PROXY STATEMENT  
INTRODUCTION

GENERAL

The accompanying proxy is solicited by the Board of Directors (the "Board of Directors" or the "Board") of Triarc Companies, Inc. (the "Company" or "Triarc") in connection with the Special Meeting of Stockholders of the Company (the "Meeting"), to be held on \_\_\_\_\_, \_\_\_\_\_, 2001, at \_\_\_\_\_ a.m., local time, at \_\_\_\_\_ and at any adjournment or postponement of the Meeting. This Proxy Statement and a proxy are first being mailed to stockholders on or about \_\_\_\_\_, 2001. The mailing address of the Company's principal executive office is 280 Park Avenue, New York, New York 10017.

When a proxy is returned properly dated and signed, the shares represented thereby will be voted by the persons named as proxies in accordance with each stockholder's directions. Stockholders may specify their choices by marking the appropriate boxes on the enclosed proxy. If a proxy is dated, signed and returned without specifying choices, the shares will be voted as recommended by the Board of Directors FOR Proposal 1. Under the Company's By-Laws (the "By-Laws"), business transacted at the Meeting is confined to the purposes stated in the Notice of the Meeting. The proxy being solicited does, however,

## Edgar Filing: TRIARC COMPANIES INC - Form PRER14A

convey discretionary authority to the persons named therein as proxies to vote on matters incident to the conduct of the Meeting. The proxy may be revoked by the stockholder at any time prior to the time it is voted by giving notice of such revocation either personally or in writing to the Secretary of the Company at the address provided above.

### VOTING SECURITIES

All holders of record of the Company's Class A Common Stock, par value \$.10 per share (the "Class A Common Stock"), at the close of business on September 7, 2001 are entitled to vote on all business of the Meeting. At the close of business on such day, the Company had \_\_\_\_\_ shares of Class A Common Stock outstanding and entitled to vote at the Meeting. Each share of Class A Common Stock entitles the holder to one vote per share. The presence, in person or by proxy, of stockholders entitled to cast at least a majority of the votes which all stockholders are entitled to cast shall constitute a quorum. Broker "non-votes" and the shares as to which a stockholder abstains are included for purposes of determining whether a quorum of shares is present at the Meeting. A broker "non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

Under the General Corporation Law of the State of Delaware (the "Delaware Law"), the state in which the Company is incorporated, the Company's Certificate of Incorporation and the By-Laws, the affirmative vote of a majority of the outstanding shares of Class A Common Stock is required for approval of Proposal 1. Under the Delaware Law, abstentions and broker non-votes have the effect of votes against Proposal 1.

3

The Company has been informed that the 5,982,867 shares of Class A Common Stock (constituting approximately 29.4% of the outstanding shares of Class A Common Stock as of August 10, 2001) owned by DWG Acquisition Group, L.P., a Delaware limited partnership of which Nelson Peltz and Peter W. May are the sole general partners ("DWG Acquisition"), will be voted in accordance with the recommendation of the Board of Directors FOR Proposal 1.

4

### PROPOSAL 1. AMENDMENT TO THE COMPANY'S CERTIFICATE OF INCORPORATION

#### INTRODUCTION

Article IV of the Company's Certificate of Incorporation currently provides that the total number of shares of capital stock which the Company is authorized to issue is one hundred fifty million (150,000,000), of which one hundred million (100,000,000) are shares of Class A Common Stock, par value ten cents (\$.10) per share (the "Class A Common Stock"), twenty five million are shares of Class B Common Stock, par value ten cents (\$.10) per share (the "Old Class B Common Stock"), and twenty five million (25,000,000) are shares of Preferred Stock, par value ten cents (\$.10) per share (the "Preferred Stock"). No shares of Old Class B Common Stock or Preferred Stock are currently outstanding.

At the Special Meeting, the Company's stockholders are being asked to consider and vote upon a proposal to approve an amendment, in the form attached hereto as Annex A (the "Amendment"), to Article IV of the Company's Certificate of Incorporation that would (i) increase the total number of shares of capital stock which the Company has authority to issue to three hundred million (300,000,000) shares, (ii) cancel the authorization of the Old Class B Common Stock, (iii) increase the total number of authorized shares of Preferred Stock to one hundred million (100,000,000) shares, and (iv) authorize one hundred million (100,000,000) shares of a new Class B Common Stock.

The powers, designations, preferences, rights and qualifications, limitations or restrictions of the new Class B Common Stock will not be stated in the Amendment. Instead, the Amendment will authorize the Board to establish the powers, designations, preferences, rights and qualifications, limitations or restrictions thereof for the new Class B Common Stock, or any series thereof, in a resolution or resolutions of the Board of Directors of the Company providing for the issue of the new Class B Common Stock, or any series thereof, as set forth in a certificate of designation filed with the Secretary of State of the State of Delaware. The Company's current Certificate of Incorporation grants this power to the Board with respect to the Preferred Stock. The Amendment increases the number of authorized shares of Preferred Stock as to which this power relates.

The Board of Directors has declared advisable and unanimously recommends that the stockholders of the Company approve the Amendment.

If the Amendment is approved by the stockholders, the Company intends to file a Certificate of Amendment to the Certificate of Incorporation of the Company in accordance with the Amendment. The Amendment will be effective immediately upon the acceptance of this filing by the Secretary of State of the State of Delaware (the "Effective Date"). Although the Company presently intends to file the Certificate of Amendment if the Amendment is approved by stockholders, the resolution of the stockholders will reserve to the Board of Directors the right

## Edgar Filing: TRIARC COMPANIES INC - Form PRER14A

to defer or abandon the Amendment and not file the Certificate of Amendment. The Company currently knows of no reason why the Amendment would not be filed if adopted by the stockholders.

7

Following the Effective Date, the Board of Directors may approve the issuance of authorized shares at such times and to such persons and for such legal consideration as it may determine to be in the best interests of the Company and its stockholders without prior approval of or ratification by the stockholders.

### REQUIRED VOTE

Approval of the Amendment requires the affirmative vote of a majority of the outstanding shares of Class A Common Stock.

### DESCRIPTION OF THE AMENDMENT

The full text of Article IV as proposed to be amended is set forth as Annex A to this Proxy Statement and is incorporated herein by reference. The following summary should be read in conjunction with, and is qualified in its entirety to reference to, Annex A.

1. The Amendment will increase the total number of shares of capital stock which the Company is authorized to issue to three hundred million (300,000,000) shares.

2. The Amendment will eliminate the authorization of the Old Class B Common Stock.

3. The Amendment will increase the total number of authorized shares of Preferred Stock from twenty-five million (25,000,000) to one hundred million (100,000,000). The powers, designations and preferences, rights and qualifications, limitations or restrictions thereof for the Preferred Stock will not be stated in the Company's Certificate of Incorporation as amended by the Amendment. Instead, the powers, designations, preferences, rights and qualifications, limitations or restrictions thereof for the Preferred Stock or any series thereof may be stated and expressed in a resolution or resolutions of the Board of Directors of the Company providing for the issue of the Preferred Stock, or any series thereof, as set forth in a certificate of designation filed with the Secretary of State of the State of Delaware.

4. The Amendment will authorize a new class of one hundred million (100,000,000) shares of Class B Common Stock. The powers, designations, preferences, rights and qualifications, limitations or restrictions thereof for the new Class B Common Stock will not be stated in the Company's Certificate of Incorporation as amended by the Amendment. Instead, the powers, designations, preferences, rights and qualifications, limitations or restrictions thereof for the new Class B Common Stock or any series thereof may be stated and expressed in a resolution or resolutions of the Board of Directors of the Company providing for the issue of the new Class B Common Stock or any series thereof, as set forth in a certificate of designation filed with the Secretary of State of the State of Delaware.

The Company has no present plan or intention to issue any Preferred

## Edgar Filing: TRIARC COMPANIES INC - Form PRER14A

Stock or any of the new Class B Common Stock.

8

### REASON FOR THE AMENDMENT

In recent years a number of publicly-held companies have adopted capital structures utilizing two or more classes of common stock. After reviewing the Company's market liquidity, shareholder positions, growth objectives and capital structure and after consultation with the Company's financial and legal advisors, the Board of Directors believes that such a structure offers the Company a number of possible advantages that outweigh the potential disadvantages. The Board of Directors believes that the continued success and growth of the Company will be enhanced by the flexibility to issue stock to raise capital, acquire other companies and/or pay stock dividends. The Board of Directors believes that the Amendment will give the Board the flexibility to create a series of Preferred Stock or Class B Common Stock with the powers, designations, preferences, rights and qualifications, limitations or restrictions suitable or appropriate for a particular transaction without prior approval of or ratification by the stockholders.

### CERTAIN POTENTIAL BENEFITS OF THE AMENDMENT

After careful consideration, the Board has identified the following potential benefits of the Amendment for the Company and its stockholders:

INCREASED FLEXIBILITY IN RAISING CAPITAL AND IN RESPONDING TO FUTURE ACQUISITION OPPORTUNITIES. The Company has followed, and continues to follow, a long term strategy for growth. The Board of Directors believes that this strategy will best maximize the value of the Company. The Board believes that implementation of the Amendment will provide the Company with increased flexibility to issue equity in the future in connection with acquisitions and to raise equity capital or to issue convertible debt as a means to finance future growth. For example, the Board of Directors could create a series of stock from the new Class B Common Stock with less than one vote per share or with no vote, which would substantially maintain the relative voting strength of the existing stockholders of the Company. Or the Board of Directors could create a series of the new Class B Common Stock with a guaranteed dividend for some period of time. The Board's ability to create a series of Preferred Stock, which might be convertible into Class A Common Stock or Class B Common Stock, further increases the Company's flexibility in raising capital and responding to future acquisition opportunities.

### CERTAIN POTENTIAL DISADVANTAGES OF THE AMENDMENT

In addition to the potential benefits of the Amendment discussed above, the Board also considered potential disadvantages of the Amendment, including the following:

UNCERTAIN EFFECT ON STOCK PRICE. An issuance of shares of Class B Common Stock could affect the price of the Class A Common Stock. Many factors, including general market conditions, future performance of the Company and the performance of other companies which compete with the Company's operating subsidiaries, could cause fluctuations in the prices for both the Class A Common Stock and Class B Common Stock, and could cause the Class A Common Stock and Class B Common Stock to trade at different prices. The Company cannot predict the

## Edgar Filing: TRIARC COMPANIES INC - Form PRER14A

relative or absolute effect of the Amendment or any issuance of Class B Common Stock or Preferred Stock on the market price of the Class A Common Stock.

9

POTENTIAL NEGATIVE RESPONSE OF INSTITUTIONAL INVESTORS. Implementation of the Amendment may affect the decision of certain institutional investors that would otherwise consider investing in the Class A Common Stock but who object to the capital structure implemented by the Amendment. To the extent that institutional investors avoid purchasing the Company's stock, the stock price may be negatively affected by the decreased demand.

RISK OF DISCOUNTED VALUE OF CLASS B COMMON STOCK OR PREFERRED STOCK IN FUTURE ACQUISITIONS OR FINANCINGS. If the Amendment is approved and implemented, the Company could issue Class B Common Stock or Preferred Stock in future acquisitions, financings or offerings. If the Class B Common Stock or Preferred Stock trades at a discount to the Class A Common Stock, then acquisitions, financings or offerings involving the issuance of Class B Common Stock or Preferred Stock will be economically more dilutive to existing stockholders than such transactions would be if the Company issued Class A Common Stock. This dilution, if it occurs, will result in decreased earnings per share and lower stock prices for the Class A Common Stock, the Class B Common Stock and the Preferred Stock, as the case may be.

### CERTAIN ANTI-TAKEOVER EFFECTS

Currently, a person might not be able to succeed in a takeover of the Company without making an offer acceptable to Messrs. Peltz and May, because of their substantial ownership of voting stock. Adoption of the Amendment will not itself change the voting power of the existing stockholders, but it will give the Company more flexibility to issue common stock or preferred stock without substantial diminution of the voting power of the existing stockholders, because the Company could create one or more series of Class B Common Stock or Preferred Stock with less than one vote per share, or with no vote. The Company has considered doing that, but has no present intention of doing so. If the Company issued Class B Common Stock or Preferred Stock with less than one vote per share, or with no vote per share, the Amendment might reduce the possibility of the stockholders receiving and accepting a hostile takeover bid, which is often made at a premium over then-current market prices of the target company's stock. The flexibility to issue Class B Common Stock or Preferred Stock with less than one vote per share, or with no vote, if exercised, may also render more difficult or discourage mergers, proxy contests, removal of current management or other changes in control of the Company which may be desired by substantial holders of the Company's equity securities, if their holdings were primarily Class B Common Stock or Preferred Stock with less than one vote per share or with no vote per share.

THE COMPANY HAS NO PRESENT PLAN OR INTENTION TO ISSUE ANY PREFERRED STOCK OR ANY OF THE NEW CLASS B COMMON STOCK.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPROVAL OF THE AMENDMENT TO THE CERTIFICATE OF INCORPORATION.

### OTHER MATTERS

#### EXPENSES OF SOLICITATION

The cost of soliciting proxies will be borne by the Company. In addition to the solicitation of proxies by use of the mails, some of the officers, directors and regular employees of the Company and its subsidiaries, none of whom will receive additional compensation therefor, may solicit proxies in person or by telephone or other means. Solicitation will also be made by employees of \_\_\_\_\_, which firm will be paid a fee of \$\_\_\_\_\_, plus expenses. As is customary, the Company will, upon request, reimburse brokerage firms, banks, trustees, nominees and other persons for their out-of-pocket expenses in forwarding proxy materials to their principals.

#### STOCKHOLDER PROPOSALS FOR THE 2002 ANNUAL MEETING

From time to time, stockholders present proposals which may be proper subjects for inclusion in a proxy statement and for consideration at an annual meeting. To be considered, proposals must be submitted on a timely basis. It is currently expected that the 2002 Annual Meeting will be held during the early part of June 2002, with the related proxy statement being first mailed to stockholders on or about May 1, 2002. To be considered for the 2002 Annual Meeting of Stockholders of the Company, proposals must be received by the Company no later than January 17, 2002, and must otherwise comply with Rule 14a-8 under the Exchange Act.

Stockholders who do not wish to follow Rule 14a-8 under the Exchange Act in proposing a matter for action at the next annual meeting may also submit a proposal pursuant to the procedural requirements set forth in the Company's Certificate of Incorporation. Any such proposals must be specified in a written notice given by or on behalf of a stockholder of record on the record date for such meeting entitled to vote thereat or a duly authorized proxy for such stockholder, in accordance with all of the following requirements. Such notice must be delivered personally to, or mailed to and received at, the principal executive office of the Company addressed to the attention of the Secretary, not less than 45 days nor more than 60 days prior to the meeting; provided, however, that in the event that less than 55 days' notice or prior public disclosure of the date of the meeting is given or made to stockholders, notice by the stockholder to be timely must be so received not later than the close of business on the 10th day following the day on which such notice of the date of the annual or special meeting was mailed or such public disclosure was made, whichever first occurs. Such notice must set forth (i) a full description of each such item of business proposed to be brought before the meeting and the reasons for conducting such business at such meeting, (ii) the name and address of the person proposing to bring such business before the meeting, (iii) the class and number of shares held of record, held beneficially and represented by proxy by such person as of the record date for the meeting (if such date has then been made publicly available) and as of the date of such notice, (iv) if any item of such business involves a nomination for director, all information regarding each such nominee that would be required to be set forth in a definitive proxy statement filed with the SEC pursuant to Section 14 of the Exchange Act, or any successor thereto, and the written consent of each such nominee to serve if elected, (v) any material interest of the stockholder in such item of business and (vi) all other information that would be required to be filed with the SEC if, with respect to the business proposed to be brought before the meeting, the person proposing such business was a participant in a solicitation subject to Section 14 of the

Exchange Act, or any successor thereto. Any questions relating to stockholder proposals should be submitted in writing to the Secretary of the Company, at 280 Park Avenue, New York, New York 10017.
