Item 5.02 Compensatory Arrangements of Certain Officers

In connection with the Chief Financial Officer, Ms. Stephanie Kushner's employment offer letter in 2002, the Company committed to payment of certain supplemental defined benefit or retirement benefits to Ms. Kushner upon her retirement after the age of 57. In full satisfaction of Ms. Kushner's rights to such payments, the Company entered into an agreement with Ms. Kushner on March 19, 2007 by which the Company agreed to credit, as of March 1, 2007, Ms. Kushner's notional account in the new Savings Restoration Plan in the aggregate amount of \$308,472 and agreed to make five additional payments in the aggregate amount of \$77,480 on March 1 over the next five years, provided that Ms. Kushner is employed by our Company on such payment dates. In addition, in consideration of the fact that Ms. Kushner was not given the opportunity to make voluntary deferrals of compensation into the Supplemental and Savings and Investment Plan during 2005 and 2006, the Company credited Ms. Kushner's notional account, also as of March 1, 2007, with the additional amount of \$15,798. None of these amounts were paid currently due to the fact that the Savings Restoration Plan is an unfunded, nonqualified defined contribution plan.
