GENERAL

This information is being furnished to the stockholders of Consulier Engineering, Inc. (Consulier) to provide you with information and a description of the following corporate actions (Actions) to be taken by the written consent of the holders of a majority in interest of our issued and outstanding voting stock.

Subject to the affirmative authorization by our shareholders at the Annual Meeting, or by written consent of a majority in interest, on November 14, 2005, the Audit Committee recommended to our Board of Directors that the shareholders ratify the appointment of the firm of Goldstein Lewin & Co. as independent auditors for the year ended December 31, 2005. This ratification is to take effect as December 7, 2005.

Not holding a meeting of stockholders to approve this action is made possible by Florida Statutes which provides for action taken by shareholders without a meeting:

Section 617.0404(1). Unless otherwise provided in the articles of incorporation, action required or permitted by this act to be taken at an annual or special meeting of shareholders may be taken without a meeting, without prior notice, and without a vote if the action is taken by the holders of outstanding stock of each voting group entitled to vote thereon having not less than the minimum

number of votes with respect to each voting group that would be necessary to authorize or take such action at a meeting at which all voting groups and shares entitled to vote thereon were present and voted.

In order to minimize our costs and conserve working capital, the Board of Directors voted to utilize the written consent of the holders of a majority in interest of our voting securities as our alternative to holding an annual meeting for the 2004 year.
