PROXY STATEMENT
GENERAL INFORMATION

This Proxy Statement is furnished to the shareholders of Lancaster Colony Corporation (the Corporation) in connection with the solicitation by the Board of Directors of the Corporation of proxies to be used in voting at the annual meeting of shareholders to be held November 20, 2006, in the Lilac Room of The Hilton Columbus at Easton, 3900 Chagrin Drive, Columbus, Ohio 43219, at 11:00 a.m., Eastern Standard Time (the Annual Meeting). The enclosed proxy, if completed and forwarded to the Corporation, will be voted in accordance with the instructions contained therein. The proposals referred to therein are described in this Proxy Statement.

The proxy may be revoked by the person giving it any time before it is exercised. Such revocation, to be effective, must be communicated to the Secretary or Assistant Secretary of the Corporation. The presence of a shareholder at the Annual Meeting will not revoke the proxy unless specific notice thereof is given.

The Corporation will bear the cost of solicitation of proxies, including any charges and expenses of brokerage firms and others for forwarding solicitation material to the beneficial owners of stock. In addition to the use of the mails, proxies may be solicited by personal interview, by telephone or through the efforts of officers and regular employees of the Corporation.

The Board of Directors has fixed the close of business on September 22, 2006 as the record date for the determination of shareholders entitled to receive notice and to vote at the Annual Meeting or any adjournment or adjournments thereof. At that date the Corporation had outstanding and entitled to vote 31,852,325 shares of Common Stock, each share entitling the holder to one vote. The Corporation has no other class of stock outstanding.

The presence, in person or by proxy, of a majority of the outstanding shares of Common Stock of the Corporation is necessary to constitute a quorum for the transaction of business at the Annual Meeting. Proxies reflecting abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum. Broker non-votes are those where brokers, who hold their customers' shares in street name, sign and submit proxies for such shares and fail to vote such shares on some matters.

The election of the director nominees requires the favorable vote of a plurality of all votes cast by the holders of the Corporation's Common Stock at a meeting at which a quorum is present. Broker non-votes and proxies marked Withhold Authority will not be counted toward the election of directors or toward the election of individual nominees specified in the form of proxy and, thus, will have no effect. Other proposals submitted to the shareholders for approval at the Annual Meeting require the affirmative vote of holders of a majority of the Corporation's Common Stock issued and outstanding as of the record date at a meeting at which a quorum is present. For purposes of determining the number of the Corporation's common shares voting on such matters, abstentions and broker non-votes will have the same effect as a vote against the proposal.

This Proxy Statement is first being mailed to shareholders on or about October 16, 2006.

CORPORATE GOVERNANCE

The Board of Directors has standing Audit, Compensation, and Nominating and Governance Committees. In addition, the Board of Directors has adopted a Corporate Governance Program that includes Corporate Governance Principles and a Code of Business Ethics. The charters of each of the committees and the Corporate Governance Principles and Code of Business Ethics are posted on the corporate governance page of the Corporation's web site at www.lancastercolony.com.

Director Independence The Board of Directors and the Nominating and Governance Committee have reviewed and evaluated transactions and relationships with Board members to determine the independence of each of the members. The Board of Directors does not believe that any of its non-employee members have relationships with the Corporation that would interfere with the exercise of independent judgment in carrying out his or her responsibilities as a director. The Board and the Nominating and Governance Committee have determined that a majority of the Board's members are independent directors as that term is defined in the applicable listing standards of The NASDAQ Stock Market LLC (NASDAQ). The Board of Directors of the Corporation has identified and determined that Ms. Bendapudi and Messrs. Bachmann, Fox, Hamilton, Jennings, O'Neill and Sofia are independent directors.

Board Attendance Each member of the Board of Directors is expected to make a reasonable effort to attend all meetings of the Board of Directors, all applicable committee meetings, and each annual meeting of shareholders. All members of the Board of Directors attended the 2005 Annual Meeting of Shareholders and each of the current members of the Board of Directors is expected to attend the 2006 Annual Meeting of Shareholders. The Board of Directors held a total of four meetings during fiscal 2006. A meeting of the independent directors, separate from management, was an agenda item at each meeting of the Board of Directors held during fiscal 2006. Each director attended at least 75% of the aggregate meetings of the Board of Directors and the committees on which they served during fiscal 2006.

Corporate Governance Principles The Board of Directors, on the recommendation of the Nominating and Governance Committee, adopted a set of Corporate Governance Principles in August 2005. The Corporate Governance Principles relate to the role, composition, structure and functions of the Board of Directors. The Nominating and Governance Committee is responsible for periodically reviewing these Corporate Governance Principles and recommending any changes to the Board of Directors.

Code of Business Ethics The Corporation has adopted a Code of Business Ethics that informs the Corporation's directors and employees of their legal and ethical obligations to the Corporation and sets a high standard of business conduct. The Code of Business Ethics applies to all employees and, where applicable, to directors of the Corporation. The Corporation intends to satisfy the disclosure requirement under Item 5.05 of Form 8-K regarding any amendment to, or waiver from, any provision (including the standards listed under Item 406(b) of Regulation S-K) of the Code of Business Ethics that applies to the Corporation's principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions by posting such information on the Corporation's web site.

Shareholder Communication with the Board of Directors Any of the directors may be contacted by writing them: Board of Directors, c/o Corporate Secretary's Office, Lancaster Colony Corporation, 37 West Broad Street, Columbus, Ohio 43215. The independent directors have requested that the Secretary of the Corporation act as their agent in processing any communications received. All communications that relate to matters that are within the scope of responsibilities of the Board and its committees will be forwarded to the independent directors. Communications relating to matters within the responsibility of one of the committees of the Board will be forwarded to the Chairperson of the appropriate committee. Communications relating to ordinary business matters are not within the scope of the Board's responsibility and will be forwarded to the appropriate officer at the Corporation. It has been determined by the Corporation's Board of Directors that each member of the Nominating and Governance Committee meets NASDAQ independence requirements. The duties of the Nominating and Governance Committee include identification and nominations to the Board of Directors of candidates for election as directors of the Corporation and the development and review of a set of Corporate Governance Principles. The Nominating and Governance Committee also considers the nomination of director candidates recommended by shareholders in conformance with the tests and standards outlined in the Nominating and Governance Committee's charter. Recommendations to the Nominating and Governance Committee from shareholders regarding candidates must be delivered to the Corporation's Corporate Secretary no later than June 30 of the year in which such shareholder proposes that the recommended candidate stand for election. Section 2.03 of the Corporation's Code of Regulations authorizes director nominations to be made by shareholders if the conditions specified therein are met, including the giving of advance notice and the furnishing of certain personal background information and a written statement from the proposed candidate agreeing to be identified in the proxy statement as a nominee and, if elected, to serve as a director. The Nominating and Governance Committee held two meetings during fiscal 2006. Board Compensation Committee Report on Executive Compensation

The Compensation Committee of the Board of Directors consists of four independent non-employee directors. It is the obligation of the Compensation Committee under its present charter to establish the compensation to be paid to the Chief Executive Officer and to approve, after consultation with the Chief Executive Officer with respect to the establishment thereof, the compensation of other executive officers. The Compensation Committee also reviews matters relating to the employee benefit and equity compensation plans and presents its recommendations respecting these matters to the Board of Directors.

The compensation of the Chief Executive Officer for services rendered through June 30, 2006 was established by the Compensation Committee and adopted by the Board of Directors upon the Compensation Committee's recommendation. The Compensation Committee's recommendation was based upon an evaluation of the scope of his management responsibilities, his execution of them, and the financial results attained under his direction. In determining his compensation, the amounts paid to chief executive officers of companies of like size in like markets were also considered. The determination of such compensation was subjective, with no specific weight being given to any particular factor.

The Compensation Committee was advised by the Chief Executive Officer of the base fixed compensation levels and proposed bonus formulae to be applied in setting the compensation of senior management. The Compensation Committee concurred that the levels of compensation established were reasonable and appropriate and provided incentives which, if realized, would produce operating results of value to the Corporation's shareholders.

PROPOSAL NO. 2**RATIFICATION OF THE SELECTION OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Deloitte & Touche LLP, independent registered public accounting firm, has served as the Corporation's independent auditors since 1961 and audited the consolidated financial statements for the year ended June 30, 2006. The Audit Committee is directly responsible for the appointment of the Corporation's independent registered public accounting firm and has appointed Deloitte & Touche LLP to audit the Corporation's financial statements for the year ending June 30, 2007. Although it is not required to do so, the Audit Committee has determined to submit its selection of the independent registered public accounting firm to the Corporation's shareholders for ratification of its action as a matter of good corporate governance. In the event that Deloitte & Touche LLP is not ratified by the holders of a majority of the shares represented at the Annual Meeting, the Audit Committee will evaluate such shareholder vote when considering the selection of an independent registered public accounting firm to serve as the Corporation's auditors for the 2008 fiscal year.

Representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting, will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions. **The Audit Committee of the Board of Directors recommends a vote FOR the ratification of Deloitte & Touche LLP as the Corporation's independent registered public accounting firm.**
