Item 7.01 Regulation FD Disclosure

Healthcare Realty Trust Incorporated (the Company) is contemplating an offering of its common stock that was expected to commence this week, but had been delayed given current market conditions. The Company has learned that a draft of a preliminary prospectus supplement was inadvertently distributed to a small number of recipients. Actions are being taken to recover or destroy copies of that draft.

This disclosure is not an offer to sell, nor a solicitation of an offer to buy securities, nor shall there be any sale of these securities in any state or jurisdiction in which the offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of such state or jurisdiction. An offering, if any, will be made solely by means of a preliminary prospectus supplement and an accompanying prospectus.
