## Edgar Filing: EMCORE CORP - Form 8-K

for any Earn-Out Payments which may become due under Section 2.7) shall be paid or delivered by Buyer (or by Parent on behalf of Buyer) as the case may be in the following manner:

(a) \$55,000,000 (the "Closing Cash Consideration") shall be paid to Seller at Closing by wire transfer of immediately available funds to an account specified by Seller in writing at least two Business Days prior to the Closing (or such other account for the receipt of payments hereunder as Seller may notify Buyer in writing a "Seller Account"); and

(b) \$5,000,000 (the "Escrow Amount") shall be deposited by wire transfer of immediately available funds to an account maintained by The Bank of Cherry Creek, a branch of Western National Bank (the "Escrow Agent") pursuant to the terms and conditions of the Escrow Agreement (the Escrow Amount shall be retained by the Escrow Agent for the period set forth in the Escrow Agreement to secure payment by Seller of any post-closing adjustments to Purchase Price contemplated by Section 2.6(b)).

### 2.6 Purchase Price Adjustment.

(a) (i) Within 15 days after the Closing Date, the Chief Financial Officer of Seller shall deliver to Buyer a statement of the Net Working Capital (the "Closing Net Working Capital Statement") setting forth the Net Working Capital as of the close of business on the day immediately preceding the Closing Date (the "Closing Net Working Capital").

(ii) Within 10 days following receipt by Buyer of the Closing Net Working Capital Statement, Buyer shall deliver written notice (the "Notice of Disagreement") to Seller of any dispute Buyer has with respect to the preparation or content of the Closing Net Working Capital Statement. The Notice of Disagreement must describe in reasonable detail the items contained in the Closing Net Working Capital Statement that Buyer disputes and the basis for any such dispute. If Buyer does not notify Seller of a dispute with respect to the Closing Net Working Capital Statement within such 10-day period, the Closing Net Working Capital reflected in such Closing Net Working Capital Statement will be final, conclusive and binding on the parties. If Buyer delivers a Notice of Disagreement to Seller, Seller and Buyer shall negotiate in good faith to resolve such dispute. If Seller and Buyer, notwithstanding such good faith effort, fail to resolve such dispute within 7 days after Buyer advises Seller of its objections, then Seller and Buyer jointly shall engage KPMG LLP or, if such firm is unable or unwilling to act, such other nationally recognized independent public accounting firm as may be agreed upon by Buyer and Seller in writing (the "Arbitration Firm") to resolve such dispute in accordance with the standards set forth in this Section 2.6(a). Buyer and Seller shall use reasonable efforts to cause the Arbitration Firm to render a written decision resolving the matters submitted to the Arbitration Firm within 20 days of the engagement of the Arbitration Firm. The scope of the disputes to be resolved by the Arbitration Firm will be limited to whether the items in dispute that were properly included in the Notice of Disagreement were calculated in accordance with GAAP and the Arbitration Firm shall determine, on such basis, the Closing Net Working Capital. The Arbitration Firm is not to make any other determination, including any determination as to whether the Target Net Working Capital is correct. The Arbitration Firm's decision will be based solely on one written submission by Buyer and its representatives and one written submission by Seller and its representatives and not by independent review. The Arbitration Firm shall address only those items in dispute and may not assign a value greater than the greatest value for such item claimed by either party or smaller than the smallest value for such item claimed by either party. The determination of Closing Net Working Capital by the Arbitration Firm shall be final, conclusive and binding on the parties and judgment may be entered upon the determination of the Arbitration Firm in any court having jurisdiction over the party against which such determination is to be enforced. Buyer and Seller shall share equally

## Edgar Filing: EMCORE CORP - Form 8-K

the fees and expenses of the Arbitration Firm.

(iii) For purposes of complying with the terms set forth in this Section 2.6, each party shall cooperate with and make available to the other parties and their respective representatives all information, records, data and working papers, and shall permit reasonable access to its facilities and personnel, as may be reasonably required in connection with the preparation and analysis of the Closing Net Working Capital Statement and the resolution of any disputes thereunder.

(b) (i) If the Closing Net Working Capital (as finally determined pursuant to Section 2.6(a)) is less than the Target Net Working Capital less \$1,000,000 (the amount of such shortfall, the "Downward Adjustment Amount"), Buyer and Seller shall deliver a joint written authorization to the Escrow Agent within two Business Days after the date on which the Closing Net Working Capital is finally determined instructing the Escrow Agent (i) to pay to Buyer an amount equal to the Downward Adjustment Amount from the Escrow Amount (together with any interest earned on such amount) and (ii) after payment of the Downward Adjustment Amount to Buyer pursuant to clause (i), to pay to Seller the remaining portion of the Escrow Amount, if any (together with any interest earned on such amount).

(ii) If the Closing Net Working Capital (as finally determined pursuant to Section 2.6(a)) is greater than the Target Net Working Capital plus \$1,000,000 (the amount of such excess, the "Upward Adjustment Amount"), (i) Buyer and Seller shall deliver a joint written authorization to the Escrow Agent within two Business Days from the date on which the Closing Net Working Capital is finally determined instructing the Escrow Agent to pay to Seller the entire Escrow Amount (together with any interest earned on such amount) and (ii) Buyer (or Parent on Buyer's behalf) shall pay to Seller, within five Business Days from the date on which the Closing Net Working Capital is finally determined pursuant to Section 2.6(b), by bank wire transfer of immediately available funds to a Seller Account, an amount equal to the Upward Adjustment Amount.

(iii) If the Closing Net Working Capital (as finally determined pursuant to Section 2.6(a)) is greater than the Target Net Working Capital less \$1,000,000, but less than the Target Net Working Capital plus \$1,000,000, Buyer and Seller shall deliver a joint written authorization to the Escrow Agent within two Business Days from the date on which the Closing Net Working Capital is finally determined instructing the Escrow Agent to pay the entire Escrow Amount (together with any interest earned on such amount) to Seller.

### 2.7 Earn-Out Payments.

(a) (i) Not later than February 15, 2005 (the "First Earn-Out Period"), Buyer shall provide Seller a statement of the Net Sales for the year ended December 31, 2004 (the "First Earn-Out Statement"), together with appropriate supporting documentation. Not later than February 15, 2006 (the "Second Earn-Out Period" and together with the First Earn-Out Period, the "Earn-Out Periods"), Buyer shall provide Seller a statement of the Net Sales for the year ended December 31, 2005 (the "Second Earn-Out Statement" and, together with the First Earn-Out Statement, the "Earn-Out Statements"), together with appropriate supporting documentation.

(ii) Within 30 days following receipt by Seller of the First Earn-Out Statement or the Second Earn-Out Statement, as the case may be, Seller shall deliver written notice (an "Earn-Out Notice of Disagreement") to Buyer of any dispute Seller has with respect to the preparation or content of such Earn-Out Statement. The Earn-Out Notice of Disagreement must describe in reasonable detail the items contained in the First Earn-Out Statement or the

## Edgar Filing: EMCORE CORP - Form 8-K

Second Earn-Out Statement, as the case may be, that Seller disputes and the basis for any such dispute. If Seller does not notify Buyer of a dispute with respect to such Earn-Out Statement within such 60-day period, Net Sales reflected in such Earn-Out Statement will be final, conclusive and binding on the parties. If an Earn-Out Notice of Disagreement is delivered to Buyer, Buyer and Seller shall negotiate in good faith to resolve such dispute. If Buyer and Seller, notwithstanding such good faith effort, fail to resolve such dispute within 14 days after Seller advises Buyer of its objections, then Buyer and Seller jointly shall engage the Arbitration Firm to resolve such dispute in accordance with the standards set forth in this Section 2.7(a) and in accordance with the definition of Net Sales. The scope of the disputes to be resolved by the Arbitration Firm will be limited to the items in dispute that were included in the Earn-Out Notice of Disagreement and the Arbitration Firm shall determine Net Sales for the applicable Earn-Out Period based solely on one written submission by Seller and its representatives and one written submission by Buyer and its representatives and not by independent review. The Arbitration Firm shall address only those items in dispute and may not assign a value greater than the greatest value for such item claimed by either party or smaller than the smallest value for such item claimed by either party. Seller and Buyer shall use reasonable efforts to cause the Arbitration Firm to render a written decision resolving the matters submitted to the Arbitration Firm within 20 days of the engagement of the Arbitration Firm. All determinations made by the Arbitration Firm will be final, conclusive and binding on the parties and judgment may be entered upon the determination of the Arbitration Firm in any court having jurisdiction over the party against which such determination is to be enforced. Buyer and Seller shall share equally the fees and expenses of the Arbitration Firm.

(iii) For purposes of complying with the terms set forth in this Section 2.7, each party shall cooperate with and make available to the other parties and their respective representatives all information, records, data and working papers, and shall permit reasonable access to its facilities and personnel, as may be reasonably required in connection with the preparation and analysis of the Earn-Out Statements and the resolution of any disputes thereunder.

(b) (i) If the First Earn-Out Statement (as finally determined pursuant to Section 2.7(a)) reflects Net Sales for the First Earn-Out Period in excess of \$40,000,000 (the "First Earn-Out Period Overage"), Buyer (or Parent on Buyer's behalf) shall pay to Seller within ten (10) Business Days following the date on which the First Earn-Out Statement is finally determined pursuant to Section 2.7(a), an amount (the "First Earn-Out Payment") equal to the First Earn-Out Period Overage multiplied by 0.50. The First Earn-Out Payment may be made in cash or in shares of Parent Common Stock at the option of Buyer and Parent (in their sole and absolute discretion), upon written notice to Seller at least three (3) Business Days prior to the expiration of such 10-Business Day period. If Buyer and Parent elect to pay Seller in cash, the First Earn-Out Payment shall be made by wire transfer of immediately available funds to a Seller Account. If Buyer and Parent elect to pay Seller in Parent Common Stock, the value of each share of Parent Common Stock shall be the weighted average of the closing prices of the Parent Common Stock as traded on the Nasdaq National Market and reported by Bloomberg LP for the thirty (30) trading days immediately preceding the date the First Earn-Out Payment is made to Seller.

(ii) If the Second Earn-Out Statement (as finally determined pursuant to Section 2.7(a)) reflects Net Sales for the Second Earn-Out Period in excess of \$40,000,000 (the "Second Earn-Out Period Overage"), Buyer (or Parent on Buyer's behalf) shall pay to Seller within ten (10) Business Days following the date on which the Second Earn-Out Statement is finally determined pursuant to Section 2.7(a), an amount (the "Second Earn-Out Payment") equal to the Second Earn-Out Period Overage multiplied by 0.50. The Second Earn-Out Payment may be made in cash or in shares of Parent Common Stock at the

## Edgar Filing: EMCORE CORP - Form 8-K

option of Buyer and Parent (in their sole and absolute discretion) upon written notice to Seller at least three (3) Business Days prior to the expiration of such 10-Business Day period. If Buyer and Parent elect to pay Seller in cash, the Second Earn-Out Payment shall be made by wire transfer of immediately available funds to a Seller Account. If Buyer and Parent elect to pay Seller in Parent Common Stock, the value of each share of Parent Common Stock shall be the weighted average of the closing prices of the Parent Common Stock as traded on the Nasdaq National Market and reported by Bloomberg LP for the thirty (30) trading days immediately preceding the date the Second Earn-Out Payment is made to Seller.

(iii) Notwithstanding anything to the contrary contained in this Agreement, in no event shall Buyer (or Parent on Buyer's behalf) be obligated to pay Seller in respect of the First Earn-Out Payment and the Second Earn-Out Payment an aggregate amount in excess of \$20,000,000.

(c) If following the Closing Date, a Buyer Change of Control occurs or an agreement with respect thereto is entered into, Buyer (or Parent on Buyer's behalf) shall concurrently therewith pay Seller an aggregate amount of \$20,000,000 in cash less any amounts previously paid in respect of the First Earn-Out Period or the Second Earn-Out Period, notwithstanding the amount of Net Sales with respect to such periods.

(d) Until the expiration of the Earn-Out Periods, as soon as available and in any event within 45 days after the end of each of the first three quarters of Buyer's fiscal year, Buyer shall prepare and deliver to Seller a statement of Net Sales as at the end of such period, accompanied by a statement of bookings and a statement of billings of the Business for such quarterly period, in each case prepared consistently with the financial statements of Buyer for such quarterly periods. Buyer shall also make available a senior member of Buyer's sales team and a senior member of Parent's accounting team for a telephone conference with Seller to discuss the Net Sales in the preceding quarter. During the Earn-Out Periods, (i) Buyer shall, and Parent shall cause Buyer to, operate the Business in good faith and in the ordinary course of business and not with a purpose to reduce the amount of the First Earn-Out Payment or the Second Earn-Out Payment and (ii) Buyer shall, and Parent shall cause Buyer to, and Buyer shall cause its Affiliates to, not take any actions or engage in any activities or transactions which have the purpose of deferring the recognition of Net Sales taken into account in calculating the First Earn-Out Payment or the Second Earn-Out Payment.

2.8 Allocation of Purchase Price. Buyer, Parent and Seller agree to allocate the Purchase Price (and the Assumed Liabilities that are properly included in Buyer's tax basis for the Transferred Assets) among the Transferred Assets as set forth on Schedule 2.8. Buyer, Parent and Seller shall report for Tax and other relevant purposes the sale of the Transferred Assets in a manner consistent with such allocation. Each of Buyer, Parent and Seller shall (a) timely file all forms (including IRS Form 8594) and Tax Returns required to be filed in connection with the agreed allocation; (b) be bound by such allocation for purposes of determining Taxes; (c) prepare and file, and cause its Affiliates to prepare and file, its Tax Returns on a basis consistent with such allocation; and (d) take no position, and cause its Affiliates to take no position, inconsistent with such allocation on any applicable Tax Return, in any audit or proceeding before any tax authority or in any respect made for Tax purposes. In the event that such allocation is disputed by a tax authority, the party serving notice of such dispute shall promptly notify the other party hereto concerning the existence and resolution of such dispute.

2.9 Proration. Buyer and Seller agree that all of the items normally prorated, including rent, Taxes (subject to Section 2.10), assessments, fees relating to the Permits and other charges, relating to the Business and operation of the Transferred Assets shall be prorated as of 12:01 a.m. on

## Edgar Filing: EMCORE CORP - Form 8-K

November 1, 2003, with Seller liable to the extent such items relate to any time period prior to 12:01 a.m. on November 1, 2003, and Buyer liable to the extent such items relate to periods commencing at 12:01 a.m. on November 1, 2003 (measured in the same units used to compute the item in question, otherwise measured by calendar days).

### 2.10 Payment of Certain Taxes.

(a) Any Tax (including income, sales, use, stamp, registration, value added, transfer, documentary, and other such Taxes as well as any recording and filing fees) directly attributable to the sale or transfer of the Transferred Assets or the Assumed Liabilities by Seller to Buyer pursuant to this Agreement shall be paid by the party prescribed by applicable Law as primarily liable or, if not prescribed by Law, as is the general custom in such jurisdiction.

(b) All real property Taxes, personal property Taxes and similar ad valorem obligations levied with respect to the Transferred Assets for any Tax period that begins on and ends after the Closing Date (a "Straddle Period") shall be apportioned between Seller and Buyer based on the number of days of such Straddle Period, and Seller shall be liable for the proportionate amount of such Taxes that is attributable to the Tax Period ending on or before the Closing Date and the portion of such Straddle Period ending on the Closing Date ("Pre-Closing Tax Period") and Buyer shall be liable for the proportionate amount of such Taxes that is attributable to the Tax Period ending after the Closing Date and the portion of such Straddle Period beginning the day after the Closing Date ("Post-Closing Tax Period"). Any refund, rebate, abatement or other recovery of such Taxes attributable to the Pre-Closing Tax Period shall be for the account of the Seller, and any refund, rebate, abatement or other recovery of such Taxes attributable to the Post-Closing Tax Period shall be for the account of the Buyer.

2.11 Nonassignable Assets. Nothing in this Agreement nor the consummation of the transactions contemplated hereby shall be construed as an attempt or agreement to assign any Transferred Asset which by its terms or by Law is nonassignable without the consent of a third party or a Governmental Authority or is cancelable by a third party in the event of an assignment ("Nonassignable Assets") unless and until such consent shall have been obtained. Buyer and Seller shall use commercially reasonable efforts to obtain such consents promptly. To the extent permitted by applicable Law, in the event consents to the assignment thereof cannot be obtained, Seller and Buyer shall cooperate in a mutually agreeable arrangement under which (i) Buyer would obtain the benefits and assume the obligations under such Nonassignable Assets in accordance with this Agreement including by sub-contracting, sub-licensing, or sub-leasing to Buyer or a designee of Buyer, or (ii) such Nonassignable Assets would be held, as of and from the Closing Date, by Seller in trust for Buyer and the covenants and obligations thereunder would be performed by Buyer in Seller's name and all benefits and obligations existing thereunder would be for Buyer's account. Seller shall also take or cause to be taken at Buyer's expense such actions in its name or otherwise as Buyer may reasonably request so as to provide Buyer with the benefits of the Nonassignable Assets and to effect collection of money or other consideration that becomes due and payable under the Nonassignable Assets, and Seller shall promptly pay over to Buyer all money or other consideration received by it in respect to all Nonassignable Assets. Notwithstanding anything in this Agreement to the contrary, unless and until any consent or approval with respect to any Nonassignable Asset is obtained, such Nonassignable Asset shall not constitute a Transferred Asset and any associated liability shall not constitute an Assumed Liability for any purpose under this Agreement.

Seller has all requisite corporate power to own or lease and operate the Transferred Assets and to carry on the Business as now being conducted.

(b) Seller has all requisite power and authority to enter into this Agreement and the Ancillary Agreements to be entered into by Seller and to perform fully its obligations hereunder and thereunder. This Agreement is, and when executed and delivered in accordance with this Agreement, each other Ancillary Agreement to be executed and delivered by Seller will be, a valid and binding obligation of Seller enforceable in accordance with its terms, except to the extent that enforcement of the rights and remedies created hereby and thereby may be affected by bankruptcy, reorganization, moratorium, insolvency and similar Laws of general application affecting the rights and remedies of creditors and by general equity principles.

3.2 Compliance with Law. (a) Except as set forth in Schedule 3.2, the Business and the Transferred Assets have been operated in compliance in all material respects with all applicable Laws. (b) Seller has obtained all licenses, permits, certificates, consents and approvals from Governmental Authorities (the "Permits") that are used in or necessary for the operation of the Business and the ownership and use of the Transferred Assets, except for such Permits, the absence of which, individually or in the aggregate, has not had and could not reasonably be expected to result in a Seller Material Adverse Effect. ## Edgar Filing: EMCORE CORP - Form 8-K

Except as set forth on Schedule 3.3 and for the filing of the pre-merger notification and report forms under the HSR Act, no filings with, notices to, or approvals of any Governmental Authority are required to be obtained or made by Seller for the consummation by Seller of the transactions contemplated hereby, except for such filings, notices or approvals the failure of which to be made or obtained, individually or in the aggregate, have not had and could not reasonably be expected to result in a Seller Material Adverse Effect. Except as set forth in Schedule 3.3, Seller is not required to give any notice to or obtain any consent or other approval from any third party (other than a Governmental Authority), in connection with the execution and delivery by Seller of this Agreement or the consummation or performance by Seller of any of the transactions contemplated hereby, except for notices, consents or approvals of third parties the failure of which to be made or obtained, individually or in the aggregate, have not had and could not reasonably be expected to result in a Seller Material Adverse Effect.

3.4 Reports. Buyer has had access to each statement, report, registration statement (with the prospectus in the form filed pursuant to Rule 424(b) of the Securities Act), definitive proxy statement and other filings filed with the SEC by Seller since December 1, 2002 (collectively, the "Seller SEC Documents"). As of their respective filing dates, the Seller SEC Documents complied in all material respects with the requirements of the Exchange Act and the Securities Act, as applicable, and none of the Seller SEC Documents contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements made therein, in light of the circumstances in which they were made, not misleading, except to the extent corrected by a subsequently filed Seller SEC Document. The Seller SEC Documents filed after July 30, 2002 complied (or will comply when filed, as the case may be) in all material respects with the applicable requirements of the Sarbanes-Oxley Act of 2002, as amended ("Sarbanes-Oxley"), including that each periodic report was (or will be when filed, as the case may be) accompanied by the certification of Seller's Chief Executive Officer and Chief Financial Officer as required by Section 906 of Sarbanes-Oxley and that each Annual Report on Form 10-K and Quarterly Report on Form 10-Q included (or will include when filed, as the case may be) the certification of Seller's Chief Executive Officer and Chief Financial Officer as required by Section 302 of Sarbanes-Oxley and the disclosure required by Item 307 of Regulation S-K promulgated by the SEC.

Except for the filing of pre-merger notification and report forms under the HSR Act, no filings with, notices to, or approvals of any Governmental Authority are required to be obtained or made by Parent or Buyer for the consummation by Parent and Buyer of the transactions contemplated hereby, except for such filings, notices or approvals the failure of which to be made or obtained, individually or in the aggregate, have not had and could not reasonably be expected to result in a Buyer Material Adverse Effect. 4.5 Litigation. There are no material claims, actions, suits, approvals, investigations, complaints or proceedings pending, or to Buyer's Knowledge, threatened, before any Governmental Authority or arbitrator with respect to the business or assets of Parent or Buyer or against Parent or Buyer that challenges, or may have the effect of preventing, delaying, making illegal or otherwise interfering with, any of the transactions contemplated hereby. Neither Parent nor Buyer nor either of their assets are subject to any material order, judgment, ruling, assessment, writ, injunction, decree or arbitration award.

### 4.6 Compliance with Law.

## Edgar Filing: EMCORE CORP - Form 8-K

(b) Each of Parent and Buyer has obtained all Permits that are used in or necessary for the operation of its business and the ownership and use of its assets, except for such Permits, the absence of which, individually or in the aggregate, has not had a Buyer Material Adverse Effect. ### 4.8 No Inducement or Reliance; Independent Assessment.

(a) With respect to the Transferred Assets, the Business and any other rights or obligations to be transferred hereunder or under the Ancillary Agreements or pursuant hereto or thereto, neither Parent nor Buyer has been induced by and has not relied upon any representations, warranties or statements, whether express or implied, made by Seller, any Affiliate of Seller, or any agent, employee, attorney or other representative of Seller or by any other Person representing or purporting to represent Seller that are not expressly set forth in this Agreement or in the Ancillary Agreements (including the Schedules and Exhibits hereto and thereto), whether or not any such representations, warranties or statements were made in writing or orally, and none of Seller, any Affiliate of Seller, or any agent, employee, attorney, other representative of Seller or other Person shall have or be subject to any liability to Parent or Buyer or any other Person resulting from the distribution to Parent or Buyer, or Parent's or Buyer's use of, any such information, including any information, documents or material made available in any "data rooms" or management presentations or in any other form in expectation of the transactions contemplated hereby.

(b) Each of Parent and Buyer acknowledges that it has made its own assessment of the present condition and the future prospects of the Business and is sufficiently experienced to make an informed judgment with respect thereto. Each of Parent and Buyer further acknowledges that neither Seller nor any Affiliate of Seller has made any warranty, express or implied, as to the future prospects of the Business or its profitability for Parent or Buyer, or with respect to any forecasts, projections or Business plans prepared by or on behalf of Seller and delivered to Parent or Buyer in connection with the Business and the negotiation and the execution of this Agreement.

### Section 5. Covenants of the Parties

5.1 Employee Matters. (a) Buyer shall make offers of employment to those Employees of the Business listed in Schedule 5.1(a) (including those absent due to vacation, holiday, illness, leave of absence or short-term disability, but excluding any Employees of the Business on long-term disability) that it chooses to offer employment. Employees of the Business who accept Buyer's offer of employment, as of the effective date of their employment with Buyer, are referred to as "Transferred Employees." Employment with Buyer or an Affiliate of Buyer of Transferred Employees shall be effective as of the day following the close of business on the Closing Date, except that the employment of individuals receiving short-term disability benefits or on approved leave of absence on the Closing Date will become effective as of the date they present themselves for work with the Buyer or an Affiliate of Buyer. Employees of the Business who are not offered employment by Buyer or who do not accept Buyer's offer, together with any other employees of Seller or any Subsidiary shall be referred to as "Non-Transferred Employees."

(b) Buyer shall provide, or shall cause to be provided, to Transferred Employees, (i) until at least the six-month anniversary of the Closing Date, the same base salary offered by Seller or the applicable subsidiary immediately prior to the Closing Date as set forth in Schedule 3.14(a) and (ii) employee benefits that, in the aggregate, are no less favorable than those provided to similarly situated employees of Buyer. Except as expressly set forth in this Section 5.1, no assets of any Plan shall be transferred to Buyer or any Affiliate of Buyer. Each employee benefit plan, program, policy and arrangement of Buyer or an Affiliate of Buyer, including any pension plans, welfare plans, vacation plans and severance plans, shall recognize to the extent permitted by Buyer's or Buyer's Affiliate's plans (i) for purposes of satisfying any deductibles, co-pays and out-of-pocket maximums during the coverage period that includes the Closing Date, any payment made by any Transferred Employee towards deductibles, co-pays and out-of-pocket maximums in any health or other insurance plan of Seller or a subsidiary and (ii) for purposes of determining eligibility to participate, vesting and for any schedule of benefits based on service (other than for benefit accruals under Buyer's or Buyer's Affiliate's pension plans), all service with Seller or a subsidiary thereof, including service with predecessor employers that was recognized by Seller or a subsidiary thereof and any prior unbridged service with Seller or a subsidiary thereof, provided that such service shall not be recognized to the extent such recognition would result in a duplication of benefits. Buyer or Buyer's Affiliate will continue to provide (i) relocation assistance to those Transferred Employees receiving it as of the Closing Date and (ii) tuition assistance to those Transferred Employees who are receiving such benefits as of the Closing Date for the current academic session, in each case as set forth in Schedule 5.1(b).

(c) Seller shall retain all liability for payment of severance in connection with the termination of employment of any Non-Transferred Employee. Notwithstanding anything to the contrary in this Agreement, and provided that the affected Transferred Employee executes a general and special release in a form acceptable to Buyer, Buyer shall provide severance benefits substantially equivalent to the benefits listed in Schedule 5.1(c) pursuant to a severance benefit plan which shall be adopted by Buyer immediately following the Closing for the benefit of Transferred Employees whose employment is terminated involuntarily by Buyer on or before April 30, 2004 other than terminations in circumstances that would not require payments of severance benefits under Buyer's severance plan or policy.

(d) Buyer agrees that its and its Affiliate's health and welfare plans shall waive any pre-existing condition exclusion (to the extent Buyer's plans permit and such exclusion was waived under applicable health and

## Edgar Filing: EMCORE CORP - Form 8-K

welfare plans offered to the Transferred Employees by Seller or a subsidiary thereof) with respect to Transferred Employees and any proof of insurability. Seller shall remain responsible for any benefits payable under a Plan with respect to claims incurred by all Employees of the Business prior to or on the Closing Date. To the extent Buyer's plans permit, the medical and dental plans maintained by Buyer and Affiliates of Buyer shall recognize as dependents of the Transferred Employees any dependents recognized by Seller's or Seller's subsidiary's medical and dental plans. Seller shall continue to provide benefits to the Transferred Employees under Seller's medical, hospitalization, dental, vision and life insurance plans through the end of the month in which the Closing Date occurs (the "Continuation Period"). Buyer shall reimburse Seller for the costs of such benefits, which (i) if provided on an insured basis shall be the actual premium costs for insurance policies related to the provision of such benefits for the Continuation Period plus a reasonable administration charge, and (ii) if such benefits are provided on a self-insured basis by Seller, such costs shall be the Actual Costs (as such term is defined in the Transition Services Agreement and including actual premium costs for reinsurance and stop-loss policies) for claims incurred by the Transferred Employees during the Continuation Period, plus a reasonable administration charge (for purposes of this Section 5.1(d), a claim shall be deemed to be incurred on the date upon which the charge or expense giving rise to such claim is incurred). Buyer shall not be responsible for costs for benefits for any period prior to the Continuation Period.

(e) As soon as practicable following the Closing Date, Parent or Buyer shall cause one or more defined contribution savings plans intended to qualify under sections 401(a) and 401(k) of the Code (the "Buyer Savings Plan") to provide for the receipt of Transferred Employees' lump sum cash distributions, in the form of an eligible rollover distribution from the Seller's 401(k) Plan (the "Seller 401(k) Plan"), provided such rollovers are made at the election of the Transferred Employees and in accordance with the terms of the Buyer Savings Plan. Seller shall cause the Seller 401(k) Plan to permit the Transferred Employees to elect a lump sum cash distribution of benefits accrued through the Closing Date in accordance with the Code.

(f) Buyer shall be solely liable for all compensation and benefit obligations and employment law claims of Transferred Employees that accrue after the Closing Date. Seller shall retain and be responsible for (i) all employment-related obligations and liabilities (including all obligations and liabilities under the WARN Act and COBRA, if any) relating to each Non-Transferred Employee and (ii) all compensation and benefit obligations and employment law claims of Transferred Employees to the extent that such liability accrued on or prior to the Closing Date; provided, however, that Seller's retention of such responsibility and liability shall not preclude Seller or an Affiliate of Seller from seeking recourse against the Buyer or an Affiliate of Buyer for any breach of the Buyer's covenants in this Section 5.1. Notwithstanding the foregoing or anything herein to the contrary, Buyer or Buyer's Affiliate shall credit each Transferred Employee with the amount of accrued and unused "paid time off" ("PTO") days earned as of the Closing Date in accordance with Seller's PTO policy and based on records provided by Seller, and shall continue to permit the Transferred Employees to use such PTO under substantially the same conditions as Seller's policy until December 31, 2003, and Seller, after receiving notice thereof from Buyer, shall promptly reimburse Buyer or Buyer's Affiliate for the cost of any such PTO time used by a Transferred Employee pursuant to this provision.

(g) The services of the Employees of the Business employed in Seller's Taiwan and Korean locations (the "Foreign Employees") shall be made available to Buyer for a period of up to sixty (60) days immediately following the Closing Date pursuant to the terms of the Transition Services Agreement. At the end of such period, Buyer may make offers of employment to those Foreign Employees that it chooses to offer employment and shall notify Seller of those

## Edgar Filing: EMCORE CORP - Form 8-K

Foreign Employees to whom it has offered employment. Those Foreign Employees who accept Buyer's offer of employment, as of the effective date of their employment with Buyer, shall be deemed to be Transferred Employees for all purposes hereunder. Those Foreign Employees who are not offered employment by Buyer or who do not accept Buyer's offer of employment shall be deemed to be Non-Transferred Employees for all purposes hereunder.

(h) Unless specifically set forth in this Section 5.1, nothing contained in this Agreement shall confer upon Parent or Buyer (i) the obligation to employ any Employee of the Business, (ii) the obligation to continue to employ any Employee of the Business that it hires for any specific periods of time after the Closing or otherwise interfere with the right of Parent or Buyer to terminate any such employee at any time for any reason, subject to applicable Law or (iii) the obligation to offer any Employee of the Business a particular level of compensation or other employee benefits in connection with any such individual's potential employment with Buyer.

(i) Nothing in this Section 5.1 or elsewhere in this Agreement, expressed or implied, shall confer upon any current or former Employee of the Business (including the Transferred Employees) or any legal representatives thereof any rights or remedies of any nature or kind whatsoever under or by reason of this Agreement (including any right to employment, or continued employment, with Buyer or any of Buyer's Affiliates for any specified period).

5.2 Noncompetition. (a) Seller agrees that from the date hereof until four (4) years from the date hereof (the "Noncompete Period"), it shall not, directly or indirectly, either for itself or for any other Person (other than Buyer or its Affiliates) participate in the Business anywhere in the world. For purposes of this Agreement, the term "participate" includes any direct or indirect interest in any Person, whether as an officer, director, employee, partner, member, shareholder, sole proprietor, agent, representative, independent contractor, consultant, franchisor, franchisee, creditor, owner or otherwise; provided that the term "participate" shall not include (i) the ownership of less than 5% of the stock of a publicly held corporation (other than Parent) whose stock is traded on a recognized U.S. or foreign securities exchange or in the over-the-counter market, (ii) the sale or other disposition of existing reactors in connection with the sale or other disposition of one or more of Seller's remaining business units (which remaining business units are: (A) Electronic Materials and Devices, (B) Sunshine (wide band gap GaN electronics group), (C) Photovoltaics, (D) Fiber Optics and Optical Devices and (E) Ortel), (iii) the sale or other disposition of existing reactors in connection with the sale or other disposition of all or substantially all of the assets of Seller or a merger or consolidation of Seller with or into another Person, provided that, in the event that 60% or more of the capital stock of the surviving party of such merger or consolidation is owned by the stockholders or the former stockholders of Seller immediately after the consummation of such merger or consolidation, such surviving entity shall agree to be subject to the restrictions contained in this Section 5.2(a), (iv) the contribution of capital equipment to any joint venture of Seller existing as of the date of this Agreement or any joint venture formed after the date hereof, provided such joint venture agrees to be subject to the restrictions contained in this Section 5.2(a), (v) engaging in any business conducted as of the date of this Agreement by Seller other than the Business and (vi) subject to Section 5.2(d), the sale or other disposition of up to two existing reactors during each year of the Noncompete Period. During the Noncompete Period, Seller shall not directly or indirectly, induce or attempt to induce any employee of the Business to leave the employ of Buyer or in any way interfere with the relationship between Buyer and any employee, customer or supplier thereof. Seller agrees that this covenant is reasonable with respect to its duration, geographical area and scope.

(b) If, at the time of enforcement of any of the provisions of

## Edgar Filing: EMCORE CORP - Form 8-K

this Section 5.2, a court holds that the restrictions stated therein are unreasonable under the circumstances then existing, the parties hereto agree that the maximum period, scope or geographical area reasonable under such circumstances shall be substituted for the stated period, scope or area.

(c) Seller agrees that Buyer would suffer irreparable harm from a breach by Seller of this Section 5.2. In the event of an alleged or threatened breach by Seller of any of the provisions of this Section 5.2, Buyer may, in addition to all other rights and remedies existing in its favor, apply to any court of competent jurisdiction for specific performance and/or injunctive or other relief in order to enforce or prevent any violations of the provisions hereof. Seller acknowledges that but for this Section 5.2, Buyer would not have entered into this Agreement.

(d) If Seller desires to sell or otherwise dispose of a reactor during the Noncompete Period as described in Section 5.2(a)(ii), it shall first notify Buyer of its intention to sell or otherwise dispose of such reactor (the "Offered Reactor") and grant Buyer the right to purchase the Offered Reactor at a purchase price and on terms set forth in such notice. Buyer may exercise its right to purchase the Offered Reactor on the terms set forth in the notice by notifying Seller of its intention to do so within 15 days of receipt by Buyer of Seller's notice. If Buyer does not exercise its right to purchase within such 15-day period, Seller may sell the Offered Reactor on terms no less favorable to it than those set forth in its notice within 60 days after the expiration of the 15-day period referred to above. If Seller does not sell or otherwise dispose of the Offered Reactor during such 60-day period, any subsequent sale or disposition of the Offered Reactor shall once again be subject to the provisions of this Section 5.2(d).

5.3 Confidentiality. (a) From and after the Closing Date, Seller will, and Seller will cause its directors, officers, employees, representatives, consultants, advisors, agents and Affiliates, to hold in confidence all information not available to the public concerning Buyer (and its Affiliates), the Business and the Transferred Assets. From and after the Closing Date, Parent and Buyer will, and will cause their respective directors, officers, employees, representatives, consultants, advisors, agents and Affiliates, to hold in confidence all information not available to the public relating to Seller; provided, however, that the obligations of the parties with respect to any Intellectual Property which is the subject of the Intellectual Property Agreement shall be governed exclusively by such Intellectual Property Agreement.

(b) Notwithstanding anything herein or in the Confidentiality Agreement to the contrary, any party to this Agreement (and any officer, director, employee, representative, consultant, advisor or other agent of any party to this Agreement) may disclose to any and all Persons, without limitation of any kind, the tax treatment and tax structure of the transactions contemplated by this Agreement and all materials of any kind (including opinions or other tax analyses) that are provided to it relating to such tax treatment and tax structure; provided, however, that such disclosure may not be made to the extent required to be kept confidential to comply with any applicable federal or state securities laws.

5.4 Further Assurances. From time to time after the Closing, each party will timely execute and deliver to the other such instruments of sale, transfer, conveyance, assignment and delivery, and such consents, assurances, powers of attorney and other instruments as may be reasonably requested by such party or its counsel in order to vest in Buyer all right, title and interest of Seller in and to the Transferred Assets and all duties and obligations under the Assumed Liabilities and otherwise in order to carry out the purpose and intent of this Agreement. In the event that Section 3.10 is breached by Seller under circumstances in which Seller has failed to identify and transfer any assets or properties or provide any services necessary for the conduct of the Business as

## Edgar Filing: EMCORE CORP - Form 8-K

currently conducted, Seller shall promptly transfer such properties or assets or provides such services to Buyer at no additional cost to Buyer and Buyer shall retain all of its rights to indemnification with respect to such breach under Section 7 hereof.

5.5 Customer and Other Business Relationships. For a period of six (6) months following the Closing, Seller will cooperate with Buyer, at Buyer's sole expense, in Buyer's efforts to continue and maintain for the benefit of Buyer those business relationships of Seller existing prior to the Closing and relating to the Business, including relationships with lessors, employees, Governmental Authorities, licensors, customers, suppliers and others, and Seller will satisfy the Retained Liabilities in a manner that is not detrimental to any of such relationships. During the Noncompete Period, Seller will refer to Buyer all inquiries regarding potential purchase of equipment in the Business.

5.6 Books and Records; Tax Matters. (a) Subject to applicable Law, each of Buyer and Seller agrees that it will cooperate with and make available to the other, during normal business hours, all books and records, information and employees (without substantial disruption of employment) retained and remaining in existence after the Closing which are necessary or useful in connection with the preparation of any Tax Return, any Tax inquiry, audit, investigation or dispute, any litigation or investigation or any other matter requiring any such books and records, information or employees for any reasonable business purpose. The party requesting such books and records, information or employees shall bear all of the out-of-pocket costs and expenses (including attorneys' fees, but excluding reimbursement for salaries and employee benefits) reasonably incurred in connection with providing such books and records, information or employees.

(b) Seller shall file any Tax Return that is required to be filed in respect of Taxes with regard to Seller and the Transferred Assets for periods prior to the Closing Date and shall pay the Taxes shown as due on such Tax Return. Seller shall (i) provide Buyer with such assistance as may reasonably be requested in connection with the preparation of any Tax Return, audit, or other examination by any taxing authority or judicial or administrative proceedings relating to liability for Taxes with respect to the Transferred Assets, (ii) retain and provide Buyer with any records or other information that may be relevant to such Tax Return, audit or examination, proceeding or determination with respect to the Transferred Assets and (iii) provide Buyer with any final determination of any such audit or examination, proceeding or determination that affects any amount required to be shown on any Tax Return with respect to the Transferred Assets for any period. Without limiting the generality of the foregoing, Seller shall retain, until the applicable statutes of limitations have expired, copies of all Tax Returns with respect to the Transferred Assets, supporting work schedules and other records or information that may be relevant to such Tax Returns for all Tax periods or portions thereof ending on or before the Closing Date and shall not destroy or otherwise dispose of any such records without first providing Buyer with a reasonable opportunity to review and copy the same.

5.7 Bulk Sales. It may not be practicable to comply or attempt to comply with the procedures of the "Bulk Sales Act" of any or all of the states in which the Transferred Assets are situated or of any other state which may be asserted to be applicable to the transactions contemplated hereby. Accordingly, both parties hereby waive compliance by Seller with the requirements and provisions of any "bulk-transfer" Laws of any jurisdiction that may otherwise be applicable with respect to the sale of any or all of the Transferred Assets to Buyer; provided that Seller shall indemnify Buyer (in accordance with Section 7) for any Losses resulting from its failure to comply with such "bulk-transfer" Laws.

5.8 ISRA Matters. (a) Prior to and after the Closing, Seller shall be responsible for taking all necessary actions to comply with the requirements of

## Edgar Filing: EMCORE CORP - Form 8-K

the Industrial Site Recovery Act, N.J.S.A. 13:1K-6 et seq. ("ISRA") with respect to the transaction, including submitting all necessary forms and conducting any required investigation and remediation. Buyer shall cooperate with Seller with respect to such compliance, including (i) providing Seller and its representatives and consultants with access during normal business hours upon reasonable request after the Closing Date to the Transferred Real Property in order to undertake actions required pursuant to ISRA and (ii) executing any ISRA forms requiring Buyer's signature. Seller shall provide Buyer with reasonable advance notice prior to entering the Transferred Real Property and Buyer shall have the right to monitor Seller's representatives and consultants in connection with any work performed at the Transferred Real Property.

(b) Seller shall provide Buyer with advance copies of all correspondence and documents to be filed in connection with ISRA and shall consider all reasonable comments provided by Buyer. Seller shall make reasonable commercial efforts to ensure that any of the activities that it conducts pursuant to ISRA will not interfere with Buyer's operations at the Transferred Real Property. Buyer shall be responsible for its own costs and expenses in connection with monitoring Seller's compliance with ISRA.

5.9 Compliance with Obligations. Parent shall cause Buyer to comply with each of Buyer's agreements, covenants and obligations under this Agreement and under each of the Ancillary Agreements to which Buyer is a party.

### Section 6. Conditions to Closing

6.1 Obligation of Buyer to Close. The following conditions shall have been satisfied on or prior to Closing Date:

(a) Representations and Covenants. The representations and warranties of Seller contained in this Agreement shall be true and correct in all material respects as of the Closing Date (provided that any representation or warranty of Seller contained herein that is subject to a materiality, Seller Material Adverse Effect or similar qualification shall be true and correct in all respects without regard to such qualification).

(b) Litigation. ### Section 7. Indemnification

7.1 Survival Periods. The representations and warranties of Parent, Buyer and Seller contained in this Agreement shall survive the Closing solely for purposes of this Section 7 and such representations and warranties shall terminate at the close of business on the second anniversary of the Closing Date; provided, however, that (i) the representations and warranties in Section 3.1, the second sentence of Section 3.9(a) and the penultimate sentence of Section 3.10(a) shall survive indefinitely, (ii) the representations and warranties in Section 3.20 shall survive the Closing and shall terminate at the close of business on the 120th day following the expiration of the applicable statute of limitations with respect to the Tax liabilities in question (giving effect to any waiver, mitigation or extension thereof) and (iii) the representations and warranties in Section 4.2 shall survive indefinitely. The covenants of Parent, Buyer and Seller contained in this Agreement and the Ancillary Agreements that are required to be performed, in whole or in part, at or after the Closing shall survive the Closing. Any claim for indemnification hereunder must be made in good faith and in writing (and setting forth in reasonable detail the basis of such determination and to the extent known, an estimated calculation of the Losses incurred in connection therewith) by no later than the expiration of the applicable periods set forth in this Section 7.1, if any.

7.2 Indemnification by Seller. Seller shall indemnify and hold harmless each of Parent and Buyer and each of their respective directors, officers, stockholders, members, employees, Affiliates and agents, at all times from and after the Closing Date, against and in respect of all Losses incurred by such Persons arising from or relating to: (a) subject to Section 7.1, any breach of any of the representations or warranties made by Seller in this Agreement or in any of the Ancillary Agreements executed and delivered by Seller in connection with the Closing (without regard to any materiality qualification contained in any such representation or warranty and without giving effect to any supplement to the disclosure schedules); (b) any breach of the covenants and agreements made by Seller in this Agreement or in any of the Ancillary Agreements executed and delivered by Seller in connection with the Closing; (c) the Retained Liabilities.

7.3 Indemnification by Parent and Buyer. Parent and Buyer shall jointly and severally indemnify and hold harmless Seller and its directors, officers, shareholders, employees, Affiliates and agents, at all times from and after the Closing Date, against and in respect of Losses incurred by such Persons arising from or relating to: (a) subject to Section 7.1, any breach of any of the representations or warranties made by Parent or Buyer in this Agreement or in any of the Ancillary Agreements executed and delivered by Parent or Buyer, as the case may be, in connection with the Closing (without regard to any materiality qualification contained in any such representation or warranty and without giving effect to any supplement to the disclosure schedules), (b) any breach of the covenants and agreements made by Parent or Buyer in this Agreement or in any of the Ancillary Agreements executed and delivered by Parent or Buyer in connection with the Closing and (c) the Assumed Liabilities.

### 7.4 Limitations of Indemnity.

## Edgar Filing: EMCORE CORP - Form 8-K

(a) Notwithstanding the foregoing, (i) no amounts shall be payable by Seller under Section 7.2(a) or by Parent or Buyer under Section 7.3(a) unless and until the aggregate amount payable thereunder exceeds \$500,000, in which event all amounts in excess thereof shall be due; (ii) no Claim for indemnification under Section 7.2(a) or 7.3(a) shall first be asserted after the expiration of the applicable representation or warranty; and (iii) in no event shall the maximum aggregate liability of Seller with respect to its obligations under Section 7.2(a) and (b) exceed \$15,000,000. Notwithstanding anything contained in this Section 7.4(a), none of the limitations of indemnity shall apply to indemnification for the Retained Liabilities.

(b) The amount of the Indemnitor's liability under this Agreement shall be net of any applicable insurance proceeds actually received by the Indemnitee in respect of the Loss for which indemnity is sought, which amount shall be offset by any increases in insurance premium amounts resulting from the insurer having covered all or portion of such Loss; provided, however, that neither Parent nor Buyer is under any obligation to submit any claim for insurance in respect of the Loss for which indemnity is sought.

(c) Notwithstanding anything contained in this Agreement to the contrary except to the extent arising from fraud, bad faith or intentional misrepresentation, no party shall be liable to the other party for any indirect, special, punitive, exemplary or consequential loss or damage (including any loss of revenue or profit) arising out of this Agreement or any Ancillary Agreement. Both parties shall mitigate their damages.

### 7.5 Indemnification Procedures - Third Party Claims.

(a) The rights and obligations of a party claiming a right of indemnification hereunder (each an "Indemnitee") from a party to this Agreement (each an "Indemnitor") in any way relating to a third party claim shall be governed by the provisions of this Section 7.5.

(b) The Indemnitee shall give prompt written notice to the Indemnitor of the commencement of any claim, action suit or proceeding (collectively, a "Claim"), or any threat thereof, or any state of facts which Indemnitee determines will give rise to a claim by the

Indemnitee against the Indemnitor based on the indemnity agreements contained in this Agreement setting forth, in reasonable detail, the nature and basis of the Claim and the amount thereof, to the extent known, and any other relevant information in the possession of the Indemnitee (a "Notice of Claim"). The Notice of Claim shall be accompanied by any relevant documents in the possession of the Indemnitee relating to the claim (such as copies of any summons, complaint or pleading which may have been served and, or any written demand or document evidencing the same). No failure to give a Notice of Claim shall affect, limit or reduce the indemnification obligations of an Indemnitor hereunder, except to the extent such failure actually prejudices such Indemnitor's ability successfully to defend the Claim giving rise to the indemnification claim.

(c) In the event that an Indemnitee furnishes an Indemnitor with a Notice of Claim, then upon the written acknowledgment by the Indemnitor given to the Indemnitee within 30 days of receipt of the Notice of Claim, stating that the Indemnitor is undertaking and will prosecute the defense of the Claim under such indemnity agreements and confirming that as between the Indemnitor and the Indemnitee, the Claim covered by the Notice of Claim is subject to this Section 7 (an "Indemnification Acknowledgment"), then the Claim covered by the Notice of Claim may be defended by the Indemnitor, at the sole cost and expense of the Indemnitor; provided, however, that the Indemnitee is authorized to file any motion, answer or other pleading that may be reasonably necessary or appropriate to protect its interests during such 30-day period upon

## Edgar Filing: EMCORE CORP - Form 8-K

at least two days' prior notice to Indemnitor. However, in the event the Indemnitor does not furnish an Indemnification Acknowledgment to the Indemnatee within such 30-day period, the Indemnatee may, upon written notice to the Indemnitor, assume the defense (with legal counsel chosen by the Indemnatee) and dispose of the Claim, at the sole cost and expense of the Indemnitor. Notwithstanding receipt of an Indemnification Acknowledgment, the Indemnatee shall have the right to employ its own counsel in respect of any such Claim, but the fees and expenses of such counsel shall be at the Indemnatee's own cost and expense, unless (A) the employment of such counsel and the payment of such fees and expenses shall have been specifically authorized by the Indemnitor in connection with the defense of such Claim or (B) the Indemnatee shall have reasonably concluded that there may be specific defenses available to the Indemnatee which are materially in conflict with those available to the Indemnitor in which case the costs and expenses incurred by the Indemnatee shall be borne by the Indemnitor.

(d) The Indemnatee or the Indemnitor, as the case may be, who is controlling the defense of the Claim shall keep the other fully informed of such Claim at all stages thereof, whether or not such party is represented by counsel. The parties hereto agree to render to each other such assistance as they may reasonably require of each other in order to ensure the proper and adequate defense of any such Claim. Subject to the Indemnitor furnishing the Indemnatee with an Indemnification Acknowledgment in accordance with Section 7.5(c), the Indemnatee shall cooperate with the Indemnitor and provide such assistance, at the sole cost and expense of the Indemnitor, as the Indemnitor may reasonably request in connection with the defense of any such Claim including providing the Indemnitor with reasonable access to and use of all relevant corporate records and making reasonably available its officers and employees for depositions, pre-trial discovery and as witnesses at trial, if required. In requesting any such cooperation, the Indemnitor shall have due regard for, and attempt to not be disruptive of, the business and day-to-day operations of the Indemnatee and shall follow the requests of the Indemnatee regarding any documents or instruments which the Indemnatee believes should be given confidential treatment.

(e) The Indemnitor shall not make or enter into any settlement of any Claim which the Indemnitor has undertaken to defend, without the Indemnatee's prior written consent (which consent shall not be unreasonably withheld or delayed), unless there is no obligation, directly or indirectly, on the part of the Indemnatee to contribute to any portion of the payment for any of the Losses, the Indemnatee receives a general and unconditional release with respect to the claim (in form, substance and scope reasonably acceptable to the Indemnatee), there is no finding or admission of any violation of Law, fault or wrongdoing by, or effect on any other claim that may be made against, the Indemnatee and, in the reasonable judgment of the Indemnatee, the relief granted in connection therewith is not likely to have a material adverse effect on the Indemnatee. The Indemnatee shall not make or enter into any settlement of any Claim for which Indemnatee will seek indemnification from Indemnitor under this Section 7 without the Indemnitor's prior written consent (which consent shall not be unreasonably withheld or delayed).

### 7.6 Indemnification Procedures - Other Claims, Indemnification Generally.

(a) A claim for indemnification for any matter not relating to a third party claim may be asserted by giving reasonable notice directly by the Indemnatee to the Indemnitor. The Indemnatee shall afford the Indemnitor reasonable access to all relevant corporate records and other information in its possession relating thereto.

(b) If any party becomes obligated to indemnify another party with respect to any claim for indemnification hereunder and the amount of

## Edgar Filing: EMCORE CORP - Form 8-K

liability with respect thereto shall have been finally determined, the Indemnitor shall pay such amount to the Indemnatee in immediately available funds within ten Business Days following written demand by the Indemnatee.

7.7 Exclusive Remedy. Each of the parties hereto (on its own behalf and on behalf of its respective Affiliates or other Persons that may seek indemnification hereunder) hereby acknowledges and agrees that following the Closing the indemnification provided by this Section 7 (as subject to the limitations contained herein) shall be the sole and exclusive remedy of such party and its Affiliates or other Persons for any breach of the representations, warranties, covenants or agreements of the other parties set forth in this Agreement or in any of the documents contemplated hereby or any other agreement, document or instrument delivered in connection with the Closing, and each of the parties hereto hereby waives any other remedy under Law or in equity, except as provided in Section 5.2(c), provided that Buyer shall have the right to set off the amount of any Losses suffered by it against any earn-out that may become due under Section 2.7.

### Section 8. Miscellaneous

8.1 Publicity. Prior to the Closing, Seller and Parent shall prepare a mutually agreeable press release announcing the transactions contemplated hereby. Except for such press release, no press release or other public announcement concerning this Agreement or the transactions contemplated hereby shall be made without prior approval thereof by Seller and Parent, except as required by Law, in which case the party required to make the release or announcement shall allow the other party reasonable time to comment on such release or announcement in advance of such issuance. The foregoing shall not preclude communications or disclosures by the parties necessary to comply with any applicable accounting, stock exchange or federal securities or labor relations Law disclosure obligations.

8.2 Disclosure Schedules. The Seller Disclosure Schedule shall be arranged in separate parts corresponding to the numbered and lettered Sections contained in Section 3. Any matter or item disclosed pursuant to any Section of the Seller Disclosure Schedule shall be deemed to be disclosed only for purposes of disclosure under that Section; provided, that any matter or item disclosed in one Section of the Seller Disclosure Schedule will be deemed disclosed with respect to another Section of the Seller Disclosure Schedule if such disclosure is made in such a way as to make its relevance with respect to such other Section reasonably apparent. The Buyer Disclosure Schedule shall be arranged in separate parts corresponding to the numbered and lettered Sections contained in Section 4. Any matter or item disclosed pursuant to any Section of the Buyer Disclosure Schedule shall be deemed to be disclosed only for purposes of disclosure under that Section; provided, that any matter or item disclosed in one Section of the Buyer Disclosure Schedule will be deemed disclosed with respect to another Section of the Buyer Disclosure Schedule if such disclosure is made in such a way as to make its relevance with respect to such other Section reasonably apparent. The inclusion of any information in the Buyer Disclosure Schedule or Seller Disclosure Schedule shall not be deemed to be an admission or acknowledgment, in and of itself, that such information is required by the terms hereof to be disclosed, is material, has or would have a Buyer Material Adverse Effect or Seller Material Adverse Effect (as the case may be), or is outside the ordinary course of business.

8.3 Notices. Any and all notices or other communications or deliveries required or permitted to be given or made pursuant to any of the provisions of this Agreement shall be deemed to have been duly given or made for all purposes if (i) hand delivered, (ii) sent by a nationally recognized overnight courier for next Business Day delivery or (iii) sent by confirmed facsimile transmission as follows:

The date of giving of any such notice shall be the date of hand delivery, the next Business Day after delivery to the overnight courier service, or the date sent by confirmed facsimile transmission.

8.4 Counterparts. This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute one and the same instrument. The facsimile transmission of any original signed counterpart of this Agreement (or any amendment hereto or any other document delivered pursuant hereto), and the retransmission of any signed facsimile transmission, shall be treated for all purposes as the delivery of an original signed counterpart.

8.5 Governing Law; Severability. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICTS OF LAW DOCTRINES (OTHER THAN SECTIONS 5-1401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW). Should any clause, Section or part of this Agreement be held or declared to be void or illegal for any reason, all other clauses, sections or parts of this Agreement shall nevertheless continue in full force and effect.

8.6 Consent to Jurisdiction. Each of Parent, Buyer and Seller irrevocably submits to the exclusive jurisdiction of (a) the Supreme Court of the State of New York, New York County, and (b) the United States District Court for the Southern District of New York, for the purposes of any suit, action or other proceeding arising out of this Agreement or any transaction contemplated hereby (and each agrees that no such action, suit or proceeding relating to this Agreement or any transaction contemplated hereby shall be brought by it or any of its Affiliates except in such courts). Each of Parent and Buyer further agrees, and Seller further agrees, that service of any process, summons, notice or document by U.S. registered mail to such person's respective address set forth above shall be effective service of process for any action, suit or proceeding in New York with respect to any matters to which it has submitted to jurisdiction as set forth above in the immediately preceding sentence. Each of Parent, Buyer and Seller irrevocably and unconditionally waives (and agrees not to plead or claim), any objection to the laying of venue of any action, suit or proceeding arising out of this Agreement or the transactions contemplated hereby in (i) the Supreme Court of the State of New York, New York County, or (ii) the United States District Court for the Southern District of New York or that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum.

## Edgar Filing: EMCORE CORP - Form 8-K

8.7 Assignment. This Agreement may not be assigned by any party without the prior written consent of the other parties, except that Buyer may (i) assign to one or more of its Affiliates the right to purchase the Transferred Assets, or (ii) assign its rights hereunder (other than its rights under Section 5.2) in connection with a sale of all or substantially all of the Business, provided that no such assignment shall relieve Buyer of its obligations under Section 2.7.

8.8 Expenses. Unless specifically set forth in this Agreement, each party to this Agreement will bear all the fees, costs and expenses that are incurred by it in connection with the transactions contemplated hereby, whether or not such transactions are consummated; provided, however, that if the Closing occurs, Buyer will reimburse Seller for out-of-pocket expenses incurred by Seller in connection with such transactions in an amount equal to \$500,000 upon presentation of invoices or other documentation relating to such expenses.

8.9 Entire Agreement. This Agreement, including the schedules and exhibits attached hereto and hereby incorporated herein, together with any other document contemplated hereby, constitutes the entire agreement of the Parties with respect to the subject matter of this Agreement and supersedes all prior agreements, understandings, or representations relating to the subject matter of this Agreement.

8.10 No Third Party Beneficiaries. No third parties are intended to benefit by the covenants, agreements, representations, warranties or any other terms or conditions of this Agreement.

8.11 Interpretation. Unless otherwise expressly provided, for purposes of this Agreement, (a) any reference in this Agreement to gender shall include both genders, and words imparting the singular number only shall include the plural and vice versa, unless, in each case, the context otherwise requires, (b) the provision of a Table of Contents, the division of this Agreement into Articles, Sections and other subdivisions and the insertion of headings are for convenience of reference only and shall not affect or be utilized in construing or interpreting this Agreement, (c) all references in this Agreement to any "Section," "Article," "Schedule" or "Exhibit" are to the corresponding Section, Article, Schedule or Exhibit of this Agreement unless otherwise specified, (d) the words such as "herein," "hereinafter," "hereof," and "hereunder" refer to this Agreement as a whole and not merely to a subdivision in which such words appear unless the context otherwise requires and (e) the word "including" or any variation thereof means "including, without limitation" and shall not be construed to limit any general statement that it follows to the specific or similar items or matters immediately following it.

Notes to Unaudited Condensed Consolidated Pro Forma Financial Statements

(Dollars in thousands)

## 1. Basis of Pro Forma Presentation

The preceding unaudited pro forma condensed consolidated financial information presented for the balance sheet as of June 30, 2003 and for the statements of operations for the year ended September 30, 2002 and the nine-month period ended June 30, 2003, is based upon the Company's historical results of operations, adjusted to reflect the pro forma effect as if the sale of certain assets of the Company comprising its TurboDisc business had occurred on October 1, 2001 with respect to the statements of operations, and on June 30, 2003 with respect to the balance sheet. The historical consolidated financial information presented herein should be read in conjunction with the audited consolidated financial statements and notes thereto appearing in the Company's annual report on Form 10-K for the year ended September 30, 2002, and the unaudited consolidated financial statements and notes thereto included in the Company's quarterly report on Form 10-Q for the nine months ended June 30, 2003.

The unaudited pro forma condensed consolidated financial information is presented for illustrative purposes only and is not necessarily indicative of any future results of operations or the results that might have occurred had the disposition actually been completed on the indicated dates.

## 2. Pro Forma Assumptions and Adjustments

- a. Adjustments to eliminate the assets sold to and liabilities assumed by VCSI and to recognize the gain on sale of \$16.8 million was determined as follows:

Cash proceeds	\$60,000
Net assets sold	39,249
Transaction costs	4,000
	-----
Gain on sale	\$16,751
	=====

- b. The business unit contribution of the TurboDisc division for the nine months ended June 30, 2003 and for the year ended September 30, 2002 has been excluded from the respective pro forma statements of operations. Business unit contribution represents earnings before interest and taxes and before the allocation of corporate operating expenses. The corporate operating expenses that were allocated to the TurboDisc division but have not been removed from the pro forma statements of operations amounted to approximately \$2.6 million and \$5.7 million for the nine months ended June 30, 2003 and the year ended September 30, 2002, respectively. This corporate operating

expense amount would most likely have been lower without the TurboDisc division in these periods, but these amounts could not be easily determined.

FOR IMMEDIATE RELEASE

### EMCORE SELLS DIVISION

EMCORE Sells TurboDisc(R) Business to Veeco

Company Focused on Being World-Wide Leader of Broadband and Wireless Components

SOMERSET, N.J., Nov. 3 /PRNewswire-FirstCall/ -- EMCORE Corporation (Nasdaq: EMKR - News), a leading provider of semiconductor technologies for global communications, today announced that it has sold its TurboDisc Metal Organic Chemical Vapor Deposition (MOCVD) business to Veeco Instruments, Inc. The sale of Emcore's MOCVD division will allow the Company to focus on its communications product lines, including its fiberoptic, wireless, CATV, and satellite products, and the joint venture with GE concentrating on high brightness LED's. Management believes the remaining product lines of EMCORE will generate between \$90 and \$100 million in revenues for the fiscal year ending September 30, 2004.

#### About Emcore's MOCVD Business:

Emcore is a recognized industry leader in MOCVD production systems, with over 500 TurboDisc reactors shipped worldwide. TurboDisc reactors are used in the growth of III-V compounds for numerous compound semiconductor applications, including data and telecommunications modules, cellular telephones and solar cells. Emcore's GaNzilla(R) production systems are the recognized leader in growing gallium nitride-based devices, most notably green, blue and white high brightness LEDs, backlighting, wireless mobile devices, and automotive applications. Emcore's patented TurboDisc technology is known for its unique, high-speed rotating disc deposition technique. TurboDisc reactors are capable of depositing a wide variety of materials -- GaAs, AlGaAs, InP, InGaAlP, InGaN, AlGaN, SiC and GaN -- onto a substrate to grow compound semiconductor materials on the atomic scale.

#### Terms of the Transaction:

The total transaction is valued at up to \$80 million with \$60 million in cash at closing and up to an additional \$20 million over two years. Emcore receives 50% of all revenues of the TurboDisc business over \$40 million in each of the next two years to an aggregate maximum payout of \$20 million. Revenues for the twelve month period ending June 30, 2003 were approximately \$51 million, down from a peak of \$135 million for the twelve months ended September 30, 2001. The transferred MOCVD business includes the assets necessary for engineering, design and manufacturing of MOCVD (TurboDisc) systems ranging from R&D to high-volume production systems, the business unit's manufacturing facility and applications lab located in Somerset, New Jersey and Emcore's significant MOCVD intellectual property. It is expected that approximately 120 employees of Emcore involved in the TurboDisc business will become employees of Veeco.

#### Management Commentary:

Reuben F. Richards, Jr., President and CEO of Emcore, commented, "The sale of our capital equipment business will strengthen Emcore's position as a

world-leader in the supply of broadband and wireless communications products to CATV, satellite, data and telecommunications markets, by allowing us to sharply focus all of our resources on providing active components for the fiberoptic, CATV, and satcom businesses and electronic materials for the wireless industry.

Emcore began operations as a supplier of MOCVD equipment 19 years ago and has been instrumental to the overall growth of the compound semiconductor industry. However, this transaction will allow us to devote our full attention to the communications sector and our investment in Gelcore, our joint venture with GE Lighting addressing the LED markets."

Edward H. Braun, Chairman and CEO of Veeco, commented, "This acquisition strengthens Veeco's position in the compound semiconductor market, as we are now uniquely able to provide "one-stop" shopping for epitaxial deposition solutions -- both MOCVD and MBE. The MOCVD market is twice the size of the MBE available market. Emcore's MOCVD business is a good fit with Veeco's acquisition criteria: history of technology leadership and innovation, complementary technology for an existing Veeco market, leading market position, strong R&D and high market growth potential. We believe that Emcore's MOCVD business will be accretive to Veeco on a cash basis by the second quarter of 2004." Mr. Braun added, "The addition of MOCVD strengthens our existing compound semiconductor and wireless/telecommunications position and permits penetration of the rapidly emerging LED market opportunity." Strategies Unlimited projects the GaN LED market to exceed \$1.9B in 2003, growing at 24% CAGR to reach over \$4B by 2007.
