(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by Thermo Electron pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) Thermo Electron hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of Thermo Electron's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of Thermo Electron pursuant to the foregoing provisions, or otherwise, Thermo Electron has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by Thermo Electron of expenses incurred or paid by a director, officer or controlling person of Thermo Electron in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, Thermo Electron will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

Re: Registration Statement on Form S-8 Relating
to 11,000,000 Shares of the Common Stock,
\$1.00 par value, of Thermo Electron Corporation

Ladies and Gentlemen:

I am Deputy General Counsel to Thermo Electron Corporation, a Delaware corporation (the "Company"), and have acted as counsel in connection with the registration under the Securities Act of 1933, as amended, on Form S-8 (the "Registration Statement"), of 11,000,000 shares of Thermo Electron's Common Stock, \$1.00 par value per share (the "Shares") subject to the Thermo Electron Corporation 2005 Stock Incentive Plan (the "Plan").

I or a member of the Company's Legal Department have reviewed the corporate proceedings taken by Thermo Electron with respect to the authorization of the issuance of the Shares. I or a member of the Company's Legal Department have also examined and relied upon originals or copies, certified or otherwise authenticated to my satisfaction, of all corporate records, documents, agreements or other instruments of Thermo Electron and have made all investigations of law and have discussed with Thermo Electron's representatives all questions of fact that I have deemed necessary or appropriate.

Based upon and subject to the foregoing, I am of the opinion that:

1. Thermo Electron is a corporation validly existing and in corporate good standing under the laws of the State of Delaware.

2. The issuance and sale of the Shares as contemplated in the Registration Statement have been duly authorized by Thermo Electron.

3. The Shares, when issued and sold in accordance with the provisions of the Plan, will

be validly issued, fully paid and nonassessable.

This opinion is limited to the applicable provisions of the Delaware Constitution, the General Corporation Law of the State of Delaware ("Delaware Law") and reported judicial decisions interpreting Delaware Law.

I hereby consent to the filing of this opinion as Exhibit 5 to the Registration Statement.
