Dear Stockholders:

We are writing to advise you that we intend to amend and restate our Certificate of Incorporation to (i) increase the number of authorized shares of our capital stock to 800 million shares, consisting of 750 million shares of Common Stock, \$0.001 par value, of the Company and 50 million shares of Preferred Stock, \$0.001 par value, of the Company, (ii) implement a one-for-ten reverse stock split of the currently outstanding shares of our capital stock, (iii) remove from our original Certificate of Incorporation an extraneous provision and a provision that allows us to restrict stockholder inspection rights, and to (iv) integrate into a single Amended and Restated Certificate of Incorporation our original Certificate of Incorporation, those amendments to our Certificate of Incorporation that have previously been filed with the Secretary of State of the State of Delaware and the proposed amendments to our Certificate of Incorporation (collectively, the Amendment). The Amendment, a copy of which is attached hereto as Annex A, will become our Amended and Restated Certificate of Incorporation.

The Amendment was approved by our Board of Directors on December 19, 2007. In addition, the Amendment was approved by the holders of approximately 53% of our issued and outstanding common stock. Approval of the Amendment required the approval of an aggregate of greater than one-half of our issued and outstanding common stock, and was approved on January 25, 2008 by a written consent in lieu of a special meeting of the stockholders in accordance with the relevant sections of the Delaware General Corporation Law. We will file the Amended and Restated Certificate of Incorporation with the Secretary of State of Delaware on or about March 12, 2008 (the Effective Date). Although Annex A contains our complete Amended and Restated Certificate of Incorporation, the only substantive changes to our Certificate of Incorporation, as amended, that are incorporated therein are the increase in our authorized shares, the implementation of the reverse stock split and the removal of an extraneous provision and a provision that allows us to restrict stockholder inspection rights, all of which were approved by our Board of Directors and the holders of a majority of our issued and outstanding common stock.

The actions described in this Information Statement were taken shortly after the consummation of that certain Stock Purchase Agreement (the Purchase Agreement), dated as of December 19, 2007, as amended January 31, 2008, by and among the Company and the purchasers identified on Exhibit A to the Purchase Agreement, a small group of investors led by Dr. Phillip Frost (the Purchasers). Pursuant to the terms of the Purchase Agreement, the Company will sell to the Purchasers an aggregate number of shares equal to 51% of the post-reverse stock split outstanding shares of the common stock of the Company on a fully diluted basis (the Shares). The purchase price for the sale of the Shares will be an amount equal to approximately the net cash and cash equivalents of the Company on the Closing Date after deducting any and all liabilities existing as of the closing date of the transaction, including the costs and expenses of the transaction.

GENERAL

This Information Statement is being furnished to the stockholders of clickNsettle.com, Inc., a Delaware corporation (the Company, CLIK, we, or our), in connection with the adoption of the Amendment and our Amended and Restated Certificate of Incorporation by written consent of our Board of Directors and the holders of a majority of our issued and outstanding common stock in lieu of a special meeting. On December 19, 2007, our Board of Directors approved an amendment to our Certificate of Incorporation to (i) increase the number of authorized shares of our capital stock to 800 million shares, consisting of 750 million shares of Common Stock, \$0.001 par value, of the Company and 50 million shares of Preferred Stock, \$0.001 par value, of the Company, (ii) implement a one-for-ten reverse stock split of the currently outstanding shares of our capital stock, (iii) remove from our original Certificate of Incorporation an extraneous provision and a provision that allows us to restrict stockholder inspection rights, and to (iv) integrate into a single Amended and Restated Certificate of Incorporation our original Certificate of Incorporation, those amendments to our Certificate of Incorporation that have previously been filed with the Secretary of State of the State of Delaware, and the proposed amendments to our Certificate of Incorporation. On January 25, 2008, the Amendment was approved by the holders of approximately 53% of our issued and outstanding common stock, which is in excess of the majority of our issued and outstanding common stock required in accordance with the relevant sections of the Delaware General Corporation Law. The Amendment will become effective on the date of its filing as our Amended and Restated Certificate of Incorporation with the Delaware Secretary of State in accordance with the written consent of our directors and the holders of approximately 53% of our issued and outstanding common stock.

The elimination of the need for a meeting of stockholders to approve the actions described in this Information Statement is made possible by Section 228 of the Delaware General Corporation Law, which provides that the written consent of the holders of outstanding shares of voting stock, having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted, may be substituted for such a meeting. In order to eliminate the costs involved in holding a special meeting, our Board of Directors elected to utilize the written consent of the holders of more than a majority in interest of our voting securities.

Our Board of Directors unanimously approved the Purchase Agreement, for which, as permitted by applicable Delaware law, we did not obtain and are not soliciting stockholder approval. Delaware law requires, however, that we obtain stockholder approval to (i) increase the number of authorized shares of all classes of our capital stock, (ii) implement a one-for-ten reverse stock split of the currently outstanding shares of our capital stock, (iii) remove from our original Certificate of Incorporation an extraneous provision and a provision that allows us to restrict stockholder inspection rights, and (iv) integrate into a single Amended and Restated Certificate of Incorporation our original Certificate of Incorporation, those amendments to our Certificate of Incorporation that have been previously

filed with the Secretary of State of Delaware, and the proposed amendments to our Certificate of Incorporation. Accordingly, we have obtained the written consent of at least a majority of our stockholders approving these actions and are mailing to our remaining stockholders this Information Statement disclosing that we have obtained such consent.

Pursuant to Section 228 of the Delaware General Corporation Law, we are required to provide prompt notice of the taking of those actions described above without a meeting of stockholders to all stockholders who did not consent in writing to such action. This Information Statement serves as this notice. This Information Statement will be mailed on or about February 21, 2008 to stockholders of record, and is being delivered to inform you of the corporate actions described herein before they take effect in accordance with Rule 14c-2 of the Exchange Act.

The entire cost of furnishing this Information Statement will be borne by the Company. We will request brokerage houses, nominees, custodians, fiduciaries and other like parties to forward this Information Statement to the beneficial owners of our voting securities held of record by them, and we will reimburse such persons for out-of-pocket expenses incurred in forwarding such material.

No Dissenters Rights

No dissenters rights are afforded to our stockholders under Delaware law as a result of the adoption of the Amendment.

* less than 1%.

(1) Includes 6,735,870 shares of common stock held by the Steven Jerry Glauser Revocable Trust. Mr. Glauser is the trustee and beneficiary of the Steven Jerry Glauser Revocable Trust.

First Change of Control

On September 26, 2007, investors, led by Glenn L. Halpryn of Miami, Florida, and Steven Jerry Glauser of Denver, Colorado (the New Investors), purchased 51.65% of the outstanding common stock of the Company from five stockholders of the Company pursuant to the terms of a stock purchase agreement of the same date. In connection with the purchase of control, the Company issued 44,921,052 shares of its common stock, par value \$0.001 per share, to the New Investors in exchange for working capital of \$1,567,000. Including the restricted securities issued by the Company, following the purchase of control, the New Investors beneficially own 90.75% of the outstanding shares of the Company. The total consideration paid for the purchase of the shares from the five stockholders was \$585,000. The New Investors used their personal funds to purchase the shares. Control of the Company was previously held by four stockholders, Roy Israel, Carla Israel, Patricia Giuliani-Rheaume and Willem Specht, former officers and directors of the Company, and by a fifth stockholder, ISO Investment Holdings, Inc., which stockholders owned in the aggregate 51.65% of the Company's issued and outstanding shares. In connection with the purchase of control, the Company's officers and directors agreed to resign from all offices that they held with the Company.

Second Pending Change of Control

Pursuant to the terms of the Purchase Agreement entered into by the Company on December 19, 2007, as amended January 31, 2008, the Company will sell to the Purchasers, a small group of investors headed by Dr. Phillip Frost, an aggregate number of unregistered shares equal to 51% of the post-reverse stock split outstanding shares of the common stock of the Company on a fully diluted basis. The purchase price for the sale of the Shares will be an amount equal to the net cash and cash equivalents of the Company on the closing date of the transaction, after deducting any and all liabilities and costs existing as of the closing date, including costs and expenses of the transaction. The Company expects that the closing of the transaction will occur during the first quarter of 2008. Following the closing of the transaction, the Purchasers will own a majority of the outstanding shares of the common stock of the Company and the New Investors will no longer control the Company.

THE AMENDMENT

The Amendment to our Certificate of Incorporation will increase the aggregate number of shares of all classes of capital stock that we may issue from 305,000,000 to 800,000,000, which will be composed of 750,000,000 shares of common stock, par value \$0.001 per share, and 50,000,000 shares of preferred stock, par value \$0.001 per share. The terms of the preferred stock, including dividend or interest rates, conversion

prices, voting rights, redemption prices, maturity dates, and similar matters will be determined by our Board of Directors prior to the issuance of any shares of the preferred stock. This increase in authorized share capital does not affect the number of shares of stock presently outstanding, nor does it affect the number of shares that you own; however, our issuance of additional shares may dilute your percentage ownership of the Company. We have no transactions currently planned in which we intend to issue the newly authorized shares; the additional share capital was authorized in order to better position the Company to effect a merger or other business combination with an operating company. We do not intend to solicit authorization from our stockholders for the future issuance of the newly authorized shares unless we are required to obtain such authorization by law.

Additionally, the Amendment will effect a one-for-ten reverse stock split of the currently outstanding shares of our capital stock in order to reduce the amount of our currently outstanding capital stock. As of the Record Date, there were approximately 55,150,260 shares of our common stock issued and outstanding. The Amendment provides that each ten (10) shares of our common stock outstanding immediately prior to the Effective Date of the Amendment (the Old Shares) will be automatically converted into one (1) share of our common stock (the New Shares), thereby reducing the number of outstanding shares of our common stock to approximately 5,515,026 shares, subject to rounding. Any fractional shares existing as a result of the reverse stock split shall be rounded to the next higher whole number and distributed to those stockholders who are entitled to receive them as a consequence of the reverse stock split. On the Effective Date of the Amendment, each stockholder will own a reduced number of shares of our common stock, but will hold the same percentage of the outstanding common shares as the stockholder held prior to the Effective Date of the Amendment. The New Shares will be fully paid and non-assessable. The New Shares will have the same voting rights and rights to dividends and distributions and will be identical in all other respects to the Old Shares. Certificates representing the New Shares will be issued in due course as certificates representing the Old Shares are tendered for exchange or transfer to our transfer agent, Continental Stock Transfer and Trust Company. We request that stockholders do not send in any of their stock certificates at this time.

Our common stock is quoted on the OTC Bulletin Board. Prior to the Effective Date of the Amendment, we will announce the new trading symbol for our common stock, which will reflect the post-reverse stock split trading price. We must also obtain a new CUSIP number for our common stock at the time of the reverse stock split and provide the OTC Bulletin Board at least ten (10) calendar days advance notice of the Effective Date of the Amendment in compliance with Rule 10b-17 promulgated pursuant to the Exchange Act.

The reverse stock split will not affect the par value of our common stock. As a result, on the Effective Date of the Amendment, the stated capital on our balance sheet attributable to our common stock will be reduced in proportion with the reverse stock split and our additional paid-in capital account will be credited with the amount by which the stated capital is reduced. These accounting entries will have no impact on total stockholders' equity. All share and per share information will be retroactively adjusted following the Effective Date of the Amendment to reflect the reverse stock split for all periods presented in future filings.

In addition, the Amendment will remove from our original Certificate of Incorporation both an extraneous provision and a provision that allows us to restrict stockholder inspection rights. The Amended and Restated Certificate of Incorporation will also integrate into a single amended and restated certificate our original Certificate of Incorporation, those amendments to our Certificate of Incorporation that have previously been filed with Secretary of State of the State of Delaware and the proposed amendments to our Certificate of Incorporation.

Overall, we believe that the Amendment, including the authorization of additional share capital and the reverse stock split, will enhance our ability to effect a merger or other business combination with an operating company. We cannot assure you, however, that this Amendment will result in our effecting a merger or other business combination or otherwise make our Company more attractive to acquisition candidates or potential investors.
