Item 1.01. Entry into a Material Definitive Agreement

On November 15, 2004, the Board of Directors of The Lubrizol Corporation approved the adoption of The Lubrizol Corporation 2005 Stock Incentive Plan (Stock Incentive Plan). The Stock Incentive Plan allows the grants of incentive and nonstatutory stock options, as well as stock appreciation rights and restricted and nonrestricted stock or stock unit awards. Any employee of The Lubrizol Corporation (Lubrizol) or its subsidiaries may be selected to participate in the plan. In addition, on the day of each Annual Meeting of Shareholders, outside directors are granted \$60,000 worth of restricted stock units. The restriction period is one year at which time shares equal to the number of stock units will be issued. The maximum number of shares that may be granted under this plan is 4,000,000 shares, of which no more than 2,000,000 shares may be settled as full-value awards. This plan will only become effective if it is approved by shareholders at the 2005 Annual Shareholder Meeting. If this plan is approved by shareholders, this plan will expire April 1, 2010.

The Stock Incentive Plan was filed as Exhibit (10)(w) to The Lubrizol Corporation Form 8-K dated November 15, 2004, and included the form of Performance Share Award document. On February 21, 2005, the Organization and Compensation Committee of the Board of Directors amended the Stock Incentive Plan to provide for an individual limit on the number of shares that could be granted under the Stock Incentive Plan during a calendar year and to specify that shares received by Lubrizol as a result of forfeitures, expirations, the use of shares to pay option exercise prices and the withholding of shares to pay taxes would not be added back to the amount of shares that may be granted under the Stock Incentive Plan.

On March 9, 2005, the Organization and Compensation Committee of the Board of Directors approved the performance measures for the long-term performance pay award for the 2005-2007 performance period pursuant to the Stock Incentive Plan. The measures are three-year EBITDA and/or EPS growth rates. Participants in the long-term incentive pay award for the 2005-2007 performance period are the officers of Lubrizol and other key employees as approved by the Organization and Compensation Committee of the Board of Directors of Lubrizol. Subject to shareholder approval of the Stock Incentive Plan at the 2005 Annual Meeting of Shareholders, payment of the awards under long-term incentive pay award for the 2005-2007 performance period will be paid as shares pursuant to a performance share award under the Stock Incentive Plan. If the Stock Incentive Plan is not approved by the Lubrizol shareholders, payment of the awards under the long-term incentive pay award for the 2005-2007 performance period will be paid in cash.

The form of Performance Share Award document with the approved performance measure is attached hereto as Exhibit 10.1.
