**Item 8.01 Other Events.**

Following the announcement on March 19, 2013, by AmerisourceBergen Corporation (the Company) of the strategic, long-term relationship entered into with Walgreen Co. (Walgreens) and Alliance Boots GmbH (Alliance Boots), the Company disclosed that it was evaluating hedging strategies to partially offset the impact of the potential dilution of the ownership interests of its existing stockholders that would occur in the event that the warrants (the Warrants), issued to wholly-owned subsidiaries of Walgreens and Alliance Boots in connection with the strategic, long-term relationship, are exercised in 2016 and 2017. On June 4, 2013, the Company entered into an arrangement pursuant to which it anticipates executing a series of issuer capped call option transactions intended to mitigate a portion of the potential dilution associated with the Warrants. The Company believes it has sufficient capital resources to fund the anticipated cost of the issuer capped call option transactions.
