Item 1.01 Entry into a Material Definitive Agreement.

On August 26, 2008, Aflac Incorporated entered into an agreement for a share repurchase program with Goldman, Sachs & Co. (GS&Co.). Under the agreement, which terminates February 18, 2009, Aflac paid \$825 million to GS&Co. for the repurchase of a variable number of its shares over the stated contract period. In connection with the agreement, GS&Co. will deliver 6.0 million shares on December 23, 2008, and 5.0 million shares on January 5, 2009. Final settlement of the agreement will occur on the agreement termination date, at which time Aflac may receive additional shares of its common stock, or may be required to remit, at its option cash or additional shares of its common stock, based upon the volume weighted average price of its common shares for a specified period during the term of the agreement. The repurchase was funded with internal capital. Aflac is acquiring these shares as a part of previously announced share repurchase authorizations by its board of directors that had 43.1 million shares available for purchase as of August 26, 2008. The shares will be held in treasury.

The foregoing description of the share repurchase program is qualified in its entirety by reference to the Master Confirmation, the Form of Supplemental Confirmation, the Form of Trade Notification and the Form of Counterparty Settlement Provisions (collectively, the Confirmation) for the transaction, copies of which are attached hereto as Exhibit 10.1 and incorporated herein by reference. The Confirmation contains the terms governing the transaction, including, but not limited to, the mechanism used to determine the final settlement of the program, the settlement terms, the circumstances under which the program may be terminated early, and various acknowledgements, representations and warranties made by Aflac and GS&Co.

GS&Co. and certain of its affiliates have engaged, and may in the future engage, in financial advisory, investment banking and other services for Aflac.

Item 9.01 Financial Statements and Exhibits.
