Item 5. Other Events and Required FD Disclosure

Activision recently was informed by the staff of the Securities and Exchange Commission (the "SEC") that the SEC has commenced a non-public formal investigation captioned "In the Matter of Certain Video Game Manufacturers and Distributors". The investigation appears to be focused on certain accounting practices common to the interactive entertainment industry, with specific emphasis on revenue recognition. In connection with this inquiry, the SEC submitted to Activision a request for information. The SEC staff also informed Activision that other companies in the video game industry received similar requests for information. The SEC has advised Activision that this request for information should not be construed as an indication from the SEC or its staff that any violation of the law has occurred, nor should it reflect negatively on any person, entity or security. Activision intends to cooperate fully with the SEC in the conduct of this inquiry.
