ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

As previously disclosed, Fifth Third Bancorp (Fifth Third) and First Charter Corporation (First Charter) entered into an Agreement and Plan of Merger, dated as of August 15, 2007 (the Original Merger Agreement). On September 14, 2007, Fifth Third, Fifth Third Financial Corporation, a wholly owned subsidiary of Fifth Third (Financial) and First Charter entered into an Amended and Restated Agreement and Plan of Merger, which amends and restates the Original Merger Agreement (the Amended and Restated Merger Agreement).

Pursuant to the Amended and Restated Merger Agreement, instead of being merged with and into Fifth Third, First Charter will be merged with and into Financial, with Financial continuing as the surviving entity (the Merger). Consequently, Financial has been added as a party to certain of the representations, warranties and covenants contained in the Amended and Restated Merger Agreement. In addition, Section 5.2 of the Amended and Restated Merger Agreement includes language that further clarifies that, prior to the closing of the Merger, First Charter may continue to pay regular quarterly cash dividends on its issued and outstanding shares of common stock consistent with past practice.

As previously disclosed, in connection with the Merger, each issued and outstanding share of First Charter common stock (excluding shares owned by Fifth Third or First Charter) will be converted into the right to receive either (i) shares of Fifth Third common stock worth \$31.00, as described below, or (ii) \$31.00 in cash, as elected by holders of First Charter common stock. This election is subject to the limitation that 70% of the outstanding shares of First Charter common stock be exchanged for Fifth Third common stock and 30% for cash. The Amended and Restated Merger Agreement contains a proration provision to ensure these percentages. For those shareholders electing to receive Fifth Third common stock, they will receive, for each share of First Charter common stock, a number of Fifth Third shares equal to \$31.00 divided by the average market price of Fifth Third common stock over a five-trading-day period ending on the last trading day immediately before the closing date of the Merger. In addition, if not exercised prior to completion of the Merger, First Charter stock options and other share-based awards will be converted into stock options and share-based awards with respect to Fifth Third common stock on otherwise substantially similar terms, with adjustments to reflect the Conversion Number (as defined in the Amended and Restated Merger Agreement).

Consummation of the Merger will result in the First Charter common stock ceasing to be listed on the Nasdaq Global Select Market and the termination of the registration of such securities pursuant to the Securities Exchange Act of 1934. The stock portion of the consideration to First Charter shareholders is expected to qualify as a tax-free transaction.

The Amended and Restated Merger Agreement is included as Exhibit 2.1 to this report and contains representations and warranties that Fifth Third, Financial and First Charter made to each other. These representations and warranties were made as of specific dates, may be subject to important qualifications and limitations agreed to by Fifth Third, Financial and First Charter in connection with negotiating the terms of the Amended and Restated Merger Agreement, and may have been included in the Amended and Restated Merger Agreement for the purpose of allocating risk between Fifth Third, Financial and First Charter rather than establishing matters

as fact. Accordingly, the Amended and Restated Merger Agreement is included with this filing only to provide investors with information regarding the terms of the Amended and Restated Merger Agreement, and not to provide investors with any other factual information regarding the parties or their respective businesses. The Amended and Restated Merger Agreement should not be read alone, but should instead be read in conjunction with the other information regarding the companies and the Merger that will be contained in, or incorporated by reference into, the Proxy Statement/Prospectus that the parties will be filing in connection with the Merger, as well as in the Forms 10-K, Forms 10-Q, Forms 8-K, and other filings that each of Fifth Third and First Charter respectively make with the Securities and Exchange Commission (the SEC).

First Charter has agreed to call a meeting of its shareholders for the purpose of obtaining the requisite shareholder approval required in connection with the Merger. Neither Fifth Third nor Financial is required to obtain shareholder approval of the Merger. First Charter has also agreed not to (i) solicit proposals relating to alternative business combination transactions or (ii) subject to certain exceptions, enter into discussions concerning, or providing confidential information in connection with, alternative business combination transactions.

The Amended and Restated Merger Agreement contains certain termination rights for Fifth Third, Financial and First Charter and provides that, upon termination of the Amended and Restated Merger Agreement under specified circumstances, First Charter will be required to pay Fifth Third a termination fee of \$32.5 million.

The completion of the Merger, which is anticipated to occur in the first quarter of 2008, is subject to a number of conditions, including approval by First Charter's shareholders, receipt of all requisite governmental approvals, and certain other customary conditions.

The foregoing description of the Amended and Restated Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Amended and Restated Merger Agreement, which is filed as Exhibit 2.1 hereto, and incorporated herein by reference.
