Weyerhaeuser Announces Final Exchange Ratio for Domtar Exchange Offer Set at Limit and Mandatory Extension of Offer to Midnight on Tuesday, March 6

FEDERAL WAY, Wash. (March 2, 2007) – Weyerhaeuser Company (NYSE: WY) today announced the final exchange ratio in connection with its offer to exchange 284,067,852 shares of Domtar Corporation common stock for common shares of Weyerhaeuser Company and exchangeable shares of Weyerhaeuser Company Limited. The final exchange ratio is set at the limit of 11.1442 shares of Domtar Corporation common stock for each Weyerhaeuser common share and exchangeable share validly tendered and not withdrawn pursuant to the exchange offer.

The exchange offer is part of the previously announced transaction to combine Weyerhaeuser's Fine Paper Business and related assets with Domtar Inc. (NYSE/TSE: DTC) to create a new company called Domtar Corporation.

The calculated values of \$1.11 of Domtar Corporation common stock for each \$1 of Weyerhaeuser shares, based on the simple arithmetic average of the daily volume-weighted average prices (VWAP) of Weyerhaeuser common shares and common shares of Domtar Inc. on the New York Stock Exchange on Feb. 28, March 1 and March 2, 2007, would have resulted in an exchange ratio of more than 11.1442 Domtar Corporation shares for each Weyerhaeuser share exchanged. Accordingly, the exchange ratio is set at the limit of 11.1442 as provided by the terms of the exchange offer.

Because the limit of 11.1442 shares of common stock of Domtar Corporation per Weyerhaeuser share is in effect, the exchange offer will be mandatorily extended to 12:00 midnight, New York City time, on Tuesday, March 6, 2007. As of 12:00 midnight, New York City time, on March 1, 2007, approximately 9.6 million Weyerhaeuser common shares and exchangeable shares had been tendered for exchange.

The exchange offer is now scheduled to expire at 12:00 midnight, New York City time, on Tuesday, March 6, 2007. Weyerhaeuser common shares and exchangeable shares may be tendered pursuant to the exchange offer, and Weyerhaeuser shares previously tendered may be withdrawn, prior to that time by following the procedures described in the exchange offer materials previously sent to Weyerhaeuser shareholders.

Based on the final exchange ratio, a maximum of 25,490,196 Weyerhaeuser common shares and exchangeable shares will be accepted for exchange pursuant to the exchange offer. If more than 25,490,196 Weyerhaeuser common shares and exchangeable shares are validly tendered and not withdrawn, the exchange of shares with tendering shareholders will be subject to proration.

The offer remains subject to a number of conditions, including satisfaction of the remaining conditions to the plan of arrangement between Domtar Corporation and Domtar Inc.

If the exchange offer expires at 12:00 midnight, New York City time, on March 6, 2007, as currently scheduled, the record time for the previously declared conditional pro rata dividend is expected to be March 7, 2007. If the exchange offer is further extended, the record time for the dividend is expected to be the first business day after the further extended expiration date.
