Item 1.01. Entry into a Material Definitive Agreement.

Indenture

On March 19, 2019, Scientific Games International, Inc. (“SGI”), a wholly owned subsidiary of Scientific Games Corporation (the “Company”), issued \$1,100.0 million in aggregate principal amount of senior unsecured notes due 2026 (the “Notes”) in a private offering to persons reasonably believed to be qualified institutional buyers in accordance with Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and to non-U.S. persons under Regulation S under the Securities Act. The Notes were issued pursuant to an Indenture, dated as of March 19, 2019 (the “Indenture”), among SGI, as issuer, the Company, the other guarantors party thereto and Deutsche Bank Trust Company Americas, as trustee.

The Notes bear interest at the rate of 8.250% per annum, which accrues from March 19, 2019 and is payable semiannually in arrears on March 15 and September 15 of each year, beginning on September 15, 2019.

SGI may redeem some or all of the Notes at any time prior to March 15, 2022, at a redemption price equal to 100% of the principal amount of the Notes plus accrued and unpaid interest, if any, to the date of redemption plus a “make whole” premium. SGI may redeem some or all of the Notes at any time on or after March 15, 2022 at the prices specified in the Indenture. In addition, at any time on or prior to March 15, 2022, SGI may redeem up to 40% of the initially outstanding aggregate principal amount of the Notes at a redemption price of 108.250% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of redemption, with the net cash proceeds contributed to the capital of the Company from one or more equity offerings of the Company. Additionally, if a holder of the Notes is required to be licensed, qualified or found suitable under any applicable gaming laws or regulations and that holder does not become so licensed or qualified or is not found to be suitable, then SGI will have the right to, subject to certain notice provisions set forth in the Indenture, (i) require that holder dispose of all or a portion of those Notes or (ii) redeem the Notes of that holder at a redemption price calculated as set forth in the Indenture. If the Company or SGI experiences specific kinds of changes in control or the Company or any of its restricted subsidiaries sells certain of its assets, then SGI must offer to repurchase the Notes on the terms set forth in the Indenture.

The Notes are senior obligations of SGI, rank equally with all of its existing and future senior debt, and rank senior to all of its existing and future debt that is expressly subordinated to the Notes. The Notes are guaranteed on a senior unsecured basis by the Company and all of its wholly owned domestic restricted subsidiaries (other than SGI and certain immaterial subsidiaries), subject to customary exceptions. The guarantees of the Notes are the guarantors’ senior obligations, rank equally with all of their existing and future senior debt, and rank senior to all of their existing and future debt that is expressly subordinated to the guarantees of the Notes. The Notes are structurally subordinated to all of the liabilities of the Company’s non-guarantor subsidiaries.

The Indenture contains certain covenants that, among other things, limit the Company’s ability, and the ability of certain of its subsidiaries, to incur additional indebtedness, pay dividends or make distributions or certain other restricted payments, purchase or redeem capital stock, make investments or extend credit, engage in certain transactions with affiliates, consummate certain assets sales, effect a consolidation or merger, or sell, transfer, lease or otherwise dispose of all or substantially all of its assets, or create certain liens and other encumbrances on its assets.

The Indenture contains events of default customary for agreements of its type (with customary grace periods, as applicable) and provides that, upon the occurrence of an event of default arising from certain events of bankruptcy or insolvency with respect to the Company or SGI, all outstanding Notes will become due and payable immediately without further action or notice. If any other type of event of default occurs and is continuing, then the trustee or the holders of at least 25% in principal amount of the then outstanding Notes may declare all of the Notes to be due and

payable immediately.
