TRANSAMERICA INCOME SHARES, INC.
UNDERSTANDING YOUR FUNDS EXPENSES
(UNAUDITED)

SHAREHOLDER EXPENSES

The following Example is intended to help you understand your ongoing costs (in dollars and cents) of investing in a Fund and to compare these costs with the ongoing costs of investing in other funds.

The Example is based on an investment of \$1,000 invested at the beginning of the period and held for the entire period from April 1, 2004 to September 30, 2004.

ACTUAL EXPENSES

The first line in the table below provides information about actual account values and actual expenses. You may use the information in this line, together with the amount you invested, to estimate the expenses that you paid over the period. Simply divide your account value by \$1,000 (for example, an \$8,600 account value divided by \$1,000 = 8.6), then multiply the result by the number in the first line for your Fund under the heading entitled "Expenses Paid During Period" to estimate the expenses you paid on your account during this period.

HYPOTHETICAL EXAMPLE FOR

Edgar Filing: TRANSAMERICA INCOME SHARES INC - Form N-CSR

COMPARISON PURPOSES

The second line in the table below provides information about hypothetical account values and hypothetical expenses based on each Fund's actual expense ratio and an assumed rate of return of 5% per year before expenses, which is not the Fund's actual return. The hypothetical account values and expenses may not be used to estimate the actual ending account balance or expenses you paid for the period. You may use this information to compare the ongoing costs of investing in your Fund and other funds. To do so, compare this 5% hypothetical example with the 5% hypothetical examples that appear in the shareholder reports of the other funds.

12

Please note that the expenses shown in the table are meant to highlight your ongoing costs only and do not reflect any transactional costs, such as sales charges, redemption fees, brokerage commissions paid on purchases and sales of fund shares. Therefore, the second line under each Fund in the table is useful in comparing ongoing costs only, and will not help you determine the relative total costs of owning different funds. In addition, note that the expenses shown in the table are meant to highlight your ongoing costs and do not reflect any transactions costs.

TRANSAMERICA INCOME SHARES, INC.	BEGINNING ACCOUNT VALUE (APRIL 1, 2004)	ENDING ACCOUNT VALUE (SEPTEMBER 30, 2004)	ANNUALIZED EXPENSE RATIO	EXPENSES PAID DURING PERIOD* (APRIL 1, TO SEPTEMBER 30, 2004)
Actual	\$1,000.00	\$ 942.60	0.68%	\$3.30
Hypothetical (5% return per year before expenses)	1,000.00	1,021.60	0.68	3.40

* Expenses are calculated using each Fund's annualized expense ratio (as disclosed in the table), multiplied by the average account value for the period, multiplied by the number of days in the period (183 days), and divided by the number of days in the year (365 days).

The Fund's performance of calculation is based on the market price of the Fund's shares and includes the reinvestment of dividends and distributions at prices obtained by the Fund's dividend reinvestment plan.

NOTE 1. ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Transamerica Income Shares, Inc. (the "Fund") is registered under the Investment Company Act of 1940 as a diversified, closed-end management investment company. The Fund's investment objective is to seek as high a level of current income consistent with prudent investment, with capital appreciation as only a secondary objective.

In the normal course of business the Fund enters into contracts that contain a variety of representations and warranties, which provide general indemnifications. The Fund's maximum exposure under these arrangements is unknown, as this would involve future claims that may be made against the Fund and/or its affiliates that have not yet occurred. However, based on experience, the Fund expects the risk of loss to be remote.

In preparing the Fund's financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP"), estimates or assumptions (which could differ from actual results) may be used

that affect reported amounts and disclosures. The following policies were consistently followed by the Fund, in accordance with GAAP.

SECURITIES VALUATIONS: Fund investments traded on an exchange are valued at the closing price on the day of valuation on the exchange where the security is principally traded. With respect to securities traded on the NASDAQ INMS, such closing price may be the last reported sales price or the NASDAQ Official Closing Price.

Debt securities are valued by independent pricing services; however, those that mature in sixty days or less are valued at amortized cost, which approximates market.

Other securities for which quotations are not readily available also are valued at fair market value as determined in good faith using guidelines established by and under the supervision of the Board of Directors, and the Fund's Valuation Committee. These guidelines may include: the type of security; any restrictions on its resale; financial or business news of the issuer; similar or related securities that are actively trading; related corporate actions; and other significant events occurring after the close of trading in the security.

CASH: The Fund may leave cash overnight in its cash account with the custodian, Investors Bank & Trust Company ("IBT"). IBT has been contracted on behalf of the Fund to invest the excess cash into a savings account, which at September 30, 2004, was paying an interest rate of 1.30%.

REPURCHASE AGREEMENTS: The Fund is authorized to enter into repurchase agreements. The Fund, through IBT, receives delivery of the underlying securities, the value of which at the time of purchase is required to be an amount equal to at least 100% of the resale price. Repurchase agreements involve the risk that the seller will fail to repurchase the security, as agreed. In that case, the Fund will bear the risk of value fluctuations until the security can be sold and may encounter delays and incur costs in liquidating the security. In the event of bankruptcy or insolvency of the seller, delays and costs are incurred.

SECURITIES LENDING: The Fund may lend securities to enhance fund earnings from investing cash collateral received in making such loans to qualified borrowers (typically broker/dealers). The Fund has engaged its custodian bank, IBT, as lending agent to administer its securities lending program. IBT earned \$2 of program net income for its services. When the Fund makes a security loan, it receives cash collateral as protection against risk the borrower will default on

Edgar Filing: TRANSAMERICA INCOME SHARES INC - Form N-CSR

the loan, and records an asset for the cash invested collateral and a liability for the return of the collateral.

Loans of securities are required at all times to be secured by collateral at least equal to 102% of the value of the securities at the inception of the loan and not less than 100% thereafter. The Fund may invest cash collateral in short-term money market instruments including: U.S. Treasury Bills, U.S. agency obligations, commercial paper, money market mutual funds, repurchase agreements and other highly rated, liquid investments. During the life of securities loans, the collateral and securities loaned remain subject to fluctuation in value. IBT marks to market securities loaned and the collateral each business day. If additional collateral is due (at least \$1), IBT collects additional cash collateral from the borrowers. Although securities loaned will be fully collateralized at all times, IBT may experience delays in, or may be prevented from, recovering the collateral on behalf of the Fund. The Fund may recall a loaned security position at any time from the borrower through IBT. In the event the borrower fails to timely return a recalled security, IBT may indemnify the Fund by purchasing replacement securities for the

Fund at its own expense and claiming the collateral to fund such a purchase. IBT absorbs the loss if the collateral value is not sufficient to cover the cost of the replacement securities. If replacement securities are not available, IBT will credit the equivalent cash value to the Fund.

While a security is on loan, the Fund does not have the right to vote that security. However, if time permits, the Fund will attempt to recall a security on loan and vote the proxy.

Income from securities lending is included in the Statement of Operations. The amount of collateral and value of securities on loan are included in the Statement of Assets and Liabilities as well as in the Schedule of Investments.

SECURITIES TRANSACTIONS AND INVESTMENT INCOME: Security transactions are recorded on the trade date. Security gains and losses are calculated on the specific identification basis. Dividend income is recorded on the ex-dividend date. Interest income, including accretion of discounts and amortization of premiums, is recorded on the accrual basis commencing on the settlement date.

DIVIDEND DISTRIBUTIONS: Dividend distributions are declared monthly. Capital gains distributions are declared annually. Distributions are generally paid in the month following the ex-date, on or about the fifteenth calendar day. See "Automatic Reinvestment Plan" on page 25 for opportunity to reinvest distributions in shares of the Fund's common stock.

NOTE 4. FEDERAL INCOME TAX MATTERS

The Fund has not made any provision for federal income or excise taxes due to its policy to distribute all of its taxable income and capital gains to its shareholders and otherwise qualify as a regulated investment company under Subchapter M of the Internal Revenue Code. Income and capital gain distributions are determined in accordance with income tax regulations, which may differ from GAAP. These differences are primarily due to differing treatments for items including, but not limited to, bond premium amortization and capital loss carryforwards.

AUTOMATIC REINVESTMENT PLAN
(UNAUDITED)

Holders of 50 shares or more of the Fund's common stock are offered the opportunity to reinvest dividends and other distributions in shares of the common stock of the Fund through participation in the Automatic Reinvestment Plan (the "Plan"). Under the Plan, Mellon, as Transfer Agent, automatically invests dividends and other distributions in shares of the Fund's common stock by making purchases in the open market. Plan participants may also deposit cash in amounts (not in thousands) between \$25 and \$2,500 with Mellon for the purchase of additional shares. Dividends, distributions and cash deposits are invested in, and each participant's account credited with, full and fractional shares.

The price at which Mellon is deemed to have acquired shares for a participant's account is the average price (including brokerage commissions and any other costs of purchase) of all shares purchased by it for all participants in the Plan.

Your dividends and distributions, even though automatically reinvested, continue to be taxable as though received in cash.

Another feature of the Plan is the "Optional Cash Only" feature. You can make additional investments only, without reinvesting your monthly dividend. If you own 50 shares (not in thousands) or more, registered in your name and currently in your Plan account, and desire to periodically send additional contributions (not in thousands) between \$25 and \$2,500 for investment, you may do so. The shares you own and the new shares acquired through this feature will not participate in automatic reinvestment of dividends and distributions. Rather, the shares you acquire if you participate in the "Optional Cash Only" feature of the Plan will be held for safekeeping in your Plan account. Each investment will be made on or near the next dividend payment date. All other procedures for the purchase and sale of shares described above will apply.

Mellon charges a service fee (not in thousands) of \$1.75 for each investment, including both dividend reinvestment and optional cash investment.

Shareholders interested in obtaining a copy of the Plan should contact Mellon:

TRANSAMERICA INCOME SHARES, INC. (THE "FUND")

PROXY VOTING POLICIES AND PROCEDURES

I. STATEMENT OF PRINCIPLE

The Funds seek to assure that proxies received by the Funds are voted in the best interests of the Funds' stockholders and have accordingly adopted these procedures.

II. DELEGATION OF PROXY VOTING/ADOPTION OF ADVISER AND SUB-ADVISER POLICIES

Each Fund delegates the authority to vote proxies related to portfolio

Edgar Filing: TRANSAMERICA INCOME SHARES INC - Form N-CSR

securities to AEGON/Transamerica Fund Advisers, Inc. (the "Adviser"), as investment adviser to each Fund, which in turn delegates proxy voting authority for most portfolios of the Fund to the Sub-Adviser retained to provide day-to-day portfolio management for that portfolio. The Board of Trustees/Directors/Managers of each Fund adopts the proxy voting policies and procedures of the Adviser and Sub-Advisers as the proxy voting policies and procedures that will be used by each of these respective entities when exercising voting authority on behalf of the Fund. These policies and procedures are attached hereto.

III. PROXY COMMITTEE

The Board of Trustees/Directors/Managers of each Fund has appointed a committee of the Board (the "Proxy Committee") for the purpose of providing the Fund's consent to vote in matters where the Adviser or Sub-Adviser seeks such consent because of a conflict of interest that arises in connection with a

2

particular vote, or for other reasons. The Proxy Committee also may review the Adviser's and each Sub-Adviser's proxy voting policies and procedures in lieu of submission of the policies and procedures to the entire Board for approval.

IV. ANNUAL REVIEW OF PROXY VOTING POLICIES OF ADVISER AND SUB-ADVISERS

The Board of Directors/Trustees/Managers of each Fund or the Proxy Committee of each Fund will review on an annual basis the proxy voting policies of the Adviser and Sub-Advisers applicable to the Fund.

Adopted effective June 10, 2003.

AEGON/TRANSAMERICA FUND ADVISERS, INC. ("ATFA")
PROXY VOTING POLICIES AND PROCEDURES ("ATFA PROXY POLICY")

I. PURPOSE

The ATFA Proxy Policy is adopted in accordance with Rule 206(4)-6 under the Investment Advisers Act of 1940 (the "Advisers Act") and ATFA's fiduciary and other duties to its clients. The purpose of the ATFA Proxy Policy is to ensure that where ATFA exercises proxy voting authority with respect to client securities it does so in the best interests of the client, and that Sub-Advisers (as defined below) to ATFA clients exercise voting authority with respect to ATFA client securities in accordance with policies and procedures adopted by the Sub-Advisers under Rule 206(4)-6 and approved by the ATFA client.

II. ATFA'S ADVISORY ACTIVITIES

ATFA acts as investment adviser to Transamerica IDEX Mutual Funds, Transamerica Income Shares, Inc. and AEGON/Transamerica Series Fund, Inc. (collectively, the "Funds"). For most of the investment portfolios comprising the Funds, ATFA has delegated day-to-day management of the portfolio, including the authority to buy, sell, or hold securities in the portfolio and to exercise proxy voting authority with respect to those securities, to one or more investment sub-advisers, pursuant to sub-advisory agreements entered into between ATFA and each sub-adviser (each, a "Sub-Adviser" and collectively, the "Sub-Advisers") and approved by the Board of Trustees/Directors of the client Fund (the

Edgar Filing: TRANSAMERICA INCOME SHARES INC - Form N-CSR

"Board"). ATFA serves as a "manager of managers" with respect to the Sub-Advisers and monitors their activities in accordance with the terms of an exemptive order granted by the Securities and Exchange Commission (Release No. IC-23379, August 5, 1998).

III. SUMMARY OF THE ATFA PROXY POLICY

ATFA delegates the responsibility to exercise voting authority with respect to securities held in the Funds' portfolios for which one or more Sub-Advisers has been retained to the Sub-Adviser(s) for each such portfolio, in accordance with each applicable Sub-Adviser Proxy Policy (as defined below). ATFA will collect and review each Sub-Adviser Proxy Policy, together with a certification from the Sub-Adviser that the Sub-Adviser Proxy Policy complies with Rule 206(4)-6, and submit these materials to the Board for approval. In the event that ATFA is called upon to exercise voting authority with respect to client securities, ATFA generally will vote in accordance with the recommendation of Institutional Shareholder Services, Inc. ("ISS") or another qualified independent third party, except that if ATFA believes the recommendation would not be in the best interest of the relevant portfolio and its shareholders, ATFA will consult the Board of the relevant Fund (or a Committee of the Board) and vote in accordance with instructions from the Board or Committee.

IV. DELEGATION OF PROXY VOTING AUTHORITY TO SUB-ADVISERS

ATFA delegates to each Sub-Adviser the responsibility to exercise voting authority with respect to securities held by the portfolio(s), or portion thereof, managed by the Sub-Adviser. Each Sub-Adviser is responsible for monitoring, evaluating and voting on all proxy matters with regard to investments the Sub-Adviser manages for the Funds in accordance with the Sub-Adviser's proxy voting policies and procedures adopted to comply with Rule 206(4)-6 (each, a "Sub-Adviser Proxy Policy" and collectively, the "Sub-Adviser Proxy Policies").

3

V. ADMINISTRATION, REVIEW AND SUBMISSION TO BOARD OF SUB-ADVISER PROXY POLICIES

APPOINTMENT OF PROXY ADMINISTRATOR

ATFA will appoint an officer to be responsible for collecting and reviewing the Sub-Adviser Proxy Policies and carrying out the other duties set forth herein (the "Proxy Administrator").

INITIAL REVIEW

On or before July 1, 2003, the Proxy Administrator will collect from each Sub-Adviser:

its Sub-Adviser Proxy Policy;

a certification from the Sub-Adviser that (i) its Sub-Adviser Proxy Policy is reasonably designed to ensure that the Sub-Adviser votes client securities in the best interest of clients, and that the Sub-Adviser Proxy Policy includes an explanation of how the Sub-Adviser addresses material conflicts that may arise between the Sub-Adviser's interests and those of its clients, (ii) the Sub-Adviser Proxy Policy has been adopted in accordance with Rule 206(4)-6, and (iii) the Sub-Adviser Proxy Policy complies the terms of Rule 206(4)-6; and

Edgar Filing: TRANSAMERICA INCOME SHARES INC - Form N-CSR

a summary of the Sub-Adviser Proxy Policy suitable for inclusion in the client Fund's registration statement, in compliance with Item 13(f) of Form N-1A, and a certification to that effect.

The Proxy Administrator will review each Sub-Adviser Proxy Policy with a view to ATFA making a recommendation to the Board. In conducting its review, ATFA recognizes that the Securities and Exchange Commission has not adopted specific policies or procedures for advisers, or provided a list of approved procedures, but has left advisers the flexibility to craft policies and procedures suitable to their business and the nature of the conflicts they may face. As a consequence, Sub-Adviser Proxy Policies are likely to differ widely. Accordingly, the Proxy Administrator's review of the Sub-Adviser Proxy Policies will be limited to addressing the following matters:

whether the Sub-Adviser Proxy Policy provides that the Sub-Adviser votes solely in the best interests of clients;

whether the Sub-Adviser Proxy Policy includes a description of how the Sub-Adviser addresses material conflicts of interest that may arise between the Sub-Adviser or its affiliates and its clients; and

whether the Sub-Adviser Proxy Policy includes both general policies and procedures as well as policies with respect to specific types of issues (for this purpose general policies include any delegation to a third party, policies relating to matters that may substantially affect the rights or privileges of security holders, and policies regarding the extent of weight given to the view of the portfolio company management; specific issues include corporate governance matters, changes to capital structure, stock option plans and other management compensation issues, and social corporate responsibility issues, among others).

The Proxy Administrator will review the certification provided pursuant to paragraph 1(b) above for completeness, and will review the summary provided pursuant to paragraph 1(c) above for compliance with the requirements of Form N-1A.

4

ATFA will provide to the Board (or a Board Committee), the materials referred to in Section V.B.1. and a recommendation pursuant to the Proxy Administrator's review of the Sub-Adviser Proxy Policy provided for in Section V.B.2.

ATFA will follow the same procedure in connection with the engagement of any new Sub-Adviser.

SUBSEQUENT REVIEW

ATFA will request that each Sub-Adviser provide ATFA with prompt notice of any material change in its Sub-Adviser Proxy Policy. ATFA will report any such changes at the next quarterly Board meeting of the applicable Fund. No less frequently than once each calendar year, ATFA will request that each Sub-Adviser provide ATFA with its current Sub-Adviser Proxy Policy, or certify that there have been no material changes to its Sub-Adviser Proxy Policy or that all material changes have been previously provided for review by ATFA and approval by the relevant Board(s), and that the Sub-Adviser Proxy Policy continues to comply with Rule 206(4)-6.

RECORD OF PROXY VOTES EXERCISED BY SUB-ADVISER

The Proxy Administrator, or a third party as permitted by regulations

Edgar Filing: TRANSAMERICA INCOME SHARES INC - Form N-CSR

issued by the Securities and Exchange Commission (such as ISS), will maintain a record of any proxy votes (including the information called for in Items 1(a) through (i) of Form N-PX) exercised by the Sub-Adviser on behalf of a portfolio of the Funds. The Proxy Administrator, or a third party as permitted by regulations issued by the Securities and Exchange Commission (such as ISS), will maintain a complete proxy voting record with respect to each Fund. If ATFA utilizes the services of a third party for maintaining the records above specified, ATFA shall obtain an undertaking from the third party that it will provide the records promptly upon request.

VI. ATFA EXERCISE OF PROXY VOTING AUTHORITY

USE OF INDEPENDENT THIRD PARTY

If ATFA is called upon to exercise voting authority on behalf of a Fund client, ATFA will vote in accordance with the recommendations of ISS or another qualified independent third party (the "Independent Third Party"), provided that ATFA agrees that the voting recommendation issued by the Independent Third Party reflects the best interests of the relevant portfolio and its shareholders.

CONFLICT WITH VIEW OF INDEPENDENT THIRD PARTY

If, in its review of the Independent Third Party recommendation, ATFA believes that the recommendation is not in the best interests of the Fund client, ATFA will submit to the Board (or a Board Committee) its reasons for disagreeing with the Independent Third Party, as well as full disclosure of any conflict of interest between ATFA or its affiliates and the Fund in connection with the vote, and seek consent of the Board (or Committee) with respect to ATFA's proposed vote.

ASSET ALLOCATION PORTFOLIOS

For any asset allocation portfolio managed by ATFA and operated, in whole or in part, as a "fund of funds", ATFA will vote proxies in accordance with the recommendations of the Board(s) of the Fund(s). If any such asset allocation portfolio holds shares of a registered investment company that is not

5

a portfolio of a Fund, ATFA will seek Board (or Committee) consent with respect to ATFA's proposed vote in accordance with the provisions of Section VI.B.

VII. CONFLICTS OF INTEREST BETWEEN ATFA OR ITS AFFILIATES AND THE FUNDS

The ATFA Proxy Voting Policy addresses material conflicts that may arise between ATFA or its affiliates and the Funds by, in every case where ATFA exercises voting discretion, either (i) providing for voting in accordance with the recommendation of the Independent Third Party or Board(s); or (ii) obtaining the consent of the Board (or a Board Committee) with full disclosure of the conflict.

VIII. RECORDKEEPING

RECORDS GENERALLY MAINTAINED

In accordance with Rule 204-2(c)(2) under the Advisers Act, the Proxy Administrator shall cause ATFA to maintain the following records:

RECORDS FOR ATFA EXERCISE OF PROXY VOTING AUTHORITY

In accordance with Rule 204-2(c)(2) under the Advisers Act, if ATFA exercises proxy voting authority pursuant to Section VI above, ATFA, or a third party as permitted by regulations issued by the Securities and Exchange Commission (such as ISS), shall make and maintain the following records:

proxy statements received regarding matters it has voted on behalf of Fund clients;

records of votes cast by ATFA; and

copies of any documents created by ATFA that were material to deciding how to vote proxies on behalf of Fund clients or that memorialize the basis for such a decision.

If ATFA utilizes the services of a third party for maintaining the records above specified, ATFA shall obtain an undertaking from the third party that it will provide the records promptly upon request.

RECORDS PERTAINING TO SUB-ADVISER PROXY POLICIES

The Proxy Administrator will cause ATFA and/or a third party as permitted by regulations issued by the Securities and Exchange Commission (such as ISS), to maintain the following records:

each Sub-Adviser Proxy Policy; and

the materials delineated in Article V above.

If ATFA utilizes the services of a third party for maintaining the records above specified, ATFA shall obtain an undertaking from the third party that it will provide the records promptly upon request.

6

IX. PROVISION OF ATFA PROXY POLICY TO FUND CLIENTS

The Proxy Administrator will provide each Fund's Board (or a Board Committee) a copy of the ATFA Proxy Policy at least once each calendar year.
