This summary highlights the material features of the proposed transaction. To understand the merger fully and for a more complete description of the legal terms of the merger, you should read carefully this entire document and the documents to which we refer you. *See* Where You Can Find More Information on page [].

Holders of Coastal Financial Common Stock Will Receive Shares of BB&T Common Stock in the Merger (*see* page []).

Under the merger agreement, if the merger is completed, you will receive .385 of a share of BB&T common stock in exchange for each of your shares of Coastal Financial common stock.

No fractional shares of BB&T common stock will be issued in connection with the merger. Instead, cash will be paid for any fractional share of BB&T common stock to which you would otherwise be entitled.

The table below shows the closing price of BB&T common stock, Coastal Financial common stock and the equivalent price per share of Coastal Financial common stock on December 20, 2006 (the last full NYSE and NASDAQ Capital Market (NASDAQ) trading day before public announcement of the merger) and on [], 2007 (the last practicable trading date prior to the date of this proxy statement/ prospectus). The equivalent price per share of Coastal Financial common stock is calculated by multiplying the BB&T per share closing price by the exchange ratio of .385, which is the portion of a share of BB&T common stock that Coastal Financial shareholders will receive in the merger for each share of Coastal Financial common stock that they own.

	December 20, 2006	[], 2007
BB&T	\$ 44.27	
Coastal Financial	\$ 14.44	
Equivalent Price Per Share of Coastal Financial Common Stock	\$ 17.04	

Because the .385 exchange ratio is fixed, but the market price of BB&T will fluctuate prior to the merger, the equivalent price per share of Coastal Financial common stock will also fluctuate prior to the merger, and you will not know the final equivalent price per share of Coastal Financial common stock when you vote upon the merger.

Set forth below is a table showing a range of prices for a share of BB&T common stock and the corresponding equivalent price per share of Coastal Financial common stock that is to be converted into BB&T common stock in the merger. The table does not reflect the fact that cash will be paid instead of fractional shares.

You Generally Will Not Be Subject to Federal Income Tax on Shares Received in the Merger (page []).

For federal income tax purposes, the merger will be treated as a reorganization under Section 368(a) of the Internal Revenue Code of 1986, as amended (the Internal Revenue Code). As a result, except for cash paid instead of fractional shares, you generally will not recognize any taxable gain or loss on the conversion of your shares of Coastal Financial common stock into shares of BB&T common stock in the merger. Tax matters are complicated, and the tax consequences of the merger may vary among shareholders. We urge you to contact your own tax advisor for assistance in understanding fully how the merger will affect you.

BB&T Expects to Continue to Pay Quarterly Dividends.

BB&T currently pays regular quarterly cash dividends of \$0.42 per share of its common stock, or approximately \$0.16 per equivalent share of Coastal Financial common stock, and, over the past five years, has had a dividend payout ratio typically in the range of 40% to 50% of earnings and a compound annualized dividend growth rate of 10.3%. BB&T has increased its quarterly cash dividend payments for 35 consecutive years. BB&T expects that it will continue to pay quarterly dividends consistent with this payout ratio, but may change that policy based on business conditions, BB&T's financial condition, earnings, regulatory limitations or other factors.

Coastal Financial's Board of Directors Unanimously Recommends Shareholder Approval (page []).

The Coastal Financial Board of Directors believes that the merger is advisable and in the best interests of Coastal Financial shareholders and unanimously recommends that you vote FOR approval and adoption of the merger agreement.

Coastal Financial's Board of Directors Received a Fairness Opinion from Keefe, Bruyette & Woods, Inc. (page []; Appendix B).

Coastal Financial's financial advisor, Keefe, Bruyette & Woods, Inc. (KBW), has given an opinion to the Coastal Financial Board of Directors that, as of December 20, 2006 (the date the merger agreement was executed) and based on and subject to the considerations described in its opinion, the merger consideration was fair from a financial point of view to holders of shares of Coastal Financial common stock. The full text of this opinion is attached as Appendix B to this proxy statement/ prospectus. We encourage you to read the opinion carefully to understand the assumptions made, matters considered and limitations of the review undertaken by KBW in rendering its fairness opinion. The opinion of KBW has not been updated prior to the date of this document and does not reflect any change in circumstances after December 20, 2006. Upon completion of the merger, KBW will be entitled to a fee in the amount of 0.9% of the market value of the aggregate consideration, determined by reference to the closing price of

BB&T's common stock as of December 21, 2006, payable by BB&T to the Coastal Financial shareholders in the merger plus reimbursement of its reasonable expenses. Based on the closing price of BB&T common stock as of December 21, 2006, KBW would be entitled to a fee of approximately \$3.5 million as of the closing date of the merger.

The employment/consulting agreement provides that Mr. Gerald will serve as an Executive Vice President of Branch Bank for a term lasting up to seven years following the completion of the merger. However, on the later of the one-year anniversary of the completion of the merger or the three-month anniversary of the completion of the merger of Coastal Federal Bank with and into Branch Bank, Mr. Gerald may elect to relinquish his position as an employee and become an independent consultant to Branch Bank. Whether Mr. Gerald remains an employee of Branch Bank or elects to become an independent consultant, the maximum term of the employment/consulting agreement will be seven years, unless the parties agree in writing to extend the term of the agreement.

For his services as an Executive Vice President, Mr. Gerald will receive a minimum annual base salary of \$288,750. In addition, while Mr. Gerald is employed by Branch Bank, he will be eligible to receive incentive compensation (such as stock options, restricted stock and other equity awards) and employee retirement benefits on the same terms as similarly situated officers of Branch Bank.

If Mr. Gerald elects to become an independent consultant to Branch Bank, he will be paid \$288,750 annually in exchange for providing consulting services and as consideration for noncompetition and other covenants contained in the employment/consulting agreement. As an independent consultant, Mr. Gerald will not be eligible to participate in any of Branch Bank's employee benefit plans, except for elective coverage under group health plan benefits. Branch Bank and Mr. Gerald each will have certain rights to terminate the employment/consulting agreement and Mr. Gerald may be entitled to certain payments following termination. Advisory Board. Following completion of the merger, BB&T will ask each member of the Coastal Financial Board of Directors to serve on the BB&T local advisory board serving the region formerly served by Coastal Financial. BB&T will pay compensation to such directors for their service on the BB&T local advisory board for a period of two years after completion of the merger consistent with the existing fee structure offered by Coastal Financial to such directors. After the expiration of such two-year period, if a director continues to serve on the local advisory board, BB&T will pay compensation to such director for his service on the BB&T local advisory board consistent with BB&T's fee policies and age limits for advisory board members.

The Coastal Financial Board of Directors was aware of these and other interests and considered them when it approved and adopted the merger agreement. The material terms and financial provisions of these arrangements are described under the heading "Certain Interests of Coastal Financial's Directors and Officers in the Merger" on page [].

BB&T Will Assume Coastal Financial Stock Options (page []).

When the merger is completed, outstanding options to purchase Coastal Financial common stock, whether or not then exercisable, granted to Coastal Financial employees and directors under Coastal Financial's equity-based plans will be assumed by BB&T and become options with respect to BB&T common stock (or substitute options to acquire BB&T common stock will be granted). At its election, BB&T may substitute, as of the effective time of the merger, options under the BB&T Corporation 2004 Stock Incentive Plan or any other duly adopted comparable plan for all or a part of the Coastal Financial stock options, subject to certain conditions provided for in the merger agreement. The number of shares subject to these options (and the exercise price thereof), will be adjusted to reflect the exchange ratio.

Regulatory Approvals Must be Obtained for the Merger to Occur (page []).

The merger is subject to the approval of, or notice to, certain regulatory authorities, including the Board of Governors of the Federal Reserve (Federal Reserve), the South Carolina Board of Financial Institutions,

Table of Contents

the Georgia Department of Banking and Finance and the Virginia Bureau of Financial Institutions. In addition, following the effective time of the merger, Coastal Federal Bank is expected to be merged with and into Branch Bank, subject to the approval of, or notice to, the Federal Deposit Insurance Corporation, the Office of Thrift Supervision and the North Carolina Commissioner of Banks. Although BB&T does not know of any reason why it would not obtain regulatory approval in a timely manner, BB&T cannot be certain when such approval will be obtained or if it will be obtained.

There Are Other Conditions That Must Be Satisfied or Waived Before BB&T and Coastal Financial Are Able To Complete the Merger (page []).

A number of other conditions must be met for us to complete the merger, including:

approval of the merger agreement by the holders of a majority of Coastal Financial's outstanding common stock;

the continuing accuracy of the parties' representations in the merger agreement;

compliance, in all material respects, by each party with its obligations and covenants under the merger agreement;

the continuing effectiveness of the registration statement filed with the Securities and Exchange Commission covering the shares of BB&T common stock to be issued in the merger;

the approval for listing on the NYSE of the shares of BB&T common stock issuable pursuant to the merger agreement; and

the absence of any order, decree or injunction of a court or agency of competent jurisdiction which enjoins or prohibits completion of the transactions contemplated by the merger agreement.

Termination of the Merger Agreement (pages []).

We can mutually agree at any time to terminate the merger agreement without completing the merger. Either company also can unilaterally terminate the merger agreement if:

the merger is not completed by October 1, 2007;

the shareholders of Coastal Financial do not approve the merger;

any condition that must be satisfied to complete the merger cannot be satisfied or fulfilled;

the other company violates, in a material way, any of its representations, warranties or obligations under the merger agreement and the violation is not cured in a timely fashion; or

any of the required regulatory approvals are denied, and the time period for appeals and requests for reconsideration have expired.

Generally, the company seeking to terminate cannot itself be in violation of the merger agreement in a way that would allow the other party to terminate.

BB&T may also terminate the merger agreement if, prior to the completion of the merger, the Coastal Financial Board of Directors:

withdraws its recommendation or refuses to recommend, without any adverse conditions or qualifications, to the shareholders of Coastal Financial that they approve the merger agreement; or

recommends the approval of a competing acquisition proposal for Coastal Financial.

BB&T and Coastal Financial May Amend the Merger Agreement (page []).

At any time before the effective date of the merger, BB&T and Coastal Financial can agree to amend the merger agreement in any way, unless any such amendment would violate applicable law or require resubmission of the merger agreement to Coastal Financial's shareholders for approval. Either company can

Table of Contents

waive any of the requirements of the other company contained in the merger agreement, except that neither company can waive any required regulatory approval.

In Some Circumstances Coastal Financial May Be Required to Pay BB&T a Termination Fee (page []).

Under the limited circumstances described below, Coastal Financial will be required to pay to BB&T a termination fee of \$15 million.

The termination fee would be payable if the merger agreement is terminated for one of the following reasons:

BB&T terminates because Coastal Financial is in material breach of the merger agreement and such breach is not cured or cannot be cured;

BB&T terminates because prior to the Coastal Financial shareholders' meeting, the Coastal Financial Board of Directors withdrew or disclosed its intention to withdraw or materially and adversely modify its recommendation, or refused to recommend, without any adverse conditions or qualifications, to the Coastal Financial shareholders that they vote to approve the merger agreement, or recommended to Coastal Financial shareholders that they approve an acquisition of Coastal Financial by a third party; or

Either Coastal Financial or BB&T terminates because the Coastal Financial shareholders did not vote to approve the merger agreement.

AND

Prior to such termination an acquisition proposal by a third party with respect to Coastal Financial has been commenced, publicly proposed or publicly disclosed.

AND

Within 18 months of termination of the merger agreement, Coastal Financial enters into an agreement or completes a transaction with another party with respect to the acquisition of Coastal Financial.

The termination fee also would be payable by Coastal Financial to BB&T IF:

After receiving an acquisition proposal from a third party, the Coastal Financial Board does not take action to convene the Coastal Financial shareholders' meeting and/or recommend that Coastal Financial shareholders adopt the merger agreement.

AND

Within 18 months of termination of the merger agreement, Coastal Financial enters into an agreement or completes a transaction with another party with respect to the acquisition of Coastal Financial.

The termination fee, which was a condition of BB&T's willingness to enter into the merger agreement, limits the ability of Coastal Financial to pursue competing acquisition proposals and discourages other companies from offering to acquire Coastal Financial.

BB&T to Use Purchase Accounting Treatment (page []).

BB&T will account for the merger using the purchase method of accounting. Under the purchase method, BB&T will record, at fair value, the acquired assets and assumed liabilities of Coastal Financial. To the extent the total purchase price exceeds the fair value of tangible and identifiable intangible assets acquired over the liabilities assumed, BB&T will record goodwill. Based on a closing price of \$[] of BB&T common stock on the NYSE on [], 2007, management of BB&T estimates that the total merger consideration (including issuance of common stock and assumption of options on common stock) if the closing occurred on such date would be approximately \$[] million (based on the number of fully diluted shares of Coastal Financial outstanding on that date). Utilizing information as of December 31, 2006, estimated goodwill and other intangibles are currently expected to total approximately \$278.6 million. BB&T will include in its consolidated results of operations the results of Coastal Financial's operations after the merger is completed. Due to the fact

Table of Contents

that the proposed transaction is not material to BB&T, no pro forma financial information is included in this proxy statement/ prospectus, except to the extent included under Comparative Per Share Data on page [] of this proxy statement/ prospectus.

- (2) The pro forma combined information incorporates historical dividends of BB&T because BB&T currently has no intention of changing its dividend policy as a result of the merger. Table of Contents**RISK FACTORS**

In addition to the other information included in this proxy statement/prospectus, you should carefully consider the matters described below in determining whether to approve the merger agreement. Please also refer to the additional risk factors identified in "A Warning About Forward-Looking Information" on page [] and in the periodic reports and other documents of BB&T and Coastal Financial incorporated by reference into this document and listed in "Where You Can Find More Information" on page [].

Because the Market Price of BB&T Common Stock May Fluctuate, You Cannot be Sure of the Market Value of the BB&T Common Stock that You Will Receive in the Merger.

You will receive .385 of a share of BB&T common stock for each share of Coastal Financial common stock if the merger is completed. The merger agreement does not provide for any adjustment to the exchange ratio for changes in the stock price of either of Coastal Financial's or BB&T's stock. Changes in the price of BB&T common stock from the date of the merger agreement, from the date of this proxy statement/prospectus and from the date of the special meeting will affect the value of the merger consideration that you receive in the merger. On December 20, 2006, the day before the merger was announced, the per share closing price for BB&T common stock on the New York Stock Exchange was \$44.27, or an equivalent price per share of Coastal Financial common stock of \$17.04. On [], 2007, the most recent practicable date before the mailing of this proxy statement/prospectus, the closing price was [\$], or an equivalent price per share of Coastal Financial common stock of [\$]. BB&T's common stock price may increase or decrease before and after the merger due to a variety of factors, including, without limitation, general market and economic conditions, changes in BB&T's businesses, operations and prospects and regulatory considerations. Many of these factors are beyond BB&T's control.

Coastal Financial's Executive Officers and Directors Have Interests in the Merger in Addition to or Different from Your Interests as a Coastal Financial Shareholder.

Coastal Financial's board of directors directed the negotiation of the merger agreement with BB&T, approved the merger agreement and is recommending that Coastal Financial shareholders vote for the merger agreement. In considering these facts and the other information contained in this proxy statement/prospectus, you should be aware that certain of Coastal Financial's executive officers and directors have economic interests in the merger in addition to the interests that they share with you as a Coastal Financial shareholder. As described in detail under the heading "The Merger - Certain Interests of Coastal Financial's Directors and Officers in the Merger" on page [], there are substantial financial interests to be conveyed to certain executive officers of Coastal Financial under the terms of certain existing employment agreements. In addition, as a condition to BB&T's willingness to enter into the merger agreement, Michael C. Gerald, Coastal Financial's President and Chief Executive Officer, has entered into an employment agreement with Branch Bank to be effective following the merger. Each director of Coastal Financial is expected to serve on a Branch Bank local advisory board following the merger and will receive compensation for the two years following the effective time of the merger for such service equal to the compensation they have received from their service on the Coastal Financial board of directors. See "The Merger - Certain Interests of Coastal Financial's Directors and Officers in the Merger - Advisory Boards."

The Fairness Opinion Obtained by Coastal Financial From its Financial Advisor Will not Reflect Changes in Circumstances Prior to the Merger.

Keefe, Bruyette & Woods, Inc., the financial advisor to Coastal Financial, has delivered a fairness opinion to the Board of Directors of Coastal Financial. The opinion states that as of December 20, 2006, and subject to the

limitations and qualifications set forth in the opinion, the exchange ratio in the merger is fair from a financial point of view to Coastal Financial's shareholders. The opinion does not reflect changes that may occur or may have occurred after December 20, 2006, including changes to the operations and prospects

Table of Contents

of Coastal Financial or BB&T, changes in general market and economic conditions or other factors. Because Coastal Financial does not plan to ask KBW to update its opinion, the December 20, 2006 opinion may not accurately address the fairness of the merger consideration, from a financial point of view, at the time the merger is completed.

Coastal Financial's Shareholders Will Not Control BB&T's Future Operations.

Following the merger, Coastal Financial shareholders in the aggregate will become the owners of approximately 1.5% of the outstanding shares of BB&T common stock. Accordingly, former Coastal Financial shareholders will not have a significant impact on the election of directors or on whether future BB&T proposals to its shareholders are approved or rejected.

The realization of cost savings and the amount of merger or restructuring charges are subject to the risk that the foregoing assumptions are inaccurate and actual results may be materially different from those expressed or implied by the forward-looking statements. Any statements in this document about the anticipated accretive effect of the merger and BB&T's anticipated performance in future periods are subject to risks relating to, among other things, the following possibilities:

adverse changes may occur in the securities markets; and

competitors of BB&T and Coastal Financial may have greater financial resources and develop products that enable such competitors to compete more successfully than BB&T and Coastal Financial.

Holders of record of Coastal Financial common stock are entitled to one vote per share on any matter which may properly come before the special meeting. Votes may be cast at the special meeting in person or by proxy.

The presence at the special meeting, either in person or by proxy, of the holders of a majority of the outstanding Coastal Financial common stock entitled to vote, is necessary to constitute a quorum in order to transact business at the special meeting. However, in the event that a quorum is not present at the special

meeting, it is expected that the special meeting will be adjourned or postponed in order to solicit additional proxies.

Attending the Special Meeting

If you are a beneficial owner of Coastal Financial common stock held by a broker, bank or other nominee (i.e., in street name), you will need proof of ownership to be admitted to the special meeting. A recent brokerage statement or letter from a bank or broker are examples of proof of ownership.

Vote Required

The presence, in person or by properly executed proxy, of a majority of the Coastal Financial common stock entitled to vote is necessary to constitute a quorum at the special meeting. All votes for or against, as well as all abstentions, will be counted for the purpose of determining whether a quorum is present. Brokers who hold shares of Coastal Financial common stock as nominees will not have discretionary authority to vote such shares in the absence of instructions from the beneficial owners of those shares. Any shares which are not voted because the nominee-broker lacks such discretionary authority (broker non-votes) will nevertheless be counted for the purpose of determining whether a quorum is present.

Approval and adoption of the merger agreement will require the affirmative vote of holders of a majority of the shares of Coastal Financial common stock entitled to vote on the record date. In determining whether the proposal to approve and adopt the merger agreement has received the requisite number of affirmative votes, broker non-votes and abstentions will have the same effect as a vote against the proposal.

Approval of the proposal to adjourn the special meeting, if necessary, to solicit additional proxies, and action on any other matter that is properly presented at the special meeting for consideration of the shareholders require the affirmative vote of a majority of the votes cast at the special meeting. Because the required vote is based on the affirmative vote of a majority of the votes cast, failures to vote, abstentions and broker non-votes will not be treated as votes cast and, therefore, will have no effect on either the proposal to adjourn the special meeting, if necessary, to solicit additional proxies, or any other matter that is properly presented. The Coastal Financial Board of Directors is not aware of any other business to be presented at the special meeting other than as described above and other than matters incidental to the conduct of the special meeting.

As noted above, failures to vote, abstentions and broker non-votes will have the same effect as votes against the merger agreement. Accordingly, the Coastal Financial Board of Directors urges you to complete, date and sign the accompanying proxy and return it promptly in the enclosed postage prepaid envelope or to otherwise vote your shares in another approved manner.

You should not return your stock certificates with your proxy cards. The procedure for surrendering your stock certificates is described under *The Merger Exchange of Coastal Financial Stock Certificates* on page [].

As of the record date, Coastal Financial's directors and executive officers and their affiliates may be deemed to be the beneficial owners of approximately []% of the outstanding shares of Coastal Financial common stock (not including shares that may be acquired upon the exercise of stock options). As of the record date, the directors and officers of BB&T, their affiliates, BB&T and its subsidiaries owned less than 1% of the outstanding shares of Coastal Financial common stock. Coastal Financial expects that its directors and executive officers who are able to vote their shares in favor of the merger agreement will do so, although none of them has entered into any agreements obligating them to vote their shares in favor of the merger agreement.

How to Vote in Person

If your shares are registered directly in your name, you are considered the shareholder of record, and you may vote in person at the special meeting. If you want to vote your shares of Coastal Financial common stock held in street name in person at the special meeting, you will have to get a written proxy in your name from

the broker, bank or other nominee who holds your shares. The grant of a proxy on the enclosed proxy card does not preclude a shareholder from voting in person.

How to Vote by Proxy

Whether you hold shares directly as the shareholder of record or beneficially in street name, you may direct how your shares are voted without attending the special meeting. If you are a shareholder of record, you may vote as described below. If you hold shares beneficially in street name, you may vote by submitting voting instructions to your broker, trustee or nominee. For directions on how to vote, please refer to the instructions below and those included on your proxy card. For shares of Coastal Financial common stock held beneficially in street name, please review the voting instruction card provided by your bank or brokerage firm.

Shareholders of record of Coastal Financial common stock may submit proxies by completing, signing and dating the enclosed proxy card and mailing them in the accompanying pre-addressed envelopes. Coastal Financial's shareholders who hold shares beneficially in street name may vote by mail by completing, signing and dating the voting instruction cards provided by their bank or brokerage firm and mailing them in the accompanying pre-addressed envelopes.

How Proxies Work

Shares represented by properly submitted proxies received in time for the special meeting will be voted at the special meeting in the manner specified by such proxies unless the proxies are revoked as described below. If your proxy is properly executed but does not contain voting instructions, your proxy will be voted **FOR** approval of the merger agreement and **FOR** approval of the proposal to adjourn the special meeting, if necessary, to solicit additional proxies.

If other matters are properly presented before the special meeting, the persons named in such proxy will have authority to vote in accordance with their judgment on any other such matters. It is not expected that any matter other than as described in this proxy statement/ prospectus will be brought before the special meeting.

How to Revoke a Proxy

You may revoke a proxy at any time prior to your proxy being voted at the special meeting by:

prior to the special meeting, delivering a written notice of revocation bearing a later date or time than the proxy to 2619 Oak Street, Myrtle Beach, South Carolina 29577, Attention: Corporate Secretary; or

prior to the special meeting, submitting another proxy by mail or by hand delivery that is later dated and that is properly signed, dated and completed.

Attendance at the special meeting will not by itself constitute revocation of a proxy; you must specifically revoke as described above.

Solicitation of Proxies

BB&T and Coastal Financial will each pay 50% of the cost of printing this proxy statement/ prospectus, and Coastal Financial will pay all other costs of soliciting proxies from record and beneficial owners of Coastal Financial common stock. Directors, officers and other employees of Coastal Financial or its subsidiaries may solicit proxies personally, by telephone, by facsimile or otherwise. None of these people will receive any special compensation for solicitation activities. Coastal Financial has hired Georgeson Shareholder Services, a proxy solicitation firm, to assist in soliciting proxies for a fee of \$7,500 plus \$4.75 per call made or received by the firm and reimbursement of reasonable

expenses. Coastal Financial will arrange with brokerage firms and other custodians, nominees and fiduciaries for the forwarding of solicitation material to the beneficial owners of stock held of record by such brokerage firms and other custodians, nominees and fiduciaries, and Coastal Financial will reimburse these record holders for their reasonable out-of-pocket expenses.

Table of Contents

If Coastal Financial's shareholders vote to adjourn the special meeting, if necessary, to solicit additional proxies, the special meeting may be adjourned without notice, other than by an announcement made at the special meeting. Any adjournment or postponement of the special meeting for the purpose of soliciting additional proxies will allow Coastal Financial shareholders who have already sent in their proxies to revoke them at any time prior to their use.

Recommendation of the Coastal Financial Board of Directors

The Coastal Financial Board of Directors has unanimously approved the merger agreement and believes that the proposed transaction is advisable and in the best interests of Coastal Financial and its shareholders. **The Coastal Financial Board of Directors unanimously recommends that Coastal Financial's shareholders vote FOR approval of the merger agreement.** See "The Merger - Background of and Reasons for the Merger" on page []. Members of Coastal Financial's Board of Directors will receive benefits from the merger that are in addition to those received by other Coastal Financial shareholders. These benefits are described in the "Certain Interests of Coastal Financial's Directors and Officers in the Merger" section beginning on page [].

THE MERGER

The following information describes the material aspects of the merger. This description does not purport to be complete, and is qualified in its entirety by reference to the appendices to this proxy statement/prospectus, including the merger agreement, which is attached to this proxy statement/prospectus as Appendix A and incorporated herein by reference. All shareholders are urged to read the appendices in their entirety.

General

The merger agreement provides for the merger of Coastal Financial into BB&T, with BB&T being the surviving corporation in the merger. Coastal Financial is a Delaware corporation which is governed by the Delaware General Corporation Law (DGCL), Coastal Financial's Certificate of Incorporation and Coastal Financial's Bylaws. BB&T is a North Carolina corporation which is governed by the North Carolina Business Corporation Act (NCBCA), BB&T's Articles of Incorporation and BB&T's Bylaws. On the effective date of the merger, each share of Coastal Financial common stock then issued and outstanding will be converted into, and exchanged for, the right to receive .385 of a share of BB&T common stock. Shares held by Coastal Financial or BB&T, other than shares held in a fiduciary capacity or as collateral for debts previously contracted, will not be converted to BB&T common stock.

Background of and Reasons for the Merger

Early in the Fall of 2006, Coastal Financial's senior management began work on Coastal Financial's Fiscal 2007 Budget and was finalizing Coastal Financial's Vision 2010 Strategic Plan. In the process of formulating the Fiscal 2007 Budget and finalizing the Vision 2010 Strategic Plan, senior management became aware of the potential range of value that could be realized per share of Coastal Financial common stock in a merger or acquisition transaction based on the pricing of recent merger and acquisition transactions involving companies comparable to Coastal Financial. These recent transactions consisted of six (6) merger and acquisition transactions, publicly announced between January 1, 2006 and September 18, 2006, involving bank and thrift institutions in the Southeast with transaction values at the time of announcement of greater than \$100 million (name and state of the target institution appears second): UCBH Holdings, Inc./Summit Bank Corporation (Georgia); Park National Corporation/Vision Bancshares, Inc. (Florida); Royal Bank of Canada/FLAG Financial Corporation (Georgia); National City Corporation/Fidelity Bancshares, Inc. (Florida); National City Corporation/Harbor Florida Bancshares, Inc. (Florida); and Mercantile Bankshares Corporation/James Monroe Bancorp, Inc. (Virginia).

On October 9, 2006, Michael C. Gerald, Coastal Financial's President and Chief Executive Officer, and Jerry L. Rexroad, Coastal Financial's Executive Vice President and Chief Financial Officer, telephoned Muldoon Murphy & Aguggia LLP, Coastal Financial's special legal counsel, to discuss the processes by which Coastal Financial could obtain a more complete understanding of the prevailing mergers and acquisitions market as it proceeded with formulating the Fiscal 2007 Budget and completing the Vision 2010 Strategic Plan. Special legal counsel discussed and reviewed with Messrs. Gerald and Rexroad the general parameters of such processes and the important role that an independent financial advisor to Coastal Financial would play in the processes.

On October 11, 2006, Messrs. Gerald and Rexroad telephoned special legal counsel to follow-up on their October 9, 2006, telephone conversation. After further discussion with special legal counsel, Messrs. Gerald and Rexroad directed special legal counsel to contact Keefe, Bruyette & Woods, Inc. (KBW) to schedule a meeting to discuss the prevailing mergers and acquisitions environment, potential business combination partners for Coastal Financial, and the potential value that Coastal Financial could realize in a merger or acquisition transaction. Mr. Gerald, a member of the Executive Committee of Coastal Financial's Board of Directors, informed special legal counsel that he had

consulted with two of the other three members of the Executive Committee (James P. Creel and James T. Clemmons), both of whom were in favor of such an informational meeting. James H. Dusenbury, the other member of the Executive Committee, was out of town.

On October 19, 2006, Messrs. Gerald, Creel, Clemmons and Rexroad, along with special legal counsel, met with representatives of KBW in Raleigh, North Carolina. Mr. Dusenbury was unable to attend because he was out of town. KBW reviewed and discussed the current mergers and acquisitions environment, a financial

overview of Coastal Financial, a valuation analysis of Coastal Financial based on recent transaction pricing involving institutions comparable to Coastal Financial, and an overview of the process Coastal Financial could undertake should its Board of Directors decide to explore a potential merger or acquisition transaction. The valuation analysis that KBW presented consisted of a comparable transactions analysis and a competitive, or capacity to pay, analysis. The comparable transactions analysis examined the bank and thrift acquisitions in the Southeast announced since December 31, 2004 with transaction values at the time of announcement of greater than \$100 million and calculated the median values for the following pricing metrics: multiple of price to last twelve months earnings per share (22.9 times), multiple of price to estimated earnings per share (21.6 times), price to stated book value (273%), and price to tangible book value (322%). These median values are not materially different from the median values that KBW calculated in connection with the similar analysis that KBW undertook in connection with rendering its fairness opinion as discussed under *The Merger Opinion of Coastal Financial's Financial Advisor Selected Transaction Analysis*. In the competitive analysis, which is not a part of the analysis that KBW undertook in connection with rendering its fairness opinion, KBW identified a universe of potential acquirors, including BB&T, and for each one calculated the proposed per share price the acquirer could potentially pay under varying combinations of cash and stock merger consideration mixes so that the proposed price would be break-even to the acquiror's estimated 2007 cash earning per share as calculated by KBW. Following extensive discussion, it was unanimously decided that a meeting of the full Board of Directors was warranted to review the Fiscal 2007 Budget and Vision 2010 Strategic Plan in light of KBW's presentation and to determine the Board of Directors' interest in exploring a potential merger or acquisition transaction. When Mr. Dusenbury returned to town, Mr. Gerald fully briefed Mr. Dusenbury regarding the subject matter of the meeting and Mr. Dusenbury expressed his support of the decision to convene a meeting of the full Board of Directors.

On October 27, 2006, a special meeting of the Coastal Financial Board of Directors was held at an off-site location in Myrtle Beach, South Carolina. All directors were present other than E. Lawton Benton and W. Cecil Worsley, III who were unable to attend because of scheduling conflicts. Mr. Rexroad, special legal counsel and KBW also were present. Mr. Gerald fully briefed the directors regarding the events leading up to the meeting. KBW gave an extensive presentation that focused on, among other things, KBW's qualifications, the current market environment, a financial overview of Coastal Financial, a list of potential merger and acquisition partners, and an analysis of processes that Coastal Financial could undertake to explore a potential merger or acquisition transaction. Extensive discussion and questions and answers followed the presentation, after which KBW was excused.

Following a brief recess, Mr. Rexroad presented an overview of the Vision 2010 Strategic Plan and extensive discussion ensued regarding Coastal Financial's prospects as embodied in the Vision 2010 Strategic Plan. The Vision 2010 Strategic Plan, a summary financial forecast through the end of fiscal year 2010 based on Coastal Financial's historical financial results, sets forth management's assumed best estimate financial performance scenario and identifies the significant economic and business risks that could prevent Coastal Financial from achieving the forecasted results. While the directors in attendance shared senior management's current optimism regarding Coastal Financial's prospects despite increasingly competitive pressures and the increasing regulatory and compliance burden confronting mid-size, independent, community financial institutions, particularly compliance with the requirements of the Sarbanes-Oxley Act, it was the consensus of the directors present that it might be in the best interests of Coastal Financial's shareholders to initiate a process to explore a potential merger or acquisition transaction. Other than Coastal Financial pursuing its Vision 2010 Strategic Plan as an independent entity, the directors did not specifically consider other alternatives designed to increase shareholder value. After special legal counsel gave a presentation that focused on the fiduciary duties of directors and the relevant legal issues associated with conducting an exploratory process, and following additional discussion and questions and answers, the directors in attendance unanimously adopted resolutions authorizing an exploratory process, appointing Messrs. Gerald, Creel, Clemmons, Dusenbury and Rexroad (ex officio member) as the Strategic Planning Committee to undertake the exploratory process, and authorizing the formal engagement of KBW as exclusive financial advisor and Muldoon Murphy & Aguggia LLP as special legal counsel. Mr. Gerald informed the directors present that Messrs. Benton and Worsley had been fully

briefed regarding the subject matter of the meeting and had expressed their support of undertaking an exploratory process. Special legal counsel also advised those present regarding their confidentiality

obligations and the restrictions on insider trading, noting specifically that the topics that had been discussed and the actions authorized by the Board of Directors at the meeting constitute material, non-public information and that Coastal Financial's insider trading policy requires the imposition of appropriate trading black-outs. The directors present, in consultation with special legal counsel, also discussed the possible adoption of a proposed Coastal Federal Bank Change in Control Severance Compensation Plan, which would apply only to eligible employees without employment agreements (and would not apply to Coastal Financial's executive officers), noting that its adoption would serve the best interests of Coastal Financial by promoting employee stability and continuity in connection with the exploratory process and any resulting merger or acquisition transaction that may be consummated. No formal action was taken on the plan at the meeting.

In the evening of October 27, 2006, special legal counsel telephoned KBW to inform it of the Board of Directors decision to initiate an exploratory process and to retain KBW as Coastal Financial's exclusive financial advisor. Over the ensuing days, KBW, in consultation with Coastal Financial's senior management and special legal counsel, prepared a Confidential Memorandum containing financial (including internal financial forecasts) and other information regarding Coastal Financial for distribution to interested parties following their execution of confidentiality agreements. While the Confidential Memorandum was being prepared, KBW contacted twenty-eight (28) institutions, without revealing Coastal Financial's identity, to determine their interest in receiving confidential information regarding a company with Coastal Financial's financial and demographic characteristics.

On November 8, 2006, the Strategic Planning Committee met, with special legal counsel and Mr. Creel participating by telephone. The Strategic Planning Committee reviewed and discussed the proposed engagement letters of special legal counsel and KBW and unanimously authorized Mr. Gerald to execute the agreements on behalf of Coastal Financial as directed. The Strategic Planning Committee also reviewed the proposed Coastal Federal Bank Change in Control Severance Compensation Plan that had been introduced at the Board of Directors' meeting on October 27, 2006, and discussed a Retention Bonus Program, which would pay bonuses intended to encourage the retention of employees with knowledge of Coastal Financial's systems and processes that are integral to the merger integration process, to be incorporated as part of any merger or acquisition negotiations. However, Coastal Financial's executive officers with employment agreements with Coastal Financial would not be eligible to participate in any such Retention Bonus Program. The Strategic Planning Committee discussed the pros and cons of each matter with special legal counsel and unanimously concluded that each would be in the best interest of Coastal Financial because it would promote employee stability and continuity in connection with the exploratory process and any resulting merger or acquisition transaction that may be consummated in the future. The Strategic Planning Committee directed that the Coastal Federal Bank Change in Control Severance Compensation Plan be submitted to the full Board of Directors for approval at the earliest practicable time. The Board of Directors unanimously approved the Coastal Federal Bank Change in Control Severance Compensation Plan on November 22, 2006.

As discussed above, KBW had contacted twenty-eight (28) institutions, without revealing Coastal Financial's identity, to determine their interest in receiving confidential information regarding a company with Coastal Financial's financial and demographic characteristics. Of those institutions, eight (8) institutions, all large regional financial institution holding companies, expressed interest, of which seven (7) institutions executed confidentiality agreements during mid-November and thereafter received a copy of the Confidential Memorandum. BB&T executed a confidentiality agreement on November 14, 2006. The Confidential Memorandum instructed recipients to submit non-binding written indications of interest to KBW by November 30, 2006. On that date, BB&T and another institution submitted their respective indication of interest. The other five (5) institutions did not submit indications of interest.

On December 4, 2006, Coastal Financial's Board of Directors held a special meeting at an off-site location in Myrtle Beach, South Carolina. All directors, Mr. Rexroad, special legal counsel and KBW were present. KBW reviewed the results of the exploratory process and the indications of interest submitted by BB&T and the other institution. BB&T proposed an all-stock transaction that valued Coastal Financial stock at \$16.36 per share based on a proposed

exchange ratio of 0.38 shares of BB&T common stock for each share of Coastal Financial common stock and BB&T's closing stock price of \$43.04 per share on November 29, 2006. The other institution proposed an aggregate transaction value of \$370 million, which implied a value of

Table of Contents

\$16.06 per share of Coastal Financial common stock based on an all-stock transaction, but the institution indicated that its pricing flexibility was limited and that an increase in price, if any, would be subject to the completion of additional due diligence. Mr. Gerald reported that, at the request of Burney S. Warren, BB&T's Executive Vice President/Mergers & Acquisitions, he met with Mr. Warren on November 29, 2006, to discuss BB&T's indication of interest and related matters. Mr. Gerald stated that, during their meeting, he and Mr. Warren discussed the perceived merits of a merger between BB&T and Coastal Financial given their cultural similarities and complementary business and market areas, among other things, integration issues, including with respect to Coastal Financial's employees, as well as BB&T's desire to negotiate an employment contract with Mr. Gerald in connection with any definitive merger agreement. There was extensive discussion regarding the indications of interest as well as Coastal Financial's prospects if it remained independent and pursued its Vision 2010 Strategic Plan in the current and expected business and regulatory compliance environments. Following extensive discussion, the representatives of KBW and Mr. Rexroad were excused from the meeting to allow all the directors to discuss the matters under consideration in consultation with special legal counsel. Thereafter, Mr. Gerald excused himself so that the non-employee directors could continue such discussion without any members of management present. Among other matters, the non-employee directors considered the various business risks associated with Coastal Financial remaining independent, including senior management succession planning.

Following this discussion among the non-employee directors, Messrs. Gerald and Rexroad rejoined the meeting. It was the consensus of the Board of Directors to pursue a proposed merger with BB&T provided that BB&T reconsider the proposed 0.38 exchange ratio given that the other competing party had expressed pricing flexibility. At the direction of the Board of Directors, the KBW representative telephoned BB&T and reported to the Board of Directors later in the day that BB&T had agreed to increase the exchange ratio to 0.385 of a share of BB&T common stock for each share of Coastal Financial common stock. The increase in the exchange ratio increased the value of Coastal Financial's common stock from \$16.36 per share to \$16.57 per share, or by \$0.21 per share, based on BB&T's closing stock price of \$43.04 per share on November 29, 2006. The Board of Directors determined not to contact the other institution to give it an opportunity to increase its proposed price. In reaching that determination, the Board of Directors considered, in addition to price and the other institution's indication of limited price flexibility, BB&T's earnings and other business prospects, its proven track record of successfully consummating business combination transactions, its community banking focus and culture, and its higher current dividend. Following further discussion, the Board of Directors unanimously adopted resolutions authorizing senior management, in consultation with special legal counsel and KBW, to negotiate a definitive merger agreement with BB&T consistent with the terms of BB&T's indication of interest letter, as revised by BB&T's verbal agreement to increase the exchange ratio.

On December 12, 2006, BB&T provided Coastal Financial's special counsel with a draft of the merger agreement and the parties negotiated the terms of the agreement over the following days. Both BB&T and Coastal Financial conducted their respective due diligence reviews during that week.

On December 20, 2006, Coastal Financial held its regular monthly meeting of its Board of Directors. All directors were present. In the late afternoon, all officers, other than Mr. Rexroad, were excused from the meeting and representatives of special legal counsel and of KBW joined the meeting. A copy of the definitive merger agreement that had been negotiated, as well as the ancillary documents, had been sent to each director on December 18, 2006. KBW made a presentation regarding the fairness of the proposed merger consideration to Coastal Financial's shareholders from a financial point of view and delivered its written opinion that, as of December 20, 2006, and subject to the limitations and qualifications set forth in the opinion, the proposed merger consideration was fair to Coastal Financial's shareholders from a financial point of view. The Board of Directors considered KBW's opinion carefully, as well as KBW's experience, qualifications and interest in the proposed transaction. Special legal counsel reviewed in detail the terms of the merger agreement and ancillary documents. The results of the due diligence review of BB&T were reported to the Board of Directors. Among other matters, the directors discussed the value of severance obligations under various employment and change in control agreements that Coastal Financial had entered into with

members of management. Following these presentations and discussion, the directors unanimously determined that execution of the merger agreement was advisable and in the best interests of Coastal Financial and its shareholders and authorized Mr. Gerald to

Table of Contents

execute and deliver the merger agreement on behalf of Coastal Financial and to take all actions necessary to effect the proposed transaction according to the terms of the definitive merger agreement.

On December 21, 2006, before opening of the stock market, Coastal Financial and BB&T issued a joint press release announcing the execution of the merger agreement.

Coastal Financial's Reasons for the Merger

Coastal Financial's full Board of Directors approved the merger agreement by a unanimous vote. In addition, Coastal Financial's Board of Directors has unanimously recommended that Coastal Financial's shareholders vote **FOR** approval of the merger agreement.

Coastal Financial's Board of Directors has determined that the merger is advisable and in the best interests of Coastal Financial and its shareholders. In approving the merger agreement, Coastal's Board of Directors consulted with KBW regarding the fairness of the transaction to Coastal Financial's shareholders from a financial point of view and with Coastal Financial's special legal counsel regarding its legal duties and the terms of the merger agreement and ancillary documents. In determining to approve the merger agreement and recommend that shareholders approve the merger agreement, Coastal Financial's Board of Directors, in consultation with Coastal Financial's senior management and financial and legal advisors, considered a number of factors, including the following material factors:

The understanding of Coastal Financial's Board of Directors of the strategic options available to Coastal Financial and the Board of Directors' assessment of those options with respect to the prospects and estimated results of the execution by Coastal Financial of its business plan as an independent entity under various scenarios, and the determination that none of those options or the execution of the business plan under the best case scenarios were likely to create greater present value for Coastal Financial's shareholders than the value, based on the exchange ratio, to be paid by BB&T. In reaching this determination, the Board of Directors took note that the implied value of BB&T's common stock on December 20, 2006 of \$17.04 per share was slightly below the top end of the indicated terminal value range of \$12.86 to \$17.30 per share of Coastal Financial common stock that KBW calculated under its discounted cash flow analysis. The Board of Directors considered the assumptions underlying the discounted cash flow analysis, particularly the assumption that Coastal Financial would grow earnings by 15% annually in 2008 through 2012, and determined that realization of the present value indicated at or near the top end of the terminal value range is subject to a substantial degree of uncertainty given the Board of Director's assessment of the various economic and business risks confronting Coastal Financial as an independent entity. For additional information, see *The Merger Opinion of Coastal Financial's Financial Advisor Discounted Cash Flow Analysis*. In reaching its determination to approve the merger agreement, the Board of Directors also considered KBW's contribution analysis that analyzed the relative contribution of each of Coastal Financial and BB&T to the pro forma balance sheet and income statement of the combined entity based on various contribution categories. The analysis indicated that Coastal Financial's estimated pro forma ownership percentage of the combined entity was 1.6%, which was higher than all measured contribution categories except tangible equity whose indicated contribution percentage was 1.7%. The Board of Directors considered the various contribution categories as a whole and determined that the difference between the indicated pro forma ownership and tangible equity percentages was not significant given the relative size disparity between Coastal and BB&T. For additional information see *The Merger Opinion of Coastal Financial's Financial Advisor Contribution Analysis*.

The ability of Coastal Financial's shareholders to participate in the future prospects of the combined entity through ownership of BB&T common stock and that Coastal Financial's shareholders would have potential value appreciation by owning the common stock of BB&T.

The substantially increased diversification and liquidity afforded by an investment in the common stock of BB&T, and the approximate 223% increase in dividend payout based on BB&T's and Coastal Financial's respective annual dividends as of December 19, 2006.

The foregoing information and factors considered by Coastal Financial's Board of Directors is not exhaustive, but includes all material factors that the Board of Directors considered and discussed in approving the merger agreement and recommending that Coastal Financial's shareholders vote to approve the merger agreement. In view of the wide variety of factors considered and discussed by Coastal Financial's Board of Directors in connection with its evaluation of the merger and the complexity of these factors, the Board of Directors did not consider it practical to, nor did it attempt to, quantify, rank or otherwise assign any specific or relative weights to the specific factors that it considered in reaching its decision; rather it considered all of the factors as a whole. Coastal Financial's Board of Directors discussed and considered the foregoing factors and reached general consensus that the merger was in the best interests of Coastal Financial and its shareholders. In considering the foregoing factors, individual directors of Coastal Financial may have assigned different weights to different factors. Coastal Financial's Board of Directors relied on the experience and expertise of KBW for quantitative analysis of the financial terms of the merger agreement. *See* The Merger Opinion of Coastal Financial's Financial Advisor on page []. It should be noted that this explanation of the reasoning of Coastal Financial's Board of Directors and all other information presented in this section is forward-looking in nature and, therefore, should be read in light of the factors discussed under A Warning About Forward-Looking Statements on page [].

For the reasons set forth above, the Coastal Financial Board of Directors has unanimously approved and adopted the merger agreement as advisable and in the best interests of Coastal Financial and its shareholders and unanimously recommends that the Coastal Financial shareholders vote FOR the approval and adoption of the merger agreement.

BB&T's Reasons for the Merger

One of BB&T's announced objectives is to pursue in-market and contiguous state acquisitions of banks and thrifts in the \$500 million to \$15 billion asset size range. BB&T's management believes that the acquisition of Coastal Financial is consistent with this strategy, and will enable BB&T to accomplish its goal of expanding its presence in South Carolina and North Carolina and increasing BB&T market share in the Myrtle Beach, South Carolina and Wilmington, North Carolina metropolitan areas. The merger also provides BB&T with an opportunity to sell its array of banking and insurance products to Coastal Financial's client base.

In evaluating the merger, BB&T analyzed the projected financial effects of the merger against established investment criteria that BB&T consistently applies. BB&T does not require that every individual investment

Table of Contents

criterion be met, and a failure to meet one of the criteria may be offset or compensated for by favorable results in evaluating other criteria. The BB&T Board of Directors determined that its established investment criteria were met. Below are BB&T's seven investment criteria (listed in order of importance) and the projected results of the Coastal Financial merger with respect to each as presented to BB&T:

Criterion: The transaction must be accretive to cash earnings per share by the second full year following the merger. BB&T's analysis indicated that the merger would be accretive to cash earnings per share the second full year following the merger.

Criterion: The transaction must be accretive to earnings per share, as determined in accordance with generally accepted accounting principles, by the third full year following the merger. BB&T's analysis indicated that the merger would be accretive in the third full year following the merger.

Criterion: The projected performance of Coastal Financial must conform to BB&T's internal rate of return criteria. BB&T's current minimum internal rate of return for this type of investment is 15% or better. BB&T's analysis indicated the projected internal rate of return of Coastal Financial will be better than 15%.

Criterion: The transaction must be accretive to cash basis return on equity by the third full year following the merger. BB&T's analysis indicated that the merger would be accretive to cash basis return on equity in the second full year following the merger.

For more information concerning the factors that could affect actual results, *see* A Warning About Forward-Looking Information on page [].

In reaching its determination that the merger agreement is fair to, and in the best interests of, BB&T and its shareholders, the BB&T Board of Directors considered the above factors, as well as the following:

The acquisition is consistent with BB&T's strategy of pursuing in-market (Carolinas/ Virginia/ West Virginia/ D.C./ Maryland/ Georgia/ Kentucky/ Tennessee/ Florida) and contiguous state acquisitions of high quality banks and thrifts.

The acquisition is consistent with past acquisitions that have been successfully executed.

The transaction will provide BB&T with the following:

the opportunity to sell a broad array of banking and insurance products to Coastal Financial's client base;

an expanded presence in South Carolina and North Carolina, with BB&T continuing to have the third highest market share in South Carolina and the third highest in North Carolina;

an increase in market share rank to first from fourth in the Myrtle Beach federal banking market; and

an increased presence in the Wilmington federal banking market, where BB&T already has the No. 1 market share.

The terms of the merger, including the exchange ratio, were the result of arms length negotiations between representatives of Coastal Financial and representatives of BB&T. The BB&T Board of Directors did not assign any specific weight to the factors in its consideration. The Board collectively made its determination with respect to the merger based on the conclusion reached by its members, in light of the factors that each of them considered appropriate, that the merger is in the best interests of the shareholders of BB&T.

Opinion of Coastal Financial's Financial Advisor

Coastal Financial engaged Keefe, Bruyette & Woods, Inc. (KBW) to act as its exclusive financial advisor to render financial advisory and investment banking services to Coastal Financial in connection with the possible sale of Coastal Financial or an interest in Coastal Financial to another business organization, whether by merger or a sale of all or substantially all of Coastal Financial's assets. KBW agreed to assist Coastal Financial in analyzing and effecting a transaction with BB&T. Coastal Financial selected KBW because KBW is a nationally recognized investment banking firm with substantial experience in transactions similar to the merger and is familiar with Coastal Financial and its business and with Southeastern financial institutions and their respective businesses, particularly BB&T and its business. As part of its investment banking business, KBW is continually engaged in the valuation of financial businesses and their securities in connection with mergers and acquisitions.

On December 20, 2006, Coastal Financial's Board of Directors held a meeting to consider the proposed merger with BB&T. At this meeting, KBW reviewed the financial aspects of the proposed merger and rendered a written opinion that, as of that date, the merger consideration was fair to the shareholders of Coastal Financial from a financial point of view.

The full text of KBW's written opinion is attached as Appendix B to this document and is incorporated herein by reference. Coastal Financial's shareholders are urged to read the opinion in its entirety for a description of the procedures followed, assumptions made, matters considered, and qualifications and limitations on the review undertaken by KBW.

KBW's opinion is directed to the Coastal Financial Board of Directors and addresses only the fairness, from a financial point of view, of the merger consideration to the Coastal Financial shareholders. It does not address the underlying business decision to proceed with the merger and does not constitute a recommendation to any Coastal Financial shareholder as to how the shareholder should vote at the Coastal Financial special meeting on the merger agreement or any related matter.

In rendering its opinion, KBW:

reviewed, among other things,

the merger agreement,

Annual Reports on Form 10-K for the three years ended September 30, 2006, 2005 and 2004 of Coastal Financial,

Annual Reports to Shareholders and Annual Reports on Form 10-K for the three years ended December 31, 2005, 2004 and 2003 of BB&T,

other financial information concerning the respective businesses and operations of Coastal Financial and BB&T furnished to KBW by Coastal Financial and BB&T for purposes of KBW's analysis;

held discussions with members of senior management of Coastal Financial and BB&T regarding

past and current business operations,

regulatory relationships,

financial condition,

results of operations, and

future prospects of the respective companies;

reviewed the market prices, valuation multiples, publicly reported financial condition and results of operations for BB&T and compared them with those of certain publicly traded companies that KBW deemed to be relevant;

reviewed the market prices, valuation multiples, publicly reported financial condition and results of operations for Coastal Financial and compared them with those of certain publicly traded companies that KBW deemed to be relevant;

compared the proposed financial terms of the merger with the financial terms of certain other transactions that KBW deemed to be relevant; and

performed other studies and analyses that KBW considered appropriate.

In conducting its review and analyses and in arriving at its opinion, KBW relied upon and assumed the accuracy and completeness of all of the financial and other information provided to or otherwise made available to KBW or that was discussed with, or reviewed by KBW, or that was publicly available. KBW did not attempt or assume any responsibility to verify such information independently. KBW relied upon the management of Coastal Financial as to the reasonableness and achievability of the financial and operating forecasts and projections (and assumptions and bases therefor) provided to KBW. KBW assumed, without independent verification, that the aggregate allowances for loan and lease losses for BB&T and Coastal Financial are adequate to cover those losses. KBW did not make or obtain any evaluations or appraisals of any assets or liabilities of BB&T or Coastal Financial, and KBW did not examine any books and records (except as noted herein) or review individual credit files.

The projections furnished to KBW and used by it in certain of its analyses were prepared by Coastal Financial's senior management. Coastal Financial does not publicly disclose internal management projections of the type provided to KBW in connection with its review of the merger. As a result, such projections were not prepared with a view towards

public disclosure. The projections were based on numerous variables and assumptions which are inherently uncertain, including factors related to general economic and competitive conditions. Accordingly, actual results could vary significantly from those set forth in the projections.

For purposes of rendering its opinion, KBW assumed that, in all respects material to its analyses:

the merger will be completed substantially in accordance with the terms set forth in the merger agreement;

the representations and warranties of each party in the merger agreement and in all related documents and instruments referred to in the merger agreement are true and correct;

Table of Contents

each party to the merger agreement and all related documents will perform all of the covenants and agreements required to be performed by such party under such documents;

all conditions to the completion of the merger will be satisfied without any waivers; and

in the course of obtaining the necessary regulatory, contractual, or other consents or approvals for the merger, no restrictions, including any divestiture requirements, termination or other payments or amendments or modifications, will be imposed that will have a material adverse effect on the future results of operations or financial condition of the combined entity or the contemplated benefits of the merger, including the cost savings, revenue enhancements and related expenses expected to result from the merger.

KBW further assumed that the merger will be accounted for as a purchase transaction under U.S. generally accepted accounting principles. KBW's opinion is not an expression of an opinion as to the prices at which shares of Coastal Financial common stock or shares of BB&T common stock will trade following the announcement of the merger and is not an expression of an opinion as to the actual value of the shares of common stock of BB&T when issued pursuant to the merger, or the prices at which the shares of common stock of BB&T will trade following the completion of the merger.

In performing its review and analyses, KBW made numerous assumptions with respect to industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond the control of KBW, Coastal Financial and BB&T. Any estimates contained in the analyses performed by KBW are not necessarily indicative of actual values or future results, which may be significantly more or less favorable than suggested by these analyses. Additionally, estimates of the value of businesses or securities do not purport to be appraisals or to reflect the prices at which such businesses or securities might actually be sold. Accordingly, these analyses and estimates are inherently subject to substantial uncertainty. In addition, the KBW opinion was among several factors relied upon by the Coastal Financial Board of Directors in making its determination to approve the merger agreement and the merger. Consequently, the analyses described below should not be viewed as determinative of the decision of the Coastal Financial Board of Directors with respect to the approval of the merger agreement.

The following is a summary of the material analyses performed by KBW in connection with its December 20, 2006 opinion. The summary is not a complete description of the analyses underlying the KBW opinion or the presentation made by KBW to the Coastal Financial Board of Directors, but summarizes the material analyses performed and presented in connection with such opinion. The preparation of a fairness opinion is a complex analytic process involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances. Therefore, a fairness opinion is not readily susceptible to partial analysis or summary description. In arriving at its opinion, KBW did not attribute any particular weight to any analysis or factor that it considered, but rather made qualitative judgments as to the significance and relevance of each analysis and factor. The financial analyses summarized below include information presented in tabular format. Accordingly, KBW believes that its analyses and the summary of its analyses must be considered as a whole and that selecting portions of its analyses and factors or focusing on the information presented below in tabular format, without considering all analyses and factors or the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of the process underlying its analyses and opinion. The tables alone do not constitute a complete description of the financial analyses.

Transaction Summary

KBW calculated the merger consideration to be paid as a multiple of Coastal Financial's book value per share, tangible book value per share and latest twelve months' earnings per share. KBW also calculated the merger consideration to be paid as a Core Deposit Premium. Core Deposit Premium equals the difference between the aggregate merger consideration and Coastal Financial's tangible equity divided by core deposits. Additionally, KBW has adjusted throughout its analyses the financial data to exclude any non-recurring income and expenses and any extraordinary items. The merger consideration was based on a fixed exchange ratio of 0.385 of a share of BB&T for each share of Coastal Financial, with 100% of the merger consideration

Table of Contents

being paid in BB&T common stock. These computations were based on Coastal Financial's stated book value per share of \$5.20 as of September 30, 2006, tangible book value per share of \$5.20 as of September 30, 2006, Coastal Financial's latest twelve months diluted earnings per share of \$0.85 as of September 30, 2006 and core deposits of \$795.6 million as of September 30, 2006. Based on those assumptions and BB&T's closing price per share of \$44.32 on December 19, 2006, this analysis indicated Coastal Financial shareholders would receive BB&T common stock worth \$17.06 for each share of Coastal Financial common stock held. Assuming 100% stock consideration, the per share merger consideration of \$17.06 would represent 328% of book value per share, 328% of tangible book value per share, 20.1 times latest twelve months earnings per share and a Core Deposit Premium of 35.5%.

KBW also analyzed the financial data for the period ended September 30, 2006 for Coastal Financial and reporting periods prior to the announcement of each transaction for each target in the Selected Transactions Analysis. The results were as follows:

Comparable Targets:

	Median	Low	High	Coastal Financial
Equity / Assets	7.21%	5.79%	11.37%	6.80%

No company or transaction used as a comparison in the above analysis is identical to BB&T, Coastal Financial or the merger. Accordingly, an analysis of these results is not purely mathematical. Rather, it involves complex considerations and judgments concerning differences in financial and operating characteristics of the companies and other factors that could affect the value of the companies to which they are being compared.

Discounted Cash Flow Analysis

Using discounted dividends analysis, KBW estimated the present value of the future stream of dividends that Coastal Financial could produce over the next five years, under various circumstances, assuming Coastal Financial performed in accordance with management's earnings forecasts for 2007, earnings are grown 15.0% annually in 2008-2012, and Coastal Financial maintains a dividend payout ratio of 20.0% annually in all years. KBW then estimated the terminal values for Coastal Financial common stock at the end of the period by applying multiples ranging from 12.0x to 14.0x projected earnings in year six. The terminal values were then discounted to present values using different discount rates (ranging from 12.0% to 16.0%) chosen to reflect different assumptions regarding the required rates of return to holders or prospective buyers of Coastal Financial common stock. This discounted dividend analysis indicated reference ranges of between \$12.86 and \$17.30 per share of Coastal Financial common stock. These values compare to the merger consideration offered by BB&T to Coastal Financial in the merger of \$17.06 per share of Coastal Financial common stock as of December 19, 2006.

Relative Stock Price Performance

KBW also analyzed the price performance of BB&T common stock from December 31, 2003 to December 19, 2006 and compared that performance to the performance of the Philadelphia Exchange/Keefe, Bruyette & Woods Bank Index (Keefe Bank Index) over the same period. The Keefe Bank Index is a market cap weighted price index composed of 24 major bank and thrift holding company stocks. The Keefe Bank Index is traded on the Philadelphia Exchange under the symbol BKX . This analysis indicated the following cumulative changes in price over the period:

BB&T	14.7%
Keefe Bank Index	20.5

Table of Contents*Contribution Analysis*

KBW analyzed the relative contribution of each of Coastal Financial and BB&T to the pro forma balance sheet and income statement items of the combined entity, including assets, gross loans, deposits, equity, tangible equity and latest twelve months earnings. This analysis excluded any purchase accounting adjustments. The pro forma ownership analysis assumed the aggregate deal value was in the form of 100% BB&T common stock and was based on BB&T's closing price per share of \$44.32 on December 19, 2006. The results of KBW's analysis are set forth in the following table:

Financial Impact Analysis

KBW performed pro forma merger analyses that combined projected income statement and balance sheet information. Assumptions regarding the accounting treatment, acquisition adjustments and cost savings were used to calculate the financial impact that the merger would have on certain projected financial results of the pro forma company. This analysis indicated that the merger is expected to be neutral to BB&T's estimated 2007 GAAP and Cash earnings per share and accretive to BB&T's estimated 2008 GAAP and Cash earnings per share. This analysis was based on First Call's 2007 and 2008 published earnings estimate for BB&T and Coastal Financial's 2007 earnings projections provided by Coastal Financial's senior management. First Call is a data service that monitors and publishes a compilation of earnings estimates produced by selected research analysts regarding companies of interest to institutional investors. KBW assumed 15% earnings growth over management's 2007 projections to estimate Coastal Financial's 2008 earnings and estimated cost savings equal to 40.0% of Coastal Financial's projected non-interest expenses. For all of the above analyses, the actual results achieved by pro forma company following the merger may vary from the projected results and any variations may be material.

fee equal to 0.9% of the market value of the aggregate consideration offered in exchange for the outstanding shares of common stock of Coastal Financial in the transaction, as measured on the date of announcement. Based on BB&T's closing price of \$44.27 per share on December 20, 2006, KBW's fee is approximately \$3.55 million. Pursuant to the KBW engagement agreement, Coastal Financial also agreed to reimburse KBW for reasonable out-of-pocket expenses and disbursements incurred in connection with its retention and to indemnify KBW against certain liabilities, including liabilities under the federal securities laws. Before this transaction, KBW has not had an investment banking relationship with Coastal Financial.

Merger Consideration

Under the merger agreement, you will receive .385 of a share of BB&T common stock in exchange for each of your shares of Coastal Financial common stock.

No fractional shares of BB&T common stock will be issued in connection with the merger. Instead, cash will be paid for any fractional share of BB&T common stock to which you would otherwise be entitled.

BB&T common stock is listed for quotation on the NYSE under the symbol BBT. On December 20, 2006, which was the last trading day prior to the announcement of the merger, the price of BB&T common stock closed at \$44.27 per share, and on [], 2007, the price of BB&T common stock closed at [\$] per share. The value of the BB&T common stock you receive in the merger at the effective time of the merger will depend on the market value of BB&T common stock at that time.

You should be aware that the market value of a share of BB&T common stock will fluctuate, and neither BB&T nor Coastal Financial can give you any assurance as to what the price of BB&T common stock will be when the merger becomes effective or when certificates for those shares are delivered following surrender in exchange of your certificates for shares of BB&T common stock. We urge you to obtain information on the market value of BB&T common stock that is more recent than that provided in this proxy statement/prospectus. See Summary Comparative Market Prices and Dividends on page [].

Exchange of Coastal Financial Stock Certificates

When the merger is completed, without any action on the part of Coastal Financial or the Coastal Financial shareholders, shares of Coastal Financial common stock will be converted into and will represent the right to receive, upon surrender of the certificate representing such shares as described below, the merger consideration described above, including cash instead of any fractional share of BB&T common stock that would otherwise be issued. Promptly after the merger becomes effective, BB&T will deliver or mail to you a form of letter of transmittal and instructions for surrender of your Coastal Financial stock certificates. When you properly surrender your certificates, or provide other satisfactory evidence of ownership, and return the letter of transmittal duly executed and completed in accordance with its instructions and any other documents as may be reasonably requested, BB&T will promptly deliver to you the merger consideration and cash in lieu of a fractional share, if any, to which you are entitled, subject to any applicable escheat laws.

You should not send in your stock certificates until you receive the letter of transmittal and instructions.

After the merger is completed, and until surrendered as described above, each outstanding Coastal Financial stock certificate will be deemed for all purposes to represent only the right to receive the merger consideration. No interest will be paid or accrued on any cash payable for fractional shares as part of the merger consideration. With respect to any Coastal Financial stock certificate that has been lost or destroyed, BB&T will pay the merger consideration attributable to the shares represented by such certificate upon receipt of a surety bond or other adequate indemnity, as

required in accordance with BB&T's standard policy, and evidence reasonably satisfactory to BB&T of ownership of the shares in question. When the merger is completed, Coastal Financial's transfer books will be closed and no transfer of the shares of Coastal Financial stock outstanding immediately before the time that the merger becomes effective will be made on BB&T's stock transfer books.

Table of Contents

To the extent permitted by law, after the merger becomes effective, you will be entitled to vote at any meeting of BB&T shareholders the number of whole shares of BB&T common stock into which your shares of Coastal Financial stock are converted, regardless of whether you have exchanged your Coastal Financial stock certificates for BB&T stock certificates. Whenever BB&T declares a dividend or other distribution on the BB&T common stock which has a record date after the merger becomes effective, the declaration will include dividends or other distributions on all shares of BB&T common stock issuable under the merger agreement. However, no dividend or other distribution payable to the holders of record of BB&T common stock will be delivered to you until you surrender your Coastal Financial stock certificate for exchange as described above. Upon surrender of your Coastal Financial stock certificate, the certificate representing the BB&T common stock into which your shares of Coastal Financial stock have been converted, together with cash instead of any fractional share of BB&T common stock to which you would otherwise be entitled and any undelivered dividends, will be delivered and paid to you, without interest.

Effective Date and Time of the Merger

The merger will become effective at the time and date specified in the articles of merger to be filed with the North Carolina Secretary of State and the certificate of merger to be filed with the Delaware Secretary of State. Each of Coastal Financial and BB&T has agreed:

to use reasonable best efforts in good faith to satisfy the conditions necessary to complete the transactions contemplated by the merger agreement as promptly as practicable;

not to take any action that would adversely affect the desired income tax consequences of the merger; and

not to knowingly take any action that is intended to or is reasonably likely to result in any representation or warranty being or becoming untrue at or before the effective time of the merger, any conditions to completing the merger not being satisfied, or any material violation of the merger agreement.

Except with the prior written consent of BB&T, until the merger is effective, neither Coastal Financial nor any of its subsidiaries may:

conduct their businesses other than in the ordinary and usual course;

fail to use reasonable efforts to preserve intact their business organizations and assets and maintain their rights, franchises and existing relations with customers, suppliers, employees and business associates;

voluntarily take any action likely to have an adverse effect upon Coastal Financial's ability to perform any of its material obligations under the merger agreement;

enter into any new material line of business;

enter into, establish, adopt or amend any benefit plans;

materially change its lending, investment, underwriting, risk, asset liability management or other banking and operating policies, except as required by applicable law, regulations, policies or directives imposed by any governmental authority;

issue any shares of capital stock, other than in connection with the exercise of outstanding options or, consistent with past practice, in connection with awards of restricted stock and stock options to directors, officers, and employees under the Coastal Financial stock option plans;

incur additional indebtedness other than in the ordinary course of business consistent with past practice;

sell or otherwise dispose of any material assets, acquire any material assets or make certain capital expenditures;

increase the compensation or employee benefits of its directors, officers or employees except in the ordinary course of business consistent with past practice or as otherwise disclosed in connection with the merger agreement;

amend its certificate/articles of incorporation or bylaws;

implement or adopt any change in accounting principles, practices or methods except as required by generally accepted accounting principles or as permitted by the merger agreement; or

declare or pay any dividends or other distributions on capital stock other than (i) quarterly cash dividends in an amount not to exceed the per share amount declared and paid in its most recent regular quarterly cash dividend, (ii) dividends from a Coastal Financial subsidiary to Coastal Financial, and (iii) dividends paid by Coastal Real Estate Investment Corporation to its preferred stockholders. Coastal Financial and BB&T will coordinate their dividends pending the merger so that Coastal Financial shareholders will receive, during the quarter in which

the merger becomes effective, a dividend from either BB&T or Coastal Financial, but not both.

No Solicitation of Other Acquisition Proposals by Coastal Financial

Coastal Financial may not solicit or encourage inquiries or proposals with respect to, or engage in any negotiations concerning, or provide any confidential information to, or have any discussions with, any person relating to any acquisition proposal, except to the extent that the Coastal Financial Board, after consultation with independent legal counsel, determines in good faith that it is probable that the failure to take such action would be a breach of its fiduciary duties under applicable Delaware law. Upon execution of the merger agreement, Coastal Financial agreed to immediately cease and cause to be terminated any activities,

Table of Contents

discussions or negotiations conducted prior to the date of the merger agreement with any parties other than BB&T with respect to any acquisition proposal and to use its reasonable best efforts to enforce any confidentiality or similar agreement relating to any acquisition proposal. Coastal Financial must promptly advise BB&T of the receipt by Coastal Financial of any acquisition proposal and the substance thereof (including the identity of the person making such acquisition proposal), and advise BB&T of any material developments with respect to such acquisition proposal promptly.

Acquisition proposal means any tender or exchange offer, proposal for a merger, consolidation or other business combination involving Coastal Financial or any of its subsidiaries, or any proposal or offer to acquire in any manner a substantial equity interest in, or a substantial portion of the assets or deposits of, Coastal Financial or any of its subsidiaries, other than the transactions contemplated by the merger agreement.

Waiver; Amendment; Termination; Expenses

Except with respect to any required regulatory approval and the requirement for Coastal Financial's shareholders to approve the merger agreement, BB&T or Coastal Financial may at any time (whether before or after approval of the merger agreement by the Coastal Financial shareholders) extend the time for the performance of any of the obligations or other acts of the other party and may waive:

any inaccuracies of the other party in the representations or warranties contained in the merger agreement or any document delivered pursuant to the merger agreement;

compliance with any of the covenants, undertakings or agreements of the other party, or satisfaction of any of the conditions precedent to its obligations, contained in the merger agreement; or

the performance by the other party of any of its obligations set out in the merger agreement.

The parties may also mutually amend or supplement the merger agreement in writing at any time unless any such amendment or supplement would violate applicable law or require resubmission of the merger agreement to Coastal Financial's shareholders for approval. In order to be valid, the waiving party must provide a written waiver to the other party.

The merger agreement may be terminated, and the merger may be abandoned:

at any time before the merger becomes effective, by the mutual consent in writing of BB&T and Coastal Financial;

at any time before the merger becomes effective, by BB&T or Coastal Financial in the event of either: (i) a breach by the other party of any representation or warranty contained in the merger agreement, which breach cannot be or has not been cured within 30 days after the giving of written notice to the breaching party of such breach; or (ii) a breach by the other party of any of the covenants or agreements contained in the merger agreement, which breach cannot be or has not been cured within 30 days after the giving of written notice to the breaching party of such breach, *provided that* (A) such breach would entitle the non-breaching party not to consummate the merger, and (B) the terminating party is not itself in material breach of any provision of the merger agreement;

at any time before the merger becomes effective, by BB&T or Coastal Financial, if its Board of Directors so determines by vote of a majority of the members of its entire Board, in the event that the merger is not consummated by October 1, 2007, except to the extent that the failure of the merger to be consummated arises

out of or results from the knowing action or inaction of the party seeking to terminate the merger agreement;

by Coastal Financial or BB&T in the event (i) the approval of any governmental authority required for consummation of the merger and the other transactions contemplated by the merger agreement shall have been denied by final nonappealable action of such governmental authority or an application therefore shall have been permanently withdrawn at the invitation, request or suggestion of a governmental authority; (ii) the Coastal Financial shareholders fail to approve and adopt the merger

Table of Contents

agreement at the Coastal Financial shareholders meeting; or (iii) any of the closing conditions have not been met as required by the merger agreement; or

by BB&T, if (i) the Coastal Financial Board of Directors submits the merger agreement to its shareholders without a recommendation for approval or with any adverse conditions on, or qualifications of, such recommendation for approval; (ii) the Coastal Financial Board of Directors otherwise withdraws or materially and adversely modifies (or discloses its intention to withdraw or materially and adversely modify) its recommendation; or (iii) the Coastal Financial Board of Directors recommends to its shareholders an acquisition proposal other than the merger.

If the merger agreement is terminated pursuant to any of the provisions described above, the merger agreement will become void and have no effect, except that (a) provisions in the merger agreement relating to confidentiality, the termination fee and expenses will survive the termination and (b) a termination for an uncured breach of a covenant or agreement or inaccuracy in a representation or warranty will not relieve the breaching party from liability or damages for that breach or inaccuracy.

Each party will pay the expenses it incurs in connection with the merger agreement and the merger, except that printing expenses and Securities and Exchange Commission filing fees incurred in connection with the registration statement and this proxy statement/ prospectus will be paid 50% by BB&T and 50% by Coastal Financial.

Termination Fee

Under the circumstances described below, Coastal Financial will be required to pay to BB&T a termination fee of \$15 million.

The termination fee would be payable IF the merger agreement is terminated for one of the following reasons:

BB&T terminates because Coastal Financial is in material breach of the merger agreement and such breach is not cured or cannot be cured;

BB&T terminates because prior to the Coastal Financial shareholders meeting, the Coastal Financial Board of Directors withdrew or disclosed its intention to withdraw or materially and adversely modify its recommendation, or refused to recommend, without any adverse conditions or qualifications, to the Coastal Financial shareholders that they vote to approve the merger agreement, or recommended to Coastal Financial shareholders that they approve an acquisition of Coastal Financial by a third party; or

Either Coastal Financial or BB&T terminates because the Coastal Financial shareholders did not vote to approve the merger agreement.

AND

Prior to such termination an acquisition proposal by a third party with respect to Coastal Financial has been commenced, publicly proposed or publicly disclosed.

AND

Within 18 months of termination of the merger agreement, Coastal Financial enters into an agreement or completes a transaction with another party with respect to the acquisition of Coastal Financial.

The termination fee also would be payable to BB&T IF

After receiving an acquisition proposal from a third party, the Coastal Financial Board does not take action to convene the Coastal Financial shareholders meeting and/or recommend that Coastal Financial shareholders adopt the merger agreement.

AND

Within 18 months of termination of the merger agreement, Coastal Financial enters into an agreement or completes a transaction with another party with respect to the acquisition of Coastal Financial.

Table of Contents

The termination fee, which was a condition of BB&T's willingness to enter into the merger agreement, limits the ability of Coastal Financial to pursue competing acquisition proposals and discourages other companies from offering to acquire Coastal Financial.

Certain Interests of Coastal Financial's Directors and Officers in the Merger

Some of Coastal Financial's directors and executive officers have interests in the merger that differ from, or are in addition to, their interests as Coastal Financial shareholders. In the case of some executive officers of Coastal Financial, these interests exist because of rights under existing employment/consulting agreements with and benefit and compensation plans of Coastal Financial, as well as under an employment agreement that Michael C. Gerald has entered into with Branch Bank, a wholly owned subsidiary of BB&T, that will become effective upon completion of the merger. The employment/consulting agreement between Mr. Gerald and Branch Bank was a condition of BB&T's willingness to enter into the merger agreement.

As a result of the merger, Mr. Gerald will receive a lump-sum payment of approximately \$2.4 million from Coastal Financial in accordance with his employment agreement with Coastal Financial. If Mr. Gerald were to remain an active employee of Branch Bank for the entire seven year term of his employment/consulting agreement, over the life of the agreement he would receive salary, annual cash incentives, performance-based equity incentive awards, welfare, retirement, and pension benefits valued in the aggregate at approximately \$4.0 million, assuming his annual cash incentives and performance-based equity awards are paid at target levels (which are 40% and 50% of base salary, respectively) and not factoring in any salary increases or increases in benefits costs that may occur during the term of his agreement. If Mr. Gerald were to elect to become an independent consultant to Branch Bank at the earliest time permitted under his employment/consulting agreement, he would receive compensation as an employee (which is described in the previous sentence) for the first year valued in the aggregate at approximately \$566,000. For the remaining six years of the life of the agreement, he would receive salary and welfare benefits as an independent consultant valued in the aggregate at approximately \$1.7 million, assuming that he became a consultant on the one year anniversary of the completion of the merger and not factoring in any salary increases or increases in benefits costs that may occur during the term of his agreement. For more on Mr. Gerald's compensatory arrangements, *see* Existing Employment Agreements with Coastal Financial and New Employment/Consulting Agreement with Branch Bank, below.

Existing Employment Agreements with Coastal Financial

Existing employment agreements between Coastal Financial and eight of its key employees, including Michael C. Gerald, President and Chief Executive Officer, Jerry L. Rexroad, Executive Vice President and Chief Financial Officer, Jimmy R. Graham, Executive Vice President, Steven J. Sherry, Executive Vice President, and Philip G. Stalvey, Executive Vice President, will be terminated upon completion of the merger. The termination of each employment agreement will obligate Coastal Financial to make certain payments to each executive, which in the aggregate are estimated to total approximately \$6.8 million. In accordance with the foregoing, each of Messrs. Gerald, Rexroad, Graham, Sherry and Stalvey are estimated to receive lump-sum payments of approximately \$2,400,000 (as indicated above), \$1,300,000, \$331,000, \$345,000, and \$1,700,000 respectively.

New Employment/Consulting Agreement with Branch Bank

Coastal Financial's President and Chief Executive Officer, Michael C. Gerald, has entered into an employment/consulting agreement with Branch Bank. The employment/consulting agreement provides that Mr. Gerald will serve as an Executive Vice President of Branch Bank for a term lasting up to seven years following the completion of the merger. However, on the later of the one-year anniversary of the completion of the merger or the

three-month anniversary of the completion of the merger of Coastal Federal Bank with and into Branch Bank, Mr. Gerald may elect to relinquish his position as an employee and become an independent consultant to Branch Bank. Whether Mr. Gerald remains an employee of Branch Bank or elects to become an independent consultant, the maximum term of the employment/consulting agreement will be seven years, unless the parties agree in writing to extend the term of the agreement.

Table of Contents

During any period that Mr. Gerald serves as an Executive Vice President of Branch Bank, he will perform his assigned duties in the Myrtle Beach, South Carolina metropolitan area and he will report to the Coastal Regional President of Branch Bank. While Mr. Gerald is employed by Branch Bank, he will receive a minimum annual base salary of \$288,750 and will be eligible to receive incentive compensation (such as stock options, restricted stock and other equity awards) on the same terms as similarly situated officers of Branch Bank. Similarly situated officers of Branch Bank are typically eligible to receive annual incentive compensation awards, generally consisting of annual cash bonuses with threshold, target and maximum payments of 10%, 40% and 80%, respectively, of his or her base salary and performance-based equity awards with threshold, target and maximum valuations of 38%, 50% and 62%, respectively, of his or her base salary. As an employee, Mr. Gerald also will be eligible to receive employee retirement benefits (including deferred compensation) and group employee benefits such as sick leave, vacation, group disability and health, life, and accident insurance and similar indirect compensation that Branch Bank may from time to time extend to similarly situated officers of Branch Bank.

If, on the later of the one-year anniversary of the completion of the merger or the three-month anniversary of the completion of the merger of Coastal Federal Bank with and into Branch Bank, Mr. Gerald elects to become an independent consultant to Branch Bank, he will be paid \$288,750 annually in exchange for providing consulting services and as consideration for noncompetition and other covenants contained in the employment/consulting agreement. As an independent consultant, Mr. Gerald will not be eligible to participate in any of Branch Bank's employee benefit plans, except for elective coverage under group health plan benefits.

In the event that, in accordance with the terms of the employment/consulting agreement, Mr. Gerald's employment or consulting relationship is terminated by Branch Bank for just cause, or if Mr. Gerald voluntarily terminates his employment or consulting relationship, Mr. Gerald shall have no right to render services or to receive compensation or other benefits under the employment/consulting agreement for any period after such termination.

In the event that Branch Bank terminates Mr. Gerald's employment/consulting agreement due to Mr. Gerald's disability or other than for just cause, or in the event Mr. Gerald terminates his employment/consulting agreement due to a material breach by Branch Bank of the employment/consulting agreement that is not remedied by Branch Bank within 30 days following written notice of such breach, Mr. Gerald will continue to receive his base salary and annual cash bonuses for the remaining period of the employment/consulting agreement, and the cash bonuses will equal the highest amount of cash bonus paid to Mr. Gerald during his employment by Branch Bank. Mr. Gerald's termination compensation will not include any equity-based compensation and in order to receive the termination compensation, Mr. Gerald must comply with noncompetition, nonsolicitation, confidentiality and other covenants in the employment/consulting agreement. Mr. Gerald would continue to participate in Branch Bank's group health plan and group life insurance plan for all periods Mr. Gerald receives termination compensation.

Mr. Gerald's employment/consulting agreement also contains noncompetition, nonsolicitation and confidentiality provisions that are effective for a period of nine years after the completion of the merger (which includes the seven year term of the employment/consulting agreement). Pursuant to these provisions, Mr. Gerald has agreed that he will not, directly or indirectly, render services to any competitive banking business that operates in the counties in which Coastal Financial operates and in any counties that are contiguous to those counties. Mr. Gerald has also agreed that he will not directly or indirectly solicit any depositor or client of BB&T, Branch Bank or their affiliates to become a client of any other financial institution, provided that the foregoing is limited to clients with whom he has had material contact through Coastal Financial or as an employee of or consultant to Branch Bank. Similarly, Mr. Gerald has agreed that he will not directly or indirectly solicit any employee of BB&T, Branch Bank or their affiliates to become an employee of any other financial institution. Mr. Gerald has also agreed to not at any time disclose confidential information obtained by him through his employment with Coastal Financial or the period in which he is an employee or consultant under the agreement. In all events, if Mr. Gerald were to breach the noncompetition, nonsolicitation,

confidentiality and other covenants in the employment/consulting agreement during the period

Table of Contents

that he is receiving termination compensation, Mr. Gerald would not be entitled to receive any further termination compensation or benefits.

Equity-Based Awards

Under the merger agreement, upon completion of the merger, each outstanding and unexercised Coastal Financial stock option, whether or not then exercisable, will be converted into an equivalent number of BB&T stock options, based on the exchange ratio in the merger. Accordingly, Coastal Financial stock options will be converted into BB&T stock options to acquire a number of shares of BB&T common stock equal to the number of shares of Coastal Financial common stock subject to the stock option multiplied by the exchange ratio of 0.385. The exercise price of each converted stock option will equal the per share exercise price of the Coastal Financial stock option divided by the exchange ratio of 0.385. The vesting provisions of the Coastal Financial stock options will continue to apply to the converted BB&T stock options. See *Effect on Employee Benefit Plans and Options - Stock Options* on page[].

The table below sets forth the number of Coastal Financial stock options held by each of the executive officers and directors of Coastal Financial as of March 7, 2007 and the number of stock options of BB&T into which the Coastal Financial stock options are convertible.

Advisory Boards

Following completion of the merger, each member of the Coastal Financial Board of Directors will be offered a position on the BB&T local advisory board serving the region formerly served by Coastal Financial. BB&T will pay compensation to such directors for their service on such BB&T local advisory board for a period of two years after

completion of the merger consistent with the existing fee structure offered by Coastal Financial to such directors. Currently, each member of the Board of Directors of Coastal Financial receives \$2,500 annually. After the expiration of such two-year period, if a director continues to serve on the local advisory board, BB&T will pay compensation to such director for his or her service on the BB&T local

advisory board consistent with BB&T's fee policies and age limits for advisory board members. Membership on any advisory board is conditioned upon execution of a two-year noncompetition agreement with BB&T.

Indemnification of and Advancement of Expenses to Directors and Officers; Insurance

BB&T has also agreed to indefinitely indemnify and advance expenses to all individuals who are officers, directors or employees of Coastal Financial or a Coastal Financial subsidiary before the merger becomes effective from any acts or omissions in such capacities on or before the date on which the merger becomes effective to the extent such indemnification and advancement of expenses are permitted by Delaware law, the Coastal Financial certificate of incorporation and the Coastal Financial bylaws. The merger agreement provides that BB&T will maintain directors and officers' liability insurance covering directors and officers of Coastal Financial for acts or omissions or alleged acts or omissions occurring before the merger becomes effective for a period of three years from the completion of the merger. This insurance will provide at least the same coverage and amounts as contained in Coastal Financial's policy on the date of the merger agreement, unless the annual premium on the policy would exceed 125% of the annual premium payments on Coastal Financial's policy, in which case BB&T would maintain the most advantageous policies of directors' and officers' liability insurance obtainable for a premium equal to that amount.

Material Federal Income Tax Consequences of the Merger

The following is a summary of the material anticipated U.S. federal income tax consequences of the merger generally applicable to holders of Coastal Financial common stock and to BB&T and Coastal Financial. This summary is not intended to be a complete description of all of the U.S. federal income tax consequences of the merger, and no information is provided with respect to the tax consequences of the merger under any other tax laws, including applicable state, local and foreign tax laws. In addition, the following discussion may not be applicable to certain specific categories of shareholders, including but not limited to:

dealers in securities or foreign currencies, financial institutions, insurance companies or tax exempt organizations;

persons who are not United States persons (as defined in Section 7701(a)(30) of the Internal Revenue Code);

persons who are subject to alternative minimum tax, or who elect to apply a mark-to-market method of accounting;

holders of options granted by Coastal Financial, or persons who acquired Coastal Financial stock pursuant to employee stock options or otherwise as compensation;

persons who do not hold their shares as capital assets; or

persons who hold their shares as part of a hedge, constructive sale, straddle, conversion transaction or other integrated transaction.

This discussion is based on the Internal Revenue Code, applicable Department of Treasury regulations, judicial authority, and administrative rulings and practice, all as in effect as of the date of this document, as well as representations, covenants, and assumptions as to factual matters provided by BB&T and Coastal Financial to Womble Carlyle Sandridge & Rice, PLLC, special tax counsel to BB&T. Future legislative, judicial, or administrative changes or interpretations, which may or may not be retroactive, or the failure of any such factual representations, covenants or assumptions to be true, accurate, and complete in all material respects, may adversely affect the accuracy of the statements and conclusions described in this discussion.

No ruling has been or will be requested from the Internal Revenue Service with respect to the tax consequences of the merger. Moreover, the opinion of Womble Carlyle Sandridge & Rice, PLLC, special tax counsel to BB&T, described in this discussion is not binding on the Internal Revenue Service, and the opinion would not prevent the Internal Revenue Service from challenging the U.S. federal income tax treatment of the merger. The U.S. federal income tax laws are complex, and a shareholder's individual circumstances may

Table of Contents

affect the shareholder's tax consequences. Consequently, each Coastal Financial shareholder is urged to consult his or her own tax advisor regarding the tax consequences, including the applicable U.S. federal, state, local and foreign tax consequences, of the merger to him or her.

Material Tax Consequences of the Merger

In the opinion of Womble Carlyle Sandridge & Rice, PLLC, special tax counsel to BB&T:

the merger will be treated as a reorganization under Section 368(a) of the Internal Revenue Code;

each of BB&T and Coastal Financial will be a party to that reorganization within the meaning of Section 368(b) of the Internal Revenue Code;

no gain or loss will be recognized by BB&T or Coastal Financial as a result of the merger, except for amounts resulting from any required change in accounting methods or any income or deferred gain recognized under the relevant consolidated return regulations;

the shareholders of Coastal Financial who receive BB&T common stock in exchange for their Coastal Financial common stock will recognize no gain or loss for federal income tax purposes;

the aggregate tax basis of the BB&T common stock received by a Coastal Financial shareholder (including any fractional share interest deemed received and redeemed as described below) will be the same as the aggregate tax basis of the Coastal Financial common stock surrendered in exchange; and

the holding period for BB&T common stock received (including any fractional share interest deemed received and redeemed as described below) in exchange for shares of Coastal Financial common stock will include the period during which the shareholder held the shares of Coastal Financial common stock surrendered in exchange therefor.

Cash Received Instead of a Fractional Share of BB&T Common Stock. A shareholder of Coastal Financial who receives cash instead of a fractional share of BB&T common stock will be treated as having received the fractional share pursuant to the merger and then as having exchanged the fractional share for cash in a redemption by BB&T subject to Section 302 of the Internal Revenue Code. As a result, a Coastal Financial stockholder will generally recognize gain or loss equal to the difference between the amount of cash received and the portion of the basis of the shares of BB&T common stock allocable to his or her fractional interest. This gain or loss will generally be capital gain or loss, and will be long-term capital gain or loss if the Coastal Financial common stock was held by the shareholder as a capital asset for more than one year as of the effective date of the merger.

Backup Withholding

Backup withholding at the applicable rate will generally apply to merger consideration that includes cash if the exchanging Coastal Financial shareholder fails to properly certify that it is not subject to backup withholding, generally on a substitute Internal Revenue Service Form W-9. Certain holders, including, among others, U.S. corporations, are not subject to backup withholding, but they may still need to furnish a substitute Internal Revenue Service Form W-9 or otherwise establish an exemption. Any amount withheld as backup withholding from payments to an exchanging Coastal Financial shareholder will be creditable against the shareholder's U.S. federal income tax liability, provided that it timely furnishes the required information to the Internal Revenue Service. Coastal Financial shareholders should consult their tax advisors as to their qualifications for exemption from backup withholding and the procedure for obtaining such an exemption.

Tax matters are very complicated, and the tax consequences of the merger to each holder of Coastal Financial common stock will depend on the facts of that shareholder's particular situation. The United States federal income tax discussion set forth above does not address all United States federal income tax consequences that may be relevant to a particular holder and may not be applicable to holders in special situations. Each holder of Coastal Financial common stock is urged to consult his or her own tax advisor regarding the specific tax consequences of the merger in the context of the holder's individual tax situation.

Regulatory Considerations

The Merger

The merger is subject to approval by the Federal Reserve under the Bank Holding Company Act (the BHC Act) and where a transaction, such as the merger, is the acquisition by a bank holding company of a bank located in a state other than the home state of the bank holding company (in this case North Carolina), the BHC Act authorizes the Federal Reserve to approve the transaction without regard to whether such transaction is prohibited under state law, as long as certain limitations are met. In considering the approval of the merger, the BHC Act requires the Federal Reserve to review the financial condition and future prospects of BB&T and Coastal Financial and their respective subsidiary banks, the managerial resources, the convenience and needs of the communities to be served, and the merging parties' effectiveness in combating money laundering activities.

The Federal Reserve is also required to evaluate whether the merger would result in a monopoly or would be in furtherance of any combination or conspiracy or attempt to monopolize the business of banking in any part of the United States or otherwise would substantially lessen competition or tend to create a monopoly which in any manner would be in restraint of trade. If the Federal Reserve determines that an acquisition would substantially lessen competition, it will not approve the transaction unless it finds that the anticompetitive effects of the proposed transaction are clearly outweighed in the public interest by the probable effect of the transaction in meeting the convenience and needs of the communities to be served.

The merger is also subject to the approval of the South Carolina Board of Financial Institutions under South Carolina banking law, which allows a bank holding company, such as BB&T, to acquire a savings and loan company in South Carolina, such as Coastal Financial. When evaluating the merger, the Board will consider the safety and soundness of the acquisition and compliance with the laws of South Carolina.

BB&T also must provide notice of the merger to the Georgia Department of Banking and Finance and the Virginia Bureau of Financial Institutions thirty days prior to consummating the merger.

BB&T has filed the required applications and notices with the Federal Reserve and the South Carolina Board of Financial Institutions and will file the required notices with the Georgia Department of Banking and Finance and the Virginia Bureau of Financial Institutions. Although BB&T does not know of any reason why it would not obtain regulatory approval in a timely manner, BB&T cannot be certain when such approval will be obtained or if it will be obtained.

The Subsidiary Bank Merger

BB&T expects to effect the merger of Coastal Federal Bank with and into Branch Bank (which we refer to as the subsidiary bank merger) following the effective time of the merger. The subsidiary bank merger is subject to approval of the Federal Deposit Insurance Corporation under the Bank Merger Act. In granting its approval, the Federal Deposit Insurance Corporation must consider the competitive effect of the contemplated transactions, the financial and managerial resources and future prospects of the existing and proposed institutions and the convenience and needs of the communities to be served. In addition, the Federal Deposit Insurance Corporation must take into account the record of performance of the existing and proposed institution under the Community Reinvestment Act in meeting the credit needs of the community, including low- and moderate-income neighborhoods, served by such institution. Applicable regulations also require publication of notice of the application for approval of the subsidiary bank merger and an opportunity for the public to comment on the applications in writing and to request a hearing.

Branch Bank must also give notice to the Office of Thrift Supervision of the subsidiary bank merger. The Office of Thrift Supervision will evaluate the notification to determine if there are any pending or potential supervisory concerns or enforcement actions involving Coastal Federal Bank and whether Branch Bank has complied with applicable shareholder approval requirements. If there are any concerns, the Office of Thrift Supervision will notify the Federal Deposit Insurance Corporation.

Table of Contents

The North Carolina Commissioner of Banks also must approve the subsidiary bank merger under the bank merger act provisions of the North Carolina General Statutes. In its review of the subsidiary bank merger, the North Carolina Commissioner of Banks is required to consider whether the interests of the depositors, creditors and shareholders of each institution are protected, whether the merger is in the public interest and whether the merger is for legitimate purposes.

Accounting Treatment

BB&T will account for the merger using the purchase method of accounting. Under this accounting method, BB&T would record the acquired identifiable assets and liabilities assumed at their fair market value at the time the merger is completed. Any excess of the cost of Coastal Financial over the sum of the fair values of tangible and identifiable intangible assets less liabilities assumed would be recorded as goodwill. Based on information as of [], management of BB&T estimates that the total merger consideration (including issuance of common stock and assumption of options on common stock) will be approximately \$[] million. Utilizing information as of December 31, 2006, estimated goodwill and other intangibles would total approximately \$278.6 million. BB&T's reported income would include the operations of Coastal Financial after the merger. Financial statements of BB&T issued after completion of the merger would reflect the impact of the merger with Coastal Financial. Financial statements of BB&T issued before completion of the merger would not be restated retroactively to reflect Coastal Financial's historical financial position or results of operations. The unaudited pro forma financial information contained in this proxy statement/ prospectus has been prepared using the purchase method of accounting. *See* Summary Comparative Per Share Data on page [].

Effect on Employee Benefit Plans and Stock Options*Employee Benefit Plans*

No later than the effective date of the merger, Coastal Financial will take such steps as may be necessary to fully vest all participants in the Coastal Financial 401(k) plan. As of a date (the benefit plan determination date) determined by BB&T, BB&T will cause Coastal Financial's 401(k) plan either to be merged with BB&T's 401(k) plan or to be frozen or to be terminated, as determined by BB&T and subject to receipt of applicable governmental approvals. Each employee of Coastal Financial at the time the merger becomes effective who: (a) is a participant in Coastal Financial's 401(k) plan; (b) becomes an employee of BB&T or a BB&T subsidiary (a BB&T employer) immediately following the time the merger becomes effective (a transferred employee), and (c) continues in the employment of a BB&T employer until the benefit plan determination date, will be eligible to participate in BB&T's 401(k) plan as of the benefit plan determination date. Any other former employee of Coastal Financial that is employed by a BB&T employer on or after the benefit plan determination date will be eligible to participate in BB&T's 401(k) plan upon complying with the eligibility requirements. All rights to participate in BB&T's 401(k) plan are subject to BB&T's right to amend or terminate the plan. BB&T will maintain Coastal Financial's 401(k) plan for the benefit of participating employees until the benefit plan determination date. For purposes of administering the BB&T 401(k) plan, service with Coastal Financial and its subsidiaries will be deemed to be service with BB&T for participation and vesting, but not benefit accrual, purposes. Additionally, former employees of Coastal Financial will be eligible to receive from BB&T in the administration of the BB&T 401(k) plan any matching contribution received by such employees as a participant in Coastal Financial's 401(k) plan.

Each transferred employee will be eligible to participate in group hospitalization, medical, dental, life, disability and other welfare benefit plans and programs available to employees of the BB&T employer as of the benefit plan determination date with respect to each such plan or program, conditional upon the transferred employee's being employed by the BB&T employer as of the benefit plan determination date and subject to complying with eligibility requirements of the respective plans and programs. With respect to any welfare benefit plan or program of Coastal

Financial that the BB&T employer determines, in its sole discretion, provides benefits of the same type or class as a corresponding plan or program maintained by the BB&T employer, BB&T will cause the BB&T employer to continue such Coastal Financial plan or program in effect for the benefit of the transferred employees so long as they remain eligible to participate and until they

Table of Contents

become eligible to participate in the corresponding plan or program maintained by the BB&T employer (and, with respect to any such plan or program, subject to complying with eligibility requirements and subject to the right of the BB&T employer to terminate the plan or program). For purposes of administering these plans and programs, service with Coastal Financial will be deemed to be service with the BB&T employer for the purpose of determining eligibility to participate and vesting (if applicable) in such welfare plans and programs, but not for the purpose of computing benefits, if any, determined in whole or in part with reference to service.

Except to the extent of commitments in the merger agreement or other contractual commitments specifically made or assumed by BB&T, no BB&T employer will have any obligation arising from the merger to continue any transferred employees in its employ or in any specific job or to provide to any transferred employee any specified level of compensation or any incentive payments, benefits or perquisites. Each transferred employee who is terminated by a BB&T employer after the merger becomes effective, excluding any employee who has a then-existing contract explicitly providing for severance in lieu of severance plan benefits, will be entitled to severance pay in accordance with the Coastal Federal Bank Change in Control Severance Compensation Plan (the bank severance plan), if and to the extent that the employee is entitled to severance pay under the bank severance plan. Such employee's service with BB&T will be treated as service with Coastal Financial for purposes of determining the amount of severance pay, if any, under the bank severance plan.

BB&T has agreed to honor all employment agreements, severance agreements and deferred compensation agreements and plans that Coastal Financial and its subsidiaries have with or in place for their current and former employees and directors and which have been disclosed to BB&T pursuant to the merger agreement, except to the extent any agreements are superseded or terminated when the merger becomes effective or thereafter. Each former Coastal Financial employee covered by a previously disclosed employment agreement of Coastal Financial or a Coastal Financial subsidiary will be entitled to a severance payment and continuation of employee benefits under the applicable change in control severance provisions of such agreement without regard to whether such employee continues employment with BB&T after the completion of the merger as a transferred employee, provided each such former Coastal Financial employee executes an acknowledgment of payment and release of obligations under his or her existing employment agreement. Any such payment shall be made by BB&T no later than the first to occur of such employee's voluntary or involuntary termination of employment or 120 days after the completion of the merger without regard to whether such employee is still employed by BB&T as of such date. However, any such payment shall not apply to an employee who enters into a new employment agreement with BB&T. Except as these agreements may provide otherwise, and except as otherwise described above, the employee benefit plans of Coastal Financial shall, in the sole discretion of BB&T, be frozen, terminated or merged into comparable plans of BB&T, effective as BB&T shall determine in its sole discretion. BB&T will continue in effect any short-term bonus plans of Coastal Financial (the Coastal Financial bonus arrangements) until the later of (i) the date of completion of conversion of the data services systems of Coastal Financial and its subsidiaries to the data services systems of BB&T and its subsidiaries, (ii) the date that former Coastal Financial executives are made parties to the BB&T Amended and Restated Short Term Incentive Plan, or (iii) the date the former Coastal Financial employees are made parties to the applicable line of business incentive plan (each of the BB&T Amended and Restated Short Term Incentive Plan and the applicable line of business incentive plan shall be referred to as a BB&T bonus plan). If any former employee of Coastal Financial would earn amounts under both the Coastal Financial bonus arrangements and the applicable BB&T bonus plan for any calendar year, BB&T shall make appropriate adjustments in the amounts earned under such programs to avoid duplication and to pro-rate the amount earned by such employee under the Coastal Financial bonus arrangements and the applicable BB&T bonus plan for the portion of the year in which such employee participated in each such plan.

Coastal Financial will also enter into retention bonus arrangements (in such amounts and upon such terms and conditions as BB&T shall specify) with such key employees of CFC and its subsidiaries as are requested or approved by BB&T. This Retention Bonus Program is intended to encourage the retention of Coastal Financial's employees with

knowledge of Coastal Financial's systems and processes that are integral to the merger integration process. However, Coastal Financial's executive officers with employment agreements with Coastal Financial would not be eligible to participate in any such Retention Bonus Program.

Table of Contents*Stock Options*

At the time the merger becomes effective, whether or not then exercisable, each outstanding option to purchase shares of Coastal Financial Common Stock under the Coastal Financial stock option plans shall be converted into and become rights with respect to BB&T common stock, and BB&T shall assume each Coastal Financial stock option in accordance with the terms of the Coastal Financial stock option plans, except that (i) BB&T and its Compensation Committee shall be substituted for Coastal Financial and the relevant committee of Coastal Financial's Board of Directors for purposes of administering the Coastal Financial stock option plans, (ii) each Coastal Financial stock option assumed by BB&T may be exercised solely for shares of BB&T common stock, (iii) the number of shares of BB&T common stock subject to each such Coastal Financial stock option shall be the number of whole shares of BB&T common stock (omitting any fractional share) determined by multiplying the number of shares of Coastal Financial common stock subject to such Coastal Financial stock option immediately prior to merger by the exchange ratio, and (iv) the per share exercise price under each such Coastal Financial stock option shall be adjusted by dividing the per share exercise price under each such Coastal Financial stock option by the exchange ratio and rounding up to the nearest cent.

As an alternative, BB&T may, at its election, as of the effective time of the merger substitute options under the BB&T Corporation 2004 Stock Incentive Plan or any other duly adopted comparable plan for all or a part of the Coastal Financial stock options, subject to the following conditions: (A) the requirements of (iii) and (iv) in the preceding paragraph shall be met; (B) such substitution shall not constitute a modification, extension or renewal of any of the Coastal Financial stock options and shall be tax neutral to the option holder; and (C) the substituted options shall continue in effect on the same terms and conditions as provided in the Coastal Financial stock option agreements and the Coastal Financial stock option plans governing each Coastal Financial stock option.

BB&T shall cause each grant of a converted or substitute option to any individual who subsequent to the merger will be a director or officer of BB&T (as construed under SEC Rule 16b-3), as a condition to such conversion or substitution, to be approved in accordance with the provisions of Rule 16b-3. Each Coastal Financial stock option that is an incentive stock option shall be adjusted as required by Section 424 of the Internal Revenue Code, and the related Treasury Regulations, so as to continue as an incentive stock option under Section 424(a) of the Internal Revenue Code, and so as not to constitute a modification, extension or renewal of the option within the meaning of Section 424(h) of the Internal Revenue Code. Each Coastal Financial stock option that is intended to be exempt from the application of Code Section 409A and related regulations or other guidance shall be subject to adjustment as necessary in order to comply with Prop. Reg. § 1.409A-1(b)(5)(v)(D), or any successor provisions. BB&T and Coastal Financial have agreed to take all necessary steps to effectuate the foregoing as set forth in the merger agreement.

BB&T has reserved and shall continue to reserve adequate shares of BB&T common stock for delivery upon exercise of any converted or substitute options. Within five business days after the completion of the merger, if BB&T has not already done so, BB&T shall file a registration statement on Form S-3 or Form S-8, as the case may be, with respect to the shares of BB&T common stock subject to converted or substitute options and shall use its reasonable efforts to maintain the effectiveness of such registration statement for so long as such converted or substitute options remain outstanding. With respect to those individuals, if any, who subsequent to the merger may be subject to the reporting requirements under Section 16(a) of the Securities Exchange Act of 1934, BB&T shall administer the Coastal Financial stock option plans assumed pursuant to the merger agreement (or the BB&T option plan, if applicable) in a manner that complies with Rule 16b-3 promulgated under the Securities Exchange Act to the extent necessary to preserve for such individuals the benefits of Rule 16b-3 to the extent such benefits were available to them prior to the merger.

BB&T will deliver to each Coastal Financial employee who receives converted or substitute options an appropriate written notice setting forth the employee's rights with respect to the converted or substitute options.

As of [], 2007, options to purchase an aggregate of approximately [] shares of Coastal Financial common stock may be outstanding at the effective time of the merger. Any shares of Coastal

Financial common stock issued pursuant to the exercise of stock options under the Coastal Financial stock option plans before the effective time of the merger will be converted into shares of BB&T common stock in the same manner as other outstanding shares of Coastal Financial common stock.

Eligibility to receive stock option grants after the merger will be determined by BB&T in accordance with its plans and procedures and subject to any contractual obligations.

Restrictions on Resales by Affiliates

The shares of BB&T common stock to be issued in the merger will be registered under the Securities Act of 1933 (the Securities Act) and will be freely transferable, except any shares received by any shareholder who may be deemed to be an affiliate of Coastal Financial at the effective time of the merger for purposes of Rule 145 under the Securities Act. Affiliates of Coastal Financial may sell their shares of BB&T common stock acquired in the merger only in transactions registered under the Securities Act or permitted by the resale provisions of Rule 145 under the Securities Act or as otherwise permitted by the Securities Act. Persons who may be deemed affiliates of Coastal Financial generally include individuals or entities that directly, or indirectly through one or more intermediaries, control, are controlled by or are under common control with Coastal Financial and include directors and executive officers of Coastal Financial. In addition, any executive officer or director of Coastal Financial who becomes an affiliate of BB&T will be required to comply with the resale requirements under Rule 144 of the Securities Act. The restrictions on resales by an affiliate extend also to related parties of the affiliate, including parties related by marriage who live in the same home as the affiliate.

Coastal Financial has caused each of its affiliates to deliver to BB&T a written agreement to the effect generally that he or she will not offer to sell, transfer or otherwise dispose of any shares of BB&T common stock issued to that person in the merger, except in compliance with the Securities Act and the related rules and regulations.

No Appraisal or Dissenters Rights

Coastal Financial shareholders do not have any right to dissent from the merger and demand an appraisal of their shares of Coastal Financial common stock. *See* Comparison of the Rights of BB&T Shareholders and Coastal Financial Shareholders Shareholders Rights of Dissent and Appraisal Coastal Financial on page [].

Merger Strategy

BB&T is a regional financial holding company. The core of its business and franchise was created by the merger-of-equals between BB&T and Southern National Corporation in 1995 and the acquisition of United Carolina Bancshares in 1997. BB&T has maintained a long-term focus on a strategy that includes expanding and diversifying the BB&T franchise in terms of revenues, profitability and asset size. Tangible evidence of this focus is the growth in average total assets, loans and deposits, which have increased over the last five years at compound annual rates of 10.7%, 11.2%, and 11.8%, respectively.

BB&T's growth in business, profitability and market share over the past several years was enhanced significantly by mergers and acquisitions. Management made a strategic decision not to pursue bank or thrift

Table of Contents

acquisitions during 2004 or 2005, instead focusing on fully integrating recent mergers and improving internal growth. Management resumed strategic mergers and acquisitions in 2006, including bank and thrift acquisitions primarily within BB&T's existing footprint. BB&T will continue to pursue economically advantageous acquisitions of insurance agencies, asset managers, consumer and commercial finance companies, and other strategic opportunities to grow existing businesses or expand into other related financial businesses. BB&T's acquisition strategy is focused on three primary objectives:

to pursue acquisitions of banks and thrifts in the Carolinas, Virginia, Maryland, Washington D.C., Georgia, West Virginia, Tennessee, Kentucky, and Florida with assets of \$500 million to \$15 billion, with an informal target of growing approximately 5% of BB&T's assets through acquisitions;

to acquire companies in niche markets that provide products or services that can be offered through the existing distribution system to BB&T's current customer base; and

to consider strategic nonbank acquisitions in markets that are economically feasible and provide positive long-term benefits.

BB&T consummated acquisitions of 50 community banks and thrifts, 77 insurance agencies and 30 nonbank financial services providers over the last fifteen years. In the long-term, BB&T expects to continue to take advantage of the consolidation in the financial services industry and expand and enhance its franchise through mergers and acquisitions. The consideration paid for these acquisitions may be in the form of cash, debt or BB&T stock. The amount of consideration paid to complete these transactions may be in excess of the book value of the underlying net assets acquired, which could have a dilutive effect on BB&T's earnings. In addition, acquisitions often result in significant front-end charges against earnings; however, cost savings and revenue enhancements, especially incident to in-market bank and thrift acquisitions, are also typically anticipated.

DESCRIPTION OF BB&T CAPITAL STOCK

General

The authorized capital stock of BB&T consists of 1,000,000,000 shares of BB&T common stock, par value \$5.00 per share, and 5,000,000 shares of preferred stock, par value \$5.00 per share. As of February 28, 2007, there were 542,305,686 shares of BB&T common stock issued and outstanding, which excludes shares expected to be issued in pending acquisitions. There were no shares of BB&T preferred stock issued and outstanding as of such date. Based on the number of shares of Coastal Financial common stock outstanding at the record date, it is estimated that approximately [] shares of BB&T common stock would be issued in the merger (including as a result of the conversion of Coastal Financial stock options).

BB&T Common Stock

Each share of BB&T common stock is entitled to one vote on all matters submitted to a vote at any meeting of shareholders. Holders of BB&T common stock are entitled to receive dividends when, as, and if declared by the BB&T Board of Directors out of funds legally available for the payment of dividends and, upon liquidation, to receive pro rata all assets, if any, of BB&T available for distribution after the payment of necessary expenses and all prior claims. Holders of BB&T common stock have no preemptive rights to subscribe for any additional securities of any class that BB&T may issue, nor any conversion, redemption or sinking fund rights. Holders of BB&T common stock have no right to cumulate votes in the election of directors. The rights and privileges of holders of BB&T common stock are subject to any preferences that the BB&T Board of Directors may set for any series of BB&T preferred stock that BB&T may issue in the future.

The transfer agent and registrar for BB&T common stock is Branch Bank. BB&T will apply for the listing on the NYSE, subject to official notice of issuance, of the shares of BB&T common stock to be issued in the merger.

BB&T Preferred Stock

Under BB&T's Articles of Incorporation, BB&T may issue shares of BB&T preferred stock in one or more series as may be determined by the BB&T Board of Directors or a duly authorized committee. The BB&T Board of Directors or committee thereof may also establish, from time to time, the number of shares to be included in each series and may fix the designation, powers, preferences and rights of the shares of each such series and any qualifications, limitations or restrictions thereof, and may increase or decrease the number of shares of any series without any further vote or action by the shareholders. Any BB&T preferred stock issued may rank senior to BB&T common stock with respect to the payment of dividends or amounts paid upon liquidation, dissolution or winding up of BB&T, or both. In addition, any shares of BB&T preferred stock may have class or series voting rights. Under certain circumstances, the issuance of shares of BB&T preferred stock, or merely the existing authorization of the BB&T Board of Directors to issue shares of BB&T preferred stock, may tend to discourage or impede a merger or other change in control of BB&T.

Anti-takeover Provisions

Provisions of the NCBCA and BB&T's Articles of Incorporation and Bylaws described below may be deemed to have an anti-takeover effect and, together with the ability of the BB&T Board of Directors to issue shares of BB&T preferred stock and to set the voting rights, preferences and other terms of BB&T preferred stock, may delay or prevent takeover attempts not first approved by the BB&T Board of Directors. These provisions also could delay or

deter the removal of incumbent directors or the assumption of control by shareholders. BB&T believes that these provisions are appropriate to protect the interests of BB&T and its shareholders.

Control Share Acquisition Act

The Control Share Acquisition Act of the NCBCA may make an unsolicited attempt to gain control of BB&T more difficult by restricting the right of specified shareholders to vote newly acquired large blocks of

stock. For a description of this statute, *see* Comparison of the Rights of BB&T Shareholders and Coastal Financial Shareholders Anti-takeover Statutes on page [].

Provisions Regarding the BB&T Board of Directors

BB&T's Articles of Incorporation and Bylaws permit the removal of directors only for cause. This could make it more difficult for a third party to acquire, or discourage a third party from acquiring control of BB&T. For a description of these provisions, *see* Comparison of the Rights of BB&T Shareholders and Coastal Financial Shareholders-Board of Directors on page [].

Meeting of Shareholders; Shareholders Nominations and Proposals

Under BB&T's Bylaws, meetings of the shareholders may be called only by the BB&T's Chairman of the Board, Chief Executive Officer, President, Chief Operating Officer, Secretary or the BB&T Board of Directors. Shareholders of BB&T may not request that a special meeting of shareholders be called. This provision could delay until the next annual shareholders meeting shareholder actions that are favored by the holders of a majority of the outstanding voting securities of BB&T.

The procedures governing the submission of nominations for directors and other proposals by shareholders may also have a deterrent effect on shareholder actions designed to result in a change of control in BB&T. *See* Comparison of the Rights of BB&T Shareholders and Coastal Financial Shareholders-Shareholder Nominations and Shareholder Proposals on page [].

Special Meetings of Shareholders

BB&T

BB&T's Bylaws provide that special meetings of the shareholders of BB&T may be called at any time by BB&T's Chairman of the Board, Chief Executive Officer, President, Chief Operating Officer, Secretary, or the BB&T Board of Directors.

Table of Contents

Coastal Financial

Coastal Financial's Certificate of Incorporation and Bylaws provide that special meetings of the shareholders of Coastal Financial may be called at any time only by a majority of Coastal Financial's Board of Directors or by a committee of the Board of Directors which has been duly designated by the Board of Directors and whose powers and authorities, as provided in a resolution of the Board of Directors or in the Bylaws of the Corporation, include the power and authority to call such meetings.

Board of Directors

BB&T

BB&T's Bylaws provide for a board of directors consisting of not less than three nor more than 25 members as determined from time to time by resolution of a majority of the members of the BB&T Board of Directors or by resolution of the shareholders of BB&T. Currently, the BB&T Board of Directors consists of 15 directors. Under BB&T's Bylaws, directors are elected at each year's annual meeting of shareholders. Directors may be removed only for cause and by a vote of shareholders holding a majority of the shares entitled to vote at an election of directors. However, unless the entire board is removed, an individual director may not be removed when the number of shares voting against removal would be sufficient to elect a director if such shares could be voted cumulatively at an annual election.

Coastal Financial

Coastal Financial's Certificate of Incorporation provides for a board of directors consisting of not less than five and not more than 25 members, as provided from time to time in accordance with the Coastal Financial Bylaws. The board of directors is divided into three classes, with one class elected at each annual meeting of shareholders. Currently, the Coastal Financial Board of Directors consists of ten directors. Coastal Financial's Certificate of Incorporation provides that, subject to rights of any holders of preferred stock relating to election of directors, shareholders may remove directors with or without cause by the affirmative vote of 70% of the shares then entitled to vote at an election of directors.

Dividends and Other Distributions

BB&T

The NCBCA prohibits a North Carolina corporation from making any distributions to shareholders, including the payment of cash dividends, that would render it unable to pay its debts as they become due in the usual course of business or that would result in its total assets being less than the sum of its total liabilities plus the amount that would be needed, if it were to be dissolved at the time of the distribution, to satisfy the preferential rights upon dissolution of shareholders whose preferential rights are superior to those receiving the distribution. The ability of BB&T to pay distributions to the holders of BB&T common stock will depend to a large extent upon the amount of dividends its bank subsidiaries, which are subject to restrictions imposed by regulatory authorities, pay to BB&T. In addition, the Federal Reserve could oppose a distribution by BB&T if it determined that such a distribution would harm BB&T's ability to support its bank subsidiaries.

Coastal Financial

Under Delaware law, shareholders are entitled, when declared by the board of directors, to receive dividends, subject to any restrictions contained in the certificate of incorporation and subject to any rights or preferences of any series of preferred stock. Holders of Coastal Financial common stock may receive dividends only after the satisfaction of any preferential rights of holders of Coastal Financial preferred stock. In the event of any liquidation, dissolution or winding up of Coastal Financial, holders of Coastal Financial common stock are entitled to receive the remaining assets of Coastal Financial available for distribution after the payment of all debts and liabilities and after satisfaction of any preferential amounts entitled to holders of Coastal Financial preferred stock.

Table of Contents**Shareholder Nominations and Shareholder Proposals***BB&T*

BB&T's Bylaws establish advance notice procedures for shareholder proposals and the nomination, other than by or at the direction of the BB&T Board of Directors or one of its committees, of candidates for election as directors. BB&T's Bylaws provide that a shareholder wishing to nominate a candidate for election to the BB&T Board of Directors must, in the case of an annual meeting, submit the nomination in writing to the Secretary of BB&T at least 60 days but no more than 90 days in advance of the first anniversary of the notice date of BB&T's proxy statement for the preceding year's annual meeting, and, in the case of a special meeting, submit the notification no later than the tenth day following the notice date of such special meeting. The notification must contain biographical information about the candidate and the shareholder's name, shareholdings, and any material interests of the shareholder in the nomination. Nominations that are not made in accordance with the foregoing provisions may be ruled out of order by the presiding officer or the Chairman of the meeting. In addition, a shareholder intending to make a proposal for consideration at a regularly scheduled annual or special meeting of shareholders must notify the Secretary of BB&T within the same timeframe as for director nominations. The notice for a shareholder proposal generally must contain: (a) a brief description of the proposal, (b) the name, address, and shareholdings of the shareholder submitting the proposal, and (c) any material interest of the shareholder in the proposal.

In accordance with Securities and Exchange Commission Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the Exchange Act), shareholder proposals intended to be included in the proxy statement and presented at a regularly scheduled annual meeting must be received by BB&T at least 120 days before the anniversary of the date that the previous year's proxy statement was first mailed to shareholders. As provided in rules promulgated under the Exchange Act, if the annual meeting date has been changed by more than 30 days from the date of the prior year's meeting, or for special meetings, the proposal must be submitted within a reasonable time before BB&T begins to print and mail its proxy materials.

Coastal Financial

Coastal Financial's Certificate of Incorporation establishes advance notice procedures for shareholder proposals and the nomination, other than by or at the direction of the Coastal Financial Board of Directors, of candidates for election as directors. Coastal Financial's Certificate of Incorporation provides that a shareholder wishing to nominate a candidate for election to the Coastal Financial Board of Directors must submit the nomination in writing to the Secretary of Coastal Financial at least 30 days but no more than 60 days in advance of any meeting, and, in the case of a meeting where shareholders received less than 31 days' notice of such meeting, must submit the notification no later than the tenth day following the notice date of such meeting. The notification must contain biographical information about the candidate and the shareholder's name, shareholdings, and any material interests of the shareholder in the nomination. Coastal Financial shareholders wishing to submit proposals to be included in the proxy statement and be presented at a regularly scheduled annual meeting of the Coastal Financial shareholders are subject to the same additional requirements under Exchange Act Rule 14a-8 as are BB&T shareholders.

In addition, a shareholder intending to make a business proposal for consideration at a regularly scheduled annual or special meeting of shareholders must notify the Secretary of Coastal Financial within the same time frame as for director nominations. The notice for a shareholder proposal generally must contain: (a) a brief description of the proposal, (b) the name, address, and shareholdings of the shareholder submitting the proposal, and (c) any material interest of the shareholder in the proposal. Nominations or proposals that are not made in accordance with the foregoing provisions may be ruled out of order by the presiding officer or the Chairman of the meeting.

Table of Contents

Discharge of Duties; Exculpation and Indemnification; Advancement of Expenses

BB&T

The NCBCA requires that a director of a North Carolina corporation discharge his or her duties as a director: (a) in good faith; (b) with the care an ordinarily prudent person in a like position would exercise under similar circumstances; and (c) in a manner the director reasonably believes to be in the best interests of the corporation. The NCBCA expressly provides that the duties of a director weighing a change of control situation are not different, nor is the standard of care any higher, than that which is otherwise provided.

BB&T's Articles of Incorporation provide that, to the fullest extent permitted by applicable law, no director of BB&T will have any personal liability for monetary damages for breach of a duty as a director. BB&T's Bylaws require BB&T to indemnify its directors and officers, to the fullest extent permitted by applicable law, against liabilities arising out of his or her status as a director or officer, excluding any liability relating to activities that were at the time taken known or believed by such person to be clearly in conflict with the best interests of BB&T. The NCBCA permits a corporation to indemnify or agree to indemnify an individual who is or was a director, officer, employee or agent against liability and expenses in any proceeding (including a proceeding brought on behalf of the corporation itself) arising out of their status as such or their activities in any of the foregoing capacities, except for activities which were at the time taken known or believed by him to be clearly in conflict with the best interests of the corporation. Further, the NCBCA requires a corporation to indemnify a director who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which he or she was a party because he or she is or was a director of the corporation against reasonable expenses incurred by him in connection with the proceeding.

Coastal Financial

Coastal Financial's Certificate of Incorporation provides that, to the fullest extent permitted by DGCL, a director shall not be liable to the corporation or its shareholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the corporation or its shareholders; (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (iii) under section 174 of the DGCL relating to unlawful payment of dividends or unlawful stock purchase or redemption; or (iv) for any transaction from which the director derived an improper personal benefit.

Delaware law provides a corporation may indemnify any director made party to any proceeding by reason of service in that capacity if the person acted in good faith and in a manner the person reasonably believed to be in the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person's conduct was unlawful. Delaware law also provides that a corporation may not indemnify a director with respect to any claim, issue or matter as to which the director has been adjudged to be liable to the corporation unless and only to the extent the Court of Chancery or court where such action was brought determines indemnity is proper. Furthermore, directors shall be indemnified where they have been successful on the merits or otherwise.

Coastal Financial's Certificate of Incorporation provides that the corporation shall indemnify any director, officer or employee made party to a derivative lawsuit because such person is or was serving as director, officer or employee against expenses actually and reasonably incurred by such person, including attorneys' fees but excluding amounts paid in settlement, in connection with the defense or settlement of the derivative lawsuits. Coastal Financial's Certificate of Incorporation also provides that the corporation shall indemnify any director, officer or employee made party to a nonderivative lawsuit because such person is or was serving as director, officer or employee against amounts actually and reasonably incurred by such person in connection with the defense or settlement of the

nonderivative lawsuit, including, but not limited to: (i) expenses (including attorneys' fees); (ii) amounts paid in settlement; (iii) judgments; and (iv) fines. Coastal Financial's Certificate of Incorporation also provides that the corporation may advance any expenses (including attorney's fees) to any person which may become subject to indemnification if the person undertakes in writing to repay such advances if the person is ultimately not entitled to indemnification.

Mergers, Share Exchanges and Sales of Assets

BB&T

The NCBCA generally requires that any merger, share exchange or sale of all or substantially all the assets of a corporation other than in the ordinary course of business must be approved by the affirmative vote of the majority of the issued and outstanding shares of each voting group entitled to vote. Approval of a merger by the shareholders of the surviving corporation is not required in certain instances, however, including a merger in which the number of voting shares outstanding immediately after the merger, plus the number of voting shares issuable as a result of the merger, does not exceed by more than 20% the total number of voting shares of the surviving corporation outstanding immediately before the merger. BB&T is also subject to certain statutory anti-takeover provisions. *See* Anti-Takeover Statutes below.

Coastal Financial

The DGCL provides that mergers and sales of all or substantially all of the assets of a Delaware corporation must be approved by a majority in voting power of the outstanding stock of the corporation entitled to vote. The DGCL also provides that, unless otherwise required under the corporation's certificate of incorporation, approval of a merger by the shareholders of the surviving corporation is not required under certain instances, including a merger in which the number of voting shares outstanding immediately after the merger (which includes the number of voting shares issuable as a result of the merger) does not exceed by more than 20% the total number of voting shares of the surviving corporation outstanding immediately before the merger. Coastal Financial's Certificate of Incorporation contains additional requirements relating to approval of business combinations with a related person, as discussed below. Finally, the DGCL also provides that no shareholder vote is required in connection with certain mergers pursuant to which a corporation reorganizes into a holding company structure.

Anti-Takeover Statutes

BB&T

The North Carolina Control Share Acquisition Act applies to BB&T. This Act is designed to give management of publicly-owned North Carolina corporations based within the state more time and greater control in any hostile tender offer. The Act is triggered upon the acquisition by a person of shares of voting stock of a covered corporation that, when added to all other shares beneficially owned by the person, would result in that person holding one-fifth, one-third or a majority of the voting power in the election of directors. Under the Act, the shares acquired that result in the crossing of any of these thresholds have no voting rights until they are conferred by the affirmative vote of the holders of a majority of all outstanding voting shares, excluding those shares held by any person involved or proposing to be involved in the acquisition of shares in excess of the thresholds, any officer of the corporation, and any employee of the corporation who is also a director of the corporation. If voting rights are conferred on the acquired shares, all shareholders of the corporation have the right to require that their shares be redeemed at the highest price paid per share by the acquiror for any of the acquired shares.

The North Carolina Shareholder Protection Act requires that certain business combinations with existing shareholders either be approved by a supermajority of the other shareholders or meet certain fair price requirements. Pursuant to a provision in the BB&T Bylaws, BB&T has elected to opt out of the North Carolina Shareholder Protection Act, as permitted by the Act.

Coastal Financial

Coastal Financial's Certificate of Incorporation provides that certain business combinations involving a related person must be approved by: (i) at least 80% of the voting power of all the then-outstanding shares of the capital stock of the corporation entitled to vote generally in the election of directors, voting together as a single class; and (ii) at least a majority vote of disinterested shares entitled to vote thereon. However, this vote requirement is not applicable to any particular business combination, and such business combination shall

Table of Contents

require only such affirmative vote of the outstanding shares of capital stock entitled to vote as required by the Certificate of Incorporation or by applicable law, if a majority of directors not affiliated with the related person approves the business combination. A related person generally means a person or entity, together with any affiliates, that in the aggregate owns greater than 10% of the outstanding shares of Coastal Financial common stock.

The DGCL provides that if a person acquires 15% or more of the stock of a Delaware corporation, thereby becoming an interested shareholder (for purposes of Section 203), that person may not engage in certain business combinations with the corporation for a period of three years unless (1) the board of directors approved the acquisition of stock or the business combination transaction prior to the time that the person became an interested shareholder; (2) the person became an interested shareholder and 85% owner of the voting stock of the corporation in the same transaction, excluding voting stock owned by directors who are also officers and certain employee stock plans; or (3) the business combination transaction is approved by the board of directors and by the affirmative vote of two-thirds of the outstanding voting stock which is not owned by the interested shareholder at an annual or special meeting. A Delaware corporation may elect not to be governed by Section 203. Coastal Financial has not made such an election.

Amendments to Articles/Certificate of Incorporation and Bylaws

BB&T

The NCBCA generally requires that any amendment to Articles of Incorporation be proposed by the board of directors. The amendment then must be approved by a majority of the votes cast within each voting group entitled to vote unless another provision of the NCBCA, the Articles of Incorporation, or the board of directors requires a greater vote. BB&T's Bylaws provide that BB&T's Board of Directors has the authority to amend the Bylaws without the assent or vote of the shareholders. The Bylaws also provide that the shareholders of the corporation may amend the Bylaws and state that no Bylaw adopted or amended by the shareholders shall be altered or repealed by the Board. The Bylaws further require the affirmative vote of 2/3 of the total number of shares outstanding to amend, alter, change or repeal certain Bylaw provisions. The NCBCA provides that unless the Articles of Incorporation or a bylaw adopted by the shareholders provides otherwise, the board of directors may not amend a bylaw approved by the shareholders.

Coastal Financial

Under Delaware law, an amendment to the certificate of incorporation requires (1) the approval of the board of directors, (2) the approval of the holders of a majority of the outstanding stock entitled to vote upon the proposed amendment, and (3) the approval of the holders of a majority of the outstanding stock of each class entitled to vote thereon as a class. Coastal Financial's Certificate of Incorporation generally allows for amendment in the manner prescribed by Delaware law. However, the affirmative vote of the holders of at least 70% of the voting power of all the then-outstanding shares of the capital stock of the corporation entitled to vote generally in the election of directors, voting together as a single class, is required to amend or repeal provisions of the Certificate of Incorporation relating to (1) shareholder meetings and cumulative voting, (2) notice requirements for director nominations or proposals for new business, (3) the number, terms, classifications and removal of directors, (4) approval of certain business combinations with interested shareholders, (5) elimination of directors' liability, (6) indemnification of directors, officers and employees, and (7) amendments to the Bylaws or to the Certificate of Incorporation.

Coastal Financial's Certificate of Incorporation provides that the Bylaws may be amended by the Board of Directors or by the shareholders at a properly called meeting for that purpose. Action by shareholders with respect to Bylaws shall be taken by the affirmative vote of the holders of 70% of the outstanding shares entitled to elect directors, voting together as a single class, and action by the Board of Directors with respect to the Bylaws shall be taken by an affirmative vote of two-thirds of the board of directors.

Consideration of Business Combinations

BB&T

BB&T's Articles of Incorporation and Bylaws do not specify any factors to which the BB&T Board of Directors must give consideration in evaluating a transaction involving a potential change in control of BB&T. Further, as stated above, the NCBCA expressly provides that the duties of a director weighing a change of control situation are not different, nor is the standard of care any higher, than that which is otherwise provided.

Coastal Financial

Coastal Financial's Certificate of Incorporation and Bylaws do not specify any factors to which the Coastal Financial Board of Directors must give consideration in evaluating a transaction involving a potential change in control of Coastal Financial, except for specific requirements for approval of certain business combinations with related parties as discussed in this subsection above under **Anti-Takeover Statutes** Coastal Financial.

Shareholders' Rights of Dissent and Appraisal

BB&T

The NCBCA provides that shareholders of a corporation who are voting on a merger or consolidation generally are entitled to dissent from the transaction and obtain payment of the fair value of their shares. Dissenters' rights are not available to the holders of shares of a corporation, such as BB&T, that are either listed on a national securities exchange or held by more than 2,000 record shareholders by reason of a merger, share exchange, or sale or exchange of property unless (a) the Articles of Incorporation of the corporation that issued the shares provide otherwise; or (b) in the case of a merger or share exchange, the holders of the shares are required to accept anything other than (i) cash; (ii) shares in another corporation that are either listed on a national securities exchange or held by more than 2,000 record shareholders; or (iii) a combination of cash and such shares. BB&T's Articles of Incorporation do not authorize any additional dissenters' rights.

Coastal Financial

Delaware law provides that shareholders of a corporation who are voting on a merger or consolidation generally are entitled to dissent from the transaction and obtain payment of the fair value of their shares (so-called appraisal rights). Appraisal rights do not apply if, however, (1) the shares are listed on a national securities exchange or are held by 2,000 or more holders of record (as is currently the case with respect to Coastal Financial's common stock) and (2) except for cash in lieu of fractional share interests, the shares are being exchanged for the shares of the surviving corporation of the merger or the shares of any other corporation, which shares of such other corporation will, as of the effective date of the merger or consolidation, be listed on a national securities exchange or be held of record by more than 2,000 holders (as is currently the case with respect to BB&T's common stock).

Delaware law also provides that any corporation may provide in its certificate of incorporation that appraisal rights shall be available in connection with amendments to its certificate of incorporation, any merger to which the corporation is a party or the sale of all or substantially all of the corporation's assets. Coastal Financial's Certificate of Incorporation contains no such provision.

Liquidation Rights

BB&T

In the event of the liquidation, dissolution, or winding up of the affairs of BB&T, holders of outstanding shares of BB&T common stock are entitled to share, in proportion to their respective interests, in BB&T's assets and funds remaining after payment, or provision for payment, of all debts and other liabilities of BB&T.

Table of Contents

Because BB&T is a financial holding company, its rights, the rights of its creditors and of its shareholders, including the holders of the shares of any BB&T preferred stock that may be issued, to participate in the assets of any subsidiary upon the latter's liquidation or recapitalization may be subject to the prior claims of (a) the subsidiary's creditors, except to the extent that BB&T may itself be a creditor with recognized claims against the subsidiary, and (b) any interests in the liquidation accounts established by savings associations or savings banks acquired by BB&T for the benefit of eligible account holders in connection with conversion of the savings associations from mutual to stock form.

Coastal Financial

In the event of the liquidation, dissolution, or winding up of the affairs of Coastal Financial, holders of outstanding shares of Coastal Financial common stock have substantially similar rights as BB&T shareholders.

Because Coastal Financial is a savings and loan holding company, its rights, the rights of its creditors and of its shareholders to participate in the assets of any subsidiary upon the latter's liquidation or recapitalization may be subject to the prior claims of the subsidiary's creditors, except to the extent that Coastal Financial may itself be a creditor with recognized claims against the subsidiary.

ARTICLE III

CONSIDERATION; EXCHANGE PROCEDURES

3.01 *Merger Consideration.* Subject to the provisions of this Agreement, at the Effective Time, automatically by virtue of the Parent Merger and without any action on the part of any Person, each share of CFC Common Stock (excluding Company-Owned Stock) issued and outstanding immediately prior to the Effective Time shall be converted into shares of BB&T Common Stock based upon a fixed exchange ratio (the *Stock Exchange Ratio*) of .385 of a share of BB&T Common Stock for each share of CFC Common Stock (subject to adjustment as set forth in Section 3.05) (the *Merger Consideration*).

(a) *Company-Owned Stock.* Each share of CFC Common Stock held as Company-Owned Stock immediately prior to the Effective Time shall be canceled and retired at the Effective Time and no consideration shall be issued in exchange therefor.

(b) *Outstanding BB&T Common Stock.* Each share of BB&T Common Stock issued and outstanding immediately prior to the Effective Time shall remain issued and outstanding and unaffected by the Merger.

3.02 *Rights as Shareholders; Stock Transfers.* At the Effective Time, holders of CFC Common Stock shall cease to be, and shall have no rights as, shareholders of CFC, other than to receive any dividend or other distribution with respect to such CFC Common Stock with a record date occurring prior to the Effective Time, and the consideration provided under this Article III, and each certificate previously representing any such shares of CFC Common Stock shall thereafter represent only the right to receive without interest (i) the number of whole shares of BB&T Common

Stock and (ii) cash in lieu of fractional shares into which the shares of CFC Common Stock represented by such certificate have been converted pursuant to this Article III. After the Effective Time, there shall be no transfers on the stock transfer books of CFC or the Surviving Corporation of any shares of CFC Stock.

3.03 *Fractional Shares.* Notwithstanding any other provision hereof, no fractional shares of BB&T Common Stock and no certificates or scrip therefor, or other evidence of ownership thereof, will be issued in

Appendix A-6

the Merger. Instead, BB&T shall pay to each holder of CFC Common Stock who would otherwise be entitled to a fractional share of BB&T Common Stock (after taking into account all Old Certificates (as defined below) delivered by such holder) an amount in cash (without interest) determined by multiplying such fractional share of BB&T Common Stock to which the holder would be entitled by the average of the last sale price of BB&T Common Stock as of the market close (as reported on NYSEnet.com or, if not reported thereon, in another authoritative source) for the five (5) trading days immediately preceding the Effective Date.

3.04 *Exchange Procedures.* (a) At or after the Effective Time, BB&T shall cause BB&T Bank (in such capacity, the *Exchange Agent*), for the benefit of the holders of certificates formerly representing shares of CFC Common Stock (*Old Certificates*), to exchange for outstanding shares of CFC Common Stock in accordance with this Article III, certificates representing shares of BB&T Common Stock (*New Certificates*) and an amount of cash for any fractional shares in accordance with Section 3.03 (together with any dividends or distributions with a record date occurring on or after the Effective Date with respect thereto without any interest on any such cash, dividends or distributions).

(b) As promptly as practicable after the Effective Date, upon the shareholder's delivery to the Exchange Agent of Old Certificates owned by such shareholder representing shares of CFC Common Stock (or an indemnity affidavit reasonably satisfactory to BB&T and the Exchange Agent, if any, if such certificates are lost, stolen or destroyed), BB&T shall cause New Certificates into which such shares of CFC Common Stock are converted on the Effective Date to be delivered to such shareholder and/or any check in respect of cash to be paid as part of the Merger Consideration (and in respect of any fractional share interests, dividends or distributions that such shareholder shall be entitled to receive). No interest will be paid on any such cash to be paid in lieu of fractional share interests or in respect of dividends or distributions that any such shareholder shall be entitled to receive pursuant to this Article III.

(c) Notwithstanding the foregoing, neither the Exchange Agent nor any party hereto shall be liable to any former holder of CFC Common Stock for any amount properly delivered to a public official pursuant to applicable abandoned property, escheat or similar laws.

(d) No dividends or other distributions with respect to BB&T Common Stock with a record date occurring on or after the Effective Date shall be paid to the record holder of any unsurrendered Old Certificate representing shares of CFC Common Stock converted in the Merger into the right to receive shares of such BB&T Common Stock until the holder thereof has delivered properly endorsed Old Certificates in exchange therefor in accordance with the procedures set forth in this Section 3.04. After becoming so entitled in accordance with this Section 3.04, the record holder thereof also shall be entitled to receive any such dividends or other distributions, without any interest thereon, which theretofore had become payable with respect to shares of BB&T Common Stock on or after the Effective Date, and which such holder had the right to receive upon surrender of the Old Certificates.

3.05 *Anti-Dilution Provisions.* In the event BB&T changes the number of shares of BB&T Common Stock issued and outstanding between the date hereof and the Effective Date as a result of a stock split, stock dividend, recapitalization, reclassification, split up, combination, exchange of shares, readjustment or similar transaction and the record date therefor shall be prior to the Effective Date, the Stock Exchange Ratio shall be proportionately adjusted.

3.06 *Options.* (a) On the Effective Date, whether or not then exercisable, each outstanding option to purchase shares of CFC Common Stock under the CFC Stock Plans (each, a *CFC Stock Option*) shall be converted into and become rights with respect to BB&T Common Stock, and BB&T shall assume each CFC Stock Option in accordance with the terms of the CFC Stock Plans, except that from and after the Effective Time (i) BB&T and its Compensation Committee shall be substituted for CFC and the relevant committee of CFC's Board of Directors for purposes of administering the CFC Stock Plans, (ii) each CFC Stock Option assumed by BB&T may be exercised solely for shares of BB&T Common Stock, (iii) the number of shares of BB&T Common Stock subject to each such CFC Stock Option shall be the number of whole shares of BB&T Common Stock (omitting any fractional share) determined by

multiplying the number of shares of CFC Common Stock subject to such CFC Stock Option immediately prior to the Effective Time by the Stock Exchange Ratio, and (iv) the per share exercise price under each such CFC Stock Option shall be adjusted by

Appendix A-7

Table of Contents

dividing the per share exercise price under each such CFC Stock Option by the Stock Exchange Ratio and rounding up to the nearest cent. Notwithstanding the foregoing, BB&T may, at its election, substitute as of the Effective Time options under the BB&T Corporation 2004 Stock Incentive Plan or any other duly adopted comparable plan (in either case, the *BB&T Option Plan*) for all or a part of the CFC Stock Options, subject to the following conditions: (A) the requirements of (iii) and (iv) above shall be met; (B) such substitution shall not constitute a modification, extension or renewal of any of the CFC Stock Options; and (C) the substituted options shall continue in effect on the same terms and conditions as provided in the CFC Stock Option Agreements and the CFC Stock Plans governing each CFC Stock Option. BB&T shall cause each grant of a converted or substitute option to any individual who subsequent to the Merger will be a director or an officer of BB&T as construed under Rule 16b-3 of the Exchange Act shall, as a condition to such conversion or substitution, to be approved in accordance with the provisions of Rule 16b-3. Each CFC Stock Option that is an incentive stock option shall be adjusted as required by Section 424 of the Code so as to continue as an incentive stock option under Section 424(a) of the Code, and so as not to constitute a modification, extension or renewal of the option within the meaning of Section 424(h) of the Code. Each CFC Stock Option that is intended to be exempt from the application of Code Section 409A and related regulations or other guidance shall be subject to adjustment as necessary in order to comply with Prop. Reg. Section 1.409A-1(b)(5)(v)(D), or any successor provisions thereto. BB&T and CFC agree to take all necessary steps to effectuate the foregoing provisions of this Section 3.06. BB&T has reserved and shall continue to reserve adequate shares of BB&T Common Stock for delivery upon exercise of any converted or substitute options. Within five (5) business days after the Effective Date, if it has not already done so, BB&T shall file a registration statement on Form S-3 or Form S-8 (or any successor or other appropriate form), as the case may be, with respect to the shares of BB&T Common Stock subject to converted or substitute options and shall use its reasonable efforts to maintain the effectiveness of such registration statement (and maintain the current status of the prospectus or prospectuses contained therein) for so long as such converted or substitute options remain outstanding. With respect to those individuals, if any, who subsequent to the Merger may be subject to the reporting requirements under Section 16(a) of the Exchange Act, BB&T shall administer the CFC Stock Plans assumed pursuant to this Section 3.06 (or the BB&T Option Plan, if applicable) in a manner that complies with Rule 16b-3 promulgated under the Exchange Act to the extent necessary to preserve for such individuals the benefits of Rule 16b-3 to the extent such benefits were available to them prior to the Effective Time. CFC hereby represents that the CFC Stock Plans in their current forms comply with Rule 16b-3 to the extent, if any, required as of the date hereof.

(b) As soon as practicable following the Effective Time, BB&T shall deliver to the participants receiving converted options under the BB&T Option Plan an appropriate written notice setting forth each participant's rights pursuant thereto.

(c) Eligibility to receive stock option grants following the Effective Time with respect to BB&T Common Stock shall be determined by BB&T in accordance with its plans and procedures as in effect from time to time, and subject to any contractual obligations.

(x) *Properties.* CFC and its Subsidiaries have good and marketable title, free and clear of all liens, encumbrances, charges, defaults or equitable interests to all of the properties and assets, real and personal, reflected on the CFC Financial Statements as being owned by CFC as of September 30, 2006 or acquired after such date, except (i) statutory liens for amounts not yet due and payable, (ii) pledges to secure deposits and other liens incurred in the ordinary course of banking business, (iii) such imperfections of title, easements, encumbrances, liens, charges, defaults or equitable interests, if any, as do not affect the use of properties or assets subject thereto or affected thereby or otherwise materially impair business operations at such properties, (iv) dispositions and encumbrances in the ordinary course of business, and (v) liens on properties acquired in foreclosure or on account of debts previously contracted. All leases pursuant to which CFC or any of its Subsidiaries, as lessee, leases real or personal property (except for leases that have expired by their terms or that CFC or any such Subsidiary has agreed to terminate prior to the date hereof) are valid without default thereunder by the lessee or, to CFC's knowledge, the lessor.

(y) *Loans.* Each loan reflected as an asset in the CFC Financial Statements and each balance sheet date subsequent thereto (i) is evidenced by notes, agreements or other evidences of indebtedness that are true, genuine and what they purport to be, (ii) to the extent secured, has been secured by valid liens and security interests that have been perfected, and (iii) is the legal, valid and binding obligation of the obligor named therein, enforceable in accordance with its terms, subject to bankruptcy, insolvency, fraudulent conveyance and other laws of general applicability relating to or affecting creditors' rights and to general equity principles. Except as Previously Disclosed, as of November 30, 2006, Bank is not a party to a loan, including any loan guaranty, with any director or officer (as defined in Section 16a-1(f) of the Exchange Act) or 5% shareholder of CFC or any of CFC's Subsidiaries or any Person controlling, controlled by or under common control with any of the foregoing. All loans and extensions of credit that have been made by Bank that are subject either to Section 22(b) of the Federal Reserve Act, as amended, or to Section 563.43 of the rules and regulations promulgated by the OTS, comply therewith.

(cc) *Annual/Current Reports.* CFC is in compliance with Section 584.1 of the rules and regulations promulgated by the OTS concerning annual/current reporting requirements, and the signature and attestation requirements provided and to be provided pursuant to such reports are and will be accurate.

(dd) *Bank Secrecy Act, Anti-Money Laundering and OFAC and Customer Information.* CFC is not aware of, has not been advised of, and has no reason to believe that any facts or circumstances exist, which would cause it or any of its Subsidiaries to be deemed (i) to be operating in violation in any material respect of the Bank Secrecy Act, the Patriot Act, any order issued with respect to anti-money laundering by the U.S. Department of the Treasury's Office of Foreign Assets Control, or any other applicable anti-money laundering statute, rule or regulation; or (ii) not to be in satisfactory compliance in any material respect with the applicable privacy and customer information requirements contained in any federal and state privacy laws and regulations, including, without limitation, in Title V of the Gramm-Leach-Bliley Act of 1999 and the regulations promulgated thereunder, as well as the provisions of the information security program adopted by CFC pursuant to 12 C.F.R Part 40. CFC is not aware of any facts or circumstances that would cause it to believe that any non-public customer information has been disclosed to or accessed by an unauthorized third party in a manner that would cause it or any of its Subsidiaries to undertake any material remedial action. The CFC Board (or, where appropriate, the board of directors of any of CFC's Subsidiaries) has adopted and implemented an anti-money laundering program that contains adequate and appropriate customer identification verification procedures that comply with Section 326 of the Patriot Act and such anti-money laundering program meets the requirements in all material respects of Section 352 of the Patriot Act and the regulations thereunder, and it (or such other of its Subsidiaries) has complied in all material respects with any requirements to file reports and other necessary documents as required by the Patriot Act and the regulations thereunder.

(ee) *No Right to Dissent.* Nothing in the CFC Certificate or the Bylaws of CFC or any of its Subsidiaries provides or would provide to any Person, including without limitation the holders of CFC Common Stock, upon execution of this Agreement and consummation of the transactions contemplated hereby and thereby, rights of dissent and appraisal of any kind.

(ff) *Sarbanes-Oxley Act.* CFC is in compliance with the provisions of the Sarbanes-Oxley Act, including Section 404 thereof, and the certifications provided and to be provided pursuant to Sections 302 and 906 thereof are accurate.

(hh) *Fairness Opinion.* The CFC Board has received the written opinion letter of its financial advisor, Keefe, Bruyette & Woods, Inc., to the effect that the Merger Consideration to be received by the holders of CFC Common Stock in the Parent Merger is fair to such holders from a financial point of view.

(ii) Subject to the satisfaction of the requirements referred to in the preceding paragraph and expiration of the related waiting periods, and required filings under federal and state securities laws, the execution, delivery and performance of this Agreement and the consummation of the transactions contemplated hereby do not and will not (A) constitute a breach or violation of, or a default under, or give rise to any Lien, any acceleration of remedies or any right of termination under, any law, rule or regulation or any judgment, decree, order, governmental permit or license, or agreement, indenture or instrument of BB&T or of any of its Subsidiaries or to which BB&T or any of its Subsidiaries or properties is subject or bound, (B) constitute a breach or violation of, or a default under, the Articles of Incorporation or Bylaws (or similar governing documents) of BB&T or any of its Subsidiaries, or (C) require any consent or approval under any such law, rule, regulation, judgment, decree, order, governmental permit or license, agreement, indenture or instrument.

(f) *Financial Reports and SEC Documents; Material Adverse Effect.*

(i) BB&T's Annual Report on Form 10-K for the fiscal year ended December 31, 2005, and all other reports, registration statements, definitive proxy statements or information statements filed or to be filed by it or any of its Subsidiaries with the SEC subsequent to December 31, 2005 under the Securities Act, or under Section 13, 14 or 15(d) of the Exchange Act, in the form filed or to be filed (collectively, *BB&T SEC Documents*) as of the date filed, (A) complied or will comply in all material respects with the applicable requirements under the Securities Act or the Exchange Act, as the case may be, and (B) did not and will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; and each of the balance sheets or statements of condition contained in or incorporated by reference into any such BB&T SEC Document (including the related notes and schedules thereto) fairly presents, or will fairly present, the financial position of BB&T and its Subsidiaries as of its date, and each of the statements of income or results of operations and changes in shareholders' equity and cash flows or equivalent statements in such BB&T SEC Documents (including any related notes and schedules thereto) fairly presents, or will fairly present, the results of operations, changes in shareholders' equity and cash flows, as the case may be, of BB&T and its Subsidiaries for the periods to which they relate, in each case in accordance with GAAP consistently applied during the periods involved, except in each case as may be noted therein, subject to normal year-end audit adjustments and the absence of footnotes in the case of unaudited statements.

(g) *Brokerage and Finder's Fees.* BB&T has not employed any broker, finder, or agent, or agreed to pay or incurred any brokerage fee, finder's fee, commission or other similar form of compensation in connection with this Agreement or the transactions contemplated hereby.

ARTICLE VI

COVENANTS

6.01 *Reasonable Best Efforts.* Subject to the terms and conditions of this Agreement, each of CFC and BB&T agrees to use its reasonable best efforts in good faith to take, or cause to be taken, all actions, and to do, or cause to be done,

all things necessary, proper or desirable, or advisable under applicable laws, so as to permit consummation of the Merger as promptly as practicable and otherwise to enable consummation of the

Appendix A-24

Table of Contents

transactions contemplated hereby, including the satisfaction or waiver of the conditions set forth in Article VII hereof, and shall cooperate fully with the other party hereto to that end.

6.02 *Shareholder Approval.* CFC agrees to take, in accordance with applicable law and the CFC Certificate and CFC Bylaws, all action necessary to convene an appropriate meeting of its shareholders to consider and vote upon the adoption of this Agreement and any other matters required to be approved or adopted by CFC's shareholders for consummation of the Merger (including any adjournment or postponement, the *CFC Meeting*), as promptly as practicable after the Registration Statement is declared effective. The CFC Board shall recommend that its shareholders adopt this Agreement at the CFC Meeting unless the CFC Board, after consultation with independent legal counsel, determines in good faith that it is probable that such recommendation would be a breach of its fiduciary duties under applicable Delaware law.

6.03 *Registration Statement.* (a) BB&T agrees to prepare, pursuant to all applicable laws, rules and regulations, a registration statement on Form S-4 (the *Registration Statement*) to be filed by BB&T with the SEC in connection with the issuance of BB&T Common Stock in the Merger (including the proxy statement and prospectus and other proxy solicitation materials of CFC constituting a part thereof (the *Proxy Statement*) and all related documents). CFC agrees to cooperate, and to cause its Subsidiaries to cooperate, with BB&T, its counsel and its accountants, in preparation of the Registration Statement and the Proxy Statement; and provided that CFC and its Subsidiaries have cooperated as required above, BB&T agrees to use all reasonable efforts to file the Proxy Statement and the Registration Statement (together, the *Proxy/Prospectus*) with the SEC as promptly as reasonably practicable. Each of CFC and BB&T agrees to use all reasonable efforts to cause the Proxy/Prospectus to be declared effective under the Securities Act as promptly as reasonably practicable after filing thereof. BB&T also agrees to use all reasonable efforts to obtain, prior to the effective date of the Registration Statement, all necessary state securities law or Blue Sky permits and approvals required to carry out the transactions contemplated by this Agreement. CFC agrees to furnish to BB&T all information concerning CFC, its Subsidiaries, officers, directors and shareholders as may be reasonably requested in connection with the foregoing.

(b) Each of CFC and BB&T agrees, as to itself and its Subsidiaries, that none of the information supplied or to be supplied by it for inclusion or incorporation by reference in (i) the Registration Statement will, at the time the Registration Statement and each amendment or supplement thereto, if any, becomes effective under the Securities Act, and at the Effective Time, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and (ii) the Proxy Statement and any amendment or supplement thereto will, at the date of mailing to the CFC shareholders and at the time of the CFC Meeting, as the case may be, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading or any statement which, in the light of the circumstances under which such statement is made, will be false or misleading with respect to any material fact, or which will omit to state any material fact necessary in order to make the statements therein not false or misleading or necessary to correct any statement in any earlier statement in the Proxy Statement or any amendment or supplement thereto. Each of CFC and BB&T further agrees that if it shall become aware prior to the Effective Date of any information furnished by it that would cause any of the statements in the Proxy Statement to be false or misleading with respect to any material fact, or to omit to state any material fact necessary to make the statements therein not false or misleading, to promptly inform the other party thereof and to take the necessary steps to correct the Proxy Statement.

(c) BB&T agrees to advise CFC, promptly after BB&T receives notice thereof, of the time when the Registration Statement has become effective or any supplement or amendment has been filed, of the issuance of any stop order or the suspension of the qualification of BB&T Common Stock for offering or sale in any jurisdiction, of the initiation or threat of any proceeding for any such purpose, or of any request by the SEC for the amendment or supplement of the Registration Statement or for additional information.

6.04 *Press Releases*. Each of CFC and BB&T agrees that it will not, without the prior approval of the other party, issue any press release or written statement for general circulation relating to the transactions

Appendix A-25

contemplated hereby, except as otherwise required by applicable law or regulation or NYSE or NASDAQ rules.

6.05 Access; Information. Except as Previously Disclosed, (a) CFC agrees that upon reasonable notice and subject to applicable laws relating to the exchange of information, it shall afford BB&T and BB&T's officers, employees, counsel, accountants and other authorized representatives, such access during normal business hours throughout the period prior to the Effective Time to the books, records (including, without limitation, tax returns and, to the extent practicable, work papers of independent auditors), properties, personnel and to such other information as BB&T may reasonably request and, during such period, it shall furnish promptly to BB&T (i) a copy of each material report, schedule and other document filed by CFC pursuant to federal or state securities or banking laws, and (ii) all other information concerning the business, properties and personnel of CFC as BB&T may reasonably request.

(b) Each of BB&T and CFC agrees that it will not, and will cause its representatives not to, use any information obtained pursuant to this Section 6.05 (as well as any other information obtained prior to the date hereof in connection with the entering into of this Agreement) for any purpose unrelated to the consummation of the transactions contemplated by this Agreement. Subject to the requirements of law, each party will keep confidential, and will cause its representatives to keep confidential, all information and documents obtained pursuant to this Section 6.05 (as well as any other information obtained prior to the date hereof in connection with the entering into of this Agreement) unless such information (i) was already known to such party, (ii) becomes available to such party from other sources not known by such party to be bound by a confidentiality obligation, (iii) is disclosed with the prior written approval of the party to which such information pertains or (iv) is or becomes readily ascertainable from published information or trade sources. No investigation by either party of the business and affairs of the other shall affect or be deemed to modify or waive any representation, warranty, covenant or agreement in this Agreement, or the conditions to either party's obligation to consummate the transactions contemplated by this Agreement.

(c) During the period from the date of this Agreement to the Effective Time, CFC shall promptly furnish BB&T with copies of all monthly and other interim financial statements produced in the ordinary course of business as the same shall become available.

6.06 Acquisition Proposals. CFC agrees that it shall not, and shall cause its Subsidiaries and its Subsidiaries' officers, directors, agents, advisors and affiliates not to, solicit or encourage inquiries or proposals with respect to, or engage in any negotiations concerning, or provide any confidential information to, or have any discussions with, any Person relating to, any Acquisition Proposal, except to the extent that the CFC Board, after consultation with independent legal counsel, determines in good faith that it is probable that the failure to take such action would be a breach of its fiduciary duties under applicable Delaware law. It shall immediately cease and cause to be terminated any activities, discussions or negotiations conducted prior to the date of this Agreement with any parties other than BB&T with respect to any of the foregoing and shall use its reasonable best efforts to enforce any confidentiality or similar agreement relating to an Acquisition Proposal. CFC shall promptly advise BB&T following the receipt by CFC of any Acquisition Proposal and the substance thereof (including the identity of the Person making such Acquisition Proposal), and advise BB&T of any material developments with respect to such Acquisition Proposal promptly upon the occurrence thereof.

6.07 Affiliate Agreements. Not later than the 15th day prior to the mailing of the Proxy Statement, CFC shall deliver to BB&T a schedule of each Person that, to the best of its knowledge, is or is reasonably likely to be, as of the date of the CFC Meeting, deemed to be an affiliate of CFC (each, a *CFC Affiliate*) as that term is used in Rule 145 under the Securities Act. CFC shall cause each Person who may be deemed to be a CFC Affiliate to execute and deliver to CFC on or before the date of mailing of the Proxy Statement an agreement in the form attached hereto as *Exhibit A*. CFC shall deliver such executed affiliate agreements to BB&T at the Closing.

6.08 *Takeover Laws*. No party hereto shall take any action that would cause the transactions contemplated by this Agreement to be subject to requirements imposed by any Takeover Law and each of them shall take all necessary steps within its control to exempt (or ensure the continued exemption of) the transactions contemplated by this Agreement from, or, if necessary, challenge the validity or applicability of, any applicable

Appendix A-26

Table of Contents

Takeover Law, as now or hereafter in effect. Neither party will take any action that would cause the transactions contemplated hereby not to comply with any Takeover Provisions and each of them will take all necessary steps within its control to make those transactions comply with (or continue to comply with) the Takeover Provisions.

6.09 *Reports.* Each of CFC and BB&T shall file (and shall cause CFC's Subsidiaries and BB&T's Subsidiaries, respectively, to file), between the date of this Agreement and the Effective Time, all reports required to be filed by it with the SEC and any other Regulatory Authorities having jurisdiction over such party, and CFC shall deliver to BB&T copies of all such reports promptly after the same are filed. If financial statements are contained in any such reports filed with the SEC, such financial statements will fairly present the consolidated financial position of the entity filing such statements as of the dates indicated and the consolidated results of operations, changes in shareholders equity, and cash flows for the periods then ended in accordance with GAAP (subject in the case of interim financial statements to the absence of notes and to normal recurring year-end adjustments that are not material). As of their respective dates, such reports filed with the SEC will comply in all material respects with the Federal securities laws and will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. Any financial statements contained in any reports to a Regulatory Authority shall be prepared in accordance with requirements applicable to such reports.

6.10 *Exchange Listing.* BB&T will use all reasonable best efforts to cause the shares of BB&T Common Stock to be issued in the Merger to be approved for listing on the NYSE, subject to official notice of issuance, as promptly as practicable, and in any event before the Effective Time.

6.11 *Regulatory Applications.* (a) BB&T and CFC and their respective Subsidiaries shall cooperate and use their respective reasonable best efforts to prepare all documentation, to timely effect all filings and to obtain all permits, consents, approvals and authorizations of all third parties and Governmental Authorities necessary to consummate the transactions contemplated by this Agreement. Each party hereto agrees that it will consult with the other party hereto with respect to the obtaining of all material permits, consents, approvals and authorizations of all third parties and Governmental Authorities necessary or advisable to consummate the transactions contemplated by this Agreement and each party will keep the other party apprised of the status of material matters relating to completion of the transactions contemplated hereby.

(b) Each party agrees, upon request, to furnish the other party with all information concerning itself, its Subsidiaries, directors, officers and shareholders and such other matters as may be reasonably necessary or advisable in connection with any filing, notice or application made by or on behalf of such other party or any of its Subsidiaries to any third party or Governmental Authority.

6.12 *Indemnification and Advancement of Expenses.* (a) Following the Effective Date, BB&T shall indemnify, defend and hold harmless (and advance expenses to) the present directors, officers and employees of CFC and its Subsidiaries (each, an *Indemnified Party*) against all costs or expenses (including reasonable attorneys' fees), judgments, fines, losses, claims, damages or liabilities incurred in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, arising out of actions or omissions occurring on or prior to the Effective Time (including, without limitation, the transactions contemplated by this Agreement) to the fullest extent that CFC is permitted to indemnify (and advance expenses to) its directors, officers and employees under the laws of the State of Delaware, the CFC Certificate and the CFC Bylaws as in effect on the date hereof.

(b) For a period of three years from the Effective Time, BB&T shall use its reasonable best efforts to provide that portion of directors and officers liability insurance that serves to reimburse the present and former officers and directors of CFC or any of its Subsidiaries with respect to claims against such directors and officers arising from facts or events that occurred before the Effective Time, on terms no less favorable than those in effect on the date hereof;

provided, however, that BB&T may substitute therefor policies providing at least comparable coverage containing terms and conditions no less favorable than those in effect on the date hereof; and *provided, further*, that officers and directors of CFC or any Subsidiary may be required to make application and provide customary representations and warranties to BB&T's insurance carrier for the purpose

Appendix A-27

Table of Contents

of obtaining such insurance; and *provided, further*, in no event shall the annual premium on such policy exceed 125% of the annual premium payments on CFC's policy in effect as of the date hereof (the *Maximum Amount*). If the amount of the premiums necessary to maintain or procure such insurance coverage exceeds the Maximum Amount, BB&T shall use its reasonable efforts to maintain the most advantageous policies of directors' and officers' liability insurance obtainable for a premium equal to the Maximum Amount.

(c) Any Indemnified Party wishing to claim indemnification under Section 6.12(a), upon learning of any claim, action, suit, proceeding or investigation described above, shall promptly notify BB&T thereof; provided that the failure so to notify shall not affect the obligations of BB&T under Section 6.12(a) unless and to the extent that BB&T is actually prejudiced as a result of such failure.

(d) If BB&T or any of its successors or assigns shall consolidate with or merge into any other entity and shall not be the continuing or surviving entity of such consolidation or merger or shall transfer all or substantially all of its assets to any entity, then and in each case, proper provision shall be made so that the successors and assigns of BB&T shall assume the obligations set forth in this Section 6.12.

6.13 Employment Agreements; 401(k) Plan; Other Employee Benefits. (a) As of the date hereof, BB&T (or its specified Subsidiary) shall enter into a seven-year employment/consulting agreement with Michael C. Gerald (the *Employment/Consulting Agreement*), which shall become effective on the Effective Date if the Closing occurs as provided in Section 2.04 of this Agreement.

(b) No later than the Effective Time, CFC shall take such steps as may be necessary to fully vest all participants in the 401(k) plan of CFC. Effective on the Benefit Plan Determination Date with respect to the 401(k) plan of CFC, BB&T shall cause such plan to be merged with the BB&T Corporation 401(k) Savings Plan (the *BB&T 401(k) Plan*), or to be frozen or to be terminated, in each case as determined by BB&T and subject to and conditional upon the receipt of all applicable regulatory or governmental approvals. Each employee of CFC at the Effective Time (i) who is a participant in the 401(k) plan of CFC, (ii) who becomes an employee of BB&T or of any of its Subsidiaries (the *Employer Entity*) immediately following the Effective Time, and (iii) who continues in the employment of an Employer Entity until the Benefit Plan Determination Date for the BB&T 401(k) Plan, shall be eligible to participate in the BB&T 401(k) Plan as of the Benefit Plan Determination Date. Any other employee of CFC who is employed by an Employer Entity on or after the Benefit Plan Determination Date shall be eligible to be a participant in the BB&T 401(k) Plan upon complying with eligibility requirements. All rights to participate in the BB&T 401(k) Plan are subject to BB&T's right to amend or terminate the plan. Until the Benefit Plan Determination Date, BB&T shall continue in effect, for the benefit of participating employees, the 401(k) plan of CFC. For purposes of administering the BB&T 401(k) Plan, service with CFC and its Subsidiaries shall be deemed to be service with BB&T for participation and vesting purposes, but not for purposes of benefit accrual. Any compensation earned and deferred by employees of CFC in the calendar year of the Benefit Plan Determination Date will be recognized by BB&T in the administration of the BB&T 401(k) Plan. Additionally, employees of CFC will be eligible to receive from BB&T in the administration of the BB&T 401(k) Plan any matching contribution received by such employees as a participant in the 401(k) Plan of CFC. Each employee of CFC or its Subsidiaries at the Effective Time who becomes an employee immediately following the Effective Time of an Employer Entity is referred to here as a *Transferred Employee*.

(c) Each Transferred Employee shall be eligible to participate in group hospitalization, medical, dental, life, disability and other welfare benefit plans and programs available to employees of the Employer Entity, subject to the terms of such plans and programs, as of the Benefit Plan Determination Date for each such plan or program, conditional upon the Transferred Employee's being employed by an Employer Entity as of such Benefit Plan Determination Date and subject to complying with eligibility requirements of the respective plans and programs. With respect to any welfare benefit plan or program of CFC that the Employer Entity determines, in its sole discretion, provides benefits of the same type or class as a corresponding plan or program maintained by an Employer Entity, the Employer Entity shall

continue such CFC plan or program in effect for the benefit of the Transferred Employees so long as they remain eligible to participate and until they shall become eligible to become participants in the corresponding plan or program maintained by the Employer Entity (and, with respect to any such plan or program, subject to complying with eligibility

Appendix A-28

requirements and subject to the right of the Employer Entity to terminate such plan or program). For purposes of administering the welfare plans and programs subject to this Section 6.13, service with CFC shall be deemed to be service with the Employer Entity for the purpose of determining eligibility to participate and vesting (if applicable) in such welfare plans and programs, but not for the purpose of computing benefits, if any, determined in whole or in part with reference to service (except as otherwise provided in Section 6.13(d)).

(d) Except to the extent of commitments herein or other contractual commitments, if any, specifically made or assumed hereunder by BB&T, neither BB&T nor any Employer Entity shall have any obligation arising from the Merger to continue any Transferred Employees in its employ or in any specific job or to provide to any Transferred Employee any specified level of compensation or any incentive payments, benefits or perquisites. Each Transferred Employee who is terminated by an Employer Entity subsequent to the Effective Time, excluding any employee who has a then existing contract explicitly providing for severance in lieu of severance plan benefits, shall be entitled to severance pay in accordance with the Coastal Federal Bank Change in Control Severance Compensation Plan (the *Bank Severance Plan*) if and to the extent that such Transferred Employee is entitled to severance pay under the Bank Severance Plan. Each Transferred Employee's service with BB&T shall be treated as service with CFC for purposes of determining the amount of severance pay, if any, under the Bank Severance Plan.

(e) BB&T agrees to honor all employment agreements, severance agreements and deferred compensation agreements that CFC and its Subsidiaries have with their current and former employees and directors and which have been Previously Disclosed to BB&T pursuant to this Agreement, except to the extent any such agreements shall be superseded or terminated at the Closing or following the Effective Date. BB&T acknowledges and agrees that (i) each CFC employee covered by a Previously Disclosed CFC or CFC Affiliate employment agreement shall be entitled to a severance payment and continuation of employee benefits under the applicable change in control severance provisions of such agreement without regard to whether such officer continues employment with BB&T after the Effective Date as a Transferred Employee, provided each such CFC employee executes an acknowledgment of payment and release of obligations under his or her existing employment agreement (in a form acceptable to BB&T), and (ii) such payment shall be made by BB&T not later than the first to occur of (x) the officer's voluntary or involuntary termination of employment or (y) the date that is 120 days after the Effective Date without regard to whether such employee is still employed by BB&T as of such date; provided, however, that the foregoing shall not apply to an employee covered by a Previously Disclosed CFC or CFC Affiliate employment agreement who enters into a new employment agreement with BB&T. Except for the agreements described in the preceding sentence and except as otherwise provided in this Section 6.13, the employee benefit plans of CFC shall, in the sole discretion of BB&T, be frozen, terminated or merged into comparable plans of BB&T, effective as BB&T shall determine in its sole discretion. Notwithstanding the immediately preceding sentence, BB&T will continue in effect any short-term bonus plans of CFC (the *CFC Bonus Arrangements*) until, as determined by BB&T, (i) the date of completion of conversion of the data services systems of CFC and its Subsidiaries to the data service systems of BB&T and its Subsidiaries, (ii) the date that former CFC executives are made parties to the BB&T Amended and Restated Short Term Incentive Plan, or (iii) the date the former CFC employees are made parties to the applicable line of business incentive plan (each of the BB&T Amended and Restated Short Term Incentive Plan and the applicable line of business incentive plan shall referred to herein as a *BB&T Bonus Plan*). If any former employee of CFC would earn amounts under both the CFC Bonus Arrangements and the applicable BB&T Bonus Plan for any calendar year, BB&T shall make appropriate adjustments in the amounts earned under such programs to avoid duplication and to pro-rate the amount earned by such employee under the CFC Bonus Arrangements and the applicable BB&T Bonus Plan for the portion of the year in which such employee participated in each such plan.

(f) CFC will enter into retention bonus arrangements (in such amounts and upon such terms and conditions as BB&T shall specify) with such key employees of CFC and its Subsidiaries as are requested or approved by BB&T.

(g) Nothing in this Agreement, whether express or implied, shall either (i) constitute an amendment to an existing Compensation and Benefit Plan of CFC or BB&T, or (ii) constitute the creation of a new Compensation and Benefit Plan for either CFC or BB&T.

6.14 *Notification of Certain Matters.* Each of CFC and BB&T shall give prompt notice to the other of any fact, event or circumstance known to it that (i) is reasonably likely, individually or taken together with all other facts, events and circumstances known to it, to result in any Material Adverse Effect with respect to it or (ii) would cause or constitute a material breach of any of its representations, warranties, covenants or agreements contained herein.

6.15 *Dividend Coordination.* It is agreed by the parties hereto that they will cooperate to assure that as a result of the Merger, during any applicable period, there shall not be a payment of both a BB&T and a CFC dividend. The parties further agree that if the Effective Date is at the end of a fiscal quarter, then they will cooperate to assure that the CFC shareholders receive the dividend declared by BB&T, if any, rather than the dividend for that period, if any, declared by CFC.

6.16 *Advisory Board.* Each of the current members of the CFC Board will be asked to serve on a BB&T local advisory board for the region formerly served by CFC, and BB&T will pay compensation to such directors for their service on such BB&T local advisory board consistent with the existing fee structure offered by CFC to such directors for a period of two years after the Effective Date. After the expiration of such two-year period, BB&T will pay compensation to such directors for their service on such BB&T local advisory board consistent with BB&T's fee policies and age limits for advisory board members. Any board member who agrees to serve on such BB&T local advisory board shall enter into a two-year noncompete agreement, which shall commence on the Effective Date.

6.17 *Tax Treatment.* Each of BB&T and CFC agrees not to take any actions subsequent to the date of this Agreement that would adversely affect the ability of CFC and its shareholders to characterize the Merger as a tax-free reorganization under Section 368(a) of the Code, and each of BB&T and CFC agrees to take such action as may be reasonably required, if such action may be reasonably taken to reverse the impact of any past actions that would adversely impact the ability for the Merger to be characterized as a tax-free reorganization under Section 368(a) of the Code.

6.18 *No Breaches of Representations and Warranties.* Between the date of this Agreement and the Effective Time, without the written consent of the other party, each of BB&T and CFC will not do any act or suffer any omission of any nature whatsoever that would cause any of the representations or warranties made in Article V of this Agreement to become untrue or incorrect in any material respect.

6.19 *Consents.* Each of BB&T and CFC shall use its best efforts to obtain any required consents to the transactions contemplated by this Agreement.

6.20 *Insurance Coverage.* CFC shall cause each of the policies of insurance listed in its Disclosure Schedule to remain in effect between the date of this Agreement and the Effective Date.

6.21 *Correction of Information.* Each of BB&T and CFC shall promptly correct and supplement any information furnished under this Agreement so that such information shall be correct and complete in all material respects at all times, and shall include all facts necessary to make such information correct and complete in all material respects at all times, provided that any such correction that may result in a change to a party's Disclosure Schedule shall not be made without the prior written consent of the other party.

6.22 *Confidentiality.* Except for the use of information in connection with the Registration Statement described in Section 6.03 hereof and any other governmental filings required in order to complete the transactions contemplated by this Agreement, all information (collectively, the *Information*) received by each of CFC and BB&T, pursuant to the terms of this Agreement shall be kept in strictest confidence; *provided that*, subsequent to the filing of the Registration Statement with the SEC, this Section 6.22 shall not apply to information included in the Registration Statement or to

be included in the official Proxy/Prospectus to be sent to the shareholders of CFC under Section 6.03. CFC and BB&T agree that the Information will be used only for the purpose of completing the transactions contemplated by this Agreement. CFC and BB&T agree to hold the Information in strictest confidence and shall not use, and shall not disclose directly or indirectly any of such Information except when, after and to the extent such Information (i) is or becomes generally available to the public other than through the failure of CFC or BB&T to fulfill its obligations hereunder, (ii) was already known to the party receiving the Information on a nonconfidential basis prior to

Appendix A-30

the disclosure or (iii) is subsequently disclosed to the party receiving the Information on a nonconfidential basis by a third party having no obligation of confidentiality to the party disclosing the Information. It is agreed and understood that the obligations of CFC and BB&T contained in this Section 6.22 shall survive the Closing. It is also agreed and understood that to the extent the terms of this Section 6.22 differ from or are inconsistent with the terms of Section 6.05(b), this Section 6.22 and Section 6.05(b) shall be read together so as to afford the broadest scope of intended confidentiality.

ARTICLE VII

CONDITIONS TO CONSUMMATION OF THE MERGER

7.01 Conditions to Each Party's Obligation to Effect the Merger. The respective obligation of each of BB&T and CFC to consummate the Merger is subject to the fulfillment or written waiver by BB&T and CFC prior to the Effective Time of each of the following conditions:

(a) *Shareholder Approval.* This Agreement shall have been duly adopted by the requisite vote of CFC's shareholders.

(b) *Regulatory Approvals.* All regulatory approvals required to consummate the transactions contemplated hereby shall have been obtained and shall remain in full force and effect and all statutory waiting periods in respect thereof shall have expired and no such approvals shall contain (i) any conditions, restrictions or requirements that the BB&T Board reasonably determines would either before or after the Effective Time have a Material Adverse Effect on BB&T after giving effect to the consummation of the Merger, or (ii) any conditions, restrictions or requirements that are not customary and usual for approvals of such type and that the BB&T Board reasonably determines would be unduly burdensome to meet either before or after the Effective Date.

(c) *No Injunction.* No Governmental Authority of competent jurisdiction shall have enacted, issued, promulgated, enforced or entered any statute, rule, regulation, judgment, decree, injunction or other order (whether temporary, preliminary or permanent) that is in effect and prohibits consummation of the transactions contemplated by this Agreement.

(d) *Registration Statement.* The Registration Statement shall have become effective under the Securities Act and no stop order suspending the effectiveness of the Registration Statement shall have been issued and no proceedings for that purpose shall have been initiated or threatened by the SEC.

(e) *Exchange Listing.* The shares of BB&T Common Stock to be issued in the Merger shall have been approved for listing on the NYSE, subject to official notice of issuance.

(f) *Tax Opinion.* CFC and BB&T shall have received an opinion of Womble, Carlyle, Sandridge & Rice PLLC, counsel to BB&T, in form and substance satisfactory to CFC and BB&T, on the basis of facts, representations and assumptions set forth in such opinion substantially to the effect that the Merger will constitute one or more reorganizations under Section 368 of the Code and that the shareholders of CFC will not recognize any gain or loss, except to the extent cash is received in lieu of fractional shares of BB&T Common Stock.

7.02 Conditions to Obligation of CFC. The obligation of CFC to consummate the Merger is also subject to the fulfillment or written waiver by CFC prior to the Effective Time of each of the following conditions:

(a) *Representations and Warranties.* The representations and warranties of BB&T set forth in this Agreement shall be true and correct, subject to Section 5.02, as of the date of this Agreement and as of the Effective Date as though made on and as of the Effective Date (except that representations and warranties that by their terms speak as of the date of

this Agreement or some other date shall be true and correct as of such date), and CFC shall have received a certificate, dated the Effective Date, signed on behalf of BB&T by a Senior Executive Vice President or an Executive Vice President of BB&T to such effect.

(b) *Performance of Obligations by BB&T.* BB&T shall have performed in all material respects all obligations required to be performed by BB&T under this Agreement at or prior to the Effective Time, and CFC shall have received a certificate, dated the Effective Date, signed on behalf of BB&T by a Senior Executive Vice President or an Executive Vice President of BB&T to such effect.

7.03 *Conditions to Obligation of BB&T.* The obligation of BB&T to consummate the Merger is also subject to the fulfillment or written waiver by BB&T prior to the Effective Time of each of the following conditions:

(a) *Representations and Warranties.* The representations and warranties of CFC set forth in this Agreement shall be true and correct, subject to Section 5.02, as of the date of this Agreement and as of the Effective Date as though made on and as of the Effective Date (except that representations and warranties that by their terms speak as of the date of this Agreement or some other date shall be true and correct as of such date) and BB&T shall have received a certificate, dated the Effective Date, signed on behalf of CFC by the Chief Executive Officer and the Chief Financial Officer of CFC to such effect.

(b) *Performance of Obligations by CFC.* CFC shall have performed in all material respects all obligations required to be performed by it under this Agreement at or prior to the Effective Time, and BB&T shall have received a certificate, dated the Effective Date, signed on behalf of CFC by the Chief Executive Officer and the Chief Financial Officer of CFC to such effect.

(c) *Opinion of CFC's Counsel.* BB&T shall have received an opinion of Muldoon Murphy & Aguggia LLP, counsel to CFC, dated the Effective Date, to the effect that, on the basis of the facts, representations and assumptions set forth in the opinion, (i) CFC is a corporation organized and in good standing under the laws of the State of Delaware, (ii) this Agreement has been executed by CFC and constitutes a binding obligation on CFC, enforceable in accordance with its terms against CFC, except as the same may be limited by bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium, and other similar laws relating to or affecting the enforcement of creditors' rights generally, by general equitable principles (regardless of whether enforceability is considered in a proceeding in equity or at law), and (iii) that, assuming approval by CFC's shareholders, upon the filing of the articles of merger with the North Carolina Secretary of State and the filing of the certificate of merger with the Delaware Secretary of State, the Merger shall become effective.

(d) *Affiliate Agreements.* BB&T shall have received the agreements referred to in Section 6.07 from each affiliate of CFC.

ARTICLE VIII

TERMINATION

8.01 *Termination.* This Agreement may be terminated, and the Merger may be abandoned:

(a) *Mutual Consent.* At any time prior to the Effective Time, by the mutual consent of BB&T and CFC.

(b) *Breach.* At any time prior to the Effective Time, by BB&T or CFC in the event of either: (i) a breach by the other party of any representation or warranty contained herein (subject to the standard set forth in Section 5.02), which breach cannot be or has not been cured within 30 days after the giving of written notice to the breaching party of such breach; or (ii) a breach by the other party of any of the covenants or agreements contained herein, which breach cannot be or has not been cured within 30 days after the giving of written notice to the breaching party of such breach, *provided that* (A) such breach (under either clause (i) or (ii)) would entitle the non-breaching party not to consummate

the Merger under Article VII, and (B) the terminating party is not itself in material breach of any provision of this Agreement.

(c) *Delay.* At any time prior to the Effective Time, by BB&T or CFC, if its Board of Directors so determines by vote of a majority of the members of its entire Board, in the event that the Merger is not

Appendix A-32

Table of Contents

consummated by October 1, 2007, except to the extent that the failure of the Merger then to be consummated arises out of or results from the knowing action or inaction of the party seeking to terminate pursuant to this Section 8.01(c).

(d) *No Approval.* By CFC or BB&T in the event (i) the approval of any Governmental Authority required for consummation of the Merger and the other transactions contemplated by this Agreement shall have been denied by final nonappealable action of such Governmental Authority or an application therefore shall have been permanently withdrawn at the invitation, request or suggestion of a Governmental Authority; (ii) the CFC shareholders fail to adopt this Agreement at the CFC Meeting and approve the Merger; or (iii) any of the closing conditions have not been met as required by Article VII hereof.

(e) *Adverse Action.* By BB&T, if (i) the CFC Board submits this Agreement (or the plan of merger contained herein) to its shareholders without a recommendation for approval or with any adverse conditions on, or qualifications of, such recommendation for approval; or (ii) the CFC Board otherwise withdraws or materially and adversely modifies (or discloses its intention to withdraw or materially and adversely modify) its recommendation referred to in Section 6.02; or (iii) the CFC Board recommends to its shareholders an Acquisition Proposal other than the Merger.

8.02 Effect of Termination and Abandonment; Enforcement of Agreement. In the event of termination of this Agreement and the abandonment of the Merger pursuant to this Article VIII, no party to this Agreement shall have any liability or further obligation to any other party hereunder except (i) as set forth in Sections 8.03 and 9.01; and (ii) that termination will not relieve a breaching party from liability or damages for any willful breach of this Agreement giving rise to such termination. Notwithstanding anything contained herein to the contrary, the parties hereto agree that irreparable damage will occur in the event that a party breaches any of its obligations, duties, covenants and agreements contained herein. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches or threatened breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in any court of the United States or any state having jurisdiction, this being in addition to any other remedy to which they are entitled by law or in equity.

8.03 Termination Fee. CFC shall pay to BB&T a termination fee in the amount of Fifteen Million Dollars (\$15,000,000) if:

(i) this Agreement is terminated by BB&T pursuant to Section 8.01(b) or 8.01(e) or by BB&T or CFC pursuant to Section 8.01(d)(ii), and (a) prior to such termination, an Acquisition Proposal with respect to CFC was commenced, publicly proposed or publicly disclosed and (b) within 18 months after such termination, CFC shall have entered into an agreement relating to an Acquisition Proposal or any Acquisition Proposal shall have been consummated; or

(ii) after receiving an Acquisition Proposal, the CFC Board does not take action to convene the CFC Meeting and/or recommend that CFC shareholders adopt this Agreement, and within 18 months after such receipt, CFC shall have entered into an agreement relating to an Acquisition Proposal or any Acquisition Proposal shall have been consummated.

Upon payment of the fee described in this Section 8.03, CFC shall have no further liability to BB&T at law or in equity with respect to such termination under Section 8.01(b), 8.01(d)(ii) or 8.01(e), or with respect to the CFC Board's failure to take action to convene the CFC Meeting and/or recommend that CFC shareholders adopt this Agreement. CFC acknowledges that the agreements contained in this Section 8.03 are an integral part of the transactions contemplated by this Agreement, and that, without these agreements, BB&T would not enter into this Agreement. Accordingly, if CFC fails to pay timely any amount due pursuant to this Section 8.03 and, in order to obtain such payment, BB&T commences a suit that results in a judgment against CFC for the amount payable to BB&T pursuant to this Section 8.03, CFC shall pay to BB&T its costs and expenses (including attorneys' fees and expenses) in connection with such suit, together with interest on the amount so payable at the applicable Federal Funds rate.

The Board of Directors
Coastal Financial Corporation
2619 Oak Street
Myrtle Beach, South Carolina 29577

Members of the Board:

You have requested our opinion as investment bankers as to the fairness, from a financial point of view, to the shareholders of Coastal Financial Corporation (Coastal) of the terms and conditions of the proposed merger (the Merger) of Coastal into BB&T Corporation (BB&T), pursuant to the Agreement and Plan of Merger, dated as of December 20, 2006, between Coastal and BB&T (the Agreement). Pursuant to the terms of the Agreement, each outstanding share of common stock of Coastal, par value \$0.01 per share (the Common Shares), will be converted into the right to receive 0.385 shares of BB&T common stock, par value \$5.00 per share (the Merger Consideration).

Keefe, Bruyette & Woods, Inc., as part of its investment banking business, is continually engaged in the valuation of bank and bank holding company (including thrift and thrift holding company) securities in connection with acquisitions, negotiated underwritings, secondary distributions of listed and unlisted securities, private placements and valuations for various other purposes. As specialists in the securities of banking companies, we have experience in, and knowledge of, the valuation of banking enterprises. In the ordinary course of our business as a broker-dealer, we may, from time to time purchase securities from, and sell securities to, Coastal and BB&T, and as a market maker in securities, we may from time to time have a long or short position in, and buy or sell, debt or equity securities of Coastal and BB&T for our own account and for the accounts of our customers. We have acted exclusively for the Board of Directors of Coastal in rendering this fairness opinion and will receive a fee from Coastal for our services.

In connection with this opinion, we have reviewed, analyzed and relied upon material bearing upon the financial and operating condition of Coastal and BB&T and the Merger, including among other things, the following: (i) the Agreement; (ii) the Annual Reports to Shareholders and Annual Reports on Form 10-K for the three years ended September 30, 2006, 2005 and 2004 of Coastal; (iii) the Annual Reports to Shareholders and Annual Reports on Form 10-K for the three years ended December 31, 2005, 2004 and 2003 of BB&T; (iv) Quarterly Reports on Form 10-Q of Coastal for the fiscal quarters ended December 31, 2005, March 31, 2006 and June 30, 2006 and certain other communications from Coastal to its shareholders; (v) certain interim reports to shareholders and Quarterly Reports on Form 10-Q of BB&T for the fiscal quarters ended March 31, 2006, June 30, 2006 and September 30, 2006 and certain other communications from BB&T to its shareholders; and (vi) other financial information concerning the businesses and operations of Coastal and BB&T furnished to us by Coastal and BB&T for purposes of our analysis. We have also held discussions with senior management of Coastal and BB&T regarding the past and current business operations, regulatory relations, financial condition and future prospects of their respective companies and such other matters as we have deemed relevant to our inquiry. In addition, we have compared certain financial and stock market information for Coastal and BB&T with similar information for certain other banking companies the securities of which are publicly traded, reviewed the financial terms of certain recent business combinations in the banking industry and performed such other studies and analyses as we considered appropriate.

In conducting our review and arriving at our opinion, we have relied upon the accuracy and completeness of all of the financial and other information provided to us or publicly available and we have not assumed any responsibility for independently verifying the accuracy or completeness of any such information. We have relied upon the senior management of Coastal and BB&T as to the reasonableness and achievability of the

financial and operating forecasts and projections (and the assumptions and bases therefor) provided to us, and we have assumed that such forecasts and projections reflect the best currently available estimates and judgments of such managements and that such forecasts and projections will be realized in the amounts and in the time periods currently estimated by such managements. We are not experts in the independent verification of the adequacy of allowances for loan and lease losses and we have assumed, with your consent and BB&T's consent, that the aggregate allowances for loan and lease losses for Coastal and BB&T are adequate to cover such losses. In rendering our opinion, we have not made or obtained any evaluations or appraisals of the property of Coastal or BB&T, nor have we examined any individual credit files.

We have considered such financial and other factors as we have deemed appropriate under the circumstances, including, among others, the following: (i) the historical and current financial position and results of operations of Coastal and BB&T; (ii) the assets and liabilities of Coastal and BB&T; and (iii) the nature and terms of certain other merger transactions involving banks and bank holding companies. We have also taken into account our assessment of general economic, market and financial conditions and our experience in other transactions, as well as our experience in securities valuation and knowledge of the banking industry generally. Our opinion is necessarily based upon conditions as they exist and can be evaluated on the date hereof and the information made available to us through the date hereof, and does not address the relative merits of the Merger as compared to any alternative business strategies that might exist for Coastal or any other business combination in which Coastal might engage.

Based upon and subject to the foregoing, it is our opinion that, as of the date hereof, the Merger Consideration is fair, from a financial point of view, to holders of the Common Shares.

Very truly yours,

/s/ Keefe, Bruyette & Woods, Inc.

Appendix B-2

Table of Contents**PART II. INFORMATION NOT REQUIRED IN PROSPECTUS****Item 20. *Indemnification of Directors and Officers***

Sections 55-8-50 through 55-8-58 of the North Carolina Business Corporation Act contain specific provisions relating to indemnification of directors and officers of North Carolina corporations. In general, such sections provide that: (i) a corporation must indemnify a director or officer who is wholly successful in his defense of a proceeding to which he is a party because of his status as such, unless limited by the articles of incorporation, and (ii) a corporation may indemnify a director or officer if he is not wholly successful in such defense if it is determined as provided by statute that the director or officer meets a certain standard of conduct, except that when a director or officer is liable to the corporation or is adjudged liable on the basis that personal benefit was improperly received by him, the corporation may not indemnify him. A director or officer of a corporation who is a party to a proceeding may also apply to a court for indemnification, and the court may order indemnification under certain circumstances set forth in statute. A corporation may, in its articles of incorporation or bylaws or by contract or resolution of the board of directors, provide indemnification in addition to that provided by statute, subject to certain conditions.

BB&T's bylaws provide for the indemnification of any director or officer of the registrant against liabilities and litigation expenses arising out of his status as such, excluding: (i) any liabilities or litigation expenses relating to activities that were at the time taken known or believed by such person to be clearly in conflict with the best interest of BB&T or its affiliates and (ii) that portion of any liabilities or litigation expenses with respect to which such person is entitled to receive payment under any insurance policy.

BB&T's articles of incorporation provide for the elimination of the personal liability of each director of BB&T to the fullest extent permitted by law.

BB&T maintains directors' and officers' liability insurance that, in general, insures: (i) BB&T's directors and officers against loss by reason of any of their wrongful acts and (ii) BB&T against loss arising from claims against the directors and officers by reason of their wrongful acts, all subject to the terms and conditions contained in the policy.

Certain rules of the Federal Deposit Insurance Corporation limit the ability of certain depository institutions, their subsidiaries and their affiliated depository institution holding companies to indemnify affiliated parties, including institution directors. In general, subject to the ability to purchase directors and officers liability insurance and to advance professional expenses under certain circumstances, the rules prohibit such institutions from indemnifying a director for certain costs incurred with regard to an administrative or enforcement action commenced by any federal banking agency that results in a final order or settlement pursuant to which the director is assessed a civil money penalty, removed from office, prohibited from participating in the affairs of an insured depository institution or required to cease and desist from or take an affirmative action described in Section 8(b) of the Federal Deposit Insurance Act (12 U.S.C. § 1818(b)).

Item 22. Undertakings

A. The undersigned registrant hereby undertakes:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or

decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the *Calculation of Registration Fee* table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (1)(i) and (1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement.

2. That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. The undersigned registrant hereby undertakes as follows: that prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other Items of the applicable form.

D. The registrant undertakes that every prospectus (i) that is filed pursuant to Paragraph (C) immediately preceding, or (ii) that purports to meet the requirements of Section 10(a)(3) of the Securities Act of 1933 and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

E. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

F. The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11 or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes

information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

G. The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.
