Item 1.01 Entry Into A Material Definitive Agreement.

In connection with the transition in management described in Item 5.02, on January 7, 2009, Chico's FAS, Inc. (the Company) entered into an oral consulting agreement with Verna K. Gibson, a member of the Board of Directors of the Company. Pursuant to the oral agreement, Ms. Gibson will provide consulting services for a period of three months pertaining to areas of the Company's operations, including merchandising, in which she has background and expertise. In connection therewith, the Company will make three monthly payments of \$30,000 to Ms. Gibson.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(b) On January 7, 2009, Scott A. Edmonds resigned as President and Chief Executive Officer of the Company, Chairman of the Board of Directors and as a director, effective January 7, 2009. Mr. Edmonds' resignation was not the result of any disagreement with the Company on any matter related to the Company's operations, policies or practices.

In connection with Mr. Edmonds' retirement and resignation, Mr. Edmonds and the Company have entered into a letter agreement and release, dated January 7, 2009, which provide for separation pay and certain other benefits.

Pursuant to the terms of the letter agreement, the Company will pay Mr. Edmonds an aggregate sum of \$4,376,000, less appropriate deductions, six months and one day following the date of Mr. Edmonds' separation from the Company (the date of such separation, the Separation Date). Mr. Edmonds is also entitled to receive a pro rata bonus, to the extent one would otherwise be payable to him, for the bonus period ending January 31, 2009, to be paid if and when fiscal year 2008 bonuses are paid to other executives of the Company. Mr. Edmonds' options to purchase shares of the Company's common stock previously granted to him pursuant to the Company's Omnibus Stock and Incentive Plan shall become fully vested and exercisable as of the eighth day following the execution of the release referred to below (the Effective Date), and all of Mr. Edmonds' stock options will remain exercisable until the earlier of the ninetieth (90th) day following the Separation Date or the original expiration date of such options. In addition, a total of 76,667 shares of restricted stock previously granted to Mr. Edmonds will vest on the Effective Date. Mr. Edmonds will also be entitled to receive vested amounts payable to him under the Company's 401(k) plan and other retirement and deferred compensation plans in accordance with the terms of such plans and applicable law. Further, the Company will continue to provide Mr. Edmonds and his dependents with medical coverage for two years following the Separation Date. Under the terms of the letter agreement, Mr. Edmonds in turn provided a general release of claims against the Company and agreed to be reasonably available to the Company, through March 31, 2009, to provide reasonable transition assistance to the Company, and to continue to be bound by certain disclosure and confidentiality obligations. Furthermore, Mr. Edmonds will be subject to certain noncompetition and nonsolicitation obligations for a period of two years following his termination of employment.

The foregoing description of the letter agreement and release does not purport to be complete and is qualified in its entirety by reference to the full text of such agreement, a copy of which is filed as Exhibit 10.1 to this Report and is incorporated by reference herein.

(c) Upon the resignation of Mr. Edmonds, the Company appointed David F. Dyer President and Chief Executive Officer effective January 7, 2009. Mr. Dyer, 59, has been a director of the Company since 2007 and is the former President and Chief Executive Officer of Tommy Hilfiger Corporation, where he served from August 2003 until his retirement in May 2006. Mr. Dyer will remain a member of the Company's Board of Directors.

In connection with his appointment as President and Chief Executive Officer, Mr. Dyer entered into a letter agreement with the Company, which provides for an annual salary and certain other benefits.

Pursuant to the letter agreement, Mr. Dyer's base salary is \$950,000 annually. Additionally, Mr. Dyer will be awarded 600,000 non-qualified stock options, of which 200,000 will have an exercise price equal to the closing price of the Company's stock on the grant date, 200,000 will have an exercise price equal to 125% of the closing price of the Company's stock on the grant date and 200,000 will have an exercise price of 150% of the closing price of the Company's stock on the grant date. The options will vest over a three-year period, with one-third of each tranche vesting each year on the anniversary of the grant date, and have a seven-year term. Unless the Board of Directors determines otherwise, Mr. Dyer will not be granted any additional options for three years. Mr. Dyer is also eligible for an annual bonus ranging from 0% to 175% of his base salary, contingent upon the achievement of certain performance measures and goals that are set annually by the Company's Compensation and Benefits Committee. Additionally, Mr. Dyer is eligible to earn shares of the Company's common stock, contingent upon the achievement of certain performance measures and goals over a three-year period as determined by the Company's Compensation and Benefits Committee. Mr. Dyer is also eligible to participate in the Company's comprehensive benefits program, which includes a group medical insurance and life insurance plans, a 401(k) plan and the Company's Deferred Compensation Plan.

If Mr. Dyer's employment is terminated within the first year of his employment without Cause (as defined within the letter agreement), Mr. Dyer would generally be entitled to receive, among other benefits, payments equal to the sum of two times his base salary and target bonus, payable in monthly installments over two years, subject to the execution of a general release of claims against the Company. If termination without Cause occurs after the first year of Mr. Dyer's employment, Mr. Dyer would generally be entitled to receive, among other benefits, payments equal to the sum of his base salary and target bonus, payable in monthly installments over one year, subject to the execution of a general release of claims against the Company. In the event of a Change in Control (as defined within the letter agreement) that results in Mr. Dyer's involuntary termination without Cause, or his voluntary termination with Good Reason (as defined within the letter agreement), Mr. Dyer would be entitled to receive, among other benefits, an amount equal to two times the sum of his base salary and the target bonus, payable in a lump sum, subject to the execution of a general release of claims against the Company.

The foregoing description of the letter agreement with Mr. Dyer does not purport to be complete and is qualified in its entirety by reference to the full text of such agreement,

a copy of which is filed as Exhibit 10.2 to this Report and is incorporated by reference herein.
