 *Termination of Employment for Reasons Other than Death, Disability, or Retirement.* In the event that a Participant terminates his employment with the Company for any reason other than those set forth in Sections 9.6 and 9.7 hereof during the Period of Restriction, then any shares of Restricted Stock or Restricted Stock Units still subject to restrictions at the date of such termination automatically shall be forfeited and returned to the Company; provided, however, that, in the event of an involuntary termination of the employment of a Participant by the Company, the Committee in its sole discretion may waive the automatic forfeiture of any or all such shares of Restricted Stock or Restricted Stock Units and/or may add such new restrictions to such shares of Restricted Stock or Restricted Stock Units as it deems appropriate.

## Section 10

## Performance Shares and Performance Units

10.1 *Grant of Performance Shares and Performance Units.* Subject to the provisions of Sections 5 and 6, Performance Shares and Performance Units shall be based on performance goals established by the Committee prior to the start of a Performance Period with respect to which such an Award is made. For Performance Shares or Performance Units made on or after January 1, 2005, the failure to satisfy the performance criteria applicable thereto must at least be considered a substantial risk of forfeiture within the meaning of Section 409A. After the start of a Performance Period, the Committee may not increase the compensation payable under an Award that is otherwise due upon attainment of a performance goal.

10.2 *Value of Performance Shares and Performance Units.* Each Performance Share and each Performance Unit shall have a value determined by the Committee at the time of grant. The Committee shall set performance goals in its discretion which, depending on the extent to which they are met, will determine the ultimate value of the Performance Share or Performance Unit to the Participant.

10.3 *Performance Goals.* Performance goals shall be established by the Committee as the Committee in its sole discretion deems appropriate, and may be based upon any one or more of the following performance criteria, either individually, alternatively or in any combination, and measured either annually or cumulatively over a period of years, on an absolute basis or relative to a pre-established target, to previous years' results or to a designated comparison group, in each case as specified by the Committee: (i) Company or Affiliate EBITDA (earnings before interest, taxes, depreciation and amortization); (ii) Company or Affiliate earnings or earnings per share; (iii) market prices of Stock; or (iv) division level operating income (operating income less general and administrative expenses and extraordinary expenses). Such performance goals may be (but need not be) different for each performance period. The Committee may set different (or the same) goals for different Participants and for different Awards, and performance goals may include standards for minimum attainment, target attainment, and maximum attainment. In all cases, however, performance goals shall include a minimum performance standard below which no part of the relevant Award will be earned. Each Performance Share shall have a value determined by the Committee at the time of grant.

10.4 *Form and Timing of Payment.* Payment shall be made in Stock. Payment may be made in a lump sum or installments as prescribed by the Committee. If any payment is to be made on a deferred basis, the Committee may provide for the payment of dividend equivalents or interest during the deferral period. Only Performance Shares and Performance Units granted on or prior to October 3, 2004, which have not been materially modified (within the meaning of Section 409A, which includes the deferral of payment of Performance Shares and Performance Units which have previously met the applicable performance criteria) after October 3, 2004, may be paid on a deferred basis. Performance Shares and Performance Units granted after October 3, 2004, may not be paid later than the later of the (a) the date that is 2<sup>1</sup>/<sub>2</sub> months following the end of the Company's first taxable year in which the performance criteria pertaining to the Performance

**Table of Contents**

Shares and Performance Units have been satisfied, or (b) the date that is 2<sup>1</sup>/<sub>2</sub> months following the end of the Participant's first taxable year in which the performance criteria pertaining to the Performance Shares and Performance Units have been satisfied.

10.5 *Termination of Employment Due to Death, Disability or Retirement.* In the case of death, Disability, or Retirement, the holder of a Performance Share (or his Beneficiary in the event of death) shall receive pro rata payment based on the number of months' service during the Performance Period but based on the achievement of performance goals during the entire Performance Period. Payment shall be made at the time payments are made to Participants who did not terminate service during the Performance Period, subject to Section 10.4 of the Plan.

10.6 *Termination of Employment for Reasons Other than Death, Disability or Retirement.* In the event that a Participant terminates employment with the Company for any reason other than death, Disability or Retirement, all Performance Shares shall be forfeited; provided, however, that in the event of an involuntary termination of the employment of the Participant by the Company, the Committee in its sole discretion may waive the automatic forfeiture provisions and pay out on a pro rata basis as set forth in Section 10.5.

10.7 *Non-Transferability.* No Performance Shares or Performance Units granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, otherwise than by will or by the laws of descent and distribution or pursuant to a qualified domestic relations order as defined by the Code or Title I of ERISA, or the rules thereunder, until the termination of the applicable Performance Period. All rights with respect to Performance Shares granted to a Participant under the Plan shall be exercisable only by such Participant during his lifetime.

Section 11

Beneficiary Designation

Each Participant under the Plan may name, from time to time, any Beneficiary or Beneficiaries (who may be named contingently or successively) to whom any benefit under the Plan is to be paid in case of his or her death before he or she receives any or all of such benefit. Each designation will revoke all prior designations by the same Participant, shall be in a form prescribed by the Committee, and will be effective only when filed by the Participant in writing with the Committee during his lifetime. In the absence of any such designation, benefits remaining unpaid at the Participant's death shall be paid to his or her estate.

Section 12

Rights of Employees

12.1 *Employment.* Nothing in the Plan shall interfere with or limit in any way the right of the Company to terminate any Participant's employment at any time, nor confer upon any Participant any right to continue in the employ of the Company.

12.2 *Participant.* No Employee shall have a right to be selected as a Participant, or, having been so selected, to be selected again as a Participant.

Section 13

Change in Control

13.1 *In General.* In the event of a change in control of the Company as defined in Section 13.2 below, all Awards under the Plan shall vest 100%. All Performance Shares and Performance Units shall be paid out based upon the extent to which performance goals during the Performance Period have been met up to the date of the change in control, or at target, whichever is higher. Restrictions on Restricted Stock and Restricted Stock Units shall lapse. Options and SARs shall be immediately exercisable by the holder.

**Table of Contents**

13.2 *Definition.* For purposes of the Plan, a change in control shall mean any of the following events:

(a) the Company receives a report on Schedule 13D filed with the Securities and Exchange Commission pursuant to Section 13(d) of the Exchange Act disclosing that any person, group, corporation or other entity is the beneficial owner directly or indirectly of 30% or more of the outstanding Stock;

(b) any person (as such term is defined in Section 13(d) of the Exchange Act), group, corporation or other entity other than the Company or a wholly-owned Subsidiary or any corporation owned directly or indirectly by the stockholders of the Company in substantially the same proportions as their ownership of stock in the Company, purchases shares pursuant to a tender offer or exchange offer to acquire any Stock of the Company, (or securities convertible into Stock) for cash, securities or any other consideration, provided that after consummation of the offer, the person, group, corporation or other entity in question is the beneficial owner (as such term is defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of 30% or more of the outstanding Stock of the Company (calculated as provided in paragraph (d) of Rule 13d-3 under the Exchange Act in the case of rights to acquire Stock);

(c) the stockholders of the Company approve (a) any consolidation or merger of the Company in which the Company, or any corporation owned directly or indirectly by the stockholders of the Company in substantially the same proportions as their ownership of stock in the Company, is not the continuing or surviving corporation or pursuant to which shares of Stock would be converted into cash, securities or other property, or (b) any sale, lease, exchange or other transfer (in one transaction or a series of related transactions) of all or substantially all of the assets of the Company; or

(d) there shall have been a change in a majority of the members of the Board of Directors of the Company within a 12 month period unless the election or nomination for election by the Company's stockholders of each new director was approved by the vote of two-thirds of the directors then still in office who were in office at the beginning of the 12 month period.

Section 14

Amendment, Modification, and Termination of Plan

14.1 *Amendment, Modification, and Termination of Plan.* The Board may amend, alter, or discontinue the Plan, but no amendment, alteration or discontinuation shall be made (i) which would impair the rights of any Participant with respect to an Award theretofore granted without the Participant's consent, (ii) which would cause Section 409A to apply to the Plan, unless the benefit affected thereby is subject to Section 409A or is intended to be subject to Section 409A or (iii) which, without the approval of the Company's stockholders, would:

(a) the except as expressly provided in this Plan, increase the total number of shares of Stock reserved for the purpose of the Plan as provided in Section 5 of the Plan;

(b) change the exercise price of any Option or SAR granted hereunder, other than in connection with a change in the Company's capitalization as described in Section 5.4 of the Plan;

(c) change the Participants eligible to participate in the Plan;

(d) extend the maximum option period under Section 7.4 of the Plan;

(e) extend the duration of the Plan; or

(f) otherwise amend the Plan in any manner requiring stockholder approval by law or regulation or under the listing requirements of the Nasdaq Stock Market or any other exchange on which the Stock is then listed.

**Table of Contents**

14.2 *Effect on Awards.* The Committee may amend the terms of any Award theretofore granted, prospectively or retroactively, but, subject to Section 14.1 above, no such amendment shall impair the rights of any holder without the holder's consent.

14.3 *Broad Authority.* Subject to the above provisions, the Committee shall have broad authority to amend the Plan to take into account changes in applicable securities and tax laws and accounting rules, as well as other developments.

Section 15  
Tax Withholding

15.1 *Tax Withholding.* The Company shall have the power to withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state, and local withholding tax requirements on any Award under the Plan. In addition, the Company may reasonably delay the issuance or delivery of shares pursuant to an Award as it determines appropriate to address tax withholding and other administrative matters.

15.2 *Payment of Withholding Obligation.* To the extent permissible under applicable tax, securities, and other laws, the Company may, in its sole discretion, permit the Participant to satisfy a tax withholding requirement by (i) using already owned shares; (ii) through a cashless transaction; or (iii) directing the Company to apply shares of stock to which the Participant is entitled as a result of the exercise of an option or the lapse of a Period of Restriction (including, for this purpose, the filing of an election under Section 83(b) of the Code), to satisfy such requirement.

15.3 *Disposition of Shares.* In the event that a Participant shall dispose (whether by sale, exchange, gift, the use of a qualified domestic relations order as defined by the Code or Title I of ERISA, or the rules thereunder, or any like transfer) of any shares of Stock (to the extent such shares are deemed to be purchased pursuant to an Incentive Stock Option) acquired by such Participant within two years of the date of grant of the related Option or within one year after the acquisition of such shares, the Participant will notify the secretary of the Company no later than 15 days from the date of such disposition of the date or dates and the number of shares disposed of by the Participant and the consideration received, if any, and, upon notification from the Company, promptly forward to the secretary of the Company any amount requested by the Company for the purpose of satisfying its liability, if any, to withhold federal, state or local income or earnings tax or any other applicable tax or assessment (plus interest or penalties thereon, if any, caused by delay in making such payment) incurred by reason of such disposition.

Section 16  
Indemnification

Each person who is or shall have been a member of the Committee or of the Board shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under the Plan and against and from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Certificate of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

Section 17

Requirements of Law

17.1 *Compliance with Laws; Listing and Registration of Shares.* All Awards granted under the Plan (and all issuances of Stock or other securities under the Plan) shall be subject to all applicable laws, rules and regulations, and to the requirement that if at any time the Committee shall determine that the listing, registration or qualification of the Stock covered thereby upon any securities exchange or under any state or federal law, or the consent or approval of any governmental regulatory body, is necessary or desirable as a condition of, or in connection with, the grant of such Award or the issue or purchase of Stock thereunder, such Award may not be exercised in whole or in part, or the restrictions on such Award shall not lapse, unless and until such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Committee.

17.2 *Conditions and Restrictions Upon Securities Subject to Awards.* The Committee may provide that the shares of Stock issued upon exercise of an Option or Stock Appreciation Right or otherwise subject to or issued under an Award shall be subject to such further agreements, restrictions, conditions or limitations as the Committee in its discretion may specify prior to the exercise of such Option or Stock Appreciation Right or the grant, vesting or settlement of an Award, including without limitation, conditions on vesting or transferability, forfeiture or repurchase provisions and method of payment for the Stock issued upon exercise, vesting or settlement of such Award (including the actual or constructive surrender of Shares already owned by the Participant) or payment of taxes arising in connection with an Award. Without limiting the foregoing, such restrictions may address the timing and manner of any resales by the Participant or other subsequent transfers by the Participant of any Stock issued under an Award, including without limitation (a) restrictions under an insider trading policy or pursuant to applicable law, (b) restrictions designed to delay and/or coordinate the timing and manner of sales by Participant and holders of other Company equity compensation arrangements, and (c) restrictions as to the use of a specified brokerage firm for such resales or other transfers.

17.3 *Governing Law.* The Plan, and all agreements hereunder, shall be construed in accordance with and governed by the laws of the State of Delaware.

Section 18

Funding

Except in the case of Awards of Restricted Stock, the Plan shall be unfunded. The Company shall not be required to segregate any of its assets to assure the payment of any Award under the Plan. Neither the Participant nor any other persons shall have any interest in any fund or in any specific asset or assets of the Company or any other entity by reason of any Award, except to the extent expressly provided hereunder. The interests of each Participant and former Participant hereunder are unsecured and shall be subject to the general creditors of the Company.

Section 19

No Liability of Company

The Company and any Affiliate which is in existence or hereafter comes into existence shall not be liable to a Participant, Beneficiary or any other person as to: (a) the non-issuance or sale of Stock as to which the Company has been unable to obtain, from any regulatory body having jurisdiction over the matter, the authority deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Stock hereunder; (b) any tax consequence to any Participant, Beneficiary or other person due to the receipt, exercise or settlement of any Award granted hereunder; or (c) any provision of law or legal restriction that prohibits or restricts the transfer of Stock issued pursuant to any Award.

Section 4

Administration

4.1 **Administration of the Plan.** The Committee shall be responsible for the administration of the Plan. the express provisions of the Plan. The Committee shall have the authority, in its discretion, to determine, subject to Section 7, the Participants to whom Options shall be granted, the times when such Options shall be granted, the number of Options, the exercise price, the period(s) during which such Options shall be exercisable (whether in whole or in part), and the other terms and provisions thereof (which need not be identical). The Committee shall have the authority to modify existing Options, subject to Section 10.1.

4.3 *Determinations by the Committee.* All decisions, determinations and interpretations by the Committee regarding the Plan, any rules and regulations under the Plan, and the terms and conditions of or operation of any Option granted hereunder, shall be final and binding on all Participants, Beneficiaries, heirs, assigns or other persons holding or claiming rights under the Plan or any Option. The Committee shall consider such factors as it deems relevant, in its sole and absolute discretion, to making such decisions, determinations and interpretations including, without limitation, the recommendations or advice of any officer or other employee of the Company and such attorneys, consultants and accountants as it may select.

Section 5

Stock Subject to Plan

5.1 *Number.* The maximum number of shares of Stock subject to Options under the Plan may not exceed 70,000, subject to increases and adjustments as provided in Section 5.3. The shares of Stock to be delivered under the Plan may consist, in whole or in part, of authorized but unissued shares or treasury shares, not reserved for any other purpose.

5.2 *Lapsed Awards.* Subject to the express provisions of the Plan, if and to the extent any Award granted under the Plan terminates, expires or lapses for any reason, any Stock subject to such Award again shall be Stock available for the grant of an Award. Shares of Stock used to pay the exercise price of an Option and shares of Stock used to satisfy any tax withholding obligations are not available for future Awards under the Plan.

5.3 *Adjustment in Capitalization.* In the event of any change in the outstanding shares of the Stock by reason of a stock dividend or split, recapitalization, merger, consolidation, combination, exchange of shares, or other similar corporate change, the aggregate number of shares of Stock available under the Plan and subject to each outstanding Award, and its stated exercise price or the basis upon which the Award is measured, shall be adjusted appropriately by the Committee, whose determination shall be conclusive; provided, however, that fractional shares shall be rounded to the nearest whole share. Notice of any adjustment shall be given by the Company to each Participant, and such adjustment (whether or not such notice is given) shall be effective and binding for all purposes of the Plan.

Section 6

Duration of Plan

The Plan shall remain in effect, subject to the Board's right to earlier terminate the Plan pursuant to Section 10.1 hereof, until all Options hereunder shall have expired or terminated or shall have been exercised or fully vested, and any Stock subject thereto shall have been purchased or acquired pursuant to the provisions thereof. Notwithstanding the foregoing, no Options may be granted under the Plan after the tenth (10th) anniversary of the Effective Date.

Section 7

Stock Options

7.1 *Options.* Each person who was an Outside Director on the original effective date of the Plan (October 18, 1995) automatically received as of that date, and each person who became or becomes an Outside Director after the original effective date of the Plan automatically received or will receive, as of the date such person became or becomes an Outside Director, Options to acquire 5,000 shares of Stock, subject to

**Table of Contents**

adjustment as provided in Section 5.3 (the Initial Award ). On the first, second, third, fourth and fifth anniversaries of the Initial Award, each Outside Director automatically received or will receive Options to acquire 1,000 shares of Stock, subject to adjustment as provided in Section 5.3 (the Anniversary Awards and together with the Initial Award, the Automatic Award ). No Outside Director who is formerly an Employee shall be eligible for the Automatic Award, and any Outside Director who becomes an Employee prior to his or her last scheduled Anniversary Award shall not thereafter receive any additional Anniversary Awards. In addition to the Anniversary Award, each Outside Director shall be eligible to receive grants of Options from time to time in the sole discretion of the Committee.

7.2 *Vesting of Options.* Each Option granted pursuant to the Automatic Award under Section 7.1 shall become exercisable in full on the first anniversary of the date of the grant. Each other Option granted under Section 7.1 shall become exercisable on such date or dates as shall be specified in the Agreement evidencing the Option; provided, however, that the Option shall not vest, in whole or in part, prior to the first anniversary of the date of grant.

7.3 *Termination of Options.* Subject to earlier termination as provided elsewhere in the Plan, each Option granted pursuant to the Automatic Award under Section 7.1 and all rights and obligations thereunder by its terms shall expire ten (10) years from the date the Option was awarded, and each other Option granted under Section 7.1 and all rights and obligations thereunder by its terms shall expire on such date as shall be specified in the Agreement evidencing the Option; provided, however, that such Option shall not expire more than ten (10) years from the date the Option was awarded.

7.4 *Exercise Price of Options.* The exercise price of each Option granted pursuant to this Section 7 shall be 100% of the Fair Market Value of the Stock on the date of the Award.

7.5 *Option Agreement.* Each Option shall be evidenced by an Agreement that shall specify the type of Option granted, the Option exercise price, the duration of the Option, the number of shares of Stock to which the Option pertains, and such other provisions as the Committee shall determine.

7.6 *Payment.* The exercise price of any Option shall be paid in full either (i) in cash, (ii) in Stock valued at its Fair Market Value on the date of exercise, or (iii) by a combination of (i) and (ii). The Committee in its sole discretion may also permit payment of the exercise price upon exercise of any Option to be made by (i) having shares withheld from the total number of shares of Stock to be delivered upon exercise or (ii) delivering a properly executed notice together with irrevocable instructions to a broker to promptly deliver to the Company the amount of sale or loan proceeds to pay the exercise price. The proceeds from the exercise of Options shall be added to the general funds of the Company and shall be used for general corporate purposes.

7.7 *Restrictions on Stock Transferability.* The Committee may impose such restrictions on any shares of Stock acquired pursuant to the exercise of an Option under the Plan as it may deem advisable, including, without limitation, restrictions under applicable federal securities law, under the requirements of any stock exchange upon which such shares of Stock are then listed and under any blue sky or state securities laws applicable to such shares.

7.8 *Early Termination of Options on Termination of Employment Due to Death, Disability, or Retirement.* If an Outside Director holds any outstanding Option upon a cessation of service as a Director due to death, Disability or Retirement, such Option shall remain exercisable and shall continue to vest following such cessation of service in accordance with its terms until the earlier of (i) the expiration date of the term of the Option, or (ii) the last date on which such Option is exercisable as specified below, after which date such Option shall terminate.

7.8.1 *Death or Disability.* Unless provided otherwise in the Agreement evidencing the Option, if the Outside Director's cessation of service is due to the Director's death or Disability, any outstanding Option then held by such Director shall continue to be exercisable until one (1) year following the Director's cessation of service.

**Table of Contents**

7.8.2 *Retirement.* If the Outside Director's cessation of service is due to Retirement, any outstanding Option then held by such Director shall continue to be exercisable for six (6) months after such Director's cessation of service.

7.9 *Early Termination of Options on Cessation of Service Other than for Death, Disability, or Retirement.* If an Outside Director holds any outstanding Option upon cessation of service due to a reason other than death, Disability or Retirement, such Option shall remain exercisable and shall continue to vest following such cessation of service until the earlier of (i) the expiration of the term of the Option, or (ii) the last date on which such Option is exercisable as specified below, after which date such Option shall terminate.

7.9.1 *Resignation, and Other Events.* If the Outside Director's cessation of service is due to any reason other than the Director's death, Disability, Retirement or removal for cause, as determined (either before or after such event) by the Committee in its sole discretion, any outstanding Option then held by such Outside Director shall continue to be exercisable for three (3) months following such Director's cessation of service.

7.9.2 *Removal For Cause.* If the Outside Director is removed for cause, as determined (either before or after such event) by the Committee in its sole discretion, any outstanding Option held by such Director shall terminate immediately upon such Director's cessation of service. Termination for cause is defined as termination for conduct that would be punishable as a felony if such conduct occurred outside the workplace, or conduct that could be damaging to either the Company's reputation or financial status. The Committee has the authority to make the final determination as to whether a termination is for cause for purposes of the Plan.

7.10 *Non-Transferability of Options.* No Option granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, otherwise than by will or by the laws of descent and distribution, pursuant to a qualified domestic relations order as defined by the Code or Title I of the Employee Retirement Income Security Act of 1974, as amended (ERISA), or the rules thereunder, or by gift to any member of the Participant's immediate family (defined as the Participant's spouse, children and grandchildren) if the Committee so specifies in the Agreement evidencing the Option.

7.11 *No Repricing.* Other than in connection with a change in the Company's capitalization (as described in Section 5.3), an Option may not be repriced without stockholder approval (including canceling previously awarded Options and regranting them with a lower exercise price).

Section 8  
Beneficiary Designation

Each Participant under the Plan may name, from time to time, any Beneficiary or Beneficiaries (who may be named contingently or successively) to whom any benefit under the Plan is to be paid in case of his or her death before he or she receives any or all of such benefit. Each designation will revoke all prior designations by the same Participant, shall be in a form prescribed by the Committee and will be effective only when filed by the Participant in writing with the Committee during his lifetime. In the absence of any such designation, benefits remaining unpaid at the Participant's death shall be paid to his or her estate.

Section 9  
Change in Control

9.1 *In General.* In the event of a change in control of the Company as defined in Section 9.2 below, all Awards under the Plan shall vest 100% and shall be immediately exercisable by the holder.

9.2 *Definition.* For purposes of the Plan, a change in control shall mean any of the following events:

(a) the Company receives a report on Schedule 13D filed with the Securities and Exchange Commission pursuant to Section 13(d) of the Exchange Act disclosing that any person, group,

**Table of Contents**

corporation or other entity is the beneficial owner directly or indirectly of 30% or more of the outstanding Stock;

(b) any person (as such term is defined in Section 13(d) of the Exchange Act), group, corporation or other entity other than the Company or a wholly-owned Subsidiary or any corporation owned directly or indirectly by the stockholders of the Company in substantially the same proportions as their ownership of stock in the Company, purchases shares pursuant to a tender offer or exchange offer to acquire any Stock of the Company (or securities convertible into Stock) for cash, securities or any other consideration, provided that after consummation of the offer, the person, group, corporation or other entity in question is the beneficial owner (as such term is defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of 30% or more of the outstanding Stock of the Company (calculated as provided in paragraph (d) of Rule 13d-3 under the Exchange Act in the case of rights to acquire Stock);

(c) the stockholders of the Company approve (a) any consolidation or merger of the Company in which the Company, or any corporation owned directly or indirectly by the stockholders of the Company in substantially the same proportions as their ownership of stock in the Company, is not the continuing or surviving corporation or pursuant to which shares of Stock would be converted into cash, securities or other property, or (b) any sale, lease, exchange or other transfer (in one transaction or a series of related transactions) of all or substantially all of the assets of the Company;

(d) there shall have been a change in a majority of the members of the Board of Directors of the Company within a 12 month period unless the election or nomination for election by the Company's stockholders of each new director was approved by the vote of two-thirds of the directors then still in office who were in office at the beginning of the 12 month period.

Section 10

Amendment, Modification, and Termination of Plan

10.1 *Amendment, Modification, and Termination of Plan.* The Board may amend, alter, or discontinue the Plan, but no amendment, alteration or discontinuation shall be made which would impair the rights of any Participant with respect to an Award theretofore granted without the Participant's consent or which, without the approval of the Company's stockholders, would:

(a) except as expressly provided in this Plan, increase the total number of shares of Stock reserved for the purpose of the Plan;

(b) change the exercise price of any Option granted hereunder, other than in connection with a change in the Company's capitalization as described in Section 5.3 of the Plan;

(c) change the Participants eligible to participate in the Plan;

(d) extend the maximum term of the Plan or any Option period under the Plan; or

(e) otherwise amend the Plan in any manner requiring stockholder approval by law or regulation or under the listing requirements of the Nasdaq Stock Market or any other exchange on which the Stock is then listed.

10.2 *Broad Authority.* Subject to the above provisions, the Committee shall have broad authority to amend the Plan to take into account changes in applicable securities and tax laws and accounting rules, as well as other developments.

**Table of Contents**

Section 11

Tax Withholding

11.1 *Tax Withholding.* The Company shall have the power to withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state, and local withholding tax requirements on any Award under the Plan.

11.2 *Payment of Withholding Obligation.* To the extent permissible under applicable tax, securities, and other laws, the Company may, in its sole discretion, permit the Participant to satisfy a tax withholding requirement by (i) using already owned shares; (ii) through a cashless transaction; or (iii) directing the Company to apply shares of stock to which the Participant is entitled as a result of the exercise of an Option to satisfy such requirement.

Section 12

Indemnification

Each person who is or shall have been a member of the Board or Committee shall be indemnified and held harmless by the Company against and from any loss, cost, liability or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under the Plan and against and from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Certificate of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

Section 13

Requirements of Law

13.1 *Compliance with Laws; Listing and Registration of Shares.* All Options granted under the Plan (and all issuances of Stock under the Plan) shall be subject to all applicable laws, rules and regulations, and to the requirement that if at any time the Committee shall determine that the listing, registration or qualification of the Stock covered thereby upon any securities exchange or under any state or federal law, or the consent or approval of any governmental regulatory body, is necessary or desirable as a condition of, or in connection with, the grant of such Option or the issue or purchase of Stock thereunder, such Option may not be exercised in whole or in part, or the restrictions on such Option shall not lapse, unless and until such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Committee.

13.2 *Conditions and Restrictions upon Securities Subject to Options.* The Committee may provide that the shares of Stock issued upon exercise of an Option shall be subject to such further agreements, restrictions, conditions or limitations as the Committee in its discretion may specify prior to the exercise of such Option, including without limitation, conditions on vesting or transferability, forfeiture or repurchase provisions and method of payment for the Stock issued upon exercise of such Option (including the actual or constructive surrender of Shares already owned by the Participant) or payment of taxes arising in connection with an Option. Without limiting the foregoing, such restrictions may address the timing and manner of any resales by the Participant or other subsequent transfers by the Participant of any Stock issued under an Option, including without limitation (a) restrictions under an insider trading policy or pursuant to applicable law, (b) restrictions designed to delay and/or coordinate the timing and manner of sales by Participant and holders of other Company equity compensation arrangements, and (c) restrictions as to the use of a specified brokerage firm for such resales or other transfers.
