January 31, 2007
Board of Directors of
Cryo-Cell International, Inc.
700 Brooker Creek Boulevard
Suite 1800
Oldsmar, Florida 34677

We filed an amended Form 13-D today on behalf of shareholders owning approximately 12% of the common stock of Cryo-Cell International, Inc. (the Company). Several of us have been long term shareholders and all of us believe that the Company has the potential to be an excellent business in an industry with a very bright future. However, we feel compelled to advise you that we are not only dissatisfied with the performance of the Company over the last several years, but also concerned about the manner in which the board of directors (the Board) has appeared to ignore the Company's and shareholders' best interests in order to satisfy the personal interests of management. This has manifested itself, among other things, in a consistent practice of approving excessive management compensation, including the granting of a disproportionate number of stock options to management despite its failure to achieve explicitly stated prior objectives. We find the Board's behavior inexplicable given the Company's subpar financial results. While we have been patient to this point, we cannot remain silent in the face of such unacceptable behavior. Furthermore, the Board appears to have recently amended the Company's bylaws for the sole purpose of placing substantive and procedural barriers to shareholders' actions. These amendments serve no purpose other than to entrench the Board and make the Company less receptive to shareholders' interests.

Members of the Board should keep in mind their fiduciary responsibilities to the Company's shareholders rather than their and management's self-interest. At this juncture, we have no reasonable choice other than to consider all alternatives to protect our rights and investment in the Company. Please be aware that any further actions by the Board to the detriment of current shareholders' rights and interests may result in the incurrence of personal liability by each Director individually, which may or may not be covered by the Company's indemnification provisions and insurance. We hope that the Board will act to ensure that any inappropriate actions that may have been taken in the past will not recur, that the investing public will be able to see confidence in the integrity of the Company and its management restored, and that further action will not be necessary to protect shareholder rights.

Please govern your actions accordingly. If any of you individually would like to discuss this matter further, please feel free to call me at 305-866-2948.

Very truly yours,

/s/ David Portnoy

Additionally, The Fidelity Account is valued at \$104,005.00 pursuant to our agreement dated December 9th, 2005. Therefore, if I was to cash out these accounts today or on December 9th, 2006, you would owe me \$369,005.00.

We have agreed to revise our Waterhouse II agreement and Fidelity Agreement as follows:

I agree to add an additional \$180,995.00 to the Waterhouse II account #34207610 by October 18th, 2006, bringing the global account balances to \$550,000.00 (Fidelity and Waterhouse II after the additional amount is added).

This letter confirms our agreement for my global investment of \$550,000.00 with you in these two accounts as described above. This investment is intended to last for a period until 12/09/07 after which date you personally guarantee to pay me any shortfall if the global combined account balance is worth less than \$550,000.00 upon my giving you 10 days written or faxed notice of my intent for reimbursement for the \$550,000.00 investment. In other words, you are unconditionally and personally guarantying that I will at least receive \$550,000.00 back on my \$550,000.00 investment after this 12 month period of time lapses. In the event that the global combined accounts exceed \$605,000.00 after this 12 month period lapses, we then agree to share all profits on a 75/25 basis (75% to me and 25% to you) as described below. For example, if the account balance is \$655,000.00 on 10/15/07, the profit (subject to our 75/25 split) would be \$50,000 which we will split 75% (me)/25% (you). My total return would be \$642,500 under this scenario and you would be paid \$12,500 (less the applicable capital gains tax amount) on an after-tax basis. If, however, the account has a value of between \$550,000 and \$605,000 on 10/15/07, I would receive all of the account value. If the account is worth \$540,000.00 on 10/15/07, then you would be responsible to add \$10,000 to the account so that I would be guaranteed at least \$550,000.00 which is the initial investment as described above. These examples are listed solely to clarify our agreement so that there is no doubt as to the investment and your personal guarantee thereon.

All tax consequences deriving from the usage of the account or trading in the account will be shared between us proportional to our respective earnings. Your share, if any, will be paid on an after tax basis.

This agreement (one page) supercedes all of our prior agreements relating to the Waterhouse II and Fidelity accounts and takes forces as of October 16th, 2006.
