Item 4. Description of Securities

Not Applicable.

Item 5. Interests of Named Experts and Counsel

Christopher W. Haffke, who has passed upon the legality of the Common Shares covered by this Registration Statement, is an Assistant General Counsel and the Assistant Secretary of the Corporation.

Item 6. Indemnification of Directors and Officers

The Ohio Revised Code (the Ohio Code) authorizes Ohio corporations to indemnify officers and directors from liability if the officer or director acted in good faith and in a manner reasonably believed by the officer or director to be in or not opposed to the best interests of the corporation, and, with respect to any criminal actions, if the officer or director had no reason to believe his action was unlawful. In the case of an action by or on behalf of a corporation, indemnification may not be made (i) if the person seeking indemnification is adjudged liable for negligence or misconduct, unless the court in which such action was brought determines such person is fairly and reasonably entitled to indemnification, or (ii) if liability asserted against such person concerns certain unlawful distributions. The indemnification provisions of the Ohio Code require indemnification if a director or officer has been successful on the merits or otherwise in defense of any action, suit or proceeding that he was a party to by reason of the fact that he is or was a director or officer of the corporation. The indemnification authorized under Ohio law is not exclusive and is in addition to any other rights granted to officers and directors under the articles of incorporation or code of regulations of the corporation or any agreement between officers and directors and the corporation. A corporation may purchase and maintain insurance or furnish similar protection on behalf of any officer or director against any liability asserted against him and incurred by him in his capacity, or arising out of the status, as an officer or director, whether or not the corporation would have the power to indemnify him against such liability under the Ohio Code.

The Registrant's Code of Regulations provides for the indemnification of directors and officers of the Registrant to the maximum extent permitted by Ohio law as authorized by the Board of Directors of the Registrant and for the advancement of expenses incurred in connection with the defense of any action, suit or proceeding that he was a party to by reason of the fact that he is or was a director or officer of the Registrant upon the receipt of an undertaking to repay such amount unless it is ultimately determined that the director or officer is entitled to indemnification. The Registrant maintains a directors' and officers' insurance policy which insures the directors and officers of the Registrant from claims arising out of an alleged wrongful act by such persons in their respective capacities as directors and officers of the Registrant, subject to certain exceptions.

Item 7. Exemption From Registration Claimed

Not Applicable.

Item 9. Undertakings

(a) The Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the

foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof;

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
