Item 1.01. Entry into Material Definitive Agreement.

On January 25, 2006, the shareholders of Johnson Controls, Inc. (the Company) approved the adoption of the Johnson Controls, Inc. Annual and Long-Term Incentive Performance Plan (the ALTIPP) at the 2006 Annual Meeting of Shareholders (the Annual Meeting). The ALTIPP is a new compensation plan that is intended to replace the Company's two current Executive Incentive Compensation Plans (together the EICP) and the Company's Long-Term Performance Plan (the LTPP). The Company will generally use the ALTIPP to provide an incentive for selected key employees of the Company and its affiliates to achieve specified performance goals with a view toward enhancing shareholder value. The Compensation Committee (the Committee) of the Board of Directors of the Company will administer the ALTIPP with respect to executive officers of the Company, and the Chief Executive Officer of the Company will administer the ALTIPP with respect to all other participants. The Company may grant two types of awards under the ALTIPP: annual awards, which have a performance period of no more than one fiscal year, and long-term awards, which have a performance period of more than one fiscal year (in either case, the fiscal year may be that of the Company or any affiliate).

In conjunction with the adoption of the ALTIPP, the Committee terminated awards granted under the LTPP for the three-year performance periods ending on September 30, 2006 and 2007, respectively, which termination was subject to the approval of the ALTIPP by the shareholders at the Annual Meeting. In their place, the Committee (or the Chief Executive Officer with respect to non-executive officer participants) granted new awards under the ALTIPP to executive officer and non-executive officer participants covering the same three-year periods at the same target dollar levels but using different performance measures, which are Return on Invested Capital, pre-tax, which awards were also subject to the approval of the ALTIPP by the shareholders at the Annual Meeting. In addition, the Committee (or the Chief Executive Officer with respect to non-executive officer participants) made an annual award for Fiscal 2006 and a long-term award for the three-year performance period beginning on October 1, 2005 under the ALTIPP executive officer and non-executive officer participants, which awards were also subject to the approval of the ALTIPP by the shareholders at the Annual Meeting. The performance measures for the annual award for Fiscal 2006 and those for the three-year performance period beginning on October 1, 2005 are also Return on Invested Capital, pre-tax.
